### Correction to: *Oncogene*

<https://doi.org/10.1038/s41388-019-0712-y>;  
published online 11 February 2019.

The original version of this article contained an error in Fig. 5a where the colours of the labels representing the Hinge and LBD of the AR were incorrect and did not match the corresponding exons. The corrected version of this Figure now appears in the article. The conclusions of this paper were not affected. The authors apologise for this error and any confusion caused.
