## "O" Club Defeats Alumni 77-71; Mitchell, Smith Score 45 Points

By Max Durbin

The "O" Club of Olivet College made it nine in a row by dropping the Alumni team 77-71 before a capacity crowd of 2,000 in the annual Tip-Off game November 12, at the Bradley gym.

In the preliminary girls' game the "O" Club came out ahead 31-24.

PLENTY OF ACTION—Jim Mitchell (24) of the "O" Club is trying to put one in at the Annual Tip-Off contest on Nov. 12.

Even though the chances looked good for the Alumni this year, the determined "O" Club came out on top to capture their ninth victory out of 13 battles since 1942. The Alumni squad hasn't won a game since 1945 when they had previously won the first four games.

The "O" Club didn't win the game easily by any means, as the score was never more than nine points apart. That nine point lead was held by the "O" Club but was soon broken by three foul shots and a field goal by the Alumni.

Jim Mitchell, high man for the "O" Club with 23 points, and Jim Smith, with 22 markers, proved to be the spark for Olivet's five.

Big Chuck McCullough of the Alumni was the top scorer for the evening with 24 points. Moe Hughes, Alumni center, scored 18 points.

It was evident that the main factor for the "O" Club victory was due to the fact of more practice and better conditioning.

Coach Elmore Vail had Olivet's team well trained which proved an asset for the victory.

Even though the Alumni went down in defeat they turned in a splendid performance. Dr. Bond Woodruff, coach of the Alumni five, almost pulled his team through to victory.

The biggest thrill of the game came in the last seconds of play when Chuck Taylor pumped in a long shot from the middle of the floor.

Starting lineups:

Alumni		"O" Club
McCullough	F	Mitchell
Miller	F	Fischer
Hughes	C	Squires
Pauley	G	Parsons
Taylor	G	Smith

## Christmas Party Planned For Dec. 11

The annual all-school Christmas party, sponsored by the Student Council, will be held December 11, in Small's Civic Auditorium in Kankakee.

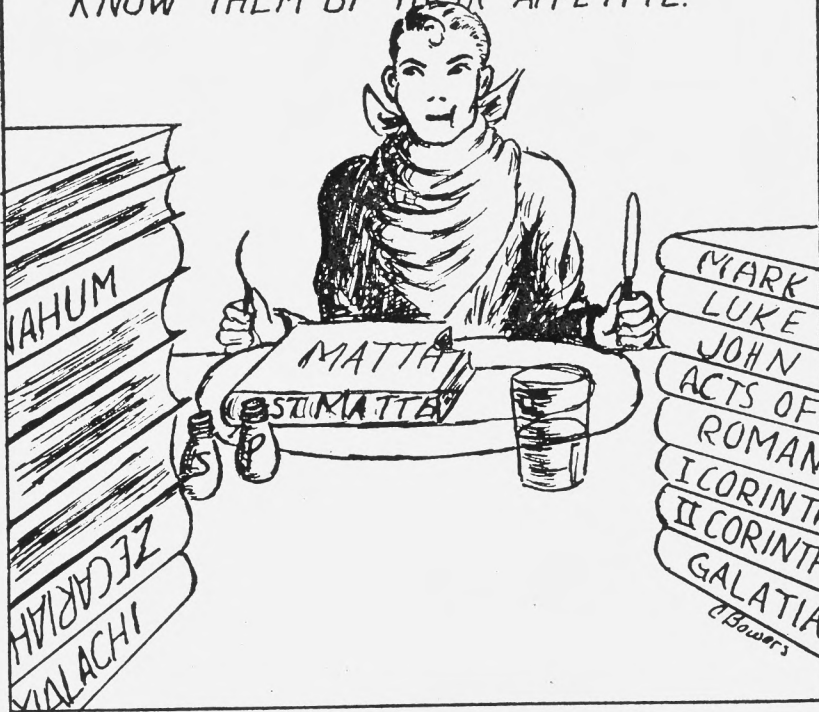

Chuck Hasselbring has been appointed chairman for this event.

In charge of decorations for the party are Pat McGuire and Gene Phillips. Mary Birchard is planning the refreshments and Hasselbring is preparing a musical program for the evening.

## SPIRITUAL FOOD

By Chuck Bowers

"BLESSED ARE THEY THAT FEAST ON THE WORD OF GOD, YE SHALL KNOW THEM BY THEIR APPETITE."

## Lyceum Presents Symphony Orchestra

The University of Illinois Symphony Orchestra, composed of 80 students, will play December 3, at 8 p.m. in the Kankakee High School Auditorium as another lyceum program under the auspices of the Student Council.

Members of the University of Illinois student symphony orchestra come from throughout Illinois and from 11 other states. Most of the student musicians are enrolled in the School of Music or in the Graduate College, specializing in music.

First violinist and concertmistress for this program will be Miss Derry Deane of Detroit, Michigan, who holds a University of Illinois Fellowship in violin.

Three-quarters of the University of Illinois' famed Walden Quartet will appear in the concert.

### Goodman Is Conductor

Conducting the orchestra will be Prof. Bernard Goodman, one of the Quartet's two violinists.

The concert by the University of Illinois student symphony orchestra will include Overture to "The Marriage of Figaro" by Mozart; Concerto for Violin, Violoncello and Orchestra, Op. 102 (Double Concerto) by Brahms, and Brahms' Symphony No. 1 in C minor, Op. 68.

Soloists will be Prof. Homer Schmitt, violin, and Prof. Robert Swenson, cello. Both are members of the Walden Quartet of the University of Illinois and of the School of Music faculty.

## Xmas Project Is Benefit Banquet

An all-Olivet Christmas Benefit Banquet is scheduled for Tuesday December 7, at 5:30 P.M. in Miller Dining Hall. The proceeds of the banquet will go to the Christmas Food-Basket Project.

The banquet tickets, now on sale at various cotes on campus, are available for purchase at \$1.50 per person. One dollar of the total cost of the ticket may be paid through cafeteria meal-tickets. The sale on tickets will extend to December 1, unless the quota is reached before this date.

The banquet may be attended by couples or singles. Corsages are optional. The affair will be semi-formal (dress-up).

### Musical Program Planned

Featured on the program will be the Orpheus Choir, the Olivetians, Danny Liddell, the King's Heralders, and others. In addition to the formal program, there will be audience participation, such as community singing of Christmas carols, etc.

The Food-Basket Project has three major objectives:

## Dismiss School At 12:20 Today

Olivet College's student body will be dismissed from classes today at 12:20 p.m. for the Thanksgiving vacation, and classes will not resume until next Monday at 12:30 p.m.

Most of the faculty and staff members will spend the holiday season here at their Olivet homes.

The student body this year comes from 24 states of the Union, five countries, and one United States Territory.

## "Messiah" To Be Presented Dec. 12

Olivet Nazarene College will sponsor its 19th annual performance of Handel's "Messiah" on Sunday, December 12 when the Orpheus and Apollo Choirs, numbering 120 voices, will appear in two performances at the First Methodist Church in Kankakee at 3 and 8 p.m.

The concert will be under the direction of Walter B. Larsen, Chairman of the Division of Fine Arts at Olivet.

Phyllis Murphy, who this past summer in Massachusetts had the leading role in the premier performance of a new opera by Aaron Copland, will be soprano soloist. Mr. Copland, producer of the famous Tanglewood, was so impressed by Miss Murphy's voice that he wrote an extra score for her.

Professor Naomi Larsen and Professor Daniel Liddell, both having appeared as soloists in previous years, will be presented as contralto and tenor, respectively.

Due to popular demand, Bruce Foote is being presented for the second consecutive year as bass soloist. Mr. Foote has been heard on WGN's Chicago Theatre of the Air, as well as on many other radio and television musical programs.

Accompanying the choir will be Professor Kenneth Bade, the organist, and also a string quartet.

1. To provide an opportunity to needy families for obtaining a supply of food and gifts during the Christmas season.

2. To open the way to winning souls to Christ Jesus.

3. To spread the Christian purpose throughout Kankakee and influence better community relations between Olivet and the surrounding populace.

## Firms Loan Vehicles; Flowers Are Donated

Various farmers, implement, and lumber companies in this vicinity and surrounding areas loaned their wagons and trucks to different clubs and organizations of Olivet for the annual Tip-Off parade.

They were the International Harvester, the Security Lumber Company, the Alexander Lumber Company, Allis Chalmers of Manteno, Victor Frazer, H. A. Hartman, and others.

### Florists Give Aid

Several florists in the Kankakee area donated flowers for the parade and the Queen and her court.

Bouquets were donated by Flowers By Percy for the Queen's float and by Splear Brothers Green House for the Queen and her court at the Tip-Off game. Palms were placed beside the Queen and her court at the crowning. These were contributed by Faber Floral Co.

When the five ladies of the court were announced in chapel, the Art Floral Shop presented them with corsages. Mums were also given to the Queen and her court during chapel the day of the Tip-Off as compliments of the English Guild.

Editor's note: A word of appreciation is extended to these and to all who contributed their efforts to make the 1954-55 Tip-Off a success.

# Giving Thanks

By Stan Sirota

If the above inversion of a solemn American holiday could only serve as a conversion to the true spiritual meaning of Thanksgiving Day, it might help to make this old world a better place in which to live.

Ever since 1621, after the first harvest of the New England colonists, when Governor Bradford proclaimed a day of thanksgiving and prayer, we seem to have gradually digressed from the solemn and lofty ideals of that beautiful day to a point where we have now almost turned it over entirely to gourmanderie with all the honors showered on a luscious turkey gobbler! Yet, Webster does not even mention this famous bird in his definition of Thanksgiving Day: "A day set apart for public acknowledgement of Divine goodness and mercies."

Yes, this solemn custom of "counting our blessings" dates farther back than New England's 1621—The Holy Writ relates how Noah built an altar to the Almighty and thereon offered of every clean beast and every clean fowl burnt offerings unto the Lord in thanksgiving for His deliverance from the flood.

"Counting our blessings!" Does not God bless us all with much that we cannot "see?" Even the much afflicted Job stood with fortitude and faith in giving thanks for his blessings.

While it should be a day of rejoicing, why can't we retain a little more of that pure Christian spirit of our early New England settlers? Their tribulations also were many in establishing this world in the wilderness, yet, the wild turkey was not "the king of the feast."

How many of us even recite grace on this day of thanks? Let's "count our blessings" and make every day a day of thanksgiving.

It was Shakespeare who wrote: "God is the source of grace; when our grace we have forgot, nothing goes right." Yes, rejoice on Thanksgiving Day—but rejoice in Him.

## Fine Arts Float Wins First Place

The Fine Arts Department of Goodwin Hall won first prize for its float in the Tip-Off parade. Second and third prizes were won by the junior and senior classes, respectively.

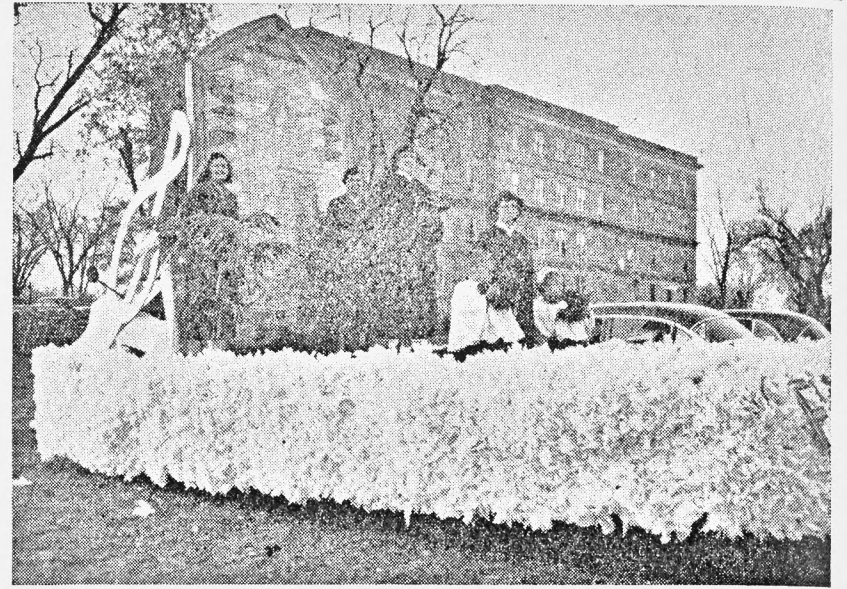

Fourteen Olivet clubs and organizations entered floats in competition for prizes in the second annual homecoming parade on November 12.

Those entering floats besides those already mentioned were: W.R.A., sophomore class, Student Missionary Band, Future Teachers of America, Commerce Club, Science Club, Ministerial Fellowship, Chi Sigma Rho, Glimmerglass, all sports societies combined, and Student Prayer Band.

Those receiving honorable mention were: F.T.A., Student Prayer Band, and the Science Club.

The entries were judged on the basis of originality, quality of workmanship, and how well the theme "Serving Our Day" was carried out.

Judges for the contest were: Professor Harvey Collins, Donald Starr, alumnus, and Howard McCracken.

WINNING FLOAT—The first place honor for the best float in the 1954 Tip-Off parade went to the Fine Arts Department. Pictured on the float are several Olivet students and little Wanda Carol Donson.

## Students Take Part In Mock Election

By Dave Elwood

On November 1, 261 Olivetians took part in a mock senatorial election. The polling place was a table set up in the foyer of Burke Hall from 10:15 a.m. till 3:00 p.m. The candidates of three states, Illinois, Ohio, and Michigan, were voted on.

Douglas Wins

In Illinois, the Democratic incumbent Paul Douglas received 60% of the votes cast while his Republican opponent, Joseph Meek, received 40%. In the actual State contest, Douglas again won over Meek, although the percentage difference was not this great.

The Ohio race found Bender, Republican, receiving 58% of the votes cast to Democrat Thomas Burke's 42%. Bender also won in the actual race on November 2. But his percentage margin was very small. The totals were about 1,255,000 to 1,245,000.

Olivetians, as predictors, didn't do as well in the Michigan race. They gave Republican incumbent Homer Ferguson 77% of their votes and Democratic Patrick McNamara 23%. McNamara won in the actual State election.

Fifteen of the 261 ballots cast were incorrectly marked.

carpenter. After two weeks of work he was given the job of custodian which he still holds.

Several Duties

Supervising the cleaning of the administration building, chemistry building, grade school, speech annex and Goodwin Hall, is a job in itself. In addition to all of this Wes drives to Chicago and other places picking up and delivering articles for the school.

Every time a motorcade comes to campus it is Wes' duty to arrange sleeping quarters for 100-300 visitors. One time this year in preparation for a motorcade he set up cots in different places on the campus for 125 guests. When the motorcade arrived there were only 45 in attendance. Thus it was Wes' job to take down all the work he had done.

This is only one of many examples that could be cited to show the many headaches of his responsibilities.

His job is a big one and carries with it little prestige and thanks. Hats off to a hard and efficient worker, one who seeks not the praise of men but only to serve in an unassuming capacity.

## Girls Keep Busy In Twirp Week

Even though the traditional Twirp Party wasn't held this year, the Olivet women found several other events through which to entertain their "twirps."

Tuesday night was "date night" at Student Prayer Band. The WRA sponsored a Spaghetti Dinner for the girls and their men friends on Wednesday evening.

During the social hour on Thursday night, comedy films were presented in room 303. Friday night was the opening of the basketball season.

Soulima Stravinsky, concert pianist and lyceum presentation, ended the Twirp Week affair at the Kankakee High School Auditorium Saturday night.

## Eight Join College Church

Eight people were recently taken into membership at the Olivet College Church of the Nazarene.

They are: Dr. and Mrs. C. J. Bushy, Olivet's new professor in biological sciences, and wife; Mr. and Mrs. Marvin Drake, and four teenagers; Carol and Gene Davidson, Darrel Grothaus and Charles Nichols.

There will be another reception of members soon; any wishing to join the College Church should contact Rev. L. Guy Nees.

## Dean Names Honor Students

There were 55 Olivet College students who made the Dean's List for the first nine weeks of school. In order to make the Dean's list a student must have a 3.35 average or above and must be carrying at least six semester hours.

Included were 18 freshmen, 14 sophomores, 13 juniors, five seniors, two unclassified, and three post-graduate students.

4.00 Point Students

Three students had four-point averages. They were Ruby Collins, post-graduate; Paul Meyer, sophomore; Bruce Phillips, junior.

Those receiving an average of 3.85 or more were Margaret Beiner, freshman; Louise Fallis, sophomore; and Jane Myers, freshman.

There were several students making an average of 3.35 up to 3.85. They are:

**Freshmen**—Marlene Bean, Kathryn Beegle, Deloris Bryan, Marcella Clark, Mollie Cook, Jerry Rutridge, Dorothy Estelle, Geraldine Foster, Anita Garrett, Thomas Hill, Rebekah Holstein, Bill Isaacs, Gwendolyn Johnson, Marian Minor, June Ralph, and John Sloan.

WES BENTLEY

## Man Of The Month

By Carol Lockwood

If you want something fixed, something gotten, or mostly any other thing, who does everyone refer you to? — Wes Bentley. Being custodian of Olivet is not an easy job for the responsibility of it truly is great.

Early Life

Wesley Edward Bentley was born in Stillwater, New York, but at the age of five his folks moved to Springfield, Massachusetts, where he started school and stayed long enough to graduate.

Always greeting you with a smile behind the cashier's window is Grace Bentley, Wes' wife. She has worked in that position for the past three years. The Bentleys are the proud parents of two children: Sarah, 14, and Wesley, Jr., 10.

Served In Armed Forces

Before coming to Olivet in 1950, Wes served in the armed forces for one year. He plans to graduate in May with a major in theology.

When he first came to Olivet he got a job working for the school

In the

SPOTLIGHT

BY HARRY ROMERIL

Prayer is a vital part of the Christian's life. When there is a breakdown in prayer there is an accompanying breakdown in the spiritual life. A well-known writer said, "The reason why modern Christians have so much difficulty is due to the fact that they are Christians in theory but not in practice." Prayer is a practice that must be maintained in the Christian's walk with God.

I have often thought that if Jesus had to pray, certainly I have need of prayer. But many today tell us that life is so fast and complex that there is little time for an earnest prayer life; that there are too many demands upon us to meet adequately all of our needs intellectually, physically, and spiritually.

Someone has said, "The man that is too busy to pray is too busy." If we find that we are not having the time for prayer that we should have, we should discipline our life so that there are some moments during the day when we can meet God in prayer. Also there was no one who had more demands upon their life than Jesus and yet He still had time for prayer.

Why Prayer Is Vital

If prayer is vital, then we ought to know why. It should bring practical results and I believe it does. Prayer soothes the mind in difficult situations. Any Christian psychologist will tell you that prayer is a wonderful therapeutic by which many emotional conflicts can be released.

Not only does it soothe the mind, but it gives us real power to see life through. Prayer is a channel by which we can tap resources of power which are greater than the powers that are within ourselves.

Prayer Conditions

Finally, prayer conditions us for life. That is, it can give us proper mental attitudes that are necessary in our relationships to God and to our fellowmen.

On our campus there are many demands that consume our time. To be sure, we don't have the time for prayer that an average individual has outside of school, but still we must meet the demands of our spiritual life.

## THANKSGIVING

The autumn leaves have turned to gold,  
The grass is turning brown;  
Summer's sun through the window shines,  
Its rays come beaming down.

October with its howling ghosts,  
The nights so spooky pass;  
The big round pumpkin lit so bright,  
Is dimmed now in the past.

November now is here we know,  
With its freezing winds;  
To chill the very beauty there,  
Which Mother Nature sends.

Thanksgiving comes but once a year,  
And thanks to God we give,  
For numerous blessings we receive,  
Each day that we live.

Our thanks we sometimes give to God,  
Without sincerity;  
Its emphasis but once a year,  
Though every day should be.

Let every day Thanksgiving be,  
And let us all then sing—  
To our great, magnificent King,  
So let our praises ring.

—By Marcia Schneider.

# Musical Notes

BY DARLENE BARKER

One of the greatest improvements in the Tip-Off parade and half-time program this year was the appearance of Olivet's band. Many fine compliments have been received expressing the common opinion that the band really looked "sharp" throughout the activities of the day. Words of appreciation are certainly in store for Director Carl Bangs and for each member of the band.

## Uniforms Needed

Uniforms played a large part in the improvement. A worthy goal toward which to strive is that of purchasing permanent band uniforms. We are looking forward to the time when this goal will be accomplished.

## Band Members

Personnel of the band, which is rated as best in Olivet's history, is as follows: **Flute and Piccolo**—Carolyn Holland, Patricia Pinner, Faye Seiffert; **Oboe**—Gwen Johnson; **Clarinet**—Robert Covert, Gene Cline, Marvin Hoffert, Frank Hallum, Dorothy Christenson, Wayne Frankhauser; **Saxophone**—Glenna Nance, Myrna York, Max Durbin, Rosella Scott; **Trumpet**—Jerry Parker, Marilee Brown, Horace Rishel, James Hendley, Lynn VanAken, Pauline Morris, Howard Taylor; **Horn**—John Deal; **Trombone**—John Neff, John Milburn, Rose Mary Stephens, Gene Erickson, Richard North; **Baritone**—Jerry Snowden, Craig Hartberg, James Crook; **Bass**—Ralph Fisher, Clifford Rife; **Percussion**—Plynn Pennock, Ronald Smith, Evelyn Holland, Robert Brown.

## Through the Keyhole

BY MAXINE DAWSON

Twirp Week is over, vacation time is here. In the midst of all the packing I found my typewriter and, with a few little items picked up from my trusty "keyhole," I sat myself down to let you in on them.

Prof. "crewcut" Bangs went right along with the fellows when they rolled up their pant legs and donned the long socks. One day in class he borrowed a hat, rolled up his pant legs and proceeded with the class. While on the subject, I understand in philosophy class Bangs read from one of the greatest of the philosophers, "POGO."

**Soph Prexy Snoozes**

Gene, perhaps if you talked to the Prof you could work out a system to have him wake you up. It seems Gene Phillips went to sleep in psychology class one day, the bell rang, the class left, and still Gene slumbered on.

Gene says from now on he's going to carry an alarm clock to class with him, just in case, you know.

Sandra Ide has something new in the way of shoes. On a weekend trip she left her dress shoes in the back of a car and, as a result, she had to wear her bedroom slippers to a wedding. Who knows, Sandy, you may have started a new fad!
