EDITORIAL POLICY

Honors in Practice (HIP) publishes articles about innovative practices in individual honors programs and nuts-and-bolts issues of concern to the members of the National Collegiate Honors Council. *HIP* employs a double-blind review system. Essays should present ideas and/or practices that will be useful to other honors administrators and faculty, not just descriptions of “what we do at our institution.” Essays should advance a thesis located within a larger context such as theoretical perspectives, trends in higher education, or historical background. Essays should also demonstrate an awareness of previous honors discussions of the topic.

Submissions and inquiries should be directed to Ada Long at <adalong@uab.edu>.

DEADLINES

HIP is published annually. The deadline for submissions is January 1.

SUBMISSION GUIDELINES

1. We accept material by e-mail attachment in Word (not pdf). We do not accept material by fax or hard copy.
2. If documentation is used, the documentation style can be whatever is appropriate to the author’s primary discipline or approach (MLA, APA, etc.), but please avoid footnotes. Internal citation to a list of references (bibliography) is strongly preferred, and the editor will revise all internal citations in accordance with MLA guidelines.
3. There are no minimum or maximum length requirements; the length should be dictated by the topic and its most effective presentation.
4. Accepted essays are edited for grammatical and typographical errors and for infelicities of style or presentation. Authors have ample opportunity to review and approve edited manuscripts before publication.
