NB. Water runs thro' almost every Street, but a represent<sup>on</sup> of it is omitted to preserve the Beauty of the Plan.

EXPLANATION.

The Letters round the Margin of the Plan are for the more readily finding the Place referred to. Example N<sup>o</sup> 26 The Cathedral D.f. Look for D on the Top or Bottom of the Plan, and f on the Side, and in the Square of Intersction you will find the Church. The Dart in River shews the Direction of the Stream.
