# Annual Report on the Federal Work Force, Part II: Work Force Statistics (Fiscal Year 2010) 

#### Abstract

[Excerpt] EEOC is charged with monitoring federal agency compliance with equal employment opportunity (EEO) laws and procedures and reviewing and assessing the effect of agencies' compliance with requirements to maintain continuing affirmative employment programs to promote equal employment opportunity and to identify and eliminate barriers to equality of employment opportunity.

This report covers the period from October 1, 2009, through September 30, 2010 and contains selected measures of agencies' progress toward model EEO programs. Working within our mission as an oversight agency, EEOC strives to create a partnership with agencies.

The FY 2010 Annual Report on the Federal Work Force, submitted to the President and Congress, presents a summary of selected EEO program activities in the federal government, including work force profiles of 64 federal agencies.

## PREFACE

The U.S. Equal Employment Opportunity Commission (EEOC or Commission) was established by the Civil Rights Act of 1964, Title VII, with the mission of eradicating discrimination in the workplace. In the federal sector, EEOC enforces Title VII, which prohibits employment discrimination on the basis of race, color, religion, sex, and national origin; the Age Discrimination in Employment Act of 1967 (ADEA), which prohibits employment discrimination against individuals 40 years of age or older; the Equal Pay Act of 1963 (EPA), which prohibits discrimination on the basis of gender in compensation for substantially similar work under similar conditions; the Rehabilitation Act of 1973 (Rehabilitation Act), which prohibits employment discrimination against federal employees and applicants with disabilities and requires that reasonable accommodations be provided; and beginning November 21, 2009 the Genetic Information Nondiscrimination Act of 2008 (GINA), which prohibits employment discrimination on the basis of genetic information.

EEOC is charged with monitoring federal agency compliance with equal employment opportunity (EEO) laws and procedures and reviewing and assessing the effect of agencies' compliance with requirements to maintain continuing affirmative employment programs to promote equal employment opportunity and to identify and eliminate barriers to equality of employment opportunity.

Equal Employment Opportunity Management Directive 715 (MD-715), issued October 1, 2003, established standards for ensuring that agencies develop and maintain model EEO programs. These standards are used to measure and report on the status of the federal government's efforts to become a model employer. As detailed in MD-715, the six elements of a model EEO program are:

- Demonstrated commitment from agency leadership,
- Integration of EEO into the agency's strategic mission,
- Management and program accountability,
- Proactive prevention of unlawful discrimination,
- Efficiency, and
- Responsiveness and legal compliance.

This report covers the period from October 1, 2009, through September 30, 2010 and contains selected measures of agencies' progress toward model EEO programs. ${ }^{1}$ Working within our mission as an oversight agency, EEOC strives to create a partnership with agencies.

[^1]The FY 2010 Annual Report on the Federal Work Force, submitted to the President and Congress, presents a summary of selected EEO program activities in the federal government, including work force profiles of 64 federal agencies.

To prepare this report, the Commission relied on the following data: 1) work force data, as of September 30, 2010, obtained from the U.S. Office of Personnel Management's (OPM) Central Personnel Data File (CPDF) ${ }^{2}$ supplemented with data provided by the Army \& Air Force Exchange Service (AAFES), Federal Energy Regulatory Commission (FERC), the Foreign Service, National Indian Gaming Commission (NIGC), Tennessee Valley Authority (TVA) and the United States Postal Service (USPS); 2) data from the 2000 EEO Special Files, and 3) EEO program data submitted and certified as accurate by 190 of 193 federal agencies and subcomponents in their FY 2010 Federal Agency Annual Equal Employment Opportunity Program Status Reports (MD-715 reports). ${ }^{3}$

Effective January 1, 2006, OPM required federal agencies to collect ethnicity and race information for accessions on the revised Ethnicity and Race Identification (Standard Form 181). Accordingly, the CPDF contains data on persons who are Native Hawaiian or Other Pacific Islander or who are of Two or More Races. Thus, for the fifth year, separate data on these groups is contained in this Report. Readers should bear in mind that in prior years, data on Asians included Native Hawaiian or Other Pacific Islander and no data was reported on persons of Two or More Races. As a result, care should be exercised when comparing current data to data from prior years.

Finally, the Commission would like to extend its thanks to: 1) OPM for providing the work force data from the CPDF; 2) AAFES, FERC, Foreign Service, National Indian Gaming Commission (NIGC), TVA, and USPS for providing their work force data; and 3) those agencies that timely submitted accurate and verifiable EEO program analysis data.

This year the Commission again provided agencies an opportunity to comment on the draft of this report. The Commission thanks those agencies that submitted comments and suggestions for assisting in the publishing of a more accurate report.

## EXECUTIVE SUMMARY

## STATE OF EEO IN THE FEDERAL GOVERNMENT

$\square \quad$ In FY 2010, there were over 2.8 million women and men employed by the federal government across the country and around the world.

O 56.0\% were men and 44\% were women; after a slow but steady increase, the participation rate for women fell slightly again from last year (44.06\% to 43.97\%).

O $7.9 \%$ were Hispanic or Latino, $65.4 \%$ were White, $17.9 \%$ were Black or African American, $5.9 \%$ were Asian, $0.4 \%$ were Native Hawaiian or Other Pacific Islander, $1.6 \%$ were American Indian or Alaska Native, and $0.8 \%$ were persons of Two or More Races.

Between FY 2009 and FY 2010, Women, Hispanic or Latino men and women, men of Two or More Races, and White women remained below their overall availability in the national civilian labor force, as reported in the 2000 census (CLF).
$\square$ After a steady decline for the past ten years, the participation rate of employees with targeted disabilities in the total federal work force again held steady in FY 2010 at $0.88 \%$. Despite a modest net gain of 554 employees in FY 2010, Individuals with Targeted Disabilities still fell far short of the $2 \%$ goal set by EEOC's LEAD Initiative.
$\square$ Of the total work force, $0.75 \%$ held senior pay level positions, which is an increase from 0.69\% in FY 2001. Over the last ten years women, Hispanic or Latino, Black/African American, and Asian employees have made the most gains in securing senior level positions in the federal government, increasing their participation rates by 56.94\%, $51.83 \%, 41.47 \%$ and $126.30 \%$ respectively. Comparatively, women increased their participation rates in the total work force over the same period by $20.73 \%$, Hispanic or Latino employees by $32.64 \%$, Black/African American employees by 11.58\% and Asian employees by $29.26 \%$.
$\square \quad$ Of the total work force, $54.78 \%$ of employees occupied General Schedule and Related (GSR) pay system positions. During FY 2010, many employees in Other Pay system positions were reclassified to GSR positions.
$\square \quad$ The average grade for permanent and temporary GSR employees was 10.1 (\$45,771 per annum). The following groups Hispanic or Latino employees (9.7, \$49,873 per annum), Black or African American employees (9.3, $\$ 44,333$ per annum), Native Hawaiian or Other Pacific Islander employees (8.6, \$43,901 per annum), American Indian or Alaska Native employees (8.6, \$43,901 per annum) and employees of Two or More Races (9.3, \$44,333 per annum) had average grades lower than the government-
wide average. The average grade for Asian employees (10.6, \$53,401 per annum) and White employees (10.4, \$50,349 per annum) exceeded the government-wide average. ${ }^{4}$

- The average GSR grade for women increased to 9.5 (\$47,103 per annum), still more than one grade below the average grade level for men of 10.7 (\$54,927 per annum).
- The average GSR grade for Individuals with Targeted Disabilities rose to 8.7 (\$45,155 per annum), nearly one and a half grades below the government-wide average (for permanent and temporary employees) of 10.1 ( $\$ 45,771$ per annum).
- Of the total work force, 6.93\% of employees occupy positions in the Federal Wage System. In comparison to the GSR positions, the Federal Wage System had a higher percentage of men (89.64\%), Hispanic or Latino men (6.84\%), and Black or African American men (14.61\%), Asian men (3.36\%), Native Hawaiian or Other Pacific Islanders (0.80\%), American Indian or Alaska Natives (2.49\%) and Individuals with Targeted Disabilities (1.09\%) and a lower percentage of women (10.36\%).
- Of the total work force, 37.54\% of employees occupied positions in Other Pay Systems (i.e. other than Senior Pay, GSR and Federal Wage Systems). ${ }^{5}$ In comparison to the GSR, the other pay systems had a higher percentage of men (55.37\%), Hispanic or Latino men (4.88\%), Black or African American men (8.59\%), Asian employees (7.58\%) and Native Hawaiian or Other Pacific Islander employees ( $0.36 \%$ ); and a lower percentage of White employees (63.83\%), and American Indian or Alaska Native employees (1.09\%), Persons of Two or More Races (0.77\%) and Individuals With Targeted Disabilities (0.69\%).
- Of the 192 agencies and subcomponents that submitted a FY 2010 MD-715 report, 85\% reported that they had issued an EEO policy on an annual basis, an increase from the $61 \%$ of the 180 agencies and subcomponents that submitted an MD-715 report in FY 2009.
- In FY 2010, reasonable accommodation procedures were posted on only 67\% of 194 federal agency and subcomponent's external websites.
- A state of the agency briefing to the agency head, required by MD-715, was conducted by 88\% of the 192 agencies and subcomponents that submitted a FY 2010 MD-715 report, up from $77 \%$ of the 180 agencies and subcomponents that submitted a FY 2009 MD-715 report.

[^3]$\square \quad$ In FY 2010, 91\% of the 192 agencies and subcomponents that submitted MD-715 reports reported rating its managers and supervisors on their commitment to EEO, which exceeds the $80 \%$ of the 180 agencies and subcomponents that submitted MD715 reports in FY 2009.
$\square$ Of the 192 agencies and subcomponents that submitted a FY 2010 MD-715 report, $89 \%$ reported it maintained a written anti-harassment policy, up from the $77.8 \%$ of 180 agencies and subcomponents that submitted an MD-715 report in FY 2009.
$\square \quad$ In FY 2010, 22\% of the 192 agencies and subcomponents that submitted MD-715 reports included comprehensive applicant flow data, increasing slightly from the 18.33\% of the 180 agencies and subcomponents that submitted MD-715 reports in FY 2009.
$\square \quad$ In FY 2010, 88\% or 169 of the 192 agencies and subcomponents that submitted a MD715 report did so by the February 4, 2011 deadline. Agencies that participated in EEOC's pilot project involving the electronic filing of MD-715 data received an extension until February 28, 2011. In FY 2009, 79\% or 143 of the 180 agencies and subcomponents that submitted reports were timely. No extensions were granted in FY 2009.
$\square$ Only $81.4 \%$ or 157 of the 194 agencies and subcomponents post the required Notification and Federal Employee Antidiscrimination and Retaliation (No FEAR) Act data on their external websites in FY 2010.

## I - Summary of EEO Statistics in the Federal Government

## Section A - Demonstrated Commitment From Agency Leadership

Federal agencies must be forward-thinking in positioning themselves as the nation's employer of choice. Reaching all segments of our diverse population only strengthens an agency's ability to achieve its mission. EEOC's Management Directive 715 sets forth policy guidance and standards for establishing and maintaining effective affirmative programs of equal employment opportunity under Section 717 of Title VII and effective affirmative action programs under Section 501 of the Rehabilitation Act.

MD-715 requires agency heads and other senior management officials to demonstrate a firm commitment to equality of opportunity for all employees and applicants for employment. Agencies must safeguard the principles of equal employment opportunity and ensure that they become ingrained as part of their everyday practice and a fundamental part of agency culture. All agency leaders must "own" their agencies' EEO program.

## 1. $85 \%$ of Agencies Issued EEO Policy Statements on an Annual Basis

Section II(A) of MD-715 provides that "commitment to equal employment opportunity must be embraced by agency leadership and communicated through the ranks from the top down. It is the responsibility of each agency head to take such measures as may be necessary to incorporate the principles of EEO into the agency's organizational structure." In addition, this section establishes that "agency heads must issue a written policy statement expressing their commitment to EEO and a workplace free of discriminatory harassment. This statement should be issued at the beginning of their tenure and thereafter on an annual basis and disseminated to all employees." Issuing the statement on an annual basis provides an opportunity to highlight the accomplishments and strategies of most import for the coming year.

## EEOC FY 2010 Annual Report on the Federal Work Force Part II

Figure 1 - Percent of Agencies that Issued EEO Policy Statements On an Annual Basis FY 2006 - FY 2010

Figure 1 above shows the number of agencies that issued EEO policy statements on an annual basis. Of the 192 agencies and subcomponents that submitted an MD-715 report for FY 2010, 164 (85.42\%) reported that they had issued an EEO policy statement annually and would continue to do so, an increase from the $61.1 \%$ of 180 agencies and subcomponents that submitted in FY 2009. See Appendix III for a detailed list of agencies' status.

## 2. 67\% of Agencies Post Reasonable Accommodation Procedures on the External Websites

Section II(C) of EEOC's MD-715 provides that model EEO programs should "implement effective reasonable accommodation procedures that comply with applicable executive orders, EEOC guidance, the Architectural and Transportation Barriers Compliance Board's Uniform Federal Accessibility Standards and Electronic and Information Technology Accessibility Standards. Agencies should ensure that EEOC has reviewed those procedures when initially developed and if procedures are later significantly modified."

Part G of the MD-715 report, the Self-Assessment Checklist, provides agencies with a comprehensive listing of the kinds of agency documents and systems that should be in place in order to operate a model EEO program. These measures include "Have the procedures for reasonable accommodation for individuals with disabilities been made readily available/accessible to all employees by disseminating such procedures during orientation of new employees and by making such procedures available on the World Wide Web or Internet?" A review of agency external websites found that of the 194 agency and sub-component websites visited, the reasonable accommodation policies of 129 agencies and sub-components were located.

## EEOC FY 2010 Annual Report on the Federal Work Force Part II

Figure 2 below shows the number of agencies that posted reasonable accommodation procedures on their external websites for the last five years. As shown, in FY 2010, 4.72\% more agencies posted their reasonable accommodation procedures on their external websites than did in FY 2006. See Appendix III for a detailed list of agencies' status.

Figure 2 - Percent of Agencies that Post Reasonable Accommodation Procedures on the External Website FY 2006 - FY 2010

## EEO Program Tip

## Posting Reasonable Accommodation Policy

The EEOC requires that federal agencies post their reasonable accommodation policy and procedures to their public websites. This critical resource should easily be available to employees and potential applicants. It provides a public window on how agencies address reasonable accommodations. Such postings allow potential applicants to review the agency's policy relating to accommodations prior to submitting an application for employment. It also provides applicants with guidance on how to request accommodations during the application process. In its policies, agencies must alert applicants to the procedures used by the agency to ensure that applicants and employees receive timely and appropriate accommodations. Additionally agencies should also provide applicants with the contact information for the person or office responsible for those accommodations should they have any questions regarding their specific request. This information should also be included in the vacancy announcement.

## EEOC FY 2010 Annual Report on the Federal Work Force Part II

## Section B - Integration of EEO Into Agencies' Strategic Mission

In order to achieve its strategic mission, an agency must integrate equality of opportunity into attracting, hiring, developing, and retaining the most qualified work force. The success of an agency's EEO program ultimately depends upon decisions made by individual agency managers. Therefore, agency managers constitute an integral part of the agency's EEO program. The EEO office serves as a resource to these managers by providing direction, guidance, and monitoring of key activities to achieve a diverse workplace free of barriers to equal opportunity.

As part of integrating EEO into the strategic mission, Section II(B) of MD-715 instructs agencies to ensure that: (1) the EEO Director has access to the agency head; (2) the EEO office coordinates with Human Resources; (3) sufficient resources are allocated to the EEO program; (4) the EEO office retains a competent staff; (5) all managers receive effective managerial, communications and interpersonal skills training; (6) all managers and employees are involved in implementing the EEO program; and (7) all employees are informed of the EEO program. One aspect of this model element is highlighted below.

## 1. $88 \%$ of EEO Directors Presented the State of the EEO Program to the Agency Head

In addition to improving the status and independence of EEO, Section II(B) of MD-715 requires that agencies ". . . provide the EEO Director with regular access to the agency head and other senior management officials for reporting on the effectiveness, efficiency, and legal compliance . . ." of the agency's EEO program. Following each yearly submission of the MD-715 report to EEOC, EEO Directors should present the state of the EEO program to the agency head. See Section I of EEOC's Instructions for MD-715.

Of the 192 agencies and subcomponents that submitted a MD-715 report for FY 2010, 169 (88.02\%) indicated that the EEO Director had conducted the briefing, up from the 138 (76.7\%) of 180 in FY 2009. Figure 3 below shows the percentage of Agency Heads that were briefed on the state of EEO over the last five years. See Appendix III for a detailed list of agencies' status.

Figure 3 - Percent of Agency Heads Briefed on State of EEO FY 2006-FY 2010

## EEO Program Tip

Integration of EEO into the agency's strategic mission requires that the agency's EEO programs support the agency's strategic mission. As well, such a program must be organized and structured to maintain a workplace that is free from discrimination in all of the agency's policies, procedures or practices. When an agency integrates the EEO program into its strategic mission, it demonstrates its commitment to achieving a highly-skilled and diversified workforce. The most effective agency strategic plans address the agency mission and goals as it pertains to its government-wide initiatives, and also include a goal describing its operational strategy for its own workforce. This can be done a number of ways including through a specific EEO goal that should align with the agency's Diversity and Inclusion Plan and EEO mandates. In this way, the strategic plan ensures that EEO is integrated into the agency's mission and is aligned with its vision, goals and priorities.

Specific goals should foster a highly qualified and diverse workforce by identifying and eliminating barriers to equal opportunity, as well as educating the agency workforce on EEO and diversity. Each goal should include the following: (1) strategies and specific tactics to meet the goal; (2) identification of individuals/organizations that will be responsible for leading and/or supporting the implementation of the strategy and tactics; (3) identification of the organizational challenges; (4) establishment of realistic time frames to meet the identified strategies; (5) establishment of meaningful measures of effort to meet the goal; (6) provision for the evaluation of the success in meeting the goal; and (7) whether modification of the goal will be necessary. A separate strategic plan for the EEO program that aligns with the overarching agency strategic plan is also vitally important to successfully executing the EEO program plans each year. A separate plan provides a blueprint for carrying out the objectives of the office to eliminate discrimination, promote inclusiveness and foster a culture that values diversity within the agency.

## Section C - Management and Program Accountability

A model EEO program will hold managers, supervisors, EEO officials, and personnel officers accountable for the effective implementation and management of the agency's program. As part of management and program accountability, MD-715 provides that agencies should ensure that: (1) regular internal audits are conducted of the EEO program; (2) EEO procedures are established; (3) managers and supervisors are evaluated on EEO; (4) personnel policies are clear and consistently implemented; (5) a comprehensive anti-harassment policy has been issued; (6) an effective reasonable accommodation policy has been issued; and (7) findings of discrimination are reviewed. This year, we highlight the following two requirements.

## 1. $\mathbf{9 1 \%}$ of Agencies Evaluate Managers and Supervisors on EEO

Section II(C) of MD-715 provides that a model EEO program must "evaluate managers and supervisors on efforts to ensure equality of opportunity for all employees." The success of an agency's EEO program ultimately depends on individual decisions made by its managers and supervisors. MD-715 makes it clear that all managers and supervisors share responsibility for the successful implementation of EEO programs. The EEO office serves as a resource for the managers and supervisors by providing direction, guidance and monitoring of key activities to achieve a diverse workplace free of barriers to equal opportunity. In evaluating managers and supervisors on these efforts, it is essential that such an evaluation include an assessment of how the manager contributes to the agency's EEO program.

## EEOC FY 2010 Annual Report on the Federal Work Force Part II

Figure 4 - Percent of Agencies that Evaluate Managers and Supervisors on their Commitment to EEO FY 2006 - FY 2010

In FY 2010, 174 (90.6\%) of the 192 agencies and subcomponents that submitted MD715 reports indicated that its managers and supervisors were rated on their commitment to EEO, up from the 144 (80\%) of the 180 agencies that submitted MD715 reports in FY 2009. See Appendix III for a detailed list of agencies' status.

## 2. $89 \%$ of Agencies Report Having a Written Anti-Harassment Policy

Sections II(A) and (C) of EEOC's MD-715 provide that model EEO programs should "issue a written policy statement expressing their commitment to . . . a workplace free of discriminatory harassment" and "establish procedures to prevent . . . harassment." ${ }^{6}$ In order to ensure that the agency's anti-harassment policy is enforced, Section II(C) requires agencies to establish procedures to prevent harassment and to take immediate corrective action if harassment is found. These procedures are separate from and in addition to the EEO complaint process.
EEOC's Enforcement Guidance on Harassment makes clear that agencies can be held liable for harassment based on race, color, sex, religion, national origin, age (40 and over), disability, or protected activity (opposition to discrimination or participation in proceedings covered by the anti-discrimination statutes) and is not limited to harassment that is of a sexual nature. Accordingly, the policy guidance emphasizes that agencies should establish written anti-harassment policies and complaint procedures covering unlawful harassment on all bases.

[^4]Figure 5 - Percent of Agencies that Maintain an Anti-Harassment Policy FY 2006 - FY 2010

In FY 2010, 171 (89.06\%) of the 192 agencies and subcomponents that submitted MD715 reports reported they had a written anti-harassment policy, up from the 140 ( $77.8 \%$ ) of the 180 agencies and subcomponents that submitted an MD-715 report in FY 2009. See Appendix III for a detailed list of agencies' status.

## EEO Program Tip

## EEO \& Diversity Performance Elements in Supervisory Performance Appraisals

The importance of EEO to an agency can readily be measured by whether managers and supervisors are evaluated on their adherence and commitment to EEO principles by means of a critical element in their performance appraisals. If agencies do not measure their managers' and supervisors' performance on this element, it will be difficult to assess whether they are managing in such a way as to ensure equality and diversity in the workplace.

There are a host of factors that could be measured under an EEO performance element. The following are just a few examples:

* participating actively in barrier analysis and the implementation of resulting action plans;
* resolving conflicts in work environments promptly;
* building a climate of trust and respect;
* acknowledging the value of individual differences and soliciting diverse points of view in meetings;
* preventing harassment through swift investigation and corrective action;
* ensuring all employees are aware of and have opportunities to participate in mentoring and career development programs;
* cooperating in the EEO complaint process;
* engaging in the interactive reasonable accommodation process for individuals with disabilities;
* ensuring timely decisions for religious accommodation requests;
* participating in EEO and Diversity and Inclusion training;
* encouraging and recognizing employees for attending EEO and diversity and Inclusion training;
* increasing the use of internships, details, co-op students and other like programs to increase the participation of those groups with lower than expected participation; and
* participating in ADR when requested.

## Section D - Proactive Prevention of Unlawful Discrimination

Part 1614 of EEOC's regulations provides that each agency shall "establish a system for periodically evaluating the effectiveness of the agency's overall equal employment opportunity effort." See 29 C.F.R. §1614.102(a)(11). In particular, "each agency shall maintain a continuing affirmative program to promote equal opportunity and to identify and eliminate discriminatory practices and policies." See 29 C.F.R. §1614.102(a).

## 1. Barrier Analysis

Pursuant to Section II(D) of MD-715, a model EEO program "must conduct a selfassessment on at least an annual basis to monitor progress and identify areas where barriers may operate to exclude certain groups." Part A(II) of MD-715 provides that "where an agency's self-assessment indicates that a racial, national origin, or gender group may have been denied equal access to employment opportunities, the agency must take steps to identify and eliminate the potential barrier." Similarly, Part B(IV) of MD-715 sets forth the same requirement to identify and eliminate barriers to individuals with disabilities.

Barriers are defined as policies, procedures, practices, or conditions that limit or tend to limit employment opportunities for members of a particular race, ethnic or religious background, gender, or for individuals with disabilities. While some barriers are readily discernable, most are embedded in the agency's day-to-day employment policies, practices and programs, including: recruitment; hiring; career development; competitive and noncompetitive promotions; training; awards and incentive programs; disciplinary actions; and separations.

## 2. Composition of the Federal Work Force

This year's report provides statistics on the composition of the Total Work Force as well as statistics on employees in four pay structures:

Senior Pay Level pay structures were created by the Civil Service Reform Act of 1978, which established the Senior Executive Service (SES) as a separate personnel system covering a majority of the top managerial, supervisory, and policy-making positions in the Executive Branch of government.

The General Schedule pay system was created by the Classification Act of 1949, which created a centralized job evaluation for all White-Collar positions and merged several separate schedules into one.

The Federal Wage System was established by Public Law 92-392 in 1972 to standardize pay rates for Blue-Collar federal employees.

Today, many alternative pay plans are being used and proposed across the federal government. In this report they are identified as "Other Pay Systems." These systems include pay-banding systems, the Market-Based Pay system of the Army and Air Force Exchange Service, and include such agencies as the United States Postal Service and the Tennessee Valley Authority. Table 1 below shows the representation rates for each of these pay structures.

Table 1 - FY 2010 Federal Work Force Pay Structure Participation Levels

|  | \# in Work Force | \% of Total Work Force |
| :--- | ---: | ---: |
| Total Work Force | $2,850,584$ | 0.75 |
| Senior Pay Level | 21,455 | 54.78 |
| General Schedule and Related | $1,561,411$ | 6.93 |
| Federal Wage System | 197,543 | 37.54 |
| Other Pay Systems | $1,070,175$ |  |

## a. Total Work Force: Hispanics or Latinos, White Women and Persons of Two or More Races Remain Below Availability

In FY 2010, the Federal Government had a Total Work Force of $2,850,584$ employees, compared to $2,445,335$ in FY 2001. Table 2 shows the participation rate of the identified groups below, as compared to the civilian labor force (CLF). Table A-1 in Appendix IV, located at http://www.eeoc.gov/, provides ten-year trend data.

A comparison of the data on the participation rates of persons in particular agency components or specific major occupations can serve as a diagnostic tool to help identify possible areas where barriers to equal opportunity may exist within an agency.

Participation rate information is located in Tables A-1a, $\underline{A-6 b}$ and $\underline{A-6 c}$ of Appendix IV, located at http://www.eeoc.gov. ${ }^{8}$

## b. Senior Pay Levels: Incremental Improvement

With a total of 21,455 employees, the Senior Pay Level (SPL) positions comprise $0.75 \%$ of the total work force. SPL positions include the SES, Executive Schedule, Senior Foreign Service, and other employees earning salaries above grade 15 of the General Schedule. Table 3 below reflects the SPL representation. Table A-2 and Table A-2a of Appendix IV at http://www.eeoc.gov/ contains additional data.

*Includes both Asian and Pacific Islander employees. ** Data not available.

- From FY 2001 to FY 2010, the Total SPL Work Force increased by 4,537 employees, a net change of $26.82 \%$. Comparatively, the number of Individuals with Targeted Disabilities in the SPL work force increased from 60 in FY 2001 to 111 in FY 2010, a net change of $85 \%$.

## EEOC FY 2010 Annual Report on the Federal Work Force Part II

- The participation rate for women in the SPL work force increased $57 \%$ over the ten-year period from FY $2001(4,081)$ to FY $2010(6,405)$, while women increased their participation rate in the total work force by only $20.73 \%$ over the same ten-year period, from 1,038,045 in FY 2001 to 1,253,263 in FY 2010.
- Between FY 2001 and FY 2010, the participation rate for Hispanic or Latino employees in Senior Pay Level positions increased 51.83\% over the ten-year period from FY 2001 (519) to FY 2010 (788). During the same period, the overall participation rate for Hispanic or Latino employees in the total work force increased $32.64 \%$, although still remaining below the 2000 CLF.
- In the SPL, the participation rate increased to $0.52 \%$ for Individuals with Targeted Disabilities, $7.54 \%$ for Black or African American employees, 4.45\% for Asian employees and $0.80 \%$ for American Indian or Alaska Native employees. The participation rate for White employees decreased to 83.14\%.
- In FY 2010, the "feeder grades" to SPL positions ${ }^{9}$ (GS grades 14 and 15) showed the following participation rates: men 64.21\%, women 35.79\%, Hispanic or Latino employees $4.46 \%$, White employees $75.86 \%$, Black or African American employees 11.26\%, Asian employees 6.86\%, Native Hawaiian or Other Pacific Islander employees 0.10\%, American Indian or Alaska Native employees $0.94 \%$, employees of Two or More Races $0.52 \%$ and Individuals with Targeted Disabilities 0.53\%.
- Part II of this report also contains information on the major occupations in selected government agencies. Data on participation rates of persons holding positions in an agency's major occupations can serve as a diagnostic tool to help determine possible areas where barriers to equal opportunity may exist and prevent upward mobility to SPL positions.

## c. General Schedule and Related Positions

- With a total of $1,561,411$ employees, the General Schedule and Related (GSR) positions comprised $54.78 \%$ of the total work force in FY 2010. GSR positions are mostly comprised of positions whose primary duty requires knowledge or experience of an administrative, clerical, scientific, artistic, or technical nature. GSR figures include employees in other pay systems that are easily converted to GS by OPM. The GSR participation rate reflects an

[^6]
## EEOC FY 2010 Annual Report on the Federal Work Force Part II

increase due in part to the conversion of the National Security Personnel System (NSPS) employees in military components back to the GS pay system.

- In FY 2010, the GSR participation rate for each group was: Hispanic or Latino employees 7.81\%; White employees 66.17\%; Black or African American employees 17.91\%; Asian employees 5.03\%; Native Hawaiian or Other Pacific Islander employees 0.31\%; American Indian or Alaska Native employees 1.85\%; persons of Two or More Races 0.91\%, and Individuals with Targeted Disabilities 0.99\%. See Table A-3 in Appendix IV at http://www.eeoc.gov/, for the entire ten-year trend in the GSR pay systems.

## EEOC FY 2010 Annual Report on the Federal Work Force Part II

- Women held 47.95\% of all GSR positions in FY 2010, a drop from the 48.29\% held in FY 2001. Over the ten-year period, Hispanic or Latino employees, and Asian employees gradually increased their representation rates in the GSR work force.
- Over the ten year period, the participation rate for Individuals with Targeted Disabilities in the total work force declined from $1.10 \%$ to $0.88 \%$, as their participation rate in the GSR workforce declined from $1.21 \%$ to 0.99 .
- The average grade level for the total GSR permanent and temporary work force increased ${ }^{10}$ to grade 10.1 in FY 2010. Of GSR employees, $17.75 \%$ were in grades 1-6, $37.40 \%$ were in grades $7-11,32.40 \%$ were in grades 12-13, and $12.45 \%$ were in grades 14-15.

Figure 6 - Average Grade in the General Schedule and Related Positions FY 2010

- The average GSR grade level for Hispanic or Latino employees (9.7), Black or African American employees (9.3), Native Hawaiian or Other Pacific Islander employees (8.6), American Indian or Alaska Native employees (8.6) and persons of Two or More Races (9.3) was lower than the government-wide average grade level (10.1).
- Approximately $40.6 \%$ of women employed in the GSR work force were in grades 7-11. The average GSR grade for women was 9.5, more than half a grade below the government-wide average of 10.1, and more than one grade below men (10.7).

[^7]
## EEOC FY 2010 Annual Report on the Federal Work Force Part II

- The average GSR grade level for Individuals with Targeted Disabilities was 8.7, almost one and a half grades below the government-wide average. See Table A-3 in Appendix IV at http://www.eeoc.gov/.
d. Federal Wage System Positions: Women, Hispanic or Latino, Black or African American and Asian Employee Participation Rates Decrease Slightly
- With a total of 197,543 employees, Federal Wage System (FWS) positions comprised $6.93 \%$ of the total work force in FY 2010. FWS (Blue-Collar) positions are mostly comprised of trade, craft and labor occupations.

## EEOC FY 2010 Annual Report on the Federal Work Force Part II

- FY 2010 FWS positions declined 5.29\% from FY 2001.
- Since FY 2001, the participation rates for Hispanic or Latino employees (7.60\%), Black or African American employees (17.70\%), Asian employees (3.83\%), American Indian or Alaska Native employees (2.49\%) and women (10.36\%) have declined, while the participation rates of White employees (66.85\%) have essentially remained the same. See Table A-4 in Appendix IV at http://www.eeoc.gov/ for the complete ten-year trend.
- In FY 2010, the participation rate of men in the FWS pay system was 37.59 percentage points higher than the participation rate of men in the GSR pay system. Comparatively, FWS participation rates for White employees and Individuals with Targeted Disabilities were higher than the GSR participation rates, while the FWS work force participation rates for women, Asian employees, Black or African American employees, American Indian or Alaska Native, Native Hawaiian or Other Pacific Islander employees and Hispanic or Latino employees were lower.

## e. Other Pay Systems: Employees Decrease

- With a total of 1,070,175 employees, other pay systems (OPS) comprised 37.54\% of the total work force in FY 2010. Other Pay Systems include pay banding and other pay-for-performance systems. The Other Pay Systems participation rate reflects a decrease due in part to the conversion of NSPS employees back to the GSR pay system.

- The participation rate for women (44.63\%) in OPS was lower in the GSR pay system (47.95\%).
- In FY 2010, the OPS participation rates for Hispanic or Latino employees (8.16\%), Asian employees (7.58\%), and American Indian or Alaska Native
employees (1.09\%) slowly rose, while the participation rates for White employees (63.83\%), Black or African American employees (18.22\%) and Individuals with Targeted Disabilities (0.69\%) fell from FY 2001 levels.
- In FY 2010, the OPS participation rates for Hispanic or Latino, Black or African American and Asian employees were higher than in the GSR and FWS pay systems. OPS participation rates for White employees, American Indian or Alaska Native employees and Individuals with Targeted Disabilities were lower than those in the GSR and FWS pay systems. See Table A-5 in Appendix IV at http://www.eeoc.gov/ for the complete ten-year trend.

## 3. Participation Rate of Individuals with Targeted Disabilities Holds Steady

- On July 26, 2010, the President issued Executive Order 13548, requiring federal agencies to develop a specific plan for promoting employment opportunities for individuals with disabilities. The plan shall include performance targets and numerical goals for employment of individuals with disabilities and sub-goals for employment of individuals with targeted disabilities.
- From FY 2001 to FY 2010, the Total Work Force increased by 405,249 employees, a net change of $16.57 \%$. However, the number of federal employees with targeted disabilities decreased from 26,834 in FY 2001 to 25,217 in FY 2010, a net change of $-6.03 \%$, resulting in a $0.88 \%$ participation rate. Once again, only eleven agencies have achieved the federal goal of at least a 2\% participation rate for Individuals with Targeted Disabilities.
- The EEOC had the highest percentage of Individuals with Targeted Disabilities (2.67\%) among those agencies with 500 or more employees. See Table 7 below.

Table 7 - Ranking of Agencies with the Highest Percent of Individuals with Targeted Disabilities (Agencies with $\mathbf{5 0 0}$ Or More Employees)

## EEOC FY 2010 Annual Report on the Federal Work Force Part II

Nine agencies with fewer than 500 employees exceeded the $2 \%$ federal goal. They were the Architectural \& Transportation Barrier Compliance Board (ACCESS Board), Committee for Purchase From People Blind or Severely Disabled, Export Import Bank of the United States, Farm Credit Administration, Federal Mediation and Conciliation Service, National Council on Disability, Office of Navajo \& Hopi Indian Relocation, Occupational Safety and Health Review Commission, and Trade and Development Agency.

Table 8 below shows that the Department of the Treasury continued to maintain the highest participation rate (1.75\%) for Individuals with Targeted Disabilities among the cabinet level agencies.

Table 8a below shows that the Army and Air Force Exchange Service continued to maintain the highest participation rate (2.39\%) for Individuals with Targeted Disabilities among the Department of Defense components.

Table A-6b in Appendix IV contains this information for all agencies and is located at http://www.eeoc.gov/. See Table 8 below for a Cabinet level ranking of Individuals with Targeted Disabilities.

## EEOC FY 2010 Annual Report on the Federal Work Force Part II

## Section E- Efficiency in the Federal EEO Process

A model EEO program must have adequate and accurate information collection systems, which are integrated into the agency's information management infrastructure, and provide the ability to conduct a wide array of periodic examinations of the agency's Title VII of the Civil Rights Act and Section 501 of the Rehabilitation Act workforce profile(s). Such systems should collect data, used to monitor and evaluate its EEO programs. The data collection system should allow the agency to identify and evaluate information related to management actions affecting employment status. The system should be capable of tracking applicant flow data for each selection made by the agency identified by race, national origin, sex, and, where known, disability, as well as the disposition of each application. 29 C.F.R. §1607.4.

The system should be capable of monitoring employment trends through review of personnel transactions and other historical data, tracking recruitment efforts to permit data analyses of these efforts, and allow for the integration of comprehensive management, personnel, and budget planning with Title VII and Rehabilitation Act program planning.

## 1. $\mathbf{2 2 \%}$ of Agencies Collect Applicant Flow Data

EEOC's regulations provide that each agency shall establish a system to collect and maintain accurate employment information on the race, national origin, sex and [disabilities] of its employees . . . .[and] use the data . . . in studies and analyses which contribute affirmatively to achiev[e] the objectives of the equal employment opportunity program. 29 C.F.R. §114.601(a) and (e). Section II(E) of MD-715 establishes that a model EEO program must maintain a system that tracks applicant flow data, which identifies applicants by race, national origin, sex and disability status and the disposition of all applications.

The MD-715 report tables currently require agencies to report applicant flow data for new hires and internal competitive promotions in major occupations, for internal selections to Senior Level positions and for participation in career development.

In FY 2010, 42 (22\%) of the 192 agencies and subcomponents that submitted MD-715 data, reported collecting comprehensive applicant flow data, up from 33 (18.33\%) of the 180 agencies and subcomponents, that submitted MD-715 data, reporting comprehensive applicant flow data in FY 2009. Figure 7 below shows the percentage of agencies that collected comprehensive applicant data on an annual basis. See Appendix III for a detailed list of agencies' status.

Figure 7 - Percent of Agencies that Collect Comprehensive Applicant Flow Data FY 2006 - FY 2010

## Section F- Responsiveness and Legal Compliance

The sixth MD-715 element, "Responsiveness and Legal Compliance," encompasses agencies' timely filing of required reports with EEOC and timely compliance with EEOC's issued orders.

## 1. $\mathbf{8 8 \%}$ of Agencies and Subcomponents Timely Submitted MD-715 Reports

EEOC regulation 29 C.F.R. § $1614.601(\mathrm{~g})$ requires agencies to report to the EEOC employment by race, national origin, sex, and disability in such form and at such times as the Commission requires. In addition, EEOC regulation 29 C.F.R. § 1614.602(c) requires agencies to "submit annually for the review and approval of the Commission written national and regional EEO plans of action."

MD-715 reports provide information on an agency's progress in achieving the model EEO program elements, identifying and eliminating barriers, and allow the EEOC to conduct a wide array of examinations of the agency's Title VII and Section 501 work force profiles. MD-715 applies to all Executive agencies and military departments (except uniformed members) as defined in Sections 102 and 105 of Title 5. U.S.C. (including those with employees and applicants for employment who are paid from nonappropriated funds), the United States Postal Service, the Postal Rate Commission, the Tennessee Valley Authority, the Smithsonian Institution, and those units of the judicial branch of the federal government having positions in the competitive service. These agencies and their Second Level Reporting Components are required to file an EEOC FORM 715-01 on or before January $31^{\text {st }}$ of each year.

In FY 2010, 88\% or 169 of the 192 agencies and subcomponents that submitted a MD715 report did so by the February 4, 2011 deadline. Agencies that participated in EEOC's pilot project involving the electronic filing of MD-715 data received an extension until February 28, 2011. In FY 2009, $79 \%$ or 143 of the 180 agencies and subcomponents that submitted a MD-715 report did so in a timely manner. No extensions were granted in FY 2009. In FY 2008, $50 \%$ or 73 of 145 the agencies and subcomponents that submitted reports were timely; and increased to $80.7 \%$ or 117 with extensions. In FY 2007, MD-715 reports were timely filed by 77 or $44.7 \%$ of the 172 reporting agencies and subcomponents down from the $50 \%$ or 84 of the 167 reporting agencies and subcomponents in FY 2006. See Appendix III for a detailed list of agencies' status.

## 2. $81 \%$ of Agencies Post No FEAR Act Data

On May 15, 2002, Congress enacted the "Notification and Federal Employee Antidiscrimination and Retaliation Act of 2002," which is commonly referred to as the No FEAR Act. One purpose of the Act is to "require that each Federal agency post quarterly on its public Web site, certain statistical data relating to Federal sector equal employment opportunity complaints filed with such agency[.]" Title III of Public Law 170-174 sets forth the required contents to be posted.

EEOC Regulations 29 C.F.R. $\S 1614.701$ to 705 implement Title III - setting forth basic requirements of agency postings, providing data set definitions for clarity, the manner and format with which the data should be posted, reiterating the required contents of the postings and setting forth the requirement for posting comparative data.

Of the 194 agencies and sub-components where we were able to find the agency posting on its web-site, 158 (81.44\%) reported or were found to have the required postings of the No FEAR Act available on its public website. See Appendix III for a detailed list of agencies' status.

## II. Profiles for Selected Federal Agencies

What follows are individual profiles of federal agencies with a total work force of 500 or more employees. These profiles of selected indicators were created with data from the Civilian Personnel Data File (CPDF), which is maintained by the Office of Personnel Management (OPM) or for agencies that do not submit data to the CPDF, from data submitted in their annual Management Directive 715 (MD-715) reports.

Each agency's profile highlights the participation by race, national origin, gender, and disability status of employees in the work force as a whole, as well as in the agency's major occupations, supervisor and manager ranks, Senior Pay Level, career Senior Executive Service (SES) and the "feeder grades" (GS-14 and GS-15) to the SES.

The profiles include participation rates by race, national origin, gender and Individuals with Targeted Disabilities for persons who serve as supervisors and managers. ${ }^{1}$ Additionally, the profiles include data on the participation rates for career SES positions. Since those supervisors and managers comprising an agency's First-Level Officials and Managers may constitute a large portion of an agency's available pool of candidates for higher level managerial positions, a comparison of the data on the participation rates of persons as they progress through the managerial ranks and into the career SES ranks can serve as a diagnostic tool to help agencies uncover and effectively address impediments to fair and open competition in the federal workplace and allow individuals equal opportunity for advancement.

In general, the data for the profiled agencies indicate that a comparison of the participation rates of women, Hispanics or Latinos, Blacks or African Americans, Asians, Native Hawaiian/Other Pacific Islanders and American Indians/Alaska Natives will show a decline from the First-Level positions to the Mid-Level positions and another decline from the MidLevel positions to the Senior-Level positions.

This year's profile narratives also focus on agencies' participation rates of individuals with targeted disabilities calculated using the number of employees with reportable disabilities and the participation rates of Women in permanent management official positions. Although the EEOC reviews and analyzes the data submitted, each agency remains ultimately responsible for the accuracy of its own data submitted to both EEOC and OPM.

Includes: garage laborers, car washers and greasers, grounds keepers and gardeners, farm workers, stevedores, wood choppers, laborers performing lifting, digging, mixing, loading and pulling operations, and kindred workers.

Officials and Managers - Occupations requiring administrative and managerial personnel who set broad policies, exercise overall responsibility for execution of these policies, and direct individual offices, programs, divisions or other units or special phases of an agency's operations. In the federal sector, this category is further broken down into four sub-categories: (1) Executive/Senior Level includes those at the GS-15 grade or in the career Senior Executive Service, (2) Mid-Level - includes those at the GS-13 or 14 grade, (3) First-Level - includes those at or below the GS-12 grade and (4) Other - includes employees in a number of different occupations which are primarily business, financial and administrative in nature, and do not have supervisory or significant policy responsibilities, such as Administrative Officers.

Operatives - Workers who operate machine or processing equipment or perform other factory-type duties of intermediate skill level which can be mastered in a few weeks and require only limited training. Includes: apprentices (auto mechanics, plumbers, bricklayers, carpenters, electricians, machinists, mechanics, building trades, printing trades, etc.), operatives, attendants (auto service and parking), blasters, chauffeurs, delivery workers, sewers and stitchers, dryers, furnace workers, heaters, laundry and dry cleaning operatives, milliners, mine operatives and laborers, motor operators, oilers and greasers (except auto), painters (manufactured articles), photographic process workers, truck and tractor drivers, knitting, looping, taping and weaving machine operators, welders and flame cutters, electrical and electronic equipment assemblers, butchers and meat cutters, inspectors, testers and graders, hand packers and packagers, and kindred workers.

Professionals - Occupations requiring either college graduation or experience of such kind and amount as to provide a comparable background.

Technicians - Occupations requiring a combination of basic scientific knowledge and manual skill which can be obtained through two years of post high school education, such as is offered in many technical institutes and junior colleges, or through equivalent on-the-job training.

Sales Workers - Occupations engaging wholly or primarily in direct selling.
Service Workers - Workers in both protective and non-protective service occupations.

Officials and Managers - See "Occupational Categories."
Operatives - See "Occupational Categories."
Other Pay System Positions - Those positions in alternative pay plans based on performance, like pay-banding, and market-based pay systems that are not easily converted to General Schedule and Related.

Outreach - Presentations and participation in meetings, conferences and seminars with employee and employer groups, professional associations, students, non-profit entities, community organizations and other members of the general public to provide general information about the EEOC, its mission, the employment discrimination laws enforced by EEOC and the complaint process.

Participation Rate - The extent to which members of a specific demographic group are represented in an agency's work force.

Permanent Work Force - Full-time, part-time and intermittent employees of a particular agency. For purposes of this Report, those persons employed as of September 30, 2010.

Professionals - See "Occupational Categories."

## Race/Ethnicity -

American Indian or Alaska Native - All persons having origins in any of the original peoples of North and South America (including Central America), and who maintain cultural identification through tribal affiliation or community recognition.

Asian - All persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Black or African American (Not of Hispanic Origin) - All persons having origins in any of the Black racial groups of Africa.

Hispanic or Latino - All persons of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.

Native Hawaiian or Other Pacific Islander - All persons having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

White (Not of Hispanic Origin) - All persons having origins in any of the original peoples of Europe, the Middle East, or North Africa.

Persons of Two or More Races - All persons who identify with two or more of the above race categories.

Reportable Disability - Any self-identified disability reported by an employee to the employing agency.

Sales Workers - See "Occupational Categories."
Second Level Reporting Component - A subordinate component of a Federal agency which has 1,000 or more employees and which is required to file EEOC FORM 715-01 with the EEOC. While many Federal agencies have subordinate components, not every subordinate component is a Second Level Reporting Component for purposes of filing EEOC FORM 715-01. A list of Federal agencies and departments covered by MD715 and Second Level

Reporting Components is posted on the EEOC's website at: Department or Agency List with Second Level Reporting Components.

Senior Pay Level Positions - Positions which include the career Senior Executive Service, Executive Schedule, Senior Foreign Service, and other employees earning salaries above grade 15 in the General Schedule in leadership positions.

## Service workers - See "Occupational Categories."

Settlements - Where an agency agrees to award monetary or non-monetary benefits to an individual who agreed either to not file a formal complaint or to withdraw a formal complaint.

Targeted Disabilities - Those disabilities that the federal government, as a matter of policy, has identified for special emphasis. The targeted disabilities (and the codes that represent them on the Office of Personnel Management's Standard Form 256) are: hearing 18 (previously deafness (16 and 17)); vision 21 (previously blindness (23 and 25)); missing extremities 30 (previously 28 and 32 through 38); partial paralysis 69 (previously 64 through 68); complete paralysis 79 (previously 71 through 78); epilepsy 82 (previously convulsive disorders (82)); severe intellectual disability 90 (previously mental retardation (90)); psychiatric disability 91 (previously mental illness (91)); and dwarfism 92 (previously distortion of limb and/or spine (92))."

Technicians - See "Occupational Categories."

Temporary Work Force -Employees in positions established for a limited period of time, usually for less than a year.

Training - The process of educating managers and employees on the laws enforced by EEOC and how to prevent and correct discrimination in the workplace and educating EEO professionals in carrying out the agency's equal opportunity responsibilities.

Total Work Force - All employees of an agency subject to 29 C.F.R. Part 1614 regulations, including temporary, seasonal and permanent employees. Total Work Force numbers in the Annual Report Part I, Section E are as reported by agencies in their EEO Form 462 Reports. Total Work Force numbers in the Annual Report Part II, are as reported in the OPM's CPDF or for agencies that do not report to the CPDF, from their submitted annual MD-715 report.

Withdrawals - An election to end the EEO process during the formal complaint stage.

## APPENDIX II

## APPENDIX II

## FEDERAL EEO COMPLAINT PROCESSING PROCEDURES

## A. Contact EEO Counselor

Aggrieved persons who believe they have been discriminated against must contact an agency EEO counselor prior to filing a formal complaint. The person must initiate counselor contact within 45 days of the matter alleged to be discriminatory. 29 C.F.R. Section 1614.105(a)(1). This time limit shall be extended where the aggrieved person shows that: he or she was not notified of the time limits and was not otherwise aware of them; he or she did not and reasonably should not have known that the discriminatory matter occurred; despite due diligence he or she was prevented by circumstances beyond his or her control from contacting the counselor within the time limits. 29 C.F.R. Section 1614.105(a)(2).

## B. EEO Counseling

EEO counselors provide information to the aggrieved individual concerning how the federal sector EEO process works, including time frames and appeal procedures, and attempt to informally resolve the matter. At the initial counseling session, counselors must advise individuals in writing of their rights and responsibilities in the EEO process, including the right to request a hearing before an EEOC Administrative Judge or an immediate final decision from the agency following its investigation of the complaint. Individuals must be informed of their right to elect between pursuing the matter in the EEO process under part 1614 and a grievance procedure (where available) or the Merit Systems Protection Board appeal process (where applicable). The counselor must also inform the individuals of their right to proceed directly to court in a lawsuit under the Age Discrimination in Employment Act, of their duty to mitigate damages, and that only claims raised in pre-complaint counseling or claims like or related to those raised in counseling may be alleged in a subsequent complaint filed with the agency. 29 C.F.R. Section 1614.105(b)(1).

Counseling must be completed within 30 days of the date the aggrieved person contacted the agency's EEO office to request counseling. If the matter is not resolved in that time period, the counselor must inform the individual in writing of the right to file a discrimination complaint. This notice ("Notice of Final Interview") must inform the individual that a complaint must be filed within 15 days of receipt of the notice, identify the agency official with whom the complaint must be filed, and of the individual's duty to inform the agency if he or she is represented. 29 C.F.R. Section 1614.105(d). The 30day counseling period may be extended for an additional 60 days: (1) where the individual agrees to such extension in writing; or (2) where the aggrieved person chooses to participate in an ADR procedure. If the claim is not resolved before the $90^{\text {th }}$
day, the Notice of Final Interview described above must be issued to the individual. 29 C.F.R. Section 1614.105(e), (f). When a complaint is filed, the EEO counselor must submit a written report to the agency's EEO office concerning the issues discussed and the actions taken during counseling. 29 C.F.R. Section 1614.105(c).

## C. Alternative Dispute Resolution (ADR)

Beginning January 1, 2000, all agencies were required to establish or make available an ADR program. Such program must be available for both the pre-complaint process and the formal complaint process. 29 C.F.R. Section 1614.102(b)(2). At the initial counseling session, counselors must advise individuals that, where an agency agrees to offer ADR in a particular case, the individual may choose between participation in the ADR program and EEO counseling. 29 C.F.R. Section 1614.105(b)(2). As noted above, if the matter is not resolved in the ADR process within 90 days of the date the individual contacted the agency's EEO office, a Notice of Final Interview must be issued to the individual giving him or her the right to proceed with a formal complaint.

## D. Complaints

A complaint must be filed with the agency that allegedly discriminated against the complainant within 15 days of receipt of the Notice of Final Interview. The complaint must be a signed statement from the complainant or the complainant's attorney, containing the complainant's (or representative's) telephone number and address, and must be sufficiently precise to identify the complainant and the agency, and describe generally the action or practice which forms the basis of the complaint. 29 C.F.R. Section 1614.106.

A complainant may amend a complaint at any time prior to the conclusion of the investigation to include issues or claims like or related to those raised in the complaint. After requesting a hearing, a complainant may file a motion with the AJ to amend a complaint to include issues or claims like or related to those raised in the complaint. 29 C.F.R. Section 1614.106(d).

The agency must acknowledge receipt of the complaint in writing and inform the complainant of the date on which the complaint was filed, of the address of the EEOC office where a request for a hearing should be sent, that the complainant has the right to appeal the agency's final action or dismissal of a complaint, and that the agency must investigate the complaint within 180 days of the filing date. The agency's acknowledgment must also advise the complainant that when a complaint has been amended, the agency must complete the investigation within the earlier of: (1) 180 days after the last amendment to the complaint; or (2) 360 days after the filing of the original complaint. A complainant may request a hearing from an EEOC AJ on the
consolidated complaints any time after 180 days from the date of the first filed complaint. 29 C.F.R. Section 1614.106(e).

## E. Dismissals of Complaints

Prior to a request for a hearing, in lieu of accepting a complaint for investigation, an agency may dismiss an entire complaint for any of the following reasons: (1) failure to state a claim, or stating the same claim that is pending or has been decided by the agency or the EEOC; (2) failure to comply with the time limits; (3) filing a complaint on a matter that has not been brought to the attention of an EEO counselor and which is not like or related to the matters counseled; (4) filing a complaint which is the basis of a pending civil action, or which was the basis of a civil action already decided by a court; (5) where the complainant has already elected to pursue the matter through either the negotiated grievance procedure or in an appeal to the Merit Systems Protection Board; (6) where the matter is moot or merely alleges a proposal to take a personnel action; (7) where the complainant cannot be located; (8) where the complainant fails to respond to a request to provide relevant information; (9) where the complaint alleges dissatisfaction with the processing of a previously filed complaint; (10) where the complaint is part of a clear pattern of misuse of the EEO process for a purpose other than the prevention and elimination of employment discrimination. 29 C.F.R. Section 1614.107.

If an agency believes that some, but not all, of the claims in a complaint should be dismissed for the above reasons, it must notify the complainant in writing of the rationale for this determination, identify the allegations which will not be investigated, and place a copy of this notice in the investigative file. This determination shall be reviewable by an EEOC AJ if a hearing is requested on the remainder of the complaint, but is not appealable until final action is taken by the agency on the remainder of the complaint. 29 C.F.R. Section 1614.107(b).

## F. Investigations

Investigations are conducted by the respondent agency. The agency must develop an impartial and appropriate factual record upon which to make findings on the claims raised by the complaint. An appropriate factual record is defined in the regulations as one that allows a reasonable fact finder to draw conclusions as to whether discrimination occurred. 29 C.F.R. Section 1614.108(b).

The investigation must be completed within 180 days from the filing of the complaint. ${ }^{1}$ A copy of the investigative file must be provided to the complainant, along

[^16]with a notification that, within 30 days of receipt of the file, the complainant has the right to request a hearing and a decision from an EEOC AJ or may request an immediate final decision from the agency. 29 C.F.R. Section 1614.108(f).

An agency may make an offer of resolution to a complainant who is represented by an attorney at any time after the filing of a complaint, but not later than the date an AJ is appointed to conduct a hearing. An agency may make an offer of resolution to a complaint, represented by an attorney or not, after the parties have received notice than an administrative judge has been appointed to conduct a hearing, but not later than 30 days prior to a hearing.

Such offer of resolution must be in writing and include a notice explaining the possible consequences of failing to accept the offer. If the complainant fails to accept the offer within 30 days of receipt, and the relief awarded in the final decision on the complaint is not more favorable than the offer, then the complainant shall not receive payment from the agency of attorney's fees or costs incurred after the expiration of the 30-day acceptance period. 29 C.F.R. Section 1614.109(c).

## G. Hearings

Requests for a hearing must be sent by the complainant to the EEOC office indicated in the agency's acknowledgment letter, with a copy to the agency's EEO office. Within 15 days of receipt of the request for a hearing, the agency must provide a copy of the complaint file to EEOC. The EEOC will then appoint an AJ to conduct a hearing. 29 C.F.R. Section 1614.108(g).

Prior to the hearing, the parties may conduct discovery. The purpose of discovery is to enable a party to obtain relevant information for preparation of the party's case. Each party initially bears their own costs for discovery. For a more detailed description of discovery procedures, see EEOC Management Directive 110, Chapter 6.

Agencies provide for the attendance of all employees approved as witnesses by the AJ. Hearings are considered part of the investigative process, and are closed to the public. The AJ conducts the hearing and receives relevant information or documents as evidence. The hearing is recorded and the agency is responsible for paying for the transcripts of the hearing. Rules of evidence are not strictly applied to the proceedings. If the AJ determines that some or all facts are not in genuine dispute, he or she may limit the scope of the hearing or issue a decision without a hearing.

[^17]29 C.F.R. Section 1614.109(b). The AJ will send copies of the hearing record, the transcript and the decision to the parties. If an agency does not issue a final order within 40 days of receipt of the AJ's decision, then the decision becomes the final action by the agency in the matter. 29 C.F.R. Section 1614.109(i).

## H. Final Action by Agencies

When an AJ has issued a decision (either a dismissal, a summary judgment decision or a decision following a hearing), the agency must take final action on the complaint by issuing a final order within 40 days of receipt of the hearing file and the AJ's decision. The final order must notify the complainant whether or not the agency will fully implement the decision of the AJ, and shall contain notice of the complainant's right to appeal to EEOC or to file a civil action. If the final order does not fully implement the decision of the AJ, the agency must simultaneously file an appeal with EEOC and attach a copy of the appeal to the final order. 29 C.F.R. Section 1614.110(a).

When an AJ has not issued a decision (i.e., when an agency dismisses an entire complaint under 1614.107, receives a request for an immediate final decision, or does not receive a reply to the notice providing the complainant the right to either request a hearing or an immediate final decision), the agency must take final action by issuing a final decision. The agency's final decision will consist of findings by the agency on the merits of each issue in the complaint. Where the agency has not processed certain allegations in the complaint for procedural reasons set out in 29 C.F.R. Section 1614.107, it must provide the rationale for its decision not to process the allegations. The agency's decision must be issued within 60 days of receiving notification that the complainant has requested an immediate final decision. The agency's decision must contain notice of the complainant's right to appeal to the EEOC, or to file a civil action in federal court. 29 C.F.R. Section 1614.110(b).

## I. Appeals to the EEOC

Several types of appeals may be brought to the EEOC. A complainant may appeal an agency's final action or dismissal of a complaint within 30 days of receipt. 29 C.F.R. Sections 1614.401(a), 1614.402(a). A complainant may also appeal to the EEOC for a determination as to whether the agency has complied with the terms of a settlement agreement or decision. 29 C.F.R. Section 1614.504(b). A grievant may appeal the final decision of the agency, arbitrator or the FLRA on a grievance when an issue of employment discrimination was raised in the grievance procedure. 29 C.F.R. Section 1614.401(d). If the agency's final action and order do not fully implement the AJ's decision, the agency must appeal to the EEOC. 29 C.F.R. Section 1614.110(a); 29 C.F.R. Section 1614.401(b).

If the complaint is a class action, the class agent or the agency may appeal an AJ's decision accepting or dismissing all or part of the class complaint. A class agent may appeal a final decision on a class complaint. A class member may appeal a final decision on an individual claim for relief pursuant to a finding of class-wide discrimination. Finally, either the class agent or the agency may appeal from an AJ decision on the adequacy of a proposed settlement of a class action. 29 C.F.R. Section 1614.401(c).

Appeals must be filed with EEOC's Office of Federal Operations (OFO). Any statement or brief on behalf of a complainant in support of an appeal must be submitted to OFO within 30 days of filing the notice of appeal. Any statement or brief on behalf of the agency in support of its appeal must be filed within 20 days of filing the notice of appeal. An agency must submit the complaint file to OFO within 30 days of initial notification that the complainant has filed an appeal or within 30 days of submission of an appeal by the agency. Any statement or brief in opposition to an appeal must be submitted to OFO and served on the opposing party within 30 days of receipt of the statement or brief supporting the appeal, or, if no statement or brief supporting the appeal has been filed, within 60 days of receipt of the appeal. 29 C.F.R. Section 1614.403. EEOC has the authority to draw adverse inferences against a party failing to comply with its appeal procedures or requests for information. 29 C.F.R. Section 1614.404(c). The decision on an appeal from an agency's final action is based on a de novo review, except that the review of the factual findings in a decision by an AJ following a hearing is based on a substantial evidence standard of review. 29 C.F.R. Section 1614.405(a).

A party may request that EEOC reconsider its decision within 30 days of receipt of the Commission's decision. Such requests are not a second appeal, and will be granted only when the previous EEOC decision involved a clearly erroneous interpretation of material fact or law; or when the decision will have a substantial impact on the policies, practices or operations of the agency. 29 C.F.R. Section 1614.405(b). The EEOC's decision will be based on a preponderance of the evidence. The decision will also inform the complainant of his or her right to file a civil action.

## J. Civil Actions

Prior to filing a civil action under Title VII of the Civil Rights Act of 1964 or the Rehabilitation Act of 1973, a federal sector complainant must first exhaust the administrative process set out at 29 C.F.R. Part 1614. "Exhaustion," for the purposes of filing a civil action, may occur at different stages of the process. The regulations provide that civil actions may be filed in an appropriate federal court: (1) within 90 days of receipt of the final action where no administrative appeal has been filed; (2) after 180 days from the date of filing a complaint if an administrative appeal has not been filed and final action has not been taken; (3) within 90 days of receipt of EEOC's final
decision on an appeal; or (4) after 180 days from the filing of an appeal with EEOC if there has been no final decision by the EEOC. 29 C.F.R. Section 1614.407.

Under the Age Discrimination in Employment Act (ADEA), an individual may proceed directly to federal court after giving the EEOC notice of intent to sue. 29 C.F.R. Section 1614.201. An ADEA complainant who initiates the administrative process in 29 C.F.R. Part 1614 may also file a civil action within the time frames noted above. 29 C.F.R. Section 1614.407.

Under the Equal Pay Act, an individual may file a civil action within 2 years (3 years for willful violations), regardless of whether he or she has pursued an administrative complaint. 29 C.F.R. Section 1614.408. Filing a civil action terminates EEOC processing of an appeal. 29 C.F.R. Section 1614.409.

## K. Class Complaints

Class complaints of discrimination are processed differently from individual complaints. See 29 C.F.R. Section 1614.204. The employee or applicant who wishes to file a class complaint must first seek counseling and be counseled, just like an individual complaint. However, once counseling is completed the class complaint is not investigated by the respondent agency. Rather, the complaint is forwarded to the nearest EEOC Field or District Office, where an EEOC AJ is appointed to make a decision as to whether to accept or dismiss the class complaint. The AJ examines the class to determine whether it meets the class certification requirements of numerosity, commonality, typicality and adequacy of representation. The AJ may issue a decision dismissing the class because it fails to meet any of these class certification requirements, as well as for any of the reasons for dismissal discussed above for individual complaints.

A class complaint may begin as an individual complaint of discrimination. At a certain point, it may become evident that there are many more individuals than the complainant affected by the issues raised in the individual complaint. EEOC's regulations provide that a complainant may move for class certification at any reasonable point in the process when it becomes apparent that there are class implications to the claims raised in an individual complaint. 29 C.F.R. Section 1614.204(b).

The AJ transmits his or her decision to accept or dismiss a class complaint to the class agent and the agency. The agency must then take final action by issuing a final order within 40 days of receipt of the AJ's decision. The final order must notify the agent whether or not the agency will implement the decision of the AJ. If the agency's final order does not implement the AJ's decision, the agency must simultaneously
appeal the AJ's decision to EEOC's OFO. A copy of the agency's appeal must be appended to the agency's final order. 29 C.F.R. Section 1614.204(d)(7).

A dismissal of a class complaint shall inform the class agent either that the complaint is being filed on that date as an individual complaint and processed accordingly, or that the complaint is also dismissed as an individual complaint for one of the reasons for dismissal (discussed in section E, above). In addition, a dismissal must inform the class agent of the right to appeal to EEOC's OFO or to file a civil action in federal court.

When a class complaint is accepted, the agency must use reasonable means to notify the class members of the acceptance of the class complaint, a description of the issues accepted as part of the complaint, an explanation of the binding nature of the final decision or resolution on the class members, and the name, address and telephone number of the class representative. 29 C.F.R. Section 1614.204(e). In lieu of an investigation by the respondent agency, an EEOC AJ develops the record through discovery and a hearing. The AJ then issues a recommended decision to the agency. Within 60 days of receipt of the AJ's recommended decision on the merits of the class complaint, the agency must issue a final decision which either accepts, rejects or modifies the AJ's recommended decision. If the agency fails to issue such a decision within that time frame, the AJ's recommended decision becomes the agency's final decision in the class complaint.

When discrimination is found in the final decision and a class member believes that he or she is entitled to relief, the class member may file a written claim with the agency within 30 days of receipt of notification by the agency of its final decision. The EEOC AJ retains jurisdiction over the complaint in order to resolve disputed claims by class members. The claim for relief must contain a specific showing that the claimant is a class member entitled to relief. EEOC's regulations provide that, when a finding of discrimination against a class has been made, there is a presumption of discrimination as to each member of the class. The agency must show by clear and convincing evidence that any class member is not entitled to relief. The agency must issue a final decision on each individual claim for relief within 90 days of filing. Such decision may be appealed to EEOC's OFO, or a civil action may be filed in federal court. 29 C.F.R. Section 1614.204(I)(3).

A class complaint may be resolved at any time by agreement between the agency and the class agent. Notice of such resolution must be provided to all class members, and reviewed and approved by an EEOC AJ. If the AJ finds that the proposed resolution is not fair to the class as a whole, the AJ will issue a decision vacating the agreement, and may replace the class agent with some other eligible class member to further process the class complaint. Such decision may be appealed to

EEOC. If the AJ finds that the resolution is fair to the class as a whole, the resolution is binding on all class members. 29 C.F.R. Section 1614.204(g).

## L. Grievances

Persons covered by collective bargaining agreements which permit allegations of discrimination to be raised in the grievance procedure, and who wish to file a complaint or grievance on an allegation of employment discrimination, must elect to proceed either under the procedures of 29 C.F.R. Part 1614 or the negotiated grievance procedures, but not both. 29 C.F.R. Section 1614.301(a). An election to proceed under Part 1614 is made by the filing of a complaint, and an election to proceed under the negotiated grievance procedures is made by filing a grievance. Participation in the pre-complaint procedures of Part 1614 is not an election of the 1614 procedures. The election requirement does not apply to employees of agencies not covered by 5 U.S.C. Section 7121(d), notably employees of the United States Postal Service.

## M. Mixed Case Complaints

Some employment actions which may be the subject of a discrimination complaint under Part 1614 may also be appealed to the Merit Systems Protection Board (MSPB). In such cases, the employee must elect to proceed with a complaint as a "mixed case complaint" under Part 1614, or a "mixed case appeal" before the MSPB. Whichever is filed first is considered an election to proceed in that forum. 29 C.F.R. Section 1614.302.

Mixed case complaints are processed similarly to other complaints of discrimination, with the following notable exceptions: (1) the agency has only 120 days from the date of the filing of the mixed case complaint to issue a final decision, and the complainant may appeal the matter to the MSPB or file a civil action any time thereafter; (2) the complainant must appeal the agency's decision to the MSPB, not the EEOC, within 30 days of receipt of the agency's decision; (3) at the completion of the investigation the complainant does not have the right to request a hearing before an EEOC AJ, and the agency must issue a decision within 45 days. 29 C.F.R. Section 1614.302(d). Individuals who have filed either a mixed case complaint or a mixed case appeal, and who have received a final decision from the MSPB, may petition the EEOC to review the MSPB final decision.

In contrast to non-mixed matters, individuals who wish to file a civil action in mixed-case matters must file within 30 days (not 90) of receipt of: (1) the agency's final decision; (2) the MSPB's final decision; or (3) the EEOC's decision on a petition to review. Alternatively, a civil action may be filed after 120 days from the date of filing the mixed case complaint with the agency or the mixed case appeal with the MSPB if there has been no final decision on the complaint or appeal, or 180 days after filing a petition
to review with EEOC if there has been no decision by EEOC on the petition. 29 C.F.R. Section 1614.310.

\#\# Some of the increase reflected in the GS workforce numbers this year are due to agencies converting "pay for performance plan employees" (e.g. DOD's NSPS) back to the GS pay schedule.

* Includes September 30, 2010 agency data as reported in CPDF plus FERC and NIGC. Does not include data for AAFES, Foreign Service, TVA, USPS, or intelligence gathering agencies.

Percentages may not add to $100 \%$ due to rounding.

Executive Service (SES) employees are not included here, however they are reported separately.

[^1]:    ${ }^{1}$ All measures under EEOC's regulations and management directives are equally important, and the inclusion of particular measures in this Report does not indicate a higher degree of importance.

[^2]:    ${ }^{2}$ The September 30, 2010 snapshot includes only employees in pay status on that date; thus, some permanent employees, like seasonal employees or those on active military tours of duty, are not included.
    ${ }^{3}$ Certain agencies do not provide total work force numbers for national security reasons. The 2000 EEO Special File does not control for citizenship.

[^3]:    ${ }^{4}$ Each General Schedule (GS) grade has 10 steps. Within Grade increases or step increases are periodic increases in a GS employee's rate of basic pay from one step to the next higher step.
    ${ }^{5}$ In FY 2010 many employees were reclassified into the General Schedule and Related pay system.

[^4]:    ${ }^{6}$ For more information, please review EEOC's Enforcement Guidance: Vicarious Employer Liability for Unlawful Harassment by Supervisors, Notice 915.002 (June 18, 1999) (Enforcement Guidance on Harassment).

[^5]:    ${ }^{7}$ Because separate data is unavailable, the Asian American/Other Pacific Islander data prior to 2006 throughout this report includes the data for Asian with "Native Hawaiian and Other Pacific Islanders."
    ${ }^{8}$ These tables report breakouts of the employment data for specific components of certain large federal agencies, including the Departments of Agriculture, Commerce, Health and Human Services, Homeland Security, Interior, Justice, Labor, Transportation, Treasury and Veterans Affairs, as well as certain defense agencies, the National Aeronautics and Space Administration and the United States Postal Service.

[^6]:    ${ }^{9}$ There is a strong likelihood that an EEO group will be absent or have a low participation rate in the next higher grade level where the group has a lower than expected participation rate in the feeder grade/applicant pool. See Government Accountability Office Report No.GAO-03-34, Senior Executive Service: Agency Efforts Needed to Improve Diversity as the Senior Corps Turns Over (January 2003).

[^7]:    ${ }^{10}$ Average grade was impacted by the conversion of NSPS employees back to the GS pay system.

[^8]:    ${ }^{11}$ Table 8 identifies participation rates for FY 2001 - FY 2010 which reflects total work force numbers. The total work force figures are as reported in CPDF plus AAFES \& the Foreign Service of the Department of State.

[^9]:    ${ }^{12}$ Table 8a data identifies participation rates based on total work force numbers. The total work force figures are as reported in CPDF plus AAFES.

[^10]:    ${ }^{1}$ Employees classified as supervisors and managers who are at the GS-12 level or below are identified as First-Level Officials and Managers; those at the GS-13 or GS-14 level are identified as Mid-Level Officials and Managers; and those at the GS-15 or in the Senior Executive Service are identified as Senior-Level Officials and Managers.
