

OPEN PEER REVIEW REPORT 1

Name of journal: Neural Regeneration Research

Manuscript NO: NRR-D-18-00843

Title: Remodeling dendritic spines for treatment of traumatic brain injury

Reviewer's Name: Anjali Chauhan

Reviewer's country: India

Date sent for review: 2018-12-20

Date reviewed: 2019-01-12

Review time: 23 days

COMMENTS TO AUTHORS

The manuscript will benefit from the addition of mechanism and experimental models involved in TBI research. Incorporation of the schematic for process/remodeling in dendritic splines will be beneficial. The authors should consider adding references but control the presence of references along the journal (<12).
