

The Kelaniya Journal of Management

Volume 3 Number 1 January-June 2014

Editorial Note

Dear author you have just opened the No. 1 of the Volume 03 of scientific journal “Kelaniya Journal of Management”, published by the Faculty of Commerce and Management Studies, University of Kelaniya. In this issue we present the selected papers presented at the 4th International Conference on Business and information (ICBI) 2013 organized by the Faculty of Commerce and Management Studies, University of Kelaniya. Initially five papers from each track were selected and all the papers were reviewed again rigorously. One author failed to send corrected paper on time and the remaining four papers were published in this issue of the journal.
