A Corrigendum on

A Novel Homozygous JAK3 Mutation Leading to T-B+NK- SCID in Two Brazilian Patients by Barreiros, L. A., Segundo, G. R. S., Grumach, A. S., Roxo-Júnior, P., Torgerson, T. R., Ochs, H. D., et al. (2018). *Front. Pediatr.* 6:230. doi: 10.3389/fped.2018.00230

Pérsio Roxo-Júnior was not included as an author in the published article. The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.

AUTHOR CONTRIBUTIONS

AC-N conceived the study. LB conceived and wrote the first draft of the case report and created the table and figures. PR-J and AG were involved in the clinical care of the patients. LB and GS performed the experimental procedures that lead to the case report. HO, TT, and AC-N were involved in concept development and editing of the manuscript. All authors reviewed and revised the manuscript and approved the final submitted version.

Conflict of Interest Statement: The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
