[Editor's Note: While we try to maintain the current links, sometimes links change and become inactive.]

This NebFact contains information about sources of cancer information that may be helpful to cancer patients, family members, support groups and health professionals. Some sources are available only through the Internet. When possible, postal addresses, telephone numbers and World Wide Web sites have been included to make it easier to contact the organizations with your questions. The list is not exhaustive, but it should provide a lead into much useful information and allow you to link with additional contacts.

General Cancer Resources

American Cancer Society
1599 Clifton Road, N.E.
Atlanta, GA 30329.
Toll free: 1-800-227-2345.

Web site: <http://www.cancer.org/>

The American Cancer Society provides cancer information as well as information on programs and events, cancer guidelines, publications. A regional division, Heartland Division, is the link for Nebraskans to get more information.

In Nebraska:

Heartland Division American Cancer Society

8502 West Center Road
P.O. Box 241255
Omaha, NE 68124-5255
Toll free: 1-800-642-8116

American Institute for Cancer Research

1759 R Street, N.W.
Washington, DC 20009.
Toll free: 1-800-843-8114
Web site: <http://www.aicr.org/>

The American Institute for Cancer Research is the leading national cancer organization in the field of diet, nutrition and cancer. It provides information on cancer and cancer risk reduction. Researchers estimate that 35 percent or more of cancer deaths are linked to our dietary choices.

Cancer Information Service

National Cancer Institute
Bethesda, MD 20892
Toll-free: 1-800-422-6237
Web sites: Home page: <http://www.nci.nih.gov/>
CancerNet: <http://wwwicic.nci.nih.gov/>

CancerNet is a source of a wide range of accurate, credible cancer information brought to you by the National Cancer Institute. CancerNet information has been reviewed by oncology experts and is based on the results of current research. Cancer information is organized for the needs of patients, health professionals and basic researchers. A regional office for Nebraskans is located in Kansas City, KS.

In Nebraska:

Kansas Cancer Institute

3901 Rainbow Boulevard
Kansas City, KS 66160-7312

9 East 37th Street, 10th Floor

New York, NY, 10016

Phone: 212-889-0606

Web site: <http://www.nabco.org/>

This organization is a network of breast cancer organizations that provides information, assistance and referral to anyone with questions about breast cancer. It acts as a voice for the interests and concerns of breast cancer survivors and women at risk.

Y-ME National Breast Cancer Organization

212 W. Van Buren Street

Chicago, IL 60607-3908

Toll free: 1-800-221-2141

Spanish Hotline: 312-986-9505

Web site: <http://www.y-me.org/>

Y-ME National Breast Cancer Organization has a commitment to provide information and support to those who have been touched by breast cancer. It serves women with breast cancer and their families and friends through a national hotline, early detection workshops and local chapters.

Colon Cancer

Cancer-Links: Colon

Web site: <http://www.cancernews.com/colon.htm>

This Web site contains updated information on colon cancer research and treatment.

Lymphoma

Lymphoma Research Foundation of America

8800 Venice Blvd Suite 207

Los Angeles, CA 90034

Phone: 310-204-7040

Web site: <http://www.lymphoma.org/>

The Lymphoma Research Foundation of America, Inc. is the foremost national nonprofit organization providing funds for lymphoma research and educational information for lymphoma patients. LRFA publishes a quarterly newsletter, Lymphoma Update, which reports on research, clinical trials, nutrition and other areas of interest to patients.

Prostate Cancer

Prostate Cancer Infolink

Web site: <http://www.comed.com/prostate/>

The Prostate Cancer InfoLink is a cyberspace where people can gain information about this common form of cancer in males. At this Web site you can ask questions about prostate cancer and its treatment and learn how to contact support groups.

Skin Cancer

American Academy of Dermatology

930 N. Meacham Road

P.O. Box 4014

Schaumburg, IL 60168-4014

Phone: 847-330-0230

Web site: Skin Cancer News

<http://www.aad.org/SkinCancerNews/WhatIsSkinCancer/>

The Skin Cancer News Web site has information about what skin cancer is, and sun safety tips.

International Myeloma Foundation

2120 Stanley Hills Drive

Los Angeles, CA 90046

Phone: 213-654-3023

Toll free: 1-800-452-2873

Web site: <http://www.myeloma.org/>

This foundation offers a hotline and client information about myeloma. The Web site provides links to other information sources and information about patient/family seminars.

Cancer Support

Association of Community Cancer Centers

11600 Nebel Street Suite 2012

Rockville, MD 20852

Phone: 301-984-9496

Web site: <http://www.accc-cancer.org/>

This association is a national interdisciplinary organization that represents those who promote the continuum of quality cancer care (research, prevention, screening, early detection, diagnosis, treatment, psychosocial services, rehabilitation, hospice) for the community by encouraging comprehensive multidisciplinary community cancer program development and providing education about comprehensive cancer care.

Kid's Home at NCI

Web site: <http://www.ic.ncl.nih.gov/occdocs/KidsHome.html>

Art, stories and poetry are provided at this Web site. It also includes information to help parents deal with their child's disease.

Academic Cancer Research and Treatment Centers

National Comprehensive Cancer Network

Web site: <http://www.nccn.org/>

This Web site provides access to centers with Internet sites. NCCN links more than 13 leading academic cancer centers nationwide with a goal of ensuring high-quality, cost-effective services to cancer patients.

In Nebraska:**Eppley Institute for Research in Cancer and Allied Diseases**

600 South 42nd Street Box 986805

Omaha, NE 68198-6805

Fax: 402-559-4651

Web site: <http://www.unmc.edu/Eppley/>

Local Cancer Control Committees

Ask local hospitals/medical centers about their local cancer control committee. Check if there is an educational or support function to this committee.

File NF325 under: HEALTH AND SAFETY

B-1c, Practices for Optimum Health - Physical

Issued August 1997

Issued in furtherance of Cooperative Extension work, Acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Elbert C. Dickey, Director of Cooperative Extension, University of Nebraska, Institute of Agriculture and Natural Resources.

University of Nebraska Cooperative Extension educational programs abide with the non-discrimination policies of the University of Nebraska-Lincoln and the United States Department of Agriculture.
