

The background of the slide features a soft-focus image of two hands, one larger and one smaller, gently cradling a glowing globe. The hands are positioned in the center-right of the frame, with the fingers slightly curled around the globe. The lighting is warm and ethereal, with a gradient from a deep blue on the left to a bright orange and yellow on the right, suggesting a sunrise or sunset. The overall mood is one of care, protection, and global health.
