ERRATUM

Erratum to: Development of a simple PCR-based assay for the identification of triazine resistance in the noxious plant common ragweed (*Ambrosia artemisiifolia*) and its applicability in higher plants

Erratum to: *Biotechnol Lett* DOI 10.1007/s10529-011-0714-5

Unfortunately, the sentence “PCR was as follows: 1 cycle 94°C for 3 min, followed by 35 cycles of 1 min at 94°C, 1 min at the primer annealing temperature and 1 min at 72°C. A final extension

was applied for 7 min at 72°C.” in the Materials and methods section has been misrepresented.

The correct sentence is:

“PCR was as follows: 1 cycle 94°C for 2 min, followed by 45 cycles of 15 s at 94°C, 15 s at 53°C and 30 s at 72°C. A final extension was applied for 3 min at 72°C.”
