Annual Report on the Federal Work Force (Fiscal Year 2007)

Abstract

[Excerpt] The EEOC is charged with monitoring federal agency compliance with equal employment opportunity (EEO) laws and procedures, and reviewing and assessing the effect of agencies' compliance with requirements to maintain continuing affirmative employment programs to promote equal employment opportunity and to identify and eliminate barriers to equality of employment opportunity.

This report covers the period from October 1, 2006, through September 30, 2007 and contains selected measures of agencies' progress toward model EEO programs. Working within our mission as an oversight agency, EEOC strives to create a partnership with agencies. In FY 2007, EEOC expanded its Relationship Management program from 12 Cabinet/Mid-Size agencies to 13 and continued its newly launched small agency program with 14 agencies. The FY 2007 Annual Report on the Federal Work Force, submitted to the President and Congress, presents a summary of selected EEO program activities in the federal government, including work force profiles of 59 federal agencies. The report provides valuable information to all agencies as they strive to become model employers.

PREFACE

The U.S. Equal Employment O pportunity C ommission (EE OC or Co mmission) was established by the *Civil Rights Act of 1964, Title VII*, with the mission of eradicating discrimination in the work place. In the fe deral sect or, EEO C enforces *Title VII*, which prohibits employment discrimination on the bas is of race, color, religion, sex, and national origin; the *Age Discrimination in Employment Act of 1967 (ADEA)*, which prohibits employment discrimination against individuals 40 years of age and older; the *Equal Pay Act of 1963 (EPA)*, which prohibits discrimination on the basis of gender in compensation for substantially similar work under similar conditions; and the *Rehabilitation Act of 1973 (Rehabilitation Act)*, which prohibits employment discrimination against federal employees and applicants with disabilities, and requires that reasonable accommodations be provided.

EEOC is c harged with monitoring federal agency compliance with equal employment opportunity (EEO) laws and procedures and reviewing and assessing the effect of agencies' compliance with requirement s to maintain continuing affir mative employment programs to promote equal employment opportunity and t o identify and eliminate barriers to equality of employment opportunity.

Equal Employment Opportunity Management Directive 715 (MD-715), issued October 1, 2003, est ablished standards f or ensuring that agencies develop and maint ain model EEO programs. These standards are used to measure and report on the status of the federal government's efforts to become a model employer. As detailed in MD-715, the six elements of a model EEO program are:

- Demonstrated commitment from agency leadership,
- Integration of EEO into the agency's strategic mission,
- Management and program accountability,
- Proactive prevention of unlawful discrimination,
- Efficiency, and
- Responsiveness and legal compliance.

This report covers the peri od from O ctober 1, 2006, through Sept ember 30, 2007 and contains selected measures of agencies' progress toward model EEO programs. ¹ Work ing within our mission as an over sight a gency, EE OC strives to create a partner ship with agencies. In FY 20 07, EEOC ex panded its Relationship Management program from 12 Cabinet/Mid-Size agencies to 13 and continued its newly launched small agency program with 14 agencies.

i

¹ All measu res u nder EEOC's re gulations and m anagement di rectives are equally important, and the inclusion of particular measures in this Report does not indicate a higher degree of importance.

The FY 2 007 Annual Report on the Federal Work Force, submitted to the President and Congress, presents a summary of selected EEO program activities in the federal government, including work force profiles of 59 federal agencies. The report provides valuable information to all agencies as they strive to become model employers.

To prepare this report, the Commission relied on the following data: 1) work force data, as of September 30, 2007, obtained from the U.S. Office of Pe rsonnel Management's (OPM) Central Personnel Data File (CPDF) ² supplement ed with data provided by the Army & Air Force Exchange Servi ce (AAFES), Federal Energy Regulatory Commiss ion (FERC), the Foreign Servi ce, Tennessee Va lley Authority (TVA) and the Un ited States Postal Ser vice (USPS); 2) data from the 2000 EEO Special Files; 3) EEO complaint processing data submitted and certified as accurate by 107 federal agencies in their fiscal year (FY) 2007 Federal Equal Employment Opportunity Statistical Report of Discrimination Complaints (EEO 462 reports); 4) hearings and appeals data obtained from EEOC's internal databases; and 5) EEO program data submitted and certified as accurate by 167 0f 197 federal agencies and subcomponents in their FY 2006 Federal Agency Annual Equal Employment Opportunity Program Status Reports (MD-715 reports).³

Effective January 1, 2006, OPM required federal agenc ies to report et hnicity and r ace information for accessions on the re vised St andard For m 1 81. Accor dingly, the CPDF contains data on per sons who are Native Hawa iian/Other Pacific Islander or who are of Two or More Races. Thus, for the second year, separate data on these groups is contained in this Report. Readers shoul d bear in mind that in prior year s, data on Asians i ncluded Native Hawaiian/Other Pacific Islander and no data was reported on persons of Two or More Races. As a result, care should be exercised when comparing current data to data from prior years.

Finally, the Commission would like to extend its thanks to: 1) OPM for providing the work force dat a from the CPDF; 2) AAFES, FE RC, the For eign S ervice, TV A, and U SPS for providing their work force dat a; and 3) those agencies that timely submitted accurate and verifiable EEO complaint processing data.

This year the Commission again provided agencies an opportunity to comment on the draft of this report. The Commission thanks those agencies t hat submitted comments and suggestions f or a ssisting in the publishing of a more accurate report. Agencies are encouraged to submit all Reports to the Commission in a time ly and accurate manner to ensure that the state of EEO in the federal work force is reflected correctly.

Fostering its co mmitment to hi re individual s with vi impairments, the IRS partnered with Lions World Services for the Blind in 1967 to form "Lions World Program." This program provides a pledge of employme nt to visually impaired candidates who compl ete pr e-employment training on computer systems, alternative media resources and adaptive or assistive equipment that they will be expected to use on the job. Thus far, the r esults of the part nership have led t o 673 hires of persons with visual impairments. The dedication of the IRS to its "Lions World Program" shows the agency' commitment to employ persons who will perform successfully, regardless of any disabilities.

The Freedom to Compete Award recognizes excellence in the implementation of specifi c equal employment opport unity practices that the Commi ssion believes c an be emulated by other employers, agenci es or organizations. PART I

SUMMARY OF EEO STATISTICS IN THE FEDERAL GOVERNMENT

Section A - Demonstrated Commitment From Agency Leadership

Now, more than ever before, with the increasing expectatio is of government institutions, federal agencies must position themselves to attract, develop and rietain a top-quality work force in order to ensure our nation's continued growth, security and prosperity. To develop this competitive, highly qualified work force, federal agencies must fully utilize the talents of all employees, regardless of race, color, religion, national origin, sex or disability. In order to assist agencies in attaining these goals, on October 1, 2003, MD-715 became efficitive and set forth "policy guidance and standards for establishing and maint aining effective affirmative programs of equal employment opportunity under Section 717 of Title VII and effective affirm ative action programs under Section 501 of the Rehabilitation Act."

MD-715 requires agency heads and ot her senior management officials to demonstrate a firm commitment to equality of opportunity for all employees and applicants for employment. Agencies must promote and safeguard equal employment opportunity into everyday practice and make those principles a fundamental part of agency culture.

1. <u>68% of Agencies Issued EEO Policy Statements on an Annual Basis</u>

Section II(A) of MD- 715 provides that "commitment to equal employment opportunity must be embraced by agency leadership and communicated through the ranks from the top down. It is the responsi bility of each agency head to take such measures as may be necessary to incorporate the principles of EEO into the agency's organizational structure." In addition, this section establishes that "agency heads must issue a written policy statement expressing their commitment to EEO and a wore kplace free of discriminatory harassment. This statement should be issued at the beginning of their tenure and thereafter on an annual basis and disseminated to all employees."

Of the 167 agencies and subcomponents that submitted an MD-715 report for FY 2006, 114 (68. 3%) reported that they had in ssued an EEO policity is tatement and would continue to do so on an annual basis, up from the 50% of 158 agencies that submitted in FY 2005 and 54% of the 170 that submitted in FY 2004.

EEO Program Tip

"Start with an Effective EEO Program Policy Statement(s)"

A committed agency/facility/installation head will, at the beginning of her/his tenure, and each year therea fter, issue a signed policy statement declarin g the agen cy's position against discrimination on any protected basis.

This policy shall be prominently p osted in all personnel offices, EEO offices, and on the agency's internal website.

This statement shall aff irm the prin ciples of equal employment opportunity and a ssure that EEO program requirements will be enforced by the agency head and agency management.

Some of the principles the policy statement must assure will be upheld include, but are not limited to:

- Equal employment opp ortunity for all employees and applicants for employment, regardless of their race, religion, color, sex, national origin, age, or disability.
- All employees will have the freedom to comp ete on a fair and level playing field wit h equal opportunity for competition.
- Equal employment opportunity covers all person nel/employment prog rams, management practices and decisions including, but not limited to, recruitment/hiring, merit promotion, transfer, reassignments, training and career development, benefits, and separation.
- Workplace harassment will not be tolerated, allegations of harassment will be immediately investigated, and, where allegations are substantiated, a propriate action will be taken. (Anti-harassment policy requirements are discussed under Element Four. Agencies may choose to include all issues under one policy or issue a separate anti-harassment policy, based on their needs.)
- Reprisal against one who engaged in prote cted activity will not be tolerated, and the agency supports the rights of all employees to exercise their rights under the civil rights statutes.

See Instructions to Federal Agencies for EEO MD-715 at http://www.eeoc.gov/federal/715instruct/index.html

Section B - Integration of EEO Into Agencies' Strategic Mission

In order to achieve its st rategic mission, an ag ency mu st inte grate equality of opportunity into attracting, hir ing, devel oping, and retaining the most qualified work force. The success of an agency's EEO program ultimately depends upon dec isions made by indivi dual agency managers. Ther efore, agency managers constitute an integral part of the agency's EEO program. The EEO office serves as a resource to these managers by providing direction, guidance, and monitoring of key activities to achieve a diverse workplace free of barriers to equal opportunity.

As part of integrating EEO into the strategic mission, Section II(B) of MD-7 15 instructs agencies to ensure that: (1) the EEO Director has access to the agency head; (2) the EEO office coordinates with Human Resources; (3) sufficient resources are allocated to the EEO program; (4) the EEO office reta ins a competent staff; (5) all managers receive management training; (6) all managers and employees are involved in implementing the EEO program; and (7) all employees are informed of the EEO program. Three aspects of this Section are highlighted below.

1. 61% of Agency EEO Directors Report to Agency Head

EEOC's regulations gov erning agency prog rams to promote equal employ ment opportunity require each agency to "maintain a continuing affirmative program to promote equal opportunity and to identify and eliminate discriminatory practices and polices." 29 C.F. R. §1614. 102(a). To implement its program, each agency shall designate a Direct or of Equal Employment Opportunity who shall be under the immediate supervision of the agency head. 29 C.F.R. §1614.102(b)(4).

When the EEO Director is un der the authority of other s within the agency, the agency creates a potential conflict of interest where the person to whom the EEO Direct or reports is involved in or would be affected by the actions of the EEO Direct or. By placing the EEO Director in a direct reporting relationship to the agency head, the agency underscores the importance of EEO to the agency's mission and ensures that the EEO Director is able to act with the greatest degree of independence.

Of the 94 agencies (with 100 or more empl oyees) that were required to submit an EEOC Form 462 report in FY 2007, 57 agenci es (60.6%) report ed t hat t heir EEO Director reports to the agency head, down slightly from the (61.5%) reported in FY 2006.

2. <u>63% of EEO Directors Presented the State of the EEO Program to the Agency Head</u>

In addition to improving the s tatus and in dependence of EEO, Se ction II(B) of MD-715 requires that agencies ". . . provide the EEO Director with regular access to the agency head and other senior manage ment official s for reporting on the effect iveness, efficiency, and legal compliance . . ." of the agency's EEO program. Following each yearly submission of the MD-715 report to EEOC, EEO Directors should present the state of the EEO program to the agency head. See Section I of EEOC's Instructions for MD-715.

Of the 167 agencies and subcomponents that submitted an MD-715 report for FY 2006, 105 (63%) indicated that the EEO Director had conducted the briefing; up from the 59% of 158 in FY 2005 and the 44% of 170 in FY 2004.

3. <u>85% of Agencies Provided Their EEO Staff with Required Training</u>

Section II(B) of MD- 715 requires that agencies attract, develop and retain EEO staff with the strategic competencies necessary to accomplish the agency's EEO mission. In order to ensure staff competency within its EEO complaint program, agencies must comply with the mandatory training requirements for EEO counselors and investigators as set forth in MD-110. Agencies using contract staff to perform these functions must also ensure that these requirements are met.

Chapter 2, Section II of MD-110 r equires that new EEO counsel ors receive thirty-two hours of EEO counselor training and thereafter eight hours of training each year. Likewise, new EEO investigators are required to have thirty-two hours of EEO investigator training and ther eafter eight hours of training each year as set forth in Chapter 6, Section II of MD-110.

Of the 94 agencies with 100 or more employees that filed an EEOC Form 462 report in FY 2007, 85% ensured their EEO staff received the required regulatory training down from the 91% that reported providing the training in FY 2006. Agencies trained 1,720 new EEO counselors and 457 new EEO investigators. Agencies also provided the required eight hour annual refresher training to 2,970 EEO counselors and 1,821 EEO investigators. Additionally, agencies reported providing thirty-two hour training to 64 EEO counselor/investigators.

Section C - Management and Program Accountability

A model EEO program will hold managers, supervisors, EEO officials, and personnel officers accountable for the effective implementation and management of the agency's program. As part of management and program accountability, MD-715 provides that agencies should ensure that: (1) regular internal audits are conducted of the EEO program; (2) EEO procedures are est ablished; (3) managers and supervisors are evaluated on EEO; (4) personnel policies are clear and consistently implemented; (5) a comprehensive anti-harassment policy has been issued; (6) an effective reasonable accommodation policy has been issued; and (7) findings of discrimination are reviewed. Two aspects of this Section are highlighted below.

1. 70% of Agencies Evaluate Managers and Supervisors on EEO

Section II(C) of MD-715 provides that a model EEO program must "evaluate managers and super visors on efforts to ensure equality of opportunity for all employees." The success of an agency's EEO program ultimately depends on individual decisions made by its manager s and supervisors. Therefor e, ag ency manager s and supervisors constitute an integral part of the agency's EEO program. As such, MD-715 makes clear that all managers and super visors share respon sibility with EEO program and human resources officials for the successful implementation of EEO programs. The EEO office esource to these managers by providing direction, guidance and serves as a r monitoring of key activities to achi eve a diverse workplace free of barriers to equal opportunity. In this regard, the EEO office should inform managers and supervisors that a positive evaluation will include an a ssessment of how that manager contributes to the agency's EEO program by emphas izing to managers and s upervisors that equality of opportunity is es sential to attracting, develo ping and retaining the most qualified workforce, with such a workforce being essential to ensuring the agency's achievement of its strategic mission.

In FY 2006, 117 (70%) of the 167 agenci es that submitted MD-715 reports indicated that the managers and supervisors were rated on their commitment to EEO.

EEO Program Tip

To improve the significance and success of an EEO program, an agen cy might consider changing from a "me asure of the past" performance standard to a n "improve ment" performance standard when rating managers and supervisors on their commitment to EEO.

In a copyrighted article published November 27, 2007, in the free email from FedSmith.com, Robbie Kunreuther suggested some meas urable stan dards for evaluating managers and supervisors on their commitment to equal employment opportunity. Mr. Kunreuther suggests that shifting the focus of the standard to one of improvement rather than one of measuring the past would help supervisors and managers better understand and commit to civil rights. A few of Mr. Kunreuther's twelve performance standards are listed below:

Communicate to all subordinates his/her personal commitment to EEO policies in writing.

Conduct monthly staff meetings that include reports and/or discussio ns of relevant EEO issues.

Develop and work with a team to identify EEO barriers within the group.

Review agency EEO/affirmative action policies and develop a short rep ort for supervisor re: inconsistencies between policies and practices.

Document ideas for ongoing improvements in EEO education and climate.

Review at least three Federal E EOC decisions (and/or related court decision s) and summarize their potential impact.

Mr. Kunreuther then sets out exactly how many of the standards would need to be met for e ach rating level from "Outstanding" to "Unacceptable."

Mr. Kunreuther's complete article <u>Evaluating EEO As If It Really Mattered</u> can be found at http://www.fedsmith.com/article/1432.

2. <u>58% of Agencies Report They Have A Written Anti-Harassment Policy</u>

Sections II(A) and (C) of EEOC's MD-715 provide that model EEO programs shoul d "issue a written poli cy statement expressing their commitment to . . . a workplace free of discriminatory harassment" and "est ablish procedures to prevent . . . harassment." ⁴ In order to ensure that the agency's anti-harassment policy is enforced, Section II(C) requires agencies to estab lish procedures to preven tharassment and to take immediate corrective action if harassment is found. These procedures are separate from the federal sector administrative EEO complaint process.

⁴ For more information, please review EEOC's Enforcement Guidance: Vicarious Employer Liability for Unlawful Harassment by Supervisors, Notice 915.002 (June 18, 1999) (Enforcement Guidance on Harassment).

EEOC's Enforcement Guidance on Harassment makes clear that agencies can be held liable for harassment based on race, col or, se x, religion, national origin, protected activity, age (40 and over), or disability, a nd not merely for harass ment that is of a sexual n ature. Accor dingly, the p olicy guidance emphasizes that agencies should establish written ant i-harassment policies and complaint procedures covering unlawful harassment on all bases.

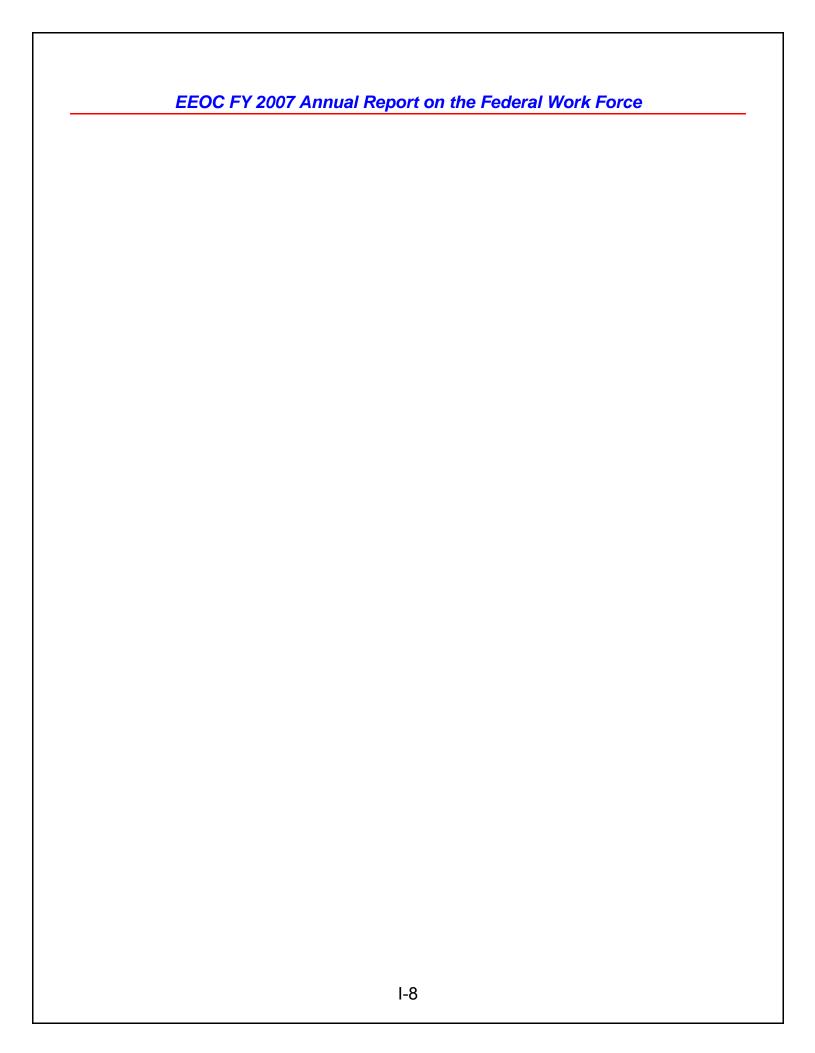

Of the 167 agencies and subcomponents that submitted an MD-715 report for FY 2006, 96 (57.5%) reported that they had a written anti-harassment policy, down from the 101 of 158 agencies (64%) in FY 2005.

EEO Program Tip

Without a written anti-harassment policy, an agency cannot establish that it exercised reasonable care to prevent and promptly correct any harassing behavior.

For example, in *Horton v. Department of Housing and Urban Development*, EEOC Appeal No. 07A40014 (June 16, 2004), EEOC held that an agency could not avoid liability after it found the agency had discriminated against complainant on the bases of race and sex, when her first line su pervisor treated her in a condesce nding manner, closely scrutinized her work and assigned her work to others.

EEOC found no evidence that the agency had a written a nti-harassment policy, or an established procedure, for reporting harassment in the record and ordered the agency to pay \$7,500.00 in non-pecuniary damages and attorney's fees, provide EEO training, and expunge complainant's employment file.

Section D - Proactive Prevention of Unlawful Discrimination

Part 1614 of EEO C's regulations provides that each agency shall "establish a system for periodically evaluating the effectiveness of the agency's over all equal employment opportunity effort." 29 C. F.R. §1614. 102(a)(11). In particular, "each agency shall maintain a continuing affirmative program to promote equal opportunity and to identify and eliminate discriminatory practices and policies." 29 C.F.R. §1614.102(a).

1. Barrier Analysis

Pursuant to Section II(D) of MD-715, a model EEO program "must conduct a self-assessment on at least an annual basis to monitor progress and identify areas where barriers may operate to exclude certain groups." Part A(II) of MD-715 provides that "where an agency's self-assessment indicates that a racial, national origin, or gender group may have been denied equal access to employment opportunities, the agency must take steps to identify and eliminate the potential barrier." Of the 167 agencies and subcomponents that submitted a FY 2006 MD-715 report, 143 (85.6%) reported addressing potential barrier(s), up from the 120 of 158 (76%) in FY 2005.

Barriers are defined as policies, procedures, practices, or conditions that limit or tend to limit employment opportunities for members of a particul ar race, ethnic or religious background, gender, or for individuals with disabilities. While some barriers are readily discernable, most are embedded in the agency's day-to-day employment policies, practices and programs, including: recruitment; hiring; career development; competitive and noncompetitive promotions; training; awards and incentive programs; disciplinary actions; and separations.

EEO Program Tip

A barrier is an agency employment policy, procedure, practice, or condition that limits employmen to opportunities for members of a particular race//color/ethnicity/gender or because of a disability.

Barrier analysis is an investigation of anomalies (triggers) found in workforce dat a with an e ye toward identifying the root causes of those triggers (workplace policies, procedures, and practices), and if necessary, eliminating them.

In comparing workforce data to the appropriate benchmarks, agencies often ask whether they should con duct barrier analysis if the difference is less than one percent. EEOC encourages agencies to analyze all triggers.

2. Composition of the Federal Work Force

With the increasing number of new grade and pay sy stems being adopted throughout the federal government, this year's report provides statistics on the composition of the Total Work Force as well as statistics on employees in four pay structures:

Senior Pay Level pay structures were created by the Civil Service Reform Act of 1978, which established the Senior Executive Service (SES) as a separate personnel system covering a maj ority of the top manageri al, supervisory, and policy-making positions in the Executive Branch of government.

The General Schedule pay system was created by the Classification Act of 1949, which created a centralized job eval uation for all White-Collar positions and merged several separate schedules into one.

The Federal Wage Sys tem was es tablished by Publi c Law 92 -392 in 1972 to standardize pay rates for Blue-Collar federal employees.

Today, many alt ernative pay plans are be ing used and proposed across the federal government. In this report they are identified as "Other Pay Systems." These systems include pay-banding systems, the Market-Based Pay system of the Army and Air Force Exchange Service, and include such agencies as the United States Postal Service and the Tennessee Valley Authority. Table 1 below shows the representation rates for each of these pay structures.

A compari son of the dat a on the participation rates of pe rsons in particul ar agency components or specific majo r occupati ons can ser ve as a diagnostic tool to help identify possible areas where barriers to equal opportunity may exist within an agency.

Participation rate information is located in Tables A-1a, A-6b and A-6c of Appendix III, located at http://www.eeoc.gov.⁶

⁵ Because separate data is unavailable, the Asian American/Other Pacific Islander data prior to 2006 throughout this report in cludes the data for Asia n with "Native Ha waiians and Other Pacific Islander." A dditionally, the remainder of the tables will not include data on persons of Two or More Races unless their participation rate was at least 0.02%.

⁶ These tables report breakouts of the employment data for specific components of certain large federal agencies, including the Departments of Agriculture, Commerce, Health and Human Services, Homeland Security, Interior, Justice, Labor, Transportation, Treasury and Veterans Affairs, as well as certain defense agencies, the National Aeronautics and Space Administration and the United States Postal Service.

Recent Initiatives

EEOC has recently implemented E-RACE (Eradicati ng R acism and Colorism from Employment), an initiative designed to a dvance the statutory right to a workplace free of race and color discrimination. EEOC has convened a work group to determine whether and to what extent a "bamboo ceiling" might exist that limits or impedes the career progress of Asians and Pacific Islanders (AAPIs) toward the senior and managerial ranks of the federal workforce. Preliminary observations indicate that, while AAPIs enjoy robust participation rates at many federal agencies, those participation rates tend to decline at higher grade levels.

The EEOC formed a partnership with the Social Security Administration to launch a Hispanic Work Group which will examine the community's concerns about federal sector e mployment, including I eadership development, hiring, and retention. The members of the work group represent a cross-section of federal agencies: U.S. Department of Commerce; Broadcasting Board of Governors; U.S. Postal Service; U.S. Department of Justice; U.S. Homeland Security; U.S. Department of Transportation; U.S. Department of the Air Force; and U.S. Department of Labor. The work group plans to share its progress and solicit feedback during the Hispanic Employment Program Managers Summittat the EEOC's 2008 EX CEL Conference.

b. <u>Senior Pay Levels: Continued Improvement</u>

With a total of 19,751 employees , the S enior Pay Level (SPL) positions comprise 0.76% of the tot al work force. SPL posi tions include the SES, Executive Schedule, Senior Foreign Service, and other employees earning salaries above grade 15 in the General Schedule. Table 3 below reflects the SPL representation. Part II of this report also contains information on the maj or occupations in selected government agencies. Data on participation rates of persons holding positions in an agency's major occupations can serve as a diagnostic tool to help determine possible areas where barriers to equal opportunity may exist and prevent upward mobility to SPL positions.

GSR figures include employees in other pay systems that are easily converted to GS by OPM.
- In FY 2007, the GSR participation rate for Hispanic or Lati no employees was 7.76%; for White employees was 66. 94%; for Black or African American employees was 17.88%; for As ian em ployees was 4.97%, for Native Hawaiian/Other Pacific I slander employ ees was 0.18%; for American Indian/Alaska Native employees was 2.04%, for per sons of Two or Mor e Races (0.23%) and for Indivi duals with Targeted Disa bilities was 1.04%. EEO Program Tip

LEAD (Leadership for the Employment of Americans with Disabilities) is EEOC's initiative to address the decl ining number of employees with targe ted disabilities in the fe deral workforce. The overarching goal for this initiative is to significantly increase the population of individuals with disabilities employed by the federal government. In support of the LEAD initiative, the Office of F ederal Operations maintains a strategic workgroup formulating strategies and plans designed to assist federal agencies in reversing the negative trends facing the severely disabled who seek federal employment opportunities.

An excellent tool for hiring new employees with targeted di sabilities into your agency is the Sp ecial Excepted Appointing A uthority under Schedule A, codified by the OPM at 5 C.F.R. 213.3102(u). This authori ty allows a gencies to hire individuals with targeted disabilities directly into a vailable positions for which they are qualified without competition. EEOC's LEAD initiative has developed brochures entitled "The ABCs of Schedule A" for the hiring manager, the human resources manager, and the disability program manager. See http://www.eeoc.gov/initiatives/lead/index.html.

⁸ Table 8 identifies participation rates based on total work force for FY 2000 – FY 2007. For years prior to FY 2000, the data reflects participation rates based on permanent employees only. The total work force figures are as reported in CPDF plus AAFES & the Foreign Service.

Section E- Efficiency in the Federal EEO Process

EEOC's regulations provi de that each agency shall assure that in dividual complaints are fairly and thor oughly investigated and that final acti on is taken in a ti mely manner. 29 C.F.R. §1614.102(c)(5). Section II(E) of MD- 715 es tablishes that a model EEO program must have an efficient and fair dispute resolution process and effective systems for evaluating the impact and effectiveness of it s EEO programs. In this regard, Section II(E) recommends that agencies "benchmark against EEOC regulations at 29 C.F.R. Part 1614 and other federal agencies of similar size which are highly ranked in EEOC's Annual Report on the federal sector complaints process."

1. <u>Federal Agency EEO Programs: Complaints Decrease but Processing Times Continue to Exceed Regulatory Deadlines</u>

Agencies process federal employees' EEO complaints under EEOC's regulations at 29 C.F.R. Part 1614. Employees unable to resolve their concerns through counseling can file a complaint with their agency. ⁹ The agency will either dismiss ¹⁰ or ac cept the complaint. If the complaint is accepted, the agency must conduct an investigation, and, in mo st in stances, i ssue the i nvestigative report within 180 days fr om the dat e the complaint was filed. ¹¹

After the employ ee receives t he investigative report, s /he may: (1) r equest a hearing before an EEOC Administrative Judge, who issues a decision that the employee or the agency may appeal to EEOC's Office of Federal Operations; or (2) forgo a hearing and request a final agenc y decision. An employ ee who is dissatisfied with a final agenc y decision or the agency's decision to dismiss the complaint may appeal to EEO C. The complainant or agency may also request EEO C to reconsider its decision on the appeal. In addition, during various points in the process, the complainant has the right to file a civil action in a federal court.

There are several reasons an agency may dismiss a complaint, including the complainant's failure to state a claim, timely contact an EEO counselor, or failure to provide necessary information to the agency. See 29 C.F.R. §1614.107(a).

⁹ Concerns in volving both claim s of discrimi nation and agency actions appealable to the U. S. Merit System s Protection Board follow one of the processes set forth at 29 C.F.R. §1614.302.

The 180-day period may be extended by 90 days if both parties agree. See 29 C.F.R. §1614.1 08(e). The regulations also extend the 180-day time limit for consolidated and amended complaints to the earlier of 180 days from the date of the most recent consolidated or amended complaint, or 360 days from the date of the earliest pending complaint. See 29 C.F.R. § 1614.108(f).

As the EEO complaint process has be come increasingly more costly, adversarial, and lengthy, EEOC has encouraged agencies to promote and expand the use of alternative dispute resolution (ADR) as a means of avoiding formal adjudication processes. Used properly, ADR can provide fa st and cost-effective results while improving workplace communication and morale. 12

a. <u>Pre-Complaint Counselings and Complaints Decline</u>

Completed counselings decreased by 2.6% fr om FY 2006 to FY 2007 and decreas ed 16.0% from FY 2003. Formal complaints declined by 2.2% from FY 2006 to FY 2007 and 19.1% from FY 2003. Of the 37,809 comple ted counselings, 15,294 individual s filed 16,363 f ormal complaints in FY 2007. The number of formal complaints filed represents 43.3% of all pre-complaint counseling activities in FY 2007. As Figure 2 shows, over the past five fiscal years, the number of pre-complaint counseling activities has decreased from 45,030 in FY 2003 to a low of 37,809 in FY 2007, and likewise, the number of complaints filed by individuals has steadily decreased. During the same five-year period, the number of formal complaints filed continued to represent less than 50% of all pre-complaint counseling activities. See Figure 2. Significantly, while the United States Post al Service constituted 26.4% of the work force, it accounted for 45.7% of all EEO counselings, 37. 2% of all complaints filed, 41.7% of all completed investigations and 35.1% of all complaints closed in FY 2007. See Tables B-1, B-9 and B-10 in Appendix III at www.eeoc.gov.

¹³ Counseling may be provided via EEO Counselor or ADR Intake Officer.

Table 9 below shows that among the cabi net/large (15,000 or more employees) agencies, in FY 2007, the US PS reported the hi ghest per centage (2.0%) of its wor k force that completed counsel ing, while the government-wide average was 1.2%. Among the medium sized agencies (1,000 to 14,999 employees), Broadcasting Board of Gover nors report ed the hi ghest per centage (4.4%) of its work force completed counseling. Agencies that had fewer than 25 completed/ended counselings were not included in the ranking. Sm all agencies (1-999 employees) typically have fewer than 25 completed/ended counselings and therefore are not ranked. Table B-1 in Appendix III lists this information for all agencies and is located at http://www.eeoc.gov.

Among the medium sized agencies (1,000 to 14,999 employees), both the Government Printing Office and the EEOC reported the highest complainant rate of (1.1%). Agencies that had fewer than 25 complaints filed were not included in the ranking. Table B-1 in Appendix III contains this information for all agencies and is located at http://www.eeoc.gov.

b. <u>Pre-Complaint ADR Usage – Higher Rates in Two Major Categories</u>

Beginning in FY 2006, AD R offer and participation r ates wer e measur ed in completed/ended counselings at the end of the fiscal year to ensure greater uniformity, consistency, and quality in the reporting and utilization of ADR data.

Therefore, comparison of FY 2006 and FY 2007 data wi th prior year's data is not possible. The govern ment—wide ADR offer rate i ncreased from 75.6% in F Y 2006 to 80.7% in FY 2007. In FY 2007, the government-wide offer rate was 80.7% based upon 30,513 ADR offer s made in 37,809 comple ted/ended counselings. Of these offers, 18,262 were accepted into agencies' ADR programs, resulting in a 48.3% participation rate in FY 2007, up from the 44.6% reported for FY 2006.

Twenty-one agenc ies had 100% offer rates in FY 2007. The agencies were the Department of Labor, Depar tment of Ho using and Urban Development, Defense National Geospatial Intelligence Agency, Br oadcasting Board of Gov ernors, Defense National Security Agency, OPM, EEOC, Defense Army & Air Force Exchange Service, Federal Reserve System-Board of Governors, Pension Benefit Guaranty Cor poration, Defense Office of the Secret ary/Wash. Hqtrs. Services, Central Intelligence Agency, Federal Trade Commission, National Credit Union Administration, Securities & Exchange Commission, Defense Threat Reduction Agency, National Labor Relations Board, Defense Information Systems Agency, Export-Import Bank, Federal Election Commission and National Science Foundation.

The U.S. Postal Service Again Had the Highest ADR Participation Rate

In FY 2007, the U.S. Pos tal Service reported the highest ADR partici pation rate in the pre-complaint process (76. 1%) among the cabinet/large agencies, while the government-wide average was 48.3%. Among the medium sized agencies Defense Finance and Accounting Service reported the highest pre-complaint ADR participation rate (34.0%). The gover nment-wide average falls to 24.9% without the U.S. Postal Service. No other agencially with 25 or more completed/ended counselings had a participation rate greater than fifty per cent. See Table 11. Agencies that had fewer than 25 completed/ended counseling were not included in the ranking. See Tables B-1 and B-4 in Appendix III for information on a ll agencies, which is located at http://www.eeoc.gov.

EEO Program Tip

To improve ADR programs:

Create a website that features ADR ne ws, announcements of ADR events, ADR champions' statements, ADR policy statements, and a link for ADR contact information, i.e., address, phone and fax numbers.

Create an o nline introduction to ADR that introduces the viewer to ADR theories, techniques and uses of ADR with video clips of the agency head and EEO director advocating the use of ADR.

Develop ADR marketing strategies such as: flyers on bulletin boards, ADR brochure produced and disseminated to EEO counselors and ADR coordinators, ADR exhibit booth displays, ADR information disseminated at employee events, and ADR information in new employee orientation materials.

Ensure that management officials attending ADR sessions obtain settlement authorization from their supervisors prior to the session in order that a settlement can be reached at "the table."

c. Agencies Meet Counseling Deadlines in 90% of Cases

On average, in FY 2007 agen cies met timeliness requirem ents for EEO couns eling in 90.0% of all completed/ende d counselings, an improv ement from 89.0% in FY 2006 and twice as successful as the 45.9% that were timely in FY 2003. Agencies are required to complete counseling in 30 days except when there is a 60-day extensi on due to an ADR election or the complainant agrees in writing to an extension.

d. Agencies Increase Pre-Complaint Resolution Rate in FY 2007

During counseling and ADR in the pre-complaint stage, EEO disputes can be resolved by either a settlement or a de cision not to file a formal complaint. In FY 2007, the government-wide resolution rate average was 55.6%, up from 55.2% in FY 2006.

National Endowment for the Arts Holds the Highest Pre-Complaint Resolution Rate

In FY 2007, the National Endowment for the Ar ts again reported the highest precomplaint resolution rate (100%) among agencies with more than 25 completed/ended counselings. See Table 12. Among cabinet/large agencies, Defense National Guard Bureau reported the highest pre-complaint resolution rate (84.5%). The Federal Reserve System – Boar d of Governors reported the highest pre-complaint resolution rate (97.14%) among the medium sized agencies. Agencies that had fewer than 25

completed/ended counselings were not inc luded in the rank ing. Howev er five agencies, Federal Energy Re gulatory C ommission, F ederal Housing F inance Board, Federal Maritime Commission, Holocaust Memorial Museum and the John F. Kennedy Center for the Performing Arts in this category had 100% resolution rates. Table B-3 in Appendix III contains this information for all agen cies and is located at http://www.eeoc.gov.

<u>Defense Army & Air Force Exchange Had the Highest ADR Resolution Rate in FY</u> 2007

In FY 2007, the Defense Ar my & Air F orce Ex change reported the highest ADR resolution rate in the pre-complaint process (74. 51%), whereas the government-wide average was 66.5%. See Table 13. When the U. S. Po stal Ser vice resolution rate (74.45%) is excluded from the government-wide average, the gov ernment-wide ADR resolution rate decreased to 46.0% in FY 2007. Agencies that had fewer than 25 ADR closures were not included in the ranking. Table B-5 in Appendix III contains this information for all agencies and is located at www.eeoc.gov.

e. <u>Monetary Benefits in Pre-Complaint Phase Again on the Rise</u>

Monetary benefits awarded in settlements during the pre-co mplaint phase, shown in Table 14, have dropped si gnificantly since FY 2003. The da ta showed an increase in the average amount of monetar y benefits from \$2,680 in FY 2006 to \$3,349 in FY 2007.

f. The Most Frequently Alleged Basis and Issue Remain Unchanged

Of the 16,363 complaint s file d in FY 2007, the basi s mo st frequently alleged was reprisal (6,960) and the i ssue most frequently alleged was no n-sexual h arassment (4,951). As shown in T ables 15 and 16, this trend ha s remained unchanged for the past five fiscal years. In FY 2007, complaints filed wi th allegations of disability (physical) exceeded those complaints filed with allegations of race (Black).

Table 15 – Top 3 Bases in Complaint Allegations Filed for FY 2003 – FY 2007

Basis	FY 2003	FY 2004	FY 2005	FY 2006	FY 2007

Disability (Physical)					4,123
Race – Black	5,279	5,021	4,478	4,125	

Allegations of race discrimination wer e made in 36.4% of all complaints filed in FY 2007. In FY 2007, there was a 19.1% decrease in the number of complaints filed since FY 2003, and the per centage of complaints alleging discrimination based on race decreased by 28.8%. During that same per iod, the per centage of complaints filed alleging discrimination based on color increased 1.6%, from 1,650 in FY 2003 to 1,677 in FY 2007.¹⁴

In April 2006, EEOC issued Section 15 of the new Compli ance Manual on "Race and Color Disc rimination." It includes nume rous ex amples and guidance in proactive prevention and "best practices." The is Manual Section is located at www.eeoc.gov/policy/docs/race-color.html.

g. <u>Agency Investigation Times Lowest in Fourteen Years, Yet, Agencies</u> <u>Continue to Exceed Time Limits for Issuing Final Agency Decisions</u>

Investigations

Investigations into allegations of discrimination are a key component of the formal EEO complaint process. Delays may impede the primary goal of gatherithing sufficient evidence to permit a deter mination as to whether discrimination occurred. EEOC regulation 29 C.F.R. §1614.106(e)(2) requires agencies to conduct an investigation and issue a report to the complainant within 180 days of the filing of a complaint unless: 1) the parties agreed to no more than a 90-day extension (may not exceed 270 days); or 2) the complaint was amended or consolidated, which can add another 180 days to the period but may not exceed a total of 360 days.

In FY 2007, agencies timely c ompleted inv estigations 73.95% of the time, up from 69.4% in FY 2006 (including written agree ments to extend the investigation and consolidated or amended complaints). When the U.S. Post all Service is not included, the percentage of timely completed investigations decreased to 55.98% gov ernmentwide. Agencies reported the best investigation time in fourteen years by averaging 176 days to complete an investigation in FY 2007. In comparison, agency investigations averaged 186 days in FY 2006 and 267 days in FY 2003. See Figure 3 below.

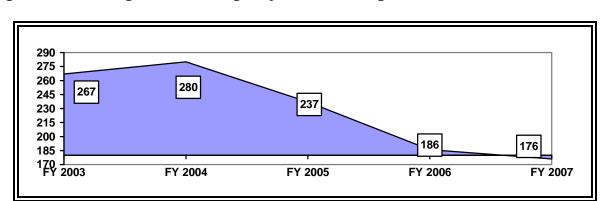

Figure 3 – Average Processing Days for Investigations for FY 2003 – FY 2007

Of those investigations required to be completed within the 180-day time limit, agency in-house investigators averaged 230 days to complete the investigation, while contract investigators averaged 149 days. Several years ago, in a review of the investigatory practices of selected a gencies, E EOC identified several reasons for untimely investigations: poorly staffed EEO offices, unnecessary and time-consuming procedures, delays in obtaining affidavits, and inadequate tracking and monitoring

systems. For more information, see EEOC's Federal Sector Investigations – Time and Cost, issued June 2004 and Attaining a Model Agency Program: Efficiency at www.eeoc.gov/federal/efficiency.html.

National Aeronautics and Space Administration Completed the Highest Percentage of Timely Investigations

As shown in Table 17, the National Aeronauti cs and Sp ace Administr ation timely completed 100% of its investigations. ¹⁶ Significantly the US Postal Service timely completed 99.0% of its 4,669 investigations in FY 2007. Among medium agencies the General Services Administration reported the highest timely completed investigation rate (94.3%). Agencies that had complete different fewer than 25 investigations were not included in the rank ing. Table B-9 in Appendix III contains this information for all agencies and is located at http://www.eeoc.gov.

Table 17 – Highest Percentage of Timely Completed Investigations for FY 2007

In FY 2007, the governm ent-wide avera ge co st for co ntracting o ut co mplaint investigations \$2247.02 in creased by 6.3% fr om t he FY 2006 average cost of \$2113.26. However, the FY 2007 average cost of agency (in-house) investigations (\$4753.30) was down 7% from the FY 2006 average cost of \$5111.93. Average c osts to contract out investigations in FY 2007 were approximately 52.7% (down from the 58.7% of difference in FY 2006) less than the average cost s of agency (in-house) investigations,

¹⁶ Twenty one agencies with fewer than 25 total investigations timely completed 100% of their investigations.

 $^{^{17}}$ This figure was incorrectly reported as 68% in the FY 2006 Annual Report.

Final Agency Actions

EEOC regulations require an agen cy to take a f inal action on each formal complaint filed. Table 18 below provides a breakdown with processing time for all final agency actions. Agencies may issue a decision dismissing a complaint on procedural grounds such as untimely EEO counselor contact or failure to state a claim. Government-wide, agencies took an average of 125 days to issue a decision dismissing a complaint on procedural grounds. EEO C maint ains that, in general, acceptance letters/ dismissal decisions should be issued well in advance of the 180-day time limit to complete an investigation. A suggested practical method of procedure is to issue these actions within 60 days of the filing of the formal complaint.

⁻⁻ EEOC did not collect data showing the timely merit Final Agency Decisions until FY 2004.

An agency may also issue a decision after an investigation, either finding discrimination or finding no discrimination. In FY 2007, agencies timely is sued 63.4% of their final agency merit decisions, an increase from the 62.3% timely completed in FY 2006. Commission regulations require agencies to issue final decisions within 60 days of a complainant's request for such a decision or Administrative Judge's remand for a final agency decision. In addition, regulations require agencies to issue a final agency decision within 90 days after completion of an investigation if the complainant has not requested either a final decision or an EEOC hearing. In Fix 2007 agencies is sued merit final agency decisions without an Administrative Judge's decision in an average of 120 days down from 135 days in FY 2006.

<u>U. S. Postal Service Issued the Highest Percentage of Timely Merit Decisions</u> Without an Administrative Judge Decision

In FY 2007, the U. S. Postal Ser vice reported the highest percentage (96.9%) of timely issued merit deci sions without an Admini strative Judge decisi on. The FY 2007

government-wide average timely issued merit decision percentage was 63.4% with the U.S. Postal Service and dropped to 41.6% without the U.S. Postal Service. See Table 19 below. Agencies that issued fewer than 25 merit decisions without a hearing were not included in the ranking. In FY 2007, there were no agencies smaller than cabinet/large (15,000 or more employees) that issued 25 or more merit decisions without an Administrative Judge Decision. See Table B-14 in Appendix III for this information on all agencies located at www.eeoc.gov.

Table 19 – Agencies With the Highest Percentage of Timely Issued Merit Decisions (Without an Administrative Judge Decision) in FY 2007

Finally, when an EEOC Administrative Judge has issued a decision, the agency must issue a final order either implementing the Administrative Judge's decision or not implementing and simultaneously appealing to EEOC. In FY 2007, agencies issued 3,310 final orders implementing and 73 orders not implementing the Administrative Judge's decision. Commission regulations require agencies to issue an order within 40 calendar days of receiving the Administrative Judge's decision or the decision becomes the agency's final decision. In FY 2007, agencies issued orders in an average of 585 days after the complaint was filed, a significant drop from 796 days in FY 2003.

h. % of Findings of Discrimination and Monetary Benefits on the Rise

After declining for the first time in five years in FY 2006, the percentage of findings of discrimination rose in FY 2007 to 2.9%. However, Table 20 below shows that both the total number of merit decisions and the number of findings of discrimination have decreased this year.

I-33

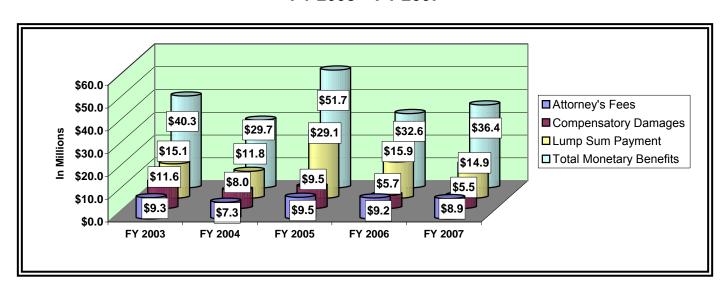

¹⁸ We note that fourteen agencies issued 100.0% of their merit decisions in a timely fashion but issued fewer than 25 total merit decisions.

i. <u>Affirmation Rate of Final Agency Decisions on Appeal</u>

As demonstrated by the Table 21 below, 68% of final agency decisions (FA Ds), excluding those in which an AJ issued a decision, were affirmed on appeal in FY 2007. This represents an 8.8% increase from FY 2006 affirmation rate and a 12.1% decrease from FY 2003 affirmation rate.

2. <u>EEOC Hearings and Appeals: More Efficient Processing Times for Hearings and Lower Appellate Inventory</u>

By federal regulation, EEOC becomes i nvolved in the handling of an EEO complaint from a federal employee after the case init ially has been processed by the employing agency and a hearing has been requested before an EEOC Administrative Judge or an appeal from a final agency action has been filed.

If a complainant request s a hearing, an EEO C Ad ministrative Jud ge may oversee discovery between the parties and hold a hearing or issue a decision on the record. If a hearing is held, the Administra tive Judge will hear the test imony of witnesses, review relevant evidence, and make findings of fact and conclusions of law in a decision issued to the parties. In appropriate cases, an Administrative Judge may, in lieu of holding a hearing, procedur ally dismiss a case or issue a decision by summary judgment.

EEOC is also responsible for deciding appeals from final actions i ssued by feder al agencies on complaints of employment discrimination. These final actions may involve an agency's decision to procedurally dismiss a complaint, a final decision on the merits of a complaint when the complainant has not requested a hearing, or a decision on whether or not to fully implement the decision of an EEOC Administrative Judge. Once appellate decisions are issued, EEOC monitors agency compliance with all orders and takes appropriate action to enforce them. EEOC's adjudicatory responsibilities also include resolving allegations of a breach of a settlement agreement involving a federal sector EEO complaint, as well as deciding petitions for review of decisions involving

claims of discrimination by the Merit Systems Protection Board and petitions for review of final grievance decisions when claims of discrimination are permitted to be raised in the grievance procedure.

In addition to and equally i mportant to its adjudicatory role, is EEOC's engagement in vigorously assisting feder al agencies in the proactive prevention of discrimination. EEOC's Office of Feder al Operations (OFO) provides outreach, technical assist ance and oversight to federal agencies, including conducting program reviews throughout the federal government to evaluate agencies' efforts to develop and maintain model EEO programs. OFO monitor sand evaluates agencies' activities to identify and correct barriers to equal opportunity, reasonable a commodation procedures for individuals with disabilities, and ADR programs. OFO also gathers and analyzes data provided by federal agencies on employment trends and EEO complaint processing; issues periodic reports which are publicly available; and works with individual agencies to identify both positive and negative trends in their EEO programs. In addition, through EEOC's Revolving Fund, O FO develops and delivers training to feder all agencies and other interested parties on a wide variety of federal-sector EEO topics.

a. **HEARINGS**

i. Hearings Inventory on the Rise

The hearings inventory increased from 4,912 in FY 2006 to 5,505 in FY 2007, whi ch represents an increase of 12.1%. Since FY 2003, the hearings inventory has fallen by 35% from a five year high of 8,467 cases.

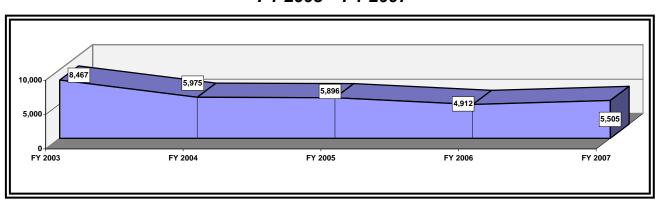

Figure 5 – Hearings Inventory FY 2003 – FY 2007

ii. Hearing Requests Increase

Hearing requests increased by 0.8% from 7, 802 in FY 2006 to 7,869 in FY 2007, and have decr eased by 20.7% fr om FY 2003. For c omparison purposes, the 7,869 hearings requested comprised 48.1% of the total complaints filed in FY 2007.

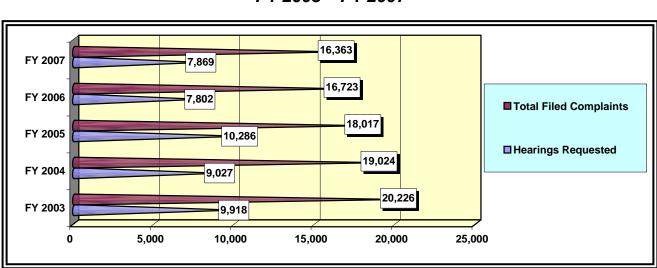

Figure 6 – Comparison of Requests for EEOC Hearings to Complaints Filed FY 2003 – FY 2007

iii. Hearing Closures

During FY 2007, EEOC's Hearings Pr ogram resolved 7,163 cases, including 48 c lass actions, which represents a 17.5% decrease from the 8,685 cases closed in FY 2006 and a 41.4% decrease from the 12,230 cases closed in FY 2003. Excluding the class actions, the 7,115 i ndividual cases in FY 2007 were closed in the following manner: 12.9% were by decision following a hearing; 29.1% were by decisions on the record; 25.9% were closed by settlem ents; 15.0% were by procedural dismissal; and 17.1% were withdrawals. See Table 22 for a comparison of FY 2003 – FY 2007.

iv. Average Processing Time for Hearings

The average processing time for hearing c losures improved from 274 days in FY 2006 to 248 days in FY 2007, and represents a significant decrease from the 421 days in FY 2003. The average age of the pending inve ntory increased to 27 6 days in FY 2007 from 202 days in FY 2006, and is still lower than the 296 days in FY 2003 and FY 2004.

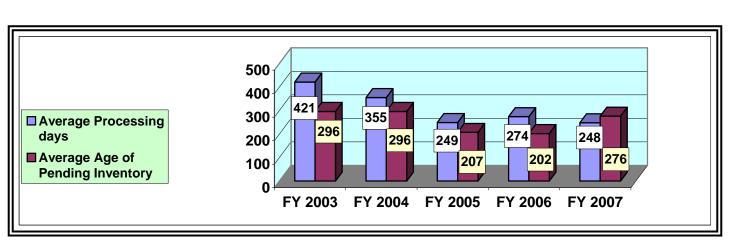

Figure 7 - Average Processing Days for Hearings FY 2003 - FY 2007

v. Agencies Challenge Findings of Discrimination

In FY 2007, EEOC Administrative Judges issued 182 decisions finding discrimination, which was 6.1% of all decisions on the merits of complaints. In comparison to the 203 decisions finding discrimination that Administrative Judges issued in FY 2006, the 182 decisions in FY 2 007 represent a 10.3% decreas e. Agencies may either fully implement or appeal the Administrative Judge's decision to the OFO. In FY 2007, agencies appealed only 2.2% of all Administrative Judge decisions; however, they appealed 36.8% of the cases where an Administrative Judge found discrimination.

vi. Monetary Benefits Decrease at Hearings

In FY 2007, Admi nistrative Judge decisi ons and settlements at the hearings st age awarded \$39.9 million in benefits, as compared to the \$51.9 million in FY 2006 and the \$52.4 mill ion awar ded in FY 2003. Note t hat benefit s awarded by decisions of Administrative Judges at the hearings stage are preliminary, pending a decision on implementation by the agency or on appeal.

I-39

¹⁹ These numbers do not parallel Administrative Judge findings of discrimination because agencies may not take final action in the same fi scal year as the decision was issued. Also agencies may settle a complaint where the Administrative Judge has found discrimination.

vii. High Affirmation Rate of AJ Decisions on Appeal

As demons trated by the table below, over 94% of Administrative Judge's decisions were affir med on appeal in FY 2007. After a three-year decline in affirmed Administrative Judge's decisions, FY 2007 saw a slight in crease, up 0.4% from FY 2006. While the number of appealed Administrative Judge's decisions decreased 26.4% over the five year period FY 2003 to FY 2007, the affirmation rate decreased by only 1.4%.

b. APPEALS

i. Appeals Inventory Declines

OFO's appellate inventory fell in FY 2007 to 3,496, which represents a 10.1% decrease from the 3,887 case inventory at the close of FY 2006 and an 8.7% reduction from the 3,831 case inventory at the close of FY 2003.

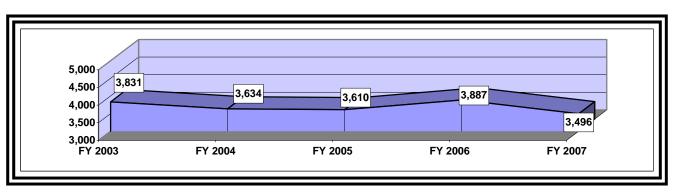

Figure 9 - Appellate Inventory FY 2003 - FY 2007

ii. Appeal Receipts Continue On A Downward Trend

OFO received 5, 226 appeals in FY 2007, representing a 22.5% dec rease from the 6,743 appeals filed in FY 2006. FY 2007 appeal receipts represent a 25.7% dec rease from the 7,035 appeals received in FY 2003.

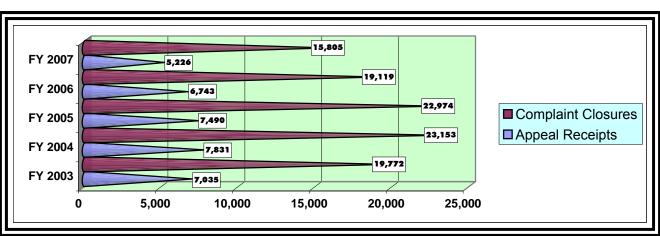

Figure 10 – Comparison of Appeals Receipts to Complaint Closures FY 2003 - FY 2007

iii. Appeal Closures Remain Steady

OFO closed a total of 5,617 appellate case s in FY 2007. Of this number, 3,690 (65.7%) alleged violat ions of Title VII; 1, 303 (23.2%) involved the Rehabilitation Act; 1,293 (23.0%) violations of the ADEA; and 25 (0.4%) involved the Equal Pay Act of 1963. In FY 2006, OFO closed a total of 6,466 appellate cases, of which 5,118 were Title VII cases (79.2%); 1,703 involved the Rehabilitation Act (26.3%); 1,721 alleged violations of the ADEA (26.6%); and two involved the Equal Pay Act of 1963 (0.03%). See Figure 11 for the appeal closures from FY 2003 to FY 2007.

represents 5.0% of the total. In FY 20 06, OFO closed 2, 637 appeals addressing the merits of the underlying discrimination claims, and made a total of 134 findings of discrimination, which represented 5.1% of the total. In FY 2007, OFO reversed 22.1% of the 2,758 appeals of procedural dismissals.

iv. Average Processing Time of Appeal Closures

The aver age processing time for appeal closures rose to 230 days in F Y 2007, representing a 4.5% increase from 220 days in FY 2006 and a 19.3% dec rease from 285 days in FY 2003.

OFO resolved 3,413 (60.8%) of the 5,617 appe als closed in FY 2007 within 180 days . The average age of the pending invent ory at the end of FY 20 $\,$ 07 was 305 days , a 48.8% increase from the 20 $\,$ 5-day average age at $\,$ the end of FY 2006 and a 60. $\,$ 5% increase from the 190-day average age of the open inventory at the end of FY 2003.

v. Three Most Prevalent Bases and Issues on Appeal Remain Unchanged

In FY 2007, just as in FY 2006, reprisal, age and disability were the most prevalent bases of discrimination in closed appeals. Haras sment (non-sexual), promotion and removal were again the three most prevalent issues of discrimination in closed appeals.

vi. \$10.7 Million Awarded on Appeal

In FY 2007, the \$10 .7 million in monetary benefits awarded in compliance with appellate decisions (including settlement agreements resolving appeals) is a decrease of 8.5% from the \$11.7 million awarded in FY 2006 and a 48.8% decrease from the \$20.9 million awarded in FY 2003.

vii. Training and Outreach Conducted By EEOC

In FY 2007, EEOC staff me mbers informed a lar ge number of feder al employees of their rights and responsibilities under th e EEO process, affi rmative employment programs and laws that the Commi ssion enforces. EEO C's proactive prevention activities targeted multiple agencies , and provi ded to agency managers and supervisors a better under standing of how to prevent employment discrimination within their workplace. O FO staff members as well as staff from various EEOC offices throughout the country provided these training sessions.

Specifically, st aff member s conducted 89 training sessi ons reaching 2, 696 f ederal employees, including 209 ne w EEO counselors, 174 new EEO investigators and 182 EEO professionals in affirmat ive employment programs. Additionally, staff members participated in 22 outreach sessions which reached another 1,655 individuals.

OFO st aff member s al so r esponded t o mo re than 8,809 calls r egarding t he EEO complaint/appeals process, thereby providing the federa I sector EE O community and employees with timely infor mation. Additionally, in FY 2007 EEO C staff members provided 42 agencies and subcomponents with a written triend assessment of t heir FY 2006 MD-715 reports. Sta ff also provided technical assistance for affirmative employment programs through 24 in-person visits and 2, 273 telephonic and email responses.

EEOC FY	2007 Annual	Report on th	e Federal W	ork Force	

Section F- Responsiveness and Legal Compliance

The sixth MD-715 element, "Res ponsiveness and Legal Complianc e," encompasses timely filing of required reports with EEOC and timely compliance with EEOC's issued orders.

1. 93% of Submitted EEOC 462 Reports Were Timely

EEOC regulation 29 C. F.R. § 1614.602(a) re quires agencies to report to the EEOC information concerning pre-complaint counseling, ADR, and the status, processing, and disposition of complaints under this part at such times and in such manner as the Commission prescribes.

The requirement to file an EEOC Form 462 Report applies to all federal agenci es and departments covered by 29 C.F. R. Part 1614, as defined in 29 C.F.R. § 1614. 103(b). This includes Executive agenc ies as defined in 5 U.S.C. 105, military departments as defined in 5 U.S.C. 102, the Government Printing Office, the Postal Rate Commission, the Smithsonian Institution, the Tennessee Valley Authority, the Unit ed States Postal Service, and those units of the judici al branch of the federal gov ernment hav ing positions in the competitive service. All covered agen cies must file Form 462 Reports with the Commission. EEOC Form 462 Reports are due on or before October 31 st of each year.

In FY 2007, 94 agenc ies (with 100 or more employees) were required to submit an EEOC Form 462 report and 87 or 92.6% did so timely. The percentage of timely filing is down compared to FY 2 006 when 91 agenc ies (with 100 or more employ ees) were required to submit an EEOC Form 462 report and 86 or 94.5% submitted them timely.

2. 50% of Submitted FY 2006 MD-715 Reports Were Timely

EEOC regulation 29 C.F.R. § 1614.601(g) requires agencies to report to the EEOC "on employment by race, national origin, sex, and handicap in the form and at such times as the Commi ssion may requir e." In addition, EEO C regulation 29 C.F.R. § 1614.602(c) requires agencies to "submit annually for the review and approval of the Commission written national and regional EEO plans of action."

MD-715 reports provide infor mation on an ag ency's progress in achi eving the model EEO program elements, eliminating barriers, and ability to conducting a wide array of examinations of the agency's Title VII and Section 501 work for ce profiles. MD-715 applies to all Executive agencies and military departments (except uniformed members)

as defined in Sections 102 and 105 of Title 5. U. S.C. (including those with employees and applicants for employment who are paid from non-appropriated funds), the United States Postal Servi ce, the Postal Rat e Commission, the Tennes see Valley Authority, the Smithsonian Institution, and those unit sof the judicial branch of the feder all government having positions in the competit ive service. These agencies and their Second Level Reporting Components are required to file an EEOC FORM 715-01 on or before January 31st of each year.

50% or 84 of the 167 agencies and subcomponents submitted timely MD-715 reports in FY 2006 down from the 68% or 107 of the 158 agencies and subcomponents that timely submitted in FY 2005.

Part II Profiles for Selected Federal Agencies

What follows are individual profiles of federal ag encies with a total work force of 500 or mor e employees. These profiles of se lected indicators were creal ted from data submitted by agencies in annual EEO C Form 462 reports, and the Civili an Personnel Data File (CPDF), which is maintained by the Office of Personnel Management (OPM).

Each agency's profile highlights the participation by race (including for the first time data on Native Hawaiian/Other Pacific I slanders and people of Two or More Races), national origin, gender, and disability status of employees in the work force as a whole, as well as in the agency's major occupations, supervisor and manager ranks, Seni or Pay Level, career Senior Executive Service (SES) and the "feeder grades" (GS-14 and GS-15) to the SES.

The profiles include parti cipation rates by race, national ori gin, gender and Individual s with Targeted Disabilities for persons who serve as supervisors and managers. Additionally, the profiles include dat a on the partici pation rat es for career SES pos itions. FEDERAL EEO COMPLAINT PROCESSING PROCEDURES

The person must initiate counselor contact within 45 days of the matter alleged to be discriminatory. 29 C.F.R. Section 1614.105(a)(1). This time limit shall be extended where the aggrieved person shows that he or she was not notified of the time limits and was not otherwise aware of them; he or she did not and reasonably should not have known that the discriminatory matter occurred; despite due diligence he or she was prevented by circ umstances beyond his or her control from contacting the counselor within the time limits. 29 C.F.R. Section 1614.105(a)(2).

B. EEO Counseling

EEO counselors prov ide information to the aggrieved individual concerning how the federal sector EEO process works, including time frames and appeal procedures, and attempt to informally resolve the matter. At the init ial couns eling sess ion, counselors must advis e individuals in writing of their rights and responsibilities in the EEO process, including the right to request a hearing before an EEOC Administrative Judge or an immediate final decision from the agency following its investigati on of the complaint. Individ uals must be informed of their right to elect between pursuing the matter in the EEO process under part 1614 and a grievance procedure (where available) or the Merit Sy stems Protection Board appeal process (where applicable). The couns elor must also in form the individuals of their right to proceed directly to court in a lawsuit under the Age Di scrimination in Employment Act, of their duty to mitigate damages, and that only claims raised in pre-complaint counseling or claims like or related to those raised in couns eling may be alleged in a subsequent complaint filed with the agency. 29 C.F.R. Section 1614.105(b)(1).

Counseling must be completed within 30 days of the date the aggrieved person contacted the agency's EEO office to request counseling. If the matter is not resolved in that time period, the counselor must inform the i ndividual in wr iting of the right to file a discrimination complaint. This notice ("Notice of Final Interview") must inform the individua I that a complaint must be filed within 15 days of receipt of the notice, identify the agency official with whom the complaint must be filed, and of the individual's duty to inform the agency if he or she is represented. 29 C.F. R. Section 1614.105(d). The 30-day counseling period may be extended for an additional 60 days: (1) where the individual agrees to such extens ion in writing; or (2) where the aggrie ved person chooses to participate in an ADR procedure. If the claim is not resolved before the 90 th day, the Notice of Final Interview des cribed above must be issued to the individual. 29 C.F.R. Section 1614. 105(e), (f). When a complaint is filed, the EEO counselor must submit a written report to the agency's EEO office concerning the is sues discussed and the actions taken during counseling. 29 C.F.R. Such program mu st be available for both the pre-complaint process and the formal complaint process. 29 C.F.R. Section 1614.102(b)(2). At the initial counseling session, counselors must advise individuals that, where an agency agrees to offer ADR in a particular case, the indiv idual may choose between participation in the ADR program and EEO counseling. 29 C.F.R. Section 1614.105(b)(2). As noted above, if the matter is not resolved in the ADR process within 90 days of the date the individual contacted the agency's EEO office, a Notice of Final Interview must be issued to the i ndividual giving him or her the right to proceed with a formal complaint.

D. Complaints

A complaint must be filed wit high the agency that allegedly discriminated against the complainant within 15 days of receipt of the Notice of Final Interview. The complaint must be a signed statement from the complainant or the complainant's attorney, containining the complainant's (or representative's) telephone number and address, and must be sufficiently precise to identify the complainant and the agency, and describe generally the action or practice which forms the basis of the complaint. 29 C.F.R. Section 1614.106.

A complainant may amend a comp laint at any time prior to the conclusion of the investigation to include issues or claims like or related to those raised in the complaint. After requesting a hearing, a comp lainant may file a motion with the AJ to amend a complaint to include issues or claims like or related to those raised in the complaint. 2 9 C.F.R. S ection 1614.106(d).

The agenc y must acknowledge receipt of the complaint in wr iting and inform the complainant of the date on which the complaint was filed, of the address of the EEOC office where a request for a hearing should be s ent, that the complainant has the right to appeal the agency's final action or dismiss al of a complaint, and that the agency must investigate the complaint within 180 days of the filing date. E. Dismissals of Complaints

Prior to a request for a heari ng, in lieu of accepting a complaint for investigation an agency may dismiss an entire complaint for any of the following reasons: (1) failure to state a claim, or stating the same claim that is pending or has been decided by the agency or the EEOC; (2) failure to comply with the time limits; (3) filing a complaint on a matter that has not been brought to the attention of an EEO counselor and which is not like or related to the matters counseled; (4) filing a complaint which is the basis of a pending civil action, or which

was the basis of a c ivil action already deci ded by a court; (5) where the complainant has already elected to pursue the matter through eit her the negotiat ed grievance procedure or in an appeal to the Merit Systems Pr otection Board; (6) where the ematter is moot or merely alleges a proposal to take a personnel action; (7) where the complainant cannot be located; (8) where the complainant fails to respond to a request to provide relevant information; (9) where the complaint alleges dissatisfaction with the processing of a previously filed complaint; (10) where the complaint is part of a clear pattern of misuse of the EEO process for a purpose other than the prevention and elimination on of employment discrimination. 29 C.F.R. Section 1614.107.

If an agency believes that some, but not all, of the claims in a complaint should be dismissed for the above reasons, it must notify the complainant in writing of the rationale for this determination, identify the allegations which will not be investigated, and place a copy of this notice in the investigative file. This determination shall be reviewable by an EEOC AJ if a hearing is requested on the remainder of the comp laint, but is not appealable until final action is taken by the agency on the remainder of the complaint. 29 C.F.R. Section 1614.107(b).

F. Investigations

Investigations are conducted by the res pondent agency. The agency must develop an impartial and appropriate factual record upon which have findings on the claims raised by the complaint. An appropriate factual record is defined in the regulations as one that allows a reasonable fact finder to draw conclusions as to whether discrimination occurred. 29 C.F.R. Section 1614.108(b).

The investigation must be completed within 180 days from the fili ng of the complaint. ¹ A copy of the inv estigative file must be provided to the complainant, along with a notification that, within 30 days of receipt of the file, the complainant has the right to request a hearing and a decision from an EEOC AJ or may request an immediate final decision from the agency. 29 C.F.R. Section 1614.108(f).

An agency may make an offer of resolution to a complainant who is represented by an attorney at any time after the filing of a c omplaint, but not later than the date an AJ is appointed to conduct a hearing. An agency may make an offer of resolution to a complaint, represented by an attorney or not, after the parties have received notice than an administrative judge has been appointed to conduct a hearing, but not later than 30 days prior to a hearing.

Such offer of resolution must be in writin g and include a notice ex plaining the possible consequences of failing to accept the offer. If the complainant fails to accept the offer within 30 days of receipt, and the relief awarded in the final dec ision on the complaint is not more favorable than the offer, then the complainant shall not receive payment from the agency of

¹The 180-day statutory period for investi gating complaints can be extended to no more than 360 days if the conso lidation of two or more complaints occurs. See 29 C.F.R. § 1614.606.

attorney's fees or costs incurred after the expiration of the 30-day accept ance perio d. 29 C.F.R. Section 1614.109(c).

G. Hearings

Requests for a hearing must be sent by the comp lainant to the EEOC office indicated in the agency's acknowledgment letter, with a copy to the agency's EEO office. Within 1 5 days of receipt of the request for a hearing, the agency must provide a copy of the complaint file to EEOC. The EEOC will then appoint an AJ to conduct a hearing. 29 C.F.R. Section 1614.108(g).

Prior to the hearing, the parties may conduct discovery. The purpose of disc overy is to enable a party to obtain relevant information for preparation of the party's c ase. Each party initially bears their own costs for discovery. For a more detailed description of discovery procedures, see EEOC Management Directive 110, Chapter 6.

Agencies provide for the attendance of all employees approved as witnesses by the AJ. Hearings are considered part of the investigative process, and are closed to the public. The AJ conducts the hearing and receives relev ant information or documents as evidence. The hearing is recorded and the agency is responsible for paying for the transcripts of the he aring. Rules of evidence are not strictly applied to the proceedings. If the AJ determines that some or all facts are not in genuine di spute, he or she may limit the scope of the hearing or issue a decision without a hearing.

An EEOC AJ may dismiss a complaint for any of the r easons set out above under Dismissals or the AJ must c onduct the hearing and issue a dec ision on the complaint within 180 days of receipt by the AJ of the complain t file from the agency. 29 C.F.R. Section 1614.109(b). The AJ will send c opies of the hearing record, the transcript and the decision to the parties. If an agency does not issue a final order within 40 days of r eceipt of the AJ's decision, then the decision become s the final action by the agency in the matter. 29 C.F.R. Section 1614.109(i).

H. Final Action by Agencies

When an AJ has issued a decision (either a dismissal, a summary judgment decision or a decision following a hearing), the agency must take final action on the complaint by issuing a final order within 40 days of receip t of the hearing file and the AJ 's decision. The final order must notify the complainant wh ether or not the agency will fully implement the decision of the AJ, and shall c ontain notice of t he complainant's right to appeal to EEOC or to file a civi I action. If the final order does not fully implement the decision of the AJ, the agency must simultaneously file an appeal with EEOC and attach a copy of the appeal to the final order. 29 C.F.R. Section 1614.110(a).

When an AJ has not issued a decis ion (i.e., when an agency dismisses an entir e complaint under 1614.107, receives a request for an immediate final dec ision, or does not receive a reply to the notice providing the complainant the right to either request a hearing or

an immediate final decision), the agency must take final action by issuing a final decision. The agency's final decision will consist of findings by the agency on the merits of each issue in the complaint. Where the agency has not processed certain allegations in the complaint for procedural reasons set out in 29 C.F.R. Section 1614.107, it must provide the rationale for its decision not to process the allegations. The agency's decision must be issued within 60 day s of receiving notification that the complainant has requested an immediate final decision. The agency's decision must contain notice of the complainant's right to appeal to the EEOC, or to file a civil action in federal court. 29 C.F.R. Section 1614.110(b).

I. Appeals to the EEOC

Several types of appeals may be brought to the EEOC. A complainant may appeal an agency's final action or dismissal of a complaint within 30 days of receipt. 29 C.F.R. Sections 1614.401(a), 1614.402(a). A complainant may also appeal to the EEOC for a determination as to whether the agency has complied with the terms of a settlement agreement or decision. 29 C.F.R. Section 1614.504(b). A grievant may appeal the final decesion of the agency, arbitrator or the FLRA on a grievance when an issue of employment discrimination was raised in the grievance procedure. 29 C.F.R. Section 1614.401(d). If the agency's final action and order do not fully implement the AJ's decision, the agency must appeal to the EEOC. 29 C.F.R. Section 1614.110(a); 29 C.F.R. Section 1614.401(b).

If the complaint is a class action, the class agent or the agency may appeal an AJ 's decision accepting or dismissing all or part of the class complaint. A class agent may appeal a final decision on a class complaint. A class member may appeal a final decision on an individual claim for relief pursuant to a finding of class-wide discrimination. Finally, bot have class agent or the agency may appeal from an AJ decision on the adequacy of a proposed settlement of a class action. 29 C.F.R. Section 1614.401(c).

Appeals must be filed with EEOC's Office of Federal Operations (OFO). Any statement or brief on behalf of a complainant in support of an appeal must be submitted to OFO within 30 days of filing the notice of appeal. Any statement or brief on behalf of the agency in support of its appeal must be filed with in 20 days of filing the notice of appeal. An agency must submit the complaint file to OFO within 30 days of initial notification that the complainant has filed an appeal or within 30 days of submission of an appeal by the agency. Any s tatement or brief in opposition to an appeal must be submitted to OFO and served on the opposing party within 30 days of receipt of the statemen t or brief supporting the appeal, or, if no statem ent or brief supporting the appeal has been filled, within 60 days of receipt of the appeal. 29 C.F.R. Section 1614.403. EEOC has the authority to draw adverse infe rences against a party failing edures or requests for inform ation. 29 C.F.R. Section to comply with its appeal proc 1614.404(c). The decision on an appeal from an age ncy's final action is based on a de novo review, except that the review of the factual findings in a decision by an AJ following a hearing is based on a substantial evidence standard of review. 29 C.F.R. Section 1614.405(a).

A party may request that EEOC re consider its decision within 30 days of receipt of the Commission's decision. Such requests are not a second appeal, and will be granted only when the previous EEOC decision involved a clear ly erroneous interpretation of material fact

or law; or when the decision will have a substantial impact on the policies, practices or operations of the agency. 29 C.F.R. Section 1614.405(b). The EEOC's decision will be based on a preponderance of the evidence. The decision will also infor m the complainant of his or her right to file a civil action.

J. Civil Actions

Prior to filing a c ivil action under Title VI I of the Civil Rights Ac t of 1964 or the Rehabilitation Act of 1973, a federal sector complainant must first exhaust the administrative process set out at 29 C.F.R. Pa rt 1614. "Exhaustion" for the pur poses of filing a c ivil action may occur at different stages of the process. The regulations provide that civil actions may be filed in an appropriate f ederal court: (1) within 90 day s of receipt of the final action where no administrative appeal has been filed; (2) after 180 days from the date of filing a complaint if an administrative appeal has not been filed and final action has not been taken; (3) within 90 days of receipt of EEOC's final decision on an appeal; or (4) after 180 days from the filing of a nappeal with EEOC if there has been no final decision by the EEOC. 29 C.F.R. Section 1614.407.

Under the Age Discrimination in Employment Act (ADEA), a complainant may proceed directly to federal court after giving the EEOC notice of intent to sue. 29 C.F.R. Section 1614.201. An ADEA complainant who initiates the administrative process in 29 C.F.R. Part 1614 may also file a civil action within the time frames noted above. 29 C.F.R. Section 1614.407.

Under the Equal Pay Act, a complainant may file a civil action within 2 years (3 years for willful violations), regardless of whether he or she has purs ued an adminis trative complaint. 29 C.F.R. Section 1614.408. Filing a c ivil action terminates EEOC processing of an appeal. 29 C.F.R. Section 1614.409.

K. Class Complaints

Class complaints of discrimination are process ed differently from individual complaints. See 29 C.F.R. Section 1614.204. The employee or applicant who wishes to file a class complaint must first seek counseling and be counseled, just like an individual complaint. However, once counseling is completed the class complaint is not investigated by the respondent agency. Rather, the complaint is forwarded to the nearest EEOC Field or District Office, where an EEOC AJ is appointed to make decision as to whether to accept or dismiss the class complaint. The AJ examines the class to determine whether it meets the class certification requirements of numerosity, commonality, typicality and adequacy of representation. The AJ may issue a decision dismissing the class because it fails to meet any of these class certification requirements, as well as for any of the reasons for dismissal discussed above for individual complaints.

A class complaint may begin as an individual complaint of discrimination. At a certain point, it may become evident to hat there are many more indictional viduals than the complainan to affected by the issues raised in the individual complaint. EEOC's regulations provide that a

complainant may move for class certification at any reasonable point in the process when it becomes apparent that ther e are class implications to the claims raised in an individu al complaint. 29 C.F.R. Section 1614.204(b).

The AJ transmits his or her dec ision to accept or dismiss a class complaint to the class agent and the agency. The agency must then take final action by issuing a final order within 40 days of receipt of the AJ's decision. The final order must notify the agent whether or not the agency will implement the decisi on of the AJ. If the agency's final order does not implement the AJ's decision, the agency must simultaneously appeal the AJ's decision to EEOC's OFO. A copy of the agency 's appeal must be appended to the agency's final order. 29 C.F.R. Section 1614.204(d)(7).

A dismissal of a class complaint shall inform the class agent either that the complaint is being filed on that date as an individual complaint and processe discordingly, or that the complaint is also dismissed as an individual complaint for one of the reasons for dismissal (discussed in section E, above). In addition, a dismissal must inform the class agent of the right to appeal to EEOC's OFO or to file a civil action in federal court.

When a class complaint is accepted, the agency must use reas onable means to notify the class members of the acc eptance of the class complaint, a description of the issues accepted as part of the complaint, an explanation of the binding nature of the final decision or resolution on the class members, and the name, address and telephone number of the class representative. 29 C.F.R. Section 1614.204(e). In lieu of an in vestigation by the respondent agency, an EEOC AJ develops the record threough discovery and a hearing. The AJ then issues a recommended decision to the agency. We into 60 days of receipt of the AJ's recommended decision on the merits of the class complaint, the agency must issue a final decision which either accepts, rejects or modifies the AJ's recommended decision. If the agency fails to issue such a decision within that time frame, the AJ's recommended decision becomes the agency's final decision in the class complaint.

When discrimination is found in the final decision and a class member believes that he or she is entitled to relief, the class member may file a written claim with the agency within 30 days of receipt of notification by the agency of its final decision. The EEOC AJ retains jurisdiction over the complaint in order to resolve disputed claims by class members. The claim for relief must contain a specific showing that the claimant is a class member entitled to relief. EEOC's regulations provide that, when a finding of discrimination against a class has been made, there is a presumption of discrimination as to each member of the class. The agency must show by clear and convincing evidence that any class member is not entit led to relief. The agency must issue a final decision on each individual claim for relief within 90 days of filing. Such decision may be appealed to EEOC's OFO, or a civil action may be filed in federal court. 29 C.F.R. Section 1614.204(I)(3).

A class complaint may be resolved at any time by agreement between the agency and the class agent. Notice of such resolution must be provided to all class members, and reviewed and approved by an EEOC AJ. If the AJ finds that the proposed resolution is not fair to the class as a whole, the AJ will issue a decision vacating the agreement, and may replace

the class agent with some other e ligible class member to further process the class complaint. Such decision may be appealed to EEOC. If the AJ finds that the resolution is fair to the class as a whole, the resolution is binding on all class members. 29 C.F.R. Section 1614.204(g).

L. Grievances

Persons covered by collective bargaining agreements which permit allegations of discrimination to be raised in the grievance of procedure, and who wish to file a complaint or grievance on an allegation of employment discrimination, must elect to proceed either under the procedures of 29 C.F.R. Part 1614 or the negotiated grievance procedures, but not both. 29 C.F.R. Section 1614.301(a). An election to proceed under Part 1614 is made by the filing of a complaint, and an election to proceed under the negotiated grievance procedures is made by filing a grievance. Partice ipation in the pre-complaint procedures of Part 1614 is not an election of the 1614 procedures. The election requirement does not apply to employees of agencies not covered by 5 U.S. C. Section 7121(d), notably employees of the United States Postal Service.

M. Mixed Case Complaints

Some employment actions which have be to the subject of a discrimination complaint under Part 1614 may also be a ppealed to the Meri t Systems Protection Board (MSPB). In such cases, the employee must elect to proceed with a complaint as a "mixed case complaint" under Part 1614, or a "mixed case appeal" befor eithe MSPB. Whichever is file diffrist is considered an election to proceed in that forum. 29 C.F.R. Section 1614.302.

Mixed case complaints are processed similarly to other complaints of discrimination, with the following not able exceptions: (1) the agency has only 120 days from the date of the filing of the mixed case complaint to issue a final decision, and the complainant may appeal the matter to the MS PB or file a civil action any time thereafter; (2) the complainant must appeal the agency's decision to the MSPB, not the EEO C, within 30 days of receipt of the agency's decision; (3) at the completion of the investigation the complainant does not have the right to request a hearing before an EEOC AJ, and the agency must issue a decision within 45 days. 29 C.F.R. Section 1 614.302(d). Individuals who have filed either a mixed case complaint or a mixed case appeal, and who have received a final decision from the MSPB, may petition the EEOC to review the MSPB final decision.

In contrast to non-mixed matters, individuals who wish to file a civil action in mixed-case matters must file within 30 days (not 90) of receipt of: (1) the agency's final decision; (2) the MSPB's final decision; or (3) the EEOC's de cision on a petition to review. Alternatively, a civil action may be filed af ter 120 days from the date of filing the mixed cas e complaint with the agency or the mixed case appeal with the MSPB if there has been no final decision on the complaint or appeal, or 180 days after filing a petition to review with EEOC if there has been no decision by EEOC on the petition. 29 C.F.R. Section 1614.310.
