

# **Phylogeny and zoogeography of the Sericini in the Himalayan region (Insecta: Coleoptera: Scarabaeidae)**

Dissertation  
zur Erlangung des akademischen Grades  
Doktor der Naturwissenschaften

von

**Dirk Ahrens**

eingereicht im Fachbereich Biologie/ Chemie/ Pharmazie  
der Freien Universität Berlin

Berlin 2004

**Disclaimer**

I herewith declare that the nomenclaturally relevant acts in this thesis have to be regarded as unpublished according to Article 8 of the *International Code of Zoological Nomenclature*, and will only become available by the referring publications.

Gutachter: Prof. Dr. Walter Sudhaus (Freie Universität Berlin)  
Prof. Dr. Holger H. Dathe (Deutsches Entomologisches Institut,  
ZALF e.V., Müncheberg)

Tag der Disputation: 1. November 2004

# Contents

1	Introduction .....	4
1.1	The biology and systematic of the group studied .....	4
1.2	The geographical area studied .....	7
1.2.1	Definition of the geographical area .....	7
1.2.2	Climatic and vegetational characterization of the geographical area studied .....	7
1.2.3	Geological history .....	11
1.2.4	Climatic history .....	15
2	Material and methods .....	20
3	Results .....	24
3.1	The phylogenetic position of the Sericini .....	24
3.2	Species-level phylogeny of Sericini in the Himalaya .....	51
3.2.1	The phylogeny of <i>Maladera</i> (subgenus <i>Cycloserica</i> ) .....	51
3.2.2	The phylogeny of <i>Maladera</i> (subgenus <i>Omaladera</i> ) .....	59
3.2.3	The phylogeny of <i>Calloserica</i> .....	72
3.2.4	The phylogeny of <i>Lasioserica</i> .....	84
3.2.5	The phylogeny of <i>Sericania</i> .....	106
3.2.6	The phylogeny of <i>Xenoserica</i> gen. n. .....	120
3.2.7	The phylogeny of <i>Serica</i> .....	132
3.2.8	The phylogeny of <i>Anomalophylla</i> .....	156
4	Biogeography of the Himalayan Sericini - a synthesis .....	167
4.1	The state of knowledge of the Himalayan sericine fauna .....	167
4.2	Chorology .....	168
4.2.1	Regional diversity of Sericini .....	168
4.2.2	Chorological characterisation of Himalayan Sericini .....	172
4.2.3	Species richness at different altitudes .....	173
4.3	Biogeographical implications .....	175
5	Acknowledgements .....	180
6	Summary .....	181
7	Zusammenfassung .....	183
8	References .....	185
9	Appendix .....	194
9.1	Appendix A: Species examined .....	194
9.2	Appendix B: Data matrix of analyses .....	201
9.3	Appendix C: Tree statistics and weights .....	212
9.4	Appendix D: Checklist <i>Maladera</i> ( <i>Omaladera</i> ) .....	219
9.5	Appendix E: Checklist Himalayan Sericini .....	220
9.6	Appendix F: Abbreviations .....	226
