**Search Tips**

<p><b>Multiple Words</b>                  When searching multiple words, the records retrieved will have all of the search words, though not necessarily in the order entered. Typically, the results are grouped by relevance. The first relevance group contains records in which your exact phrase appears in a main title. The next relevance group contains records in which all the words appear, anywhere in the record and not necessarily in order. To search for the exact phrase only, put quotation marks around the phrase. You may also do a "power" search by searching with <a href="#">Boolean Operators</a>, <a href="#">Proximity Operators</a>, or by searching in <a href="#">Specific Fields</a>. See the sections below for more information on doing advanced searches.</p>	<p>world health organization                  world and health and organization</p>
<p><b>Phrase Searches</b>                  Search for complete phrases by enclosing them in quotation marks. Words enclosed in double quotes will appear together in all results exactly as typed.</p>	<p>"world health organization"</p>
<p><b>Wildcards</b>                  Words may be right-hand truncated using an asterisk. Use a single asterisk * to truncate from 1-5 characters. Use a double asterisk ** for open-ended truncation. You may also use a question mark (?) to replace a single character anywhere within a word.</p>	<p>environment* polic*                  inter**                  wom?n</p>

## Circulation Policies for Non-UNL Borrowers

### INTRODUCTION

The services and policies explained in this document apply to Friends of the University Libraries, members of the UNL Alumni Association, UNL Reciprocal Borrowers, and residents of Nebraska. Anyone may browse the collections, but an IRIS card or virtual patron record is needed to check out materials.

### USER CARDS

Patrons may apply for an IRIS card at Love, C.Y. Thompson, Engineering or Architecture libraries. Patrons applying for IRIS cards must be at least 18 years of age and residents of Nebraska or meet one of the criteria listed below.

The following types of identification will be required to obtain an IRIS card:

- **Non University of Nebraska students and faculty of institutions participating in reciprocal borrowing programs:** Identification issued by the home institution. Reciprocal borrowing allows users to go to a participating library and borrow library materials directly. Participating institutions include most Nebraska post-secondary schools. Borrowers must follow the loan regulations of the lending library.
- **University of Nebraska Alumni Association members:** Current Alumni Association card.
- **Nebraska Residents:** Two forms of identification which indicate residency in Nebraska. One should be a current picture ID.
- **Friends of the UNL Libraries:** Current Friends membership card.
- **UNO, UNK, and UNMC personnel and students:** Current valid university identification card.

IRIS records are updated annually. ITEMS WILL NOT BE CHARGED OUT WITHOUT APPROPRIATE IDENTIFICATION. Current address and patron status information must be provided to the library by the patron. When an e-mail address is supplied, check it regularly. Your ISP may not accept e-mail from the Libraries. Lost IRIS cards may be replaced at Love, C.Y. Thompson, Engineering , or Architecture Library circulation desks.

ANY CHANGE OF PATRON INFORMATION MUST BE REPORTED TO THE LIBRARIES.

### BORROWER'S RESPONSIBILITIES

All library materials must be checked out before leaving the library. The borrower is financially responsible for each item charged on the borrower's card until the items are returned. **If your card is lost or stolen, you must report it immediately to any UNL circulation desk.** Any materials charged to a lost card that has not been reported will be the responsibility of the individual to whom the card is issued. Cards may only be used by the person to whom they are issued. Materials must be returned in the same condition as when they were checked out. There will be no transfer of overdues or fines from one borrower to another.

Most items may be returned to any UNL library or, when the library is closed, to the outside book return bins where provided. Bins at Love,

## First Time User Registration

Set up a unique user account for Document Retrieval and Interlibrary Loan.

[First Time Users Click Here](#) By pressing this button you acknowledge and agree to all of the terms and conditions stated here.

### About your Username and Password

During registration, you will be asked to choose a Username and Password. You will use this Username and Password when logging on to the ILLiad system in the future.

#### Username

Select a unique Username. We recommend using your email address or first and last name as it appears on your **NCard** (UNL Faculty, Staff, and Students) or **IRIS card** (Non-UNL Community Users).

In the example at the left, the first name is KARL and the last name is GAUSS. The username would be karlgauss.

#### Password

Your Password should be your NU ID number as it appears on your **NCard** (UNL Faculty, Staff, and Students) or the number that appears on your **IRIS card** (Non-UNL Community Users).

In the example at the left, the NU ID number is 77774444.

### Important Copyright Information

#### WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted materials.

Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research". If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use", that user may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.
