PUBLIC EMPLOYMENT RELATIONS BOARD

In the Matter of :
: BOARD DECISION AND ORDER
BOARD OF EDUCATION OF DEER PARK UNION FREE :
SCHOOL DISTRICT, :
: Respondent,, :
: CASE NO. U-2694
-and- :
: DEER PARK TEACHERS ASSOCIATION, affiliated :
with NEW YORK EDUCATORS ASSOCIATION, and :
MARLETTA STEVENSON, :
: Charging Parties. :
:

In the Matter of :
: BOARD OF EDUCATION OF EAST RAMAPO, :
: CASE NO. U-2703
: Respondent, :
: -and- :
: EAST RAMAPO TEACHERS ASSOCIATION, affiliated :
with NEW YORK EDUCATORS ASSOCIATION, and :
RICHARD MULLIN, :
: Charging Parties. :
:

As part of a plan to enhance their public image, both the Deer Park Teachers Association and the East Ramapo Teachers Association initiated programs under which "success cards" bearing clear Association identification and returnable to the Association at its address would be prepared by classroom teachers and mailed to students' parents notifying them of positive student achievements. Teacher participation in the "success cards" was to be voluntary.

The program was never implemented in Deer Park because of the direction of the School District. In East Ramapo the program was commenced. It was terminated, however, at the direction of the President of the Board of Education. The letter containing his direction was distributed by the Superinten-

dent to the faculty.

On May 16, 1977, the Deer Park Teachers Association and Marletta Stevenson filed an improper practice charge (Case No. U-2694) against the Board of Education of the Deer Park Union Free School District, alleging violations of §§209-a.1(a), (b) and (c) of the Taylor Law. On May 18, 1977, the East Ramapo Teachers Association and Richard Mullin filed an improper practice charge (Case No. U-2703) against the Board of Education of the East Ramapo Central School District, alleging violations of §§209-a.1(a), (b), (c) and (d)¹ of the Taylor Law. A joint hearing was held on the two charges. The hearing officer determined that the "success card" program was not a protected activity under the Taylor Law because it was not related to the terms and conditions of employment of the teachers. Accordingly, he dismissed the charges in both cases.

The employee organizations have filed exceptions to the hearing officer's decision. Although the exceptions specify eight particulars in which it would have us conclude that the hearing officer erred, the common denominator of each is the hearing officer's conclusion that the "success card" program was not a protected activity under the Taylor Law.

We affirm the determination of the hearing officer that the "success card" program is not a protected activity under the Taylor Law. The Taylor Law grants to public employees the right to organize and to be represented by employee organizations in collective negotiations and in the administration of grievances. Collective negotiations are limited to matters constituting "terms and conditions of employment".

An employee organization has no protected right to use for its benefit information about students obtained by a teacher in the course of his official

¹ The alleged (d) violation is the employer's direct communication with the faculty.

activities on behalf of the School District. Neither does a school teacher have a protected right to disclose such information for the benefit of his employee organization. It may constitute insubordination for a teacher to do so in disobedience of instructions from the School District.²

In the private sector, it has long been held that the protected right of employees to engage in concerted activities does not affect their duty of loyalty to their employer in the sense that they may be prohibited from disclosing job-related information to their employer's clientele except insofar as those disclosures relate to a labor dispute.³ In their brief, the Associations argue that public sector unions have a particular protected right to take concerted action to enhance their public image because public opinion is an indispensable ingredient in the ability of a public sector union to represent its constituency effectively. We find no basis in the Taylor Law for such distinction.

ACCORDINGLY, we determine that the charges are without merit. In doing so, we find it unnecessary to reach the question raised by the exception of the Board of Education of the Deer Park Union Free School District.⁴

² Nothing herein should suggest that an employee organization may not give public recognition to student successes on the basis of information that is generally available to the public.

³ E.g., NLRB v. Local Union No. 1229, IBEW, 346 U.S. 464 (1953).

⁴ The Board of Education of Deer Park Union Free School District also filed a cross-exception because it disagreed with the hearing officer's statement "that the particular activity here in question" is not reserved to the employer by the Education Law. It is not clear to us what the precise disagreement is between the hearing officer and the Deer Park Board of Education. The hearing officer appears to be speaking of pupil evaluation, while the Deer Park Board of Education appears to be speaking about determining educational policy. In any event, in view of our decision herein, we need not reach the issue.

NOW, THEREFORE, WE ORDER that the charges herein be, and they hereby
are, dismissed in their entirety.

In the Matter of : #2B-5/3/78
WAPPINGERS FEDERATION OF TRANSIT, CUSTODIAL BOARD DECISION
AND MAINTENANCE WORKERS, : AND ORDER
upon the Charge of Violation of Section : Case No. D-0163
210.1 of the Civil Service Law. :

On February 1, 1978, Martin L. Barr, Counsel to this Board, filed a charge alleging that the Wappingers Federation of Transit, Custodial and Maintenance Workers (Federation) had violated Civil Service Law (CSL) §210.1 in that it caused, instigated, encouraged, condoned and engaged in a four-day strike against the Wappingers Central School District (District) on November 15, 16, 17 and 18, 1977.

The Federation filed an answer but thereafter agreed to withdraw it, thus admitting to all of the allegations of the charge, upon the understanding that the charging party would recommend, and this Board would accept, a penalty of loss of the Federation's deduction privileges for five (5) months. The charging party has in fact recommended a five-month suspension of deduction privileges.

On the basis of the unanswered charge, we find that the Federation violated CSL §210.1 in that it engaged in a strike as charged, and we determine that the recommended penalty is a reasonable one.

WE ORDER that the deduction privileges of the
Wappingers Federation of Transit, Custodial and
Maintenance Workers be suspended for a period

5206

of five months, commencing September 1, 1978.
Thereafter, no dues and agency shop fee shall
be deducted on its behalf by the Wappingers
Central School District until the Wappingers
Federation of Transit, Custodial and Maintenance
Workers affirms that it no longer asserts the
right to strike against any government, as re-
quired by the provisions of CSL §210.3(g).
