This correction refers to *Beilstein J. Nanotechnol.* **2017**, *8*, 614–626. doi:10.3762/bjnano.8.66

In the original publication, the unnumbered equation that appears in the top right corner on page 624 before Equation 23 contains an error. The order of the svd vectors should be as follows:

$$\sigma_- = \left( \text{svd} \left[ \mathbf{T}_{--}^{\text{helicity}} \right] \text{svd} \left[ \mathbf{T}_{+-}^{\text{helicity}} \right] \right).$$

The authors would like to acknowledge Mr. Philipp Gutsche for pointing out this error.
