Published: 16 October 2015

In the published paper by S. Bender et al., titled “Comparison of nitric oxide measurements in the mesosphere and lower thermosphere from ACE-FTS, MIPAS, SCIAMACHY, and SMR”, the date of decease of J. Urban was mistakenly stated as 14 August 2015. He passed away on 14 August 2014. This date was incorrect in the published paper.
