ABSTRACT

Throne, James E. 1987. A Bibliography of the Rusty Grain Beetle, Cryptolestes ferrugineus (Stephens) (Coleoptera: Cucujidae). U.S. Department of Agriculture, Agricultural Research Service, ARS-67, 19 p.

Rusty grain beetles are major pests of stored products throughout most of the world. This bibliography lists 239 papers published about these beetles. Citations are grouped by subject and are indexed by geography, host, and author.

KEYWORDS: Bibliography, Cryptolestes ferrugineus, rusty grain beetles, stored-product insects.

CONTENTS

Bibliography	2
Biology and ecology	2
Control	7
Chemical	7
Fumigation	9
Miscellaneous	10
Natural enemies	10
Resistance to pesticides	11
General papers	11
Morphology and physiology	12
Surveys	12
Taxonomy	14
Geographical index	15
Host index	16
Author index	17

Copies of this publication may be purchased from the National Technical Information Service, 5285 Port Royal Road, Springfield, VA 22161.

ARS has no additional copies for free distribution.
