Correction to: *Nature Communications*; <https://doi.org/10.1038/s41467-018-07070-8>, published online 7 Nov 2018

The original version of this Article contained an error in Fig. 2. In panel a, the two legend items “rare” and “common” were inadvertently swapped. This has been corrected in both the PDF and HTML versions of the Article.
