VERITAS VOS LIBERABIT

---

Truth guide our University,  
And from all error keep her free;  
Let wisdom yield her choicest treasure,  
And freedom reach her fullest measure;  
Oh, let her watchword ever be  
The truth of God will make you free,  
Will make you free!

Let knowledge grow from more to more,  
And scholars versed in deepest lore,  
Their souls for light forever burning,  
Send forth their fire, unlock their learning,  
And let their faithful teaching be  
The truth alone can make us free,  
Can make us free!

The truth shall crown her sons with fame,  
Their lives inspire with nobler aim,  
Their names make known throughout her borders  
As learning's guide and wisdom's warders,  
Then let their watchword ever be,  
The truth for aye shall keep us free,  
Shall keep us free!

*Wm. Levering Devries, '88, '92*
