Social and territorial aspects of the national economic security in Russia

Malganova I., Gallyamova D., Gafurov I., Pratchenko O.
Kazan Federal University, 420008, Kremlevskaya 18, Kazan, Russia

Abstract

© 2014, Mediterranean Center of Social and Educational Research. All right reserved. In the work in addition to the traditional division of national security into economic, financial, military, food, etc. social and territorial types of security are identified. The authors do not divide the national economic security into subtypes, they attempt to reveal the complex of social and territorial problems relating to the national economic security of modern Russia.
