

RETRACTION NOTE

Open Access

Retraction Note: A novel polymorphism of the GP78 gene is associated with coronary artery disease in Han population in China

Erdenbat Cha¹, Zhen-Yan Fu¹, Yi-Tong Ma^{1*}, Qing Zhu¹, Xiang Xie¹ and Fen Liu²

This article [1] has been retracted by the authors due to extensive overlap with previously published work, most notably Zhu *et al.*, Liu *et al.*, and Fu *et al.* [2–4]. The authors apologise for any inconvenience caused.

Submit your next manuscript to BioMed Central and take full advantage of:

- Convenient online submission
- Thorough peer review
- No space constraints or color figure charges
- Immediate publication on acceptance
- Inclusion in PubMed, CAS, Scopus and Google Scholar
- Research which is freely available for redistribution
