Erratum to: Type 2 immunity-dependent reduction of segmented filamentous bacteria in mice infected with the helminthic parasite *Nippostrongylus brasiliensis*

W. Florian Fricke^{1,2*}, Yang Song¹, An-Jiang Wang^{3,4}, Allen Smith⁵, Viktoriya Grinchuk³, Chenlin Pei³, Bing Ma¹, Nonghua Lu⁴, Joseph F. Urban Jr.⁵, Terez Shea-Donohue³ and Aiping Zhao³

In our original published manuscript entitled “Type 2 immunity-dependent reduction of segmented filamentous bacteria in mice infected with the helminthic parasite *Nippostrongylus brasiliensis*” [1], a co-author was incorrectly omitted.

The correct author list should include Emmanuel Mongodin from the Department of Microbiology and Immunology, Institute for Genome Sciences, University of Maryland School of Medicine, Baltimore, MD, USA, and read “W. Florian Fricke, Yang Song, An-Jiang Wang, Allen Smith, Viktoriya Grinchuk, Emmanuel Mongodin, Chenlin Pei, Bing Ma, Nonghua Lu, Joseph F. Urban, Terez Shea-Donohue and Aiping Zhao”. Correspondingly, the authors contribution should read “WFF and AZ conceived the study concept and design. YS, AJW, VG, EM, CP, and NL did the acquisition of data. WFF, YS, BM, and AZ interpreted and analyzed the data. WFF, YS, and AZ drafted the manuscript. WFF, JFU, TSD, and AZ made the critical revision of the manuscript. YS and AZ did the statistical analysis. WFF and AZ obtained funding. All authors read and approved the final manuscript”.

Author details

¹Department of Microbiology and Immunology, Institute for Genome Sciences, University of Maryland School of Medicine, Baltimore, MD, USA.

²Department of Nutrigenomics, University of Hohenheim, Stuttgart, Germany.

³Department of Radiation Oncology, University of Maryland School of Medicine, Baltimore, MD, USA. ⁴Department of Gastroenterology and Hepatology, The First Affiliated Hospital of Nanchang University, Nanchang,

Submit your next manuscript to BioMed Central and we will help you at every step:

- We accept pre-submission inquiries
- Our selector tool helps you to find the most relevant journal
- We provide round the clock customer support
- Convenient online submission
- Thorough peer review
- Inclusion in PubMed and all major indexing services
- Maximum visibility for your research
