Correction to: American Society for Enhanced Recovery (ASER) and Perioperative Quality Initiative (POQI) Joint Consensus Statement on Optimal Analgesia within an Enhanced Recovery Pathway for Colorectal Surgery: Part 2—From PACU to the Transition Home

Michael J. Scott^{1,2†}, Matthew D. McEvoy^{3,4†}, Debra B. Gordon⁵, Stuart A. Grant⁶, Julie K. M. Thacker⁷, Christopher L. Wu⁸, Tong J. Gan⁹, Monty G. Mythen¹⁰, Andrew D. Shaw¹¹, Timothy E. Miller^{12*}, For the Perioperative Quality Initiative (POQI) I Workgroup

Correction

After publication of this article (Scott et al. 2017), it was noticed that the HTML version contained technical errors regarding the collaborator information of the Perioperative Quality Initiative (POQI) I Workgroup. The Declarations section was missing the acknowledgements for the group. The correct information can be found in this correction.

Acknowledgements

POQI I conference directors (named authors on all manuscripts)

- Timothy E Miller, Department of Anesthesiology, Duke University Medical Center, NC, USA.
- Andrew D Shaw, Department of Anesthesiology, Vanderbilt University Medical Center, Nashville, TN, USA.
- Michael G Mythen, Department of Anaesthesia, University College London, London, UK.
- Tong J Gan, Department of Anesthesiology, Stony Brook University School of Medicine, NY, USA.

Group A – analgesia

- Matthew D. McEvoy, Department of Anesthesiology, Vanderbilt University Medical Center, Nashville, TN, USA (chair).
- Michael J. Scott, Department of Anaesthesia, Royal Surrey County NHS Foundation Hospital, Surrey, UK (co-chair).
- Deborah Gordon, RN, Department of Anesthesiology and Pain Medicine, University of Washington.

- Stuart Grant, Department of Anesthesiology, Duke University Medical Center, NC, USA.
- Julie K.M. Thacker, Division of Advanced Oncologic and GI Surgery, Duke University Medical Center, NC, USA.
- Christopher L. Wu, Department of Anesthesiology, The Johns Hopkins University School of Medicine, MD, USA.

Group B – fluids

- Robert H. Thiele, Departments of Anesthesiology and Biomedical Engineering, University of Virginia School of Medicine, VA, USA (chair).
- Karthik Raghunathan, Department of Anesthesiology, Duke University Medical Center, USA (co-chair).
- CS Brudney, Department of Anesthesiology, Duke University Medical Center, USA.
- Dileep N Lobo, Division of Gastrointestinal Surgery, Nottingham University Hospitals and University of Nottingham, Nottingham, UK.
- Dr. Daniel Martin, Royal free Perioperative Research Group, Royal Free Hospital, London, UK.
- Anthony Senagore, Department of Surgery, University of Texas-Medical Branch at Galveston, Galveston, TX, USA.

Group C – infection

- Stefan D Holubar, Department of Surgery, Dartmouth-Hitchcock Medical Center, NH, USA (chair).
- Traci Hedrick, Department of Surgery, University of Virginia School of Medicine, VA, USA (co-chair).
- John Kellum, Department of Critical Care Medicine, University of Pittsburgh School of Medicine, Pittsburgh, PA, USA.
- Ruchir Gupta, Department of Anesthesiology, Stony Brook University School of Medicine, NY, USA.
- Mark Hamilton, Department of Anaesthesia, St. George's Hospital and Medical School, London, UK.
