In the original article, there was a typographic error in Equation 2.

A correction has been made to the section *MATERIALS AND METHODS*, sub-section *Model Based Analysis*, paragraph 2, Equation 2:

$$A_{M2}(t) = \vartheta \left(m \sum_{\Delta t=1}^T e^{\frac{-\Delta t}{\tau_{interact}}} A_{RSC}(t - \Delta t) - \theta \right) + c \quad (2)$$

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way.

The original article has been updated.

Conflict of Interest Statement: The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
