Rangelands Initiative Global Gathering, Jakarta, Indonesia

INTERNATIONAL
LAND
COALITION

Background

- Global component established in 2016 as an off-shoot of Africa component, and as a result of demand from ILC members working on rangelands regiona/global.
- Core partnership of ILRI, FAO-PKH, IFAD, UNEP, WRI, IUCN, ICARDA, CIRAD & Rangelands Partnership
- ILRI responsible for the coordination of global component.
- Global component works across two regional Rangelands Initiatives (Africa and Asia) and links with the Latin America Semi-Arids Platform. Reference Group – ILC rangelands members and partners.
- Global component maintains a link with the ILC Secretariat, supporting them on rangeland issues; contributing generally to development of CBIs (commitment-based initiatives). ILC mailing list/slack.

Background

Goal: Increased tenure security of local land and resource users in rangelands

Objectives 1: To strengthen community of practice on rangelands-land issues at global level [CONNECT]
