PERFORMANCE CHECK- MWANGA PLATFORM

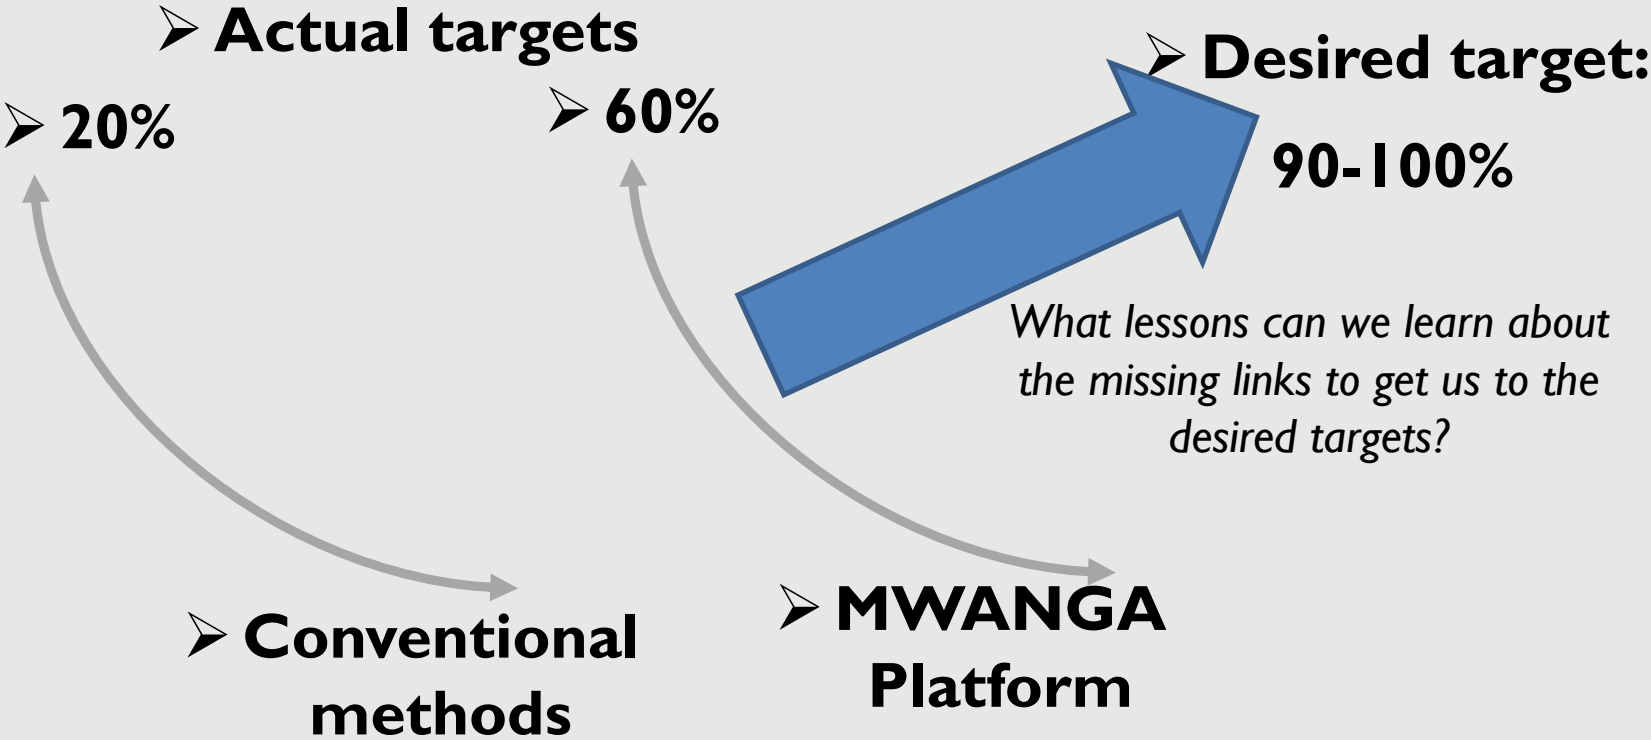

- The Mwangi Platform was presented and shared with development partners in Babati on 3 occasions: 16 June, 24-26 September 2017 and February 2018: Agro-dealers, extension agents and processing partners.
- Coordination with service provider and conducted a survey out of the 1250 membership, short survey was conducted and sent to 463 members, and received 385 responses
- The structure of the short survey entailed:
 - Have you heard of MWANGA Platform?
 - If yes or no, and you have the needed information, are you willing to use it?
 - Do you use the MWANGA Platform for your decision making?

PERFORMANCE CHECK- MWANGA PLATFORM

THE MWANGA PLATFORM- SOUTHERN HIGHLANDS

- Share access to the platform together: MWANGA Platform Access can provide both username and password;
<https://www.echomobile.org/app>
- Face to face meetings and interaction on integrating work
- Ensure inclusion of farmers from Southern Highlands into database platform;
- Learn about efforts on SH work and possibility of integrating efforts;
- Expectations from these discussions: Develop a knowledge package to integrate into MWANGA+ (MWANGA PLUS);
- Write Blogs about Scaling and share information on Website

UKULIMA IQ
