

## Correction

# Correction: Nano-Scale Morphology of Melanosomes Revealed by Small-Angle X-Ray Scattering

**The PLOS ONE Staff**

In the Methods section, there is an error in the second equation under the sub-heading “Small angle X-ray scattering at ambient temperatures.” Please view the complete, correct equation here:

$$q_* = \frac{q}{\left[ \operatorname{erf} \left( qR_{B6}/\sqrt{6} \right) \right]^3}.$$
