# Soziolinguistische Bibliographie europäischer Länder für 2010

## Sociolinguistic Bibliography of European Countries for 2010

### Bibliographie sociolinguistique des pays européens pour 2010

Sociolinguistica ist bestrebt, ein Netz von Korrespondenten für ganz Europa aufzubauen. Diese Korrespondenten stellen aufgrund ihres Fachwissens in Eigenverantwortung ein Verzeichnis der wichtigsten Monographien, Sammelbände und Aufsätze wissenschaftlicher Fachzeitschriften ihres jeweiligen Landes zusammen, die, soweit ihr Umfang den vorgegebenen Rahmen von Sociolinguistica nicht sprengt, im zweiten Jahr nach Erscheinen in dieses Jahrbuch aufgenommen werden.

Sociolinguistica is striving to build a network of correspondents for Europe as a whole. These correspondents are responsible for creating a register, on the basis of their own professional journals in their countries. Within the guidelines of Sociolinguistica, these publications are then included in the yearbook within two years of their publication.

Sociolinguistica tâche de mettre sur pied un réseau de correspondants couvrant toute l'Europe. Sur base de leur propre connaissance professionnelle, ceux-ci élaborent alors un relevé des plus importantes monographies, collections et essais parus dans des revues spécialisées de leur pays. S'ils ne sortent pas de domaines de la sociolinguistique, ils sont inclus dans l'annuaire deux ans après leur publication.
