# **Experience with an Entrepreneurship Minor for Engineering Students**

**McRae C. Banks**

**Collaborative for Entrepreneurship & Innovation**

**Worcester Polytechnic Institute**

**Worcester, MA**

# WPI Department of Management

- **We focus on three themes:**
  - **Leading and managing technology-based organization (primarily high tech)**
  - **Integrating technology into existing organizations**
  - **Converting technology into commercializable products, services and creating new organizations**

# **Management** (cont'd)

- **UG Majors: Management, MIS, Management Engineering (AACSB pending), Industrial Engineering (ABET accredited)**
- **Graduate Degrees: MBA, MS in Marketing & Technological Innovation, MS in Operations & Information Technology**
- **Collaborative for Entrepreneurship & Innovation**
- **Information Technology Research Centers**

# **Entrepreneurship Minor**

## **1996 - 1999**

- **ID 1050 Introduction to Entrepreneurship**
- **One from:**
  - **SS2207 Creativity and the Scientific Community**
  - **SS2302 Science and Technology Policy**
  - **SS2111 Social Control of Business**
- **Three from:**
  - **MG/IE2200 Financial Management**
  - **MG/IE2300 Organizational Science**
  - **MG/IE3440 Management of Process Innovation**
  - **MG3600 Marketing Management**
  - **MG3700 Information Systems Management**
- **Independent Study Project in Entrepreneurship**

# **Entrepreneurship Minor 1999 - Present**

- **Minor in Entrepreneurship for science and engineering majors**
  - **MG/IE 2850 Engineering Economy**
  - **MG 3910 Identifying and Evaluating NV Opportunities**
  - **MG 3920 Launching NV**
  - **MG 4930 Growing and Managing NV**
  - **And .....**

# Current Minor

- Choose two from:
  - **MG 1100 Financial Accounting**
  - **MG 2950 Business Law & Ethics**
  - **MG 3400 Production Systems Design**
  - **MG 3600 Marketing Management**
  - **MG 3700 Information System Management**

# Relative Merits

- **Advantages**

- **Strong grounding in business prior to entrepreneurship**
- **Prepares students as they are making career choices**
- **Still oriented towards minors**
- **Some courses can be used for credit toward MBA**

- **Disadvantages**

- **No entry level courses**
- **Depends on engineering advisors not to discourage students towards a minor**

# **Related Opportunities**

- **Additional courses in Innovation and E-business**
- **NCIIA Grants**
- **CEI at WPI ALL-OUT Business Plan Challenge**
- **Business Idea Contest**
- **WPI Dinner with Entrepreneurs Series**
- **Collegiate Entrepreneurs Organization (CEO)**
- **CEO East Student Entrepreneurship Conference**
- **New England Collegiate Entrepreneurs Award**

# **Related Opportunities**

- **WPI Venture Forum**
  - **Weekly radio show**
  - **Monthly programs**
  - **Elevator pitch opportunities**
  - **Breakfast With event**
  - **Business Plan Workshop**
  - **Business Plan Contest**
  - **Monthly Newsletter**

# **Outcomes**

- **Stronger academic component to minor**
- **More students taking the minor in Entrepreneurship**
- **Ultimately, more graduates pursuing entrepreneurial careers**
