

SUSTAINABLE E-WASTE Design Competition

PROJECT ABSTRACTS

Art/Designer Category

Team Number: 20

Category: Artist / Designer

Project Title: E-waste Collecting Station

Team Members: Chang woo Ahn, Chang-Ting Tsai, Teddy Lu, Cory A. Hinz

Project Description:

We have realized that there is not a solid structure to collect the e-waste. We are going to develop a system to collect the e-waste from individuals on every day basis. The outcome will be an E-waste collecting station that individuals bring in their e-waste and collect the e-waste to be properly recycled.
