Title: Beyond Closed Captioning The other ADA accessibility requirements

Session Type: Formal Presentation

Availability: Anytime

Presenters:

Analisa McMillan (UNMC), Peggy Moore (UNMC)

Presentation Abstract:

Did you know that there is more to making your online course ADA accessible than just closed captioning your videos? Join us as we uncover the ADA accessibility requirements in Sections 508 refresh. In this session, we will discuss how to design your online course space, your materials, and documents to meet the compliance standards. Learn the whys and how's to formatting your PDFs, PPTs, Canvas content pages, word documents and multimedia to meet standards as well as considerations for colorblindness.

Importance:

1. Summarize the ADA 508 refresh and how it affects online learning
2. Apply ADA compliance requirements to course space and content.
3. Identify course content that meets or does not meet standards

Suggested Audience: General Audience

Presentation Needs:

None at this time

Note: The title field would not let me add a colon. The actual title should read, Beyond Closed Captioning: The other ADA accessibility requirements
