NOVEMBER 14, 1952

Alumni Welcomed For Tip-Off

Alma Mater Is Host To Grads

Today the students of Olivet welcome the alumni and visitors to the eleventh annual homecoming celebration and Tip-Off game.

The activities for the day begin with a chapel program sponsored jointly by the Alumni Association and "O" Club, at which time the traditional predictions will be made as to the outcome of the Tip-Off game. Dr. Donald Starr, president of the Alumni Association, and Prof. Marvin Taylor, executive secretary of the Association, are the two principal speakers. The "O" Club quartet has prepared the music for the chapel program.

At 1:45 this afternoon the Division of Fine Arts is presenting the First Homecoming Concert. It is hoped that this concert will become an annual affair at Tip-Off.

The alumni coffee hour is planned from 3:00 to 5:00 in the parlor of Williams Hall. Mrs. Chester Meyering is in charge.

The climax of the day's activities is the Alumni-"O" Club Tip-Off game, each team battling for possession of the "Old Rusty Keg." A game between the alumnae and women's "O" Club precedes the final game.

The alumni committee in charge of the homecoming is Dr. Bond Woodruff, chairman; Miss Ruth Gilley, Prof. D. J. Strickler, and Prof. Ivan Smith.

The first Tip-Off was held on Nov. 14, 1941, with the faculty bowing to the men's "O" Club. The following year the men's "O" Club extended an invitation to the alumni to return and compete against them. The alumni accepted the offer and defeated the "O" Club. The "O" Club and Alumni have played at Tip-Off each year since 1942.

In 1946 the women's "O" Club challenged the alumnae for the first time. The "O" Club won this game and has played the alumnae each following year at Tip-Off.

"O" Club Will Expect Victory While Playing Against Odds In Birchard Gym Tonight

Today basketball is the talk of the campus, and to initiate the season the annual Tip-Off game will be staged with the mighty "O" Club team pitted against the strong Alumni.

For three weeks, Coach Cal Johnson has sent his team through drills to prepare a team he hopes can topple the favored Alumni.

Following is the list of the "O" Club men who will do battle with the Alumni:

DON BELL—Senior, from Detroit, Mich. Indian. 6'; 160 lbs. Don lettered in football thrice and once in basketball. A real hustler and scrapper; second top scorer to Chuck McCullough for the Indians last season.

DAVE CRAIG—Senior, from Bradley, Ill. Trojan. 5' 11"; 180 lbs. "Heavy" received the most valuable player award in the Tip-Off battle last year. A very cool player and excellent ball handler, Dave should be in the starting five tonight.

CAL JOHNSON—Senior, from Ottawa, Ill. Trojan head coach. 5' 10"; 165 lbs. Calvin has been elected coach to the "O" Club men this year after successfully guiding the Trojans to an unbeaten season last winter. He has lettered in baseball, softball, and football.

DON MATHEWS — Junior, 5' 11"; 180 lbs. Spartan. Don set some sort of record last season. Participating in softball, basketball, and baseball, he lettered in all three sports. He has been holding down the post most of the practice time thus far.

EDSAL MATTAX—Senior, from Mendon, Mich. 5' 8"; 165 lbs. Spartan. Ed received his only letter last winter in basketball, but was well deserving for his scrap and hustle.

CHARLES McCULLOUGH— (Captain). Junior, from Alexandria, Ind. 6' 1"; 165 lbs. Indian head coach. Lead scorer in basketball the past two seasons, Chuck will be the "marked" man on the

President Reed Announces Jessop Lecturers

Dr. Harry E. Jessop is technically listed on our college faculty this year as a special lecturer. Dr. Jessop is scheduled to give the Jessop lecture series on Holiness from November 10 through November 21. He will be speaking this two-week period each morning in chapel except Friday, November 14 which is "Tip-Off." For those desiring one hour of college credit it will be possible to secure this amount by attending the chapel services and the afternoon lecture which is scheduled at 1:30.

Dr. Jessop was for years President of Chicago Evangelistic Institute and is President Emeritus at the present time. He is one of the outstanding exponents of the doctrine of Holiness in the Church of the Nazarene. He has been an elder in the Church of the Nazarene for many years.

I would urge part-time students as well as students' wives and other folk in the community to avail themselves of this hour of credit. The cost for this course is \$12 for those carrying less than five hours, \$10.50 for those carrying between six and eleven hours, and for others with twelve to seventeen hours there is no additional cost. For those who desire to avail themselves of these lectures without college credit there is no charge.

In addition to the lecture series outlined above, I would call your attention to the fact that Dr. Jessop will be speaking in the College Church Sunday, November 16, in both the morning and evening services. He will also speak at the prayer service Wednesday, November 19.

Nees Will Be New Pastor

Of course by this time all Olivetians know that the Rev. L. Guy Nees has accepted the call to become the new pastor of College Church. Rev. Nees was preceded by Dr. Lloyd B. Byron, who is now superintendent of the North Carolina District.

Formal acceptance of the position was received in the following telegram Oct. 30, "After prayerful consideration have decided to accept call to pastorate of College Church." Signed, L. Guy Nees.

Rev. Nees will come from Toronto, Ontario, Canada, where he is the pastor of the St. Clair Church of the Nazarene. At St. Clair church the former president of Canadian Nazarene College preaches to a crowd of approximately 1,000 at his church each Sunday evening. He also has a one-hour radio program each Sunday night.

Here are some quotations received from the Rev. Nees in a letter. "I do not feel adequate in any sense for the great responsibility there at Olivet, but you may be sure that we will give ourselves without reservation to the work of that great pastorate.

"It is a challenge and a call that I have not been able to forget. You may be sure that we are looking forward to arriving there."

Gifts of Heritage

"Our heritage is great and needs to be protected."

This is a common statement among the more sober-minded students on the campus when they think of the great things of life that we present generation Olivetians possess. Let's say thanks to those responsible for these gifts.

In our midst now is one who has been a contributor of some of the benefits that belong to the student body of our college in the realm of religion and holiness. He is Dr. Harry Jessop, a Nazarene elder, who is now giving lectures centered around the theme of the church and Jesus-HOLINESS.

Let us take advantage of the opportunity afforded us and gain some new insight, spiritual food and light

Theology Classes Sponsor Chalfant Lecturers

Under the sponsorship of the Systematic Theology classes of Olivet, Dr. E. O. Chalfant, retired district superintendent after thirty years on the Chicago Central District, lectured on "Gearing Our Ministry to the Age In Which We Live," from Oct. 23 through Oct. 29.

Dr. Chalfant, who served thirty-five years as trustee of Olivet, was privileged to become the first honorary life member of the Board of Trustees in the history of the College last year.

What Dr. and Mrs. H. B. Miller are to Nampa Dr. Chalfant is to Olivet with these lectures as his contribution each year. Dr. Chalfant elucidated on such topics as, (1) "Gearing Ourselves to the Age," (2) "Potential Adaptability," (3) "Human Relationship," (4) "A Dynamic Passion," and (5) "The Major Task of the Nazarene Minister — to prepare and preach good sermons."

from Dr. Jessop's talks on Holiness.

This will insure our heritage for our our posterity.

Oops! What Happened Boys?

The Crusaders Quartet had an interesting experience in Plainfield, Ill., recently. Returning from a meeting in Cedar Rapids, Iowa, the boys were hurrying back Sunday night to their dear old Olivet, hurrying so fast that they were stopped by the police in Plainfield and slapped with a nice fine.

Better slow down, boys! Remember there are other meetings to be held. In the car were Dave Miller, the driver, Paul Haering, Bob Squires, and Don and Faith Bell.

The Glimmerglass SALUTE

A. O. SMITH CORPORATION

The Glimmerglass Salute goes to the A. O. Smith Corporation. One of the fourteen factories owned by this corporation, the Kankakee plant is the home of the Permaglas automatic water heater and the Harvestore storage unit. Since this modern, quarter-mile long factory was completed in 1946, over two million water heaters have been produced.

Harvestore is a modern crop storage unit in which glass-surfaced steel eliminates rust, corrosion, and maintenance. Harvestore combines the protection of glass with the strength of steel. This special glass is permanently fused onto the steel under intense heat of giant furnaces.

So complete is this glass-steel bond that the glass actually takes on some of the characteristics of the steel. It expands and contracts at the same rate as steel; it bends with steel when it is bent; it resists impact and abrasion, and it provides complete protection against the action of weather and silage acids.

The A. O. Smith Corporation, with its philosophy that "nothing we do today is good enough if a better way can be found tomorrow," has certainly contributed much to the community, has helped to improve the standard of living, and has been instrumental in making a college education a reality for many Nazarene youth. Our "hats are off" to this fine corporation.

Chi Sigma Rho

Saturday evening, November 1, Chi Sigma Rho launched their first program of the year, which was held in Fliermans Hall, and was directed by Jeane Robinson.

The program consisted of the poem "The Politician," given by Virginia Pace; a skit, "The Raft," by Maxine Dawson and Darrell Holland; sketches from Shakespeare given by LaVere Webster, Elizabeth Smith, and Rhea Buchanan. Terminating the program was a dramatic selection "Almost Persuaded" with the following cast: narrator, Al Wells; Saul of Tarsus, Harry Romeril; King Agrippa, Fred Kern; Governor Festus, Bill Winegar; Queen Bernice, Wilaine Kauffman; Festus' wife, Carolyn Eckley; soldiers of Rome, Harold Curl and Bob Brooks; maid in waiting, Rhea Buchanan; page boy, Earl Marvin; and trumpeter, Donald Malmstrom.

Olivet Students Voted A Strong G.O.P. Ticket As Did The American People

As the United States goes, so goes Olivet College.

This is not true as a general rule, perhaps, but it was true in the national election, Nov. 4. Rounding the figures for the nation to the nearest millionth president elect Dwight Eisenhower received 33,000,000 votes and Adlai Stevenson got 27,000,000 votes.

In the mock election held on the campus Nov. 3 the five-star general and the Republican Party received an even more overwhelming victory with a three and a half to one count for the GOP. Of 365 ballots cast Ike got 282 votes and Stevenson 77. The Prohibitionists received four.

Election time brought other activity to the campus also that showed the students are interested in national affairs. In the chapel program Nov. 3 Harold Curl and Bill Winegar analyzed the election campaign issues. This was sponsored by the Public Relations Club with Pete Romeril, president, acting as the master of ceremonies.

On the eve before the election a political rally was held with Governor Donald E. Durick speaking for the defeated Democrats and Al "Tall" Wells taking up for Ike and the winners. Romeril again was M. C.

At this rally there were approximately 250 students all romping and yelling for their favorite candidate. Although a few Democrats were present most of the enthusiasts were loyal to the GOP and Ike. A pep band added to the fun and spirit.

A television set was placed in the Student Lounge in Chapman Hall on the night of the election so that students could view the returns over TV and watch the first GOP victory since 1928.

Yes, it seems like everybody went right in the recent election. This includes the nation as a whole and Olivet students and faculty who voted a landslide for the Republicans.

"We want Ike," was the battle cry of the campaign. Now, it's up to the soldier to turn statesman, for not only did we want him, but we have got him. Go to it General Eisenhower and do a bang-up job!

Hopkins; vice-president, Ann Wynn; secretary, Joyce Fuller; treasurer, Glenna Nance; librarian, Betty Steenbergen. A social hour was enjoyed at Goodwin Hall lounge after the rehearsal on October 30. The orchestra is now preparing for its winter concert, which will be presented on the evening of December 6.

O. N. C. Library Receives New Books

According to Miss Ruth Gilley, Olivet's librarian, the library has had added to its shelves nearly 350 new accessions of books, magazines, pamphlets, and sheet music of interest in various fields during the month of October. She announces that this new material is ready for circulation.

Among the additions are the **Cambridge Bibliography of English Literature**, which is a very valuable set to the library, **Landmarks in French Literature** by Strachey and Lytton, and another volume of the **Interpreter's Bible**. A whole series of vocational guidance manuals, of which one is **Opportunities in Journalism** by Elias E. Sugarman, is included. A **Pictorial History of Presidential Elections from Washington to Truman** by Locant and Stefan is an interesting work, particularly in this election year. The latter was on display in the reading room during the election campaign.

Other interesting accessions include **How To Think Straight** by Robert H. Thouless, **Architecture of the Old South** by H. C. Forman, **Educational Film Guide**, **City of Discontent** by Mark Harris; **Mathematics: Our Great Heritage** by William Schaaf, **Practical Photography** by Robert A. McCoy; **Gods, Graves, and Scholars: The Story of Archaeology** by Kurt W. March. And here's one especially for the ladies, **How to Make An Atomic Bomb in Your Kitchen** (well, practically) by Bob Bale.

A list of these new accessions will be found on the dictionary table in the reading room. Lists have also been sent to every faculty member.

Mr. James Johnson was hired November 1, to be the assistant librarian. He replaced Mrs. Lyons, who returned to Chicago Heights, Illinois, accepting the position of librarian.

DREAM YOUR STUDIES AWAY . . .

If psychologists at Georgetown university are right, it may be possible for the next generation of students to study in their sleep.

All one would need is a dormiphone—that is, a record player with an automatic repeating mechanism. It has a built-in loudspeaker, an under-pillow speaker and an ear-piece.

The idea is that, while you sleep, the dormiphone repeats your algebra lesson to you through the night, grinding it into your sub-conscious. Alduous Huxley, in his book **Brave New World**, had a similar idea which he called "hypnopedia."

Senior Trip Proves "Lots of Fun"

Friday, Oct. 17, the seniors climbed into a couple of "buses" (that's what some people call them) and were on their way to Washington, D. C. The senior class of '53 saw the usual highlights of our nation's capitol—yet, due to circumstances beyond their control, sight-seeing didn't occupy all their time. What did? The answer was most vividly portrayed in a recent chapel program when Cup Richards so dramatically orated the "Iceburg Address."

ICEBURG ADDRESS

Four rods and seven pistons ago our Kankakee Valley Bus Association brought forth on this campus a fine bus conceived with a new engine and dedicated to the proposition that the Senior Class should visit New York City and Washington, D. C. Now we are met on a great cornfield of this trip. But in a larger sense we can not dedicate, we cannot consecrate, we can not cremate this fine class. The brave class sleeping and dreaming has consecrated it far above our poor power to add or detract, multiply or divide. It is for us the drivers of these buses to be here navigated to that cause for which this class gave their last full measure of commotion. The class will little note nor long remember what we say here, but Man Alive it can never forget what the engine did here. It is for us the mechanics to be here dedicated to the unfinished work which they who got us here have thus far so nobly messed up. It is rather for us to be here dedicated to the great task remaining before us that from these busted pistons we take increased oil rings to that cause for which they gave their last drop of oil. That we here highly resolve that these seniors shall not have traveled in vain but shall have a new set of pistons and shall spend their time in Washington only.

.. The Honorable Ramon "Cup" Richards

Editorial...

Today the students of Olivet Nazarene College are celebrating and enjoying the 11th annual Tip-Off and all that goes into making a successful Tip-Off day. Besides bringing more concentrated interest to the campus than any other event during the year, Tip-Off is an occasion which stimulates, more than any other one thing, active school spirit.

This year there has been added to the Tip-Off program something which will someday undoubtedly be a well established O.N.C. tradition. Certainly, already we can see the positive effects it has had upon school spirit. I refer to the idea of a Tip-Off Queen.

In selecting a Tip-Off Queen we have been entirely democratic. The students nominated by secret ballot five eligible young ladies. The student body was directed by the student council to vote on the basis of scholarship, Christian living, and personality. The students are to be commended upon carrying out directions in so perfect a fashion. From the five nominees the students have again by secret ballot elected their queen.

Many have expressed their enthusiasm and intense interest as a result of the "queen" idea. In order that your appreciation be directed to the right person, I refer you to a gentleman on the campus, distinguished by his many contributions to the school spirit of O. N. C. — also President of the Senior Class, and President of the "O" Club—Don "Governor" Durick, who has been most instrumental in making the Tip-Off Queen event a reality this year.

Trojans Sweep Football, Softball Honors

Another softball season rang down its curtain on October 15 as the Trojans trounced the Indians, 7-3, to cinch the championship.

The champs were aided greatly by the hurling of Jim Mitchell and Lowell Oberlander, and the hitting of Bob Meyer, Sandy Noe, Cal Johnson, Don Keeling, and Dave Miller.

The Spartans, paced by "Ike" Durick, took second, one full game behind the Men of Troy. Don hit .440 in addition to winning four games on the hilllock.

SPORTS IN REVIEW

DOTS by Dave

Another annual homecoming game has come again to the campus of ONC and with it comes that traditional spirit of rivalry among players and fans alike for both the local "O" Club and the Alumni.

Unusual in the Alumni varsity this year will be Morris Chalfant, a returned missionary, and George Rose, who, at this writing, is scheduled for a furlough from the Army at this time.

It will seem strange to have last year's Olivet squad playing with the Alumni—fellows like Tom Pauley, Jack Nash, and George Rose . . . Coach Woodruff will have a wealth of material tonight, such stalwarts as six-footers Jim Farris, Lee McMurrin, Don Gollither, George Rose, Tom Pauley, Bill Krabill, and Don Wellman . . . And, brother, if you want to know why they're favored, look at this: the "O" Club has one six-footer, Forward Chuck McCullough.

In a recent "O" Club practice, Coach Cal Johnson made the remark, "I don't know what you guys would do without McCullough." . . . He'll be Olivet's hope tonight.

This column welcomes Don McLouth, Jay Arledge, Don Williamson, Jack Little, and Ron Thompson of the Trojans as new football "O" Clubbers; also Ray Morford, Floyd Kanipe, and Mo Hughes of the Indians, and Dean McAdams of the Spartans . . . New softball additions are Don Keeling, Bob Meyer, Jim Mitchell, and Sandy Noe of the Trojans, Dave Brown of the Spartans, and Gene Morgan of the Indians.

HATS OFF — Our bi-monthly salute this time goes to Professor Slagg for the fine way he has taken over as director of the Athletic Committee; he is a good football-softball pick, and has a new angle that gives the students a chance to voice their opinions.

Two weeks ago the "O" Club challenged an all-school team (depth: 40 men) to a football game, and much school spirit was experienced as the school team edged the "O" by a 7-0 count . . . Mo Hughes made the TD with big John Henderson converting . . .

from tonight with the Spartans, coached by Don Watson, facing the Indians, headed by Chuck McCullough . . . The next game won't be until December 5 when last year's undefeated Trojans, coached again by Cal Johnson, will tackle the Spartans . . . All three squads have been practicing every afternoon, and it looks like the Trojans once again; but don't shove out those Indians and Spartans, especially the former, who had 32 men at their initial practice.

This column couldn't go by without mentioning the fair sex. You know me. Well, anyhow, meet this year's Tip-Off cheerleaders: Eileen Williams, Joan Manning, Marcella Phillips, and Janice Powell, all freshmen; and Barbara Larsen and Lil Longman, sophomores . . . They've been practicing everyday in order to help us unite our cheers for our favorite team tonight; so let's give them our best support.

November is here and with it the basketball season, but before we look ahead let's glance back over the softball season. The girls played three rounds this fall, whereas usually they play two in the fall and two in the spring. "Hats off!" — to the Indian girls who came out on top with four wins against two losses, one of which was only a three-inning game. Second place honors go to the Trojans with three victories and three defeats. Last but not least, the Spartans came out with two wins and four losses. The girls' enthusiasm and spirit, plus some good playing ability, have made this one of the best softball seasons played at Olivet. Heading the list of batting averages is Norma Blochberger, an Indian, with .652. Hattie Lau, an Indian, and Violet Schoenwetter, a Trojan, tied for second with .647.

Now to return to the present. HELLO, ALUMNI — WELCOME TO TIP-OFF. Each year the "O" Club girls challenge the Alumni girls in a basketball game which precedes the boys' game. Tonight, November 14th, is THE night.

Coach of the Alumni girls is Marge Howe ('46). Marge has coached the Alumni girls before and while in school showed her ability and skill playing forward on the Spartan girls' basketball team. Other forwards will be Donita Von Seggen ('48), Donna Beatty ('49), Shirley Boggs ('51), and probably some of the other girls will play both guard and forward. Anyway, they're good players and will attempt to wear out the "O" Club guards. Other girls on the Alumni team include Geneva Sledd ('50), Mary Reitz ('50), Lois Smith ('47), Virginia Ritthaler ('51), Pearl Street ('52), Bernice (Shearer) Copeland ('52), and Lois Swanson ('52). Ritthaler, Sledd, and Copeland are strong guards. The Alumni girls will have a full team plus five substitutes and it looks as if they'll really be out to win tonight.

The "O" Club team has only eight members, but they'll be in there fighting! Their coaches are Don Watson, a sophomore, and Dr. Snowbarger. Dr. Snowbarger coached the "O" Club girls to a victory over their Alumni oppon-

ents last year. The team members include four seniors, Vera Hendricker, Spartan forward, Margaret Smith, Trojan guard, Martha Morris, Indian guard, and Lora Hiatt, Indian forward; two juniors, Jackie Spencer, Spartan forward, and Marilyn Starr, Spartan forward; two sophomores, Barbara Bell, Indian guard; and Shirley Strickler, Indian forward. The "O" Club girls cannot match their Alumni opponents' height, but they have been practicing and are probably in better shape physically.

At any rate, it ought to be a good game no matter what the outcome is; and of course this game opens the basketball season at Olivet. That means that society basketball will start on November 23rd, with the Indian and Spartan girls playing the first game. The girls in each society should begin practice as soon as possible. Those interested in playing basketball should make it known to Lora Hiatt, Indian girls' coach; Jackie Spencer, Spartan coach, or Margaret Smith, Trojan coach. Let's carry the same spirit and enthusiasm which was shown by the girls in softball over into basketball and make this the best season ever! If you can't participate in the game then cheer for your society; each team needs the support and encouragement of your interest and cheers.

Don't forget the game tonight—"O" CLUB v.s. ALUMNI. See you there!

Coach Woodruff To Pilot Alumni In Tonight's Bucket Battle Against "O"

One of the finest Alumni teams ever assembled will step on the Birchard Fieldhouse hardwood tonight in what should be one of the most thrilling Tip-Off games here at Olivet in the 11-year history of the Homecoming event.

Coach Bond Woodruff and his alumni committee have picked 12 of the best for the big game. Those men who constitute one of the strongest Alumni aggregations in Tip-Off history include the following:

CHUCK BEATTY (5' 11") — One of the five '51 grads on this year's squad, is presently in business in Ft. Wayne, Ind. He has successfully guided the Indians to victory while at Olivet; and this writer just saw him a few weeks ago, and he looks "ready" to go.

MORRIS CHALFANT (5' 10")—Morris, on furlough from the missionary field, will return to Olivet after a long absence, and naturally will strengthen Coach Woodruff's overall offense.

TOM CLENDENEN (5' 6") — Another '51 grad, and don't let that height fool you. He was last year's captain and is currently pastoring in Grover Hill, Ohio. He manages somehow to wrangle the keys away from the local high school gym, and, at last reports, is really in shape. Watch those sets!

DON GOLLIHER (6' 4") — Another '51 grad, big Don will be one of those many tall men that will tower over the "O" Club men. Currently teaching high school in Crescent City, Ill., the ex-Trojan ace will make a tremendous difference under the backboards.

JIM FARRIS (6') — One of the finest cage stars Olivet ever had, Jim will be one of the Seminary students taking off to visit his alma mater tonight. He lettered all four years in basketball while at ONC. He also graduated in '51.

BILL KRABILL (6' 1") — A 1950 grad, Bill will take off from his teaching duties at Clinton, Ill., to play tonight. A quiet fellow while in school, he really has poise on the hardcourt, and opponents have respect for his sets.

LEE McMURRIN (6' 3") — A 1952 grad, and a man that needs little introduction, the ex-Trojan, currently teaching school in Cincinnati, Ohio, will be one of the standouts for the Alumni. He's a big reason why the Alumni are favored tonight. You'll see this evening.

JACK NASH (5' 11") — Another '52 grad, and a former Trojan-Indian, Jack will definitely strengthen the team with his speed and scrap. He's also attending Seminary.

TOM PAULEY (6' 2") — Should we go on? Everybody knows Tommy. An excellent team player and hustler, one

of the leaders of last year's undefeated Trojan team, along with McMurrin and Rose. He also received his sheepskin last May, and immediately enrolled in the Seminary.

GEORGE ROSE (6' 2") — The only serviceman on the squad, big "George" will be counted on heavily to snare many a rebound and sink his famous jump shot tonight. He was second highest scorer last year as he led the undefeated Trojans.

DON WELLMAN (6' 3") — Another excellent rebounder, and please take it easy, Don! The "O" has only one man over six feet. Anyhow, Don, just resigned as minister of music at Portsmouth, Ohio, has enrolled in the Seminary, and he, too, will be dunking 'em in under.

TOM WOOD (5' 10") — An Indian, and graduate of '51, Tom will be one of those driving guards on which Coach Woodruff will also be counting in tonight's battle.

There you are, fans. One of the finest teams of athletes Tip-Off has ever seen will wear the Purple and Gold Alumni uniforms tonight, and is a definite favorite to break the Alumni six-year jinx.

"O" Club Will—

(Continued from Page 1)

"O" Club due to his deadly set shots and top-flight rebounding.

DAVE MILLER — Sophomore, from Columbus, Ohio. 5' 11"; 165 lbs. Trojan. Dave has lettered in softball twice and baseball in his freshman year. He also coached the Frosh team last year in the tourney.

WENDELL PARSONS — Sophomore, from Eureka, Ill. 5' 7"; 150 lbs. Indian. "Wendy," as he is commonly known, is one of the real hustlers on the "O" Club team, and his tight defensive work will be a real Olivet advantage. Big "O" lettered in track.

BOB SMALL — Junior, from Midland, Mich. 6'; 160 lbs. Spartan. Bob has lettered twice in softball, and will be one of the rebounding sparks in Coach Johnson's plans this evening.

CHUCK TAYLOR — Junior, from Toledo, Ohio. 5' 9"; 150 lbs. Spartan. "Ez" has lettered in baseball. His deadly set shots have been sparking in practice of late, and will aid offensive plans of the local lads.

BILL WINEGAR — Sophomore, from Hannibal, Mo. 5' 11"; 155 lbs. Bill received his "O" in track last spring, and will be a stronghold in the pivot battle which will dominate play in tonight's encounter.
