

Inter laboratory comparison on Industrial Computed Tomography - DTU Orbit (09/11/2017)

Inter laboratory comparison on Industrial Computed Tomography: CIA-CT comparison. Reference Measurements

General information

State: Published

Organisations: Department of Mechanical Engineering, Manufacturing Engineering, Institute for Product Development

Authors: Angel, J. A. B. (Intern), De Chiffre, L. (Intern), Larsen, E. (Ekstern), Rasmussen, J. (Intern), Sobiecki, R. (Intern)

Number of pages: 86

Publication date: 2013

Publication information

Publisher: DTU Mechanical Engineering

Original language: English

Series: CIA-CT Reference Measurements

Number: 01

Main Research Area: Technical/natural sciences

Electronic versions:

CIA_CT_Reference_Measurements_01.pdf

Source: dtu

Source-ID: u::8854

Publication: Research › Report – Annual report year: 2013
