It has been accepted for inclusion in Library Conference Presentations and Speeches by an authorized administrator of DigitalCommons@University of Nebraska - Lincoln.

Remembrance of Things Past: How I Spent My Faculty Development Leave

Sue Ann Gardner | October 10, 2018

20 x 20 Presentation | Academic Activities Committee
University of Nebraska-Lincoln | University Libraries

Accomplishments, Spring 2018

- Book manuscript
- Open textbook project
- Expert witness, copyright case
- Grant proposal
- Conference paper proposals

Book manuscript

*Scholarly Authors and Their Readers:
The Case for an Author-Centric Approach
to Scholarly Communication*

Thesis: Author-Centrism

Scholarly authors deserve to
disseminate their scholarship
with few encumbrances

Readers are the beneficiaries

Open educational resource textbook

- Worldwide distribution
- License noncommercial but NOT share-alike
- Instructors can use all or some of the text
- Free for users, free for authors
- Expected to save students \$3,500 / class at UNL
- Website <https://digitalcommons.unl.edu/parasittext>

Expert witness, copyright case

- Copyright infringement claim, with other charges
- Expert witness for the defense
- Reports, preparation for court testimony
- Trial, Federal Court, Nebraska, August 2018
- Outside activity (NUGrant)

Grant proposal

- Council on Library and Information Resources
- Hidden Collections call for proposals
- University of Nebraska State Museum materials
- Submitted April 3, 2018
- Not funded by CLIR
- The project will go forward with other funding

Conference proposals

- Open Repositories 2018, Bozeman, Montana
 - Topic: PubMed LinkOut project, UNL Libraries
 - Accepted; Paul Royster presented
 - June 2018

- FORCEII, Montreal, Québec, Canada
 - Topic: Open textbook project management
 - Accepted as a poster but did not attend
 - October 2018
 - FORCE = Future of Research Communications & e-Scholarship

Thank you for attending
