MARILYN BOWERS REIGNS AS 50TH ANNIVERSARY HOMECOMING QUEEN

Second Annual "Tip-Off" Concert Friday Evening

PROF. DANIEL LIDDELL and REV. WALTER HUBBARD, "Melody Men of 48"

The second annual "Tip-Off" Concert tonight will be a time of reminiscing for many students and alumni. Several musical teams of former years will return to perform at College Church at 7:30. The program will be one of variety including classical, sacred, and secular.

Some of the quartets that will be featured are: the "Orpheus Quartet" of '48—Gerald Moore, Walter Hubbard, Ray Dafoe and Daniel Liddell; the "Viking Quartet" of '50—Ed Mattax, Bill Legee, Kurt Brady and Dick Neiderhiser. Tentative plans are being made for the Apollo Quartet of '41 and the Orpheus Quartet of '43. In instances where only three of a quartet can return, a substitute will be made.

The only returning trio is the "Carolaires" of '56—Nancie Davis, Marilyn Johnson and Della Anthony Mitchell. Walter Hubbard will join Daniel Liddell, reuniting the "Melody Men" of '48. Vivian Buettner Welsh, soprano, and Gerald Moore, bass-baritone, will bring a group of duets. Miss Jewell Flaughner and Mary Knisley combine for a violin duet.

Tentative plans include solos by the following: Dorris Moore Campbell, piano; Ray Moore, Baritone; Margaret Albert, contralto; Gerald Moore, bass-baritone; and Gerald Greenlee, baritone.

Orpheus Choir will be singing the finale to the concert. Just before the last two numbers, "A Mighty Fortress Is Our God" and the "Lutkin Choral Blessing," all former Orpheus members who are present in the audience will be invited to join the choir in singing these closing numbers.

HOMECOMING FOOTBALL GAME

The second annual "Tip-Off" Football Game will be played this afternoon.

To Be Featured In "Tip-Off" Parade

Elected to represent Olivet as the 1957 "Tip Off" Queen is Marilyn Bowers (center). Serving with her during her reign at tomorrow night's basketball game between the "O" Club Men and the Alumni Men will be (from left to right) Top row—June Woods, Joy Wilde; bottom row—Jeanette Hanson, Joyce Mangum.

Queen To Be Crowned Saturday Night

Mrs. Marilyn Bowers, daughter of Mr. and Mrs. Gordon Keeler of Columbus, Ohio, has been elected homecoming queen of Olivet Nazarene College. Mrs. Bowers was elected by popular vote of the student body from the junior and senior girls of the college.

A senior, majoring in Music Education, Marilyn has been active in college affairs having served as president of the W. R. A. and of the Organ Guild. She has been a member of Orpheus Choir, F.T.A. Science Club, Student Council and the Honor Society. She was a

member of the Tip-Off Queen's Court last year.

With her court attendants, Marilyn will reign over the weekend homecoming festivities and will be featured on a float in the annual homecoming parade. She will be crowned during the festivities of Saturday evening by Mrs. Eugene Foiles of Springfield, Ohio, last year's Tip-Off queen.

Serving her as attendants are: Jeanette Hanson, senior majoring

in elementary education, daughter of Mr. and Mrs. John Hanson of Elyria, Ohio; Joyce Mangum, junior majoring in religious education, daughter of Mr. and Mrs. Eli Mangum of Louisville, Kentucky; Joy Wilde, senior majoring in elementary education, daughter of Mr. and Mrs. Richard Wilde of Coshocton, Ohio; and June Woods, senior majoring in elementary education, daughter of Mr. and Mrs. Egbert Woods of Columbus, Ohio.

Parrott To Speak Sunday Morning

DR. A. L. PARROTT

Co-operating with the Olivet Alumni Association and under the guidance of Rev. Forrest Nash, the College Church of the Nazarene has arranged for Dr. A. L. Parrott, former president of O. N. C., to preside at the Tip-Off Sunday morning service November 10, 1957. This marks the first time in Olivet's Homecoming history that this occasion has turned into a three day event, with emphasis being placed on the Sabbath Day also.

Since this date is also Veteran's Day, special recognition will be paid to the servicemen who have served or who are now serving in the armed forces. Speaking in behalf of them will be Dr. R. Wayne Gardner, professor of Mathematics at Olivet Nazarene College.

Orpheus Choir, under the direction of Mrs. Naomi R. Larsen, Acting Chairman of the Division of Fine Arts, will present a selection entitled, "Holy Spirit, Come, Oh Come," by Martin.

Floats On Parade

The annual "Tip-Off" parade will leave the college at 1:30 p.m. on Saturday to tour downtown Bourbonnais, Bradley, and Kankakee. The parade is to be lined up on the track by 12:30 at which time the float judging will take place. All of the judges are members of the Kankakee Civic Art Club. They include Mr. Anker Wunderlick, Mrs. A. N. Hayes, and Mr. Anker Jense.

There will be three prizes awarded on the basis of originality, beauty and workmanship, and best representation of the theme, which is "Fifty Years' Progress." The Student Council is sponsoring the cash award of \$15. each.

Float winners will be presented with ribbons to distinguish them in the parade. The cash awards will be given at the half-time activities of the "Tip-Off" game.

The Editors Views . . .

Today many former Olivetians have returned to their Alma Mater for the 16th annual Homecoming "Tip-Off." We, the students welcome you as together we celebrate "Tip - Off," the climaxing event to the Golden Anniversary year's activities.

You alumni members will note changes in Olivet. The interior of several of her buildings has been greatly improved during the past year. In Burke Administration Building a complete remodeling-redecorating job has been done in all of the first floor offices and in the halls. The Universe, student lounge located in the basement of Chapman Hall, has been attractively decorated in collegiate style.

Be sure to notice the Public Relations Office, a new addition this year, which is shared by J. Harlan

the college, in charge of finances; R. L. Lunsford, director of the Olivet News Service Bureau; and John W. Swearingen, field secretary. This office is doing much to publicize and promote Olivet both to our Nazarene Church and to the general public.

As you are observing the changes, we trust that you shall still sense the spirit of devotion to God, service to the Church, and loyalty to Olivet among our present student body, as it prevailed while you sat in those classrooms.

We are proud of our alumni's accomplishments in the various fields of endeavor and with God's help anticipate joining in proving to the world that "Education with a Christian Purpose," is worthwhile and necessary.

Know Your Generals

R. T. Williams

by REX EATON

It has been said "they being dead yet speak." How often have you heard names mentioned of those who have long ago left this world? Such names as Bresee, Miller, Williams, Chalfant and — J. B. CHAPMAN! There are lives that, being gone, live on. Such is the case of James B. Chapman. He is one of those that you keep on hearing about as you go from place to place in the Church of the Nazarene.

His was a noble life for he lived both fully and devotedly—fully as he was known for his passion for souls and devotedly as he was for God and the Church.

It was a shock to the Church of the Nazarene and the church world in general as the word was passed along of his death that came as he slept on July 30, 1947, at his home near Vicksburg, Michigan, where he and his wife were taking a rest they had needed so long.

Dr. Chapman was and still is hailed as an outstanding preacher and leader. He became a preacher while just a boy and before he died his gospel message blessed thousands of people. His sermonettes were printed weekly on the *Herald of Holiness'* front page and

was considered by many as the outstanding item in the periodical. Dr. Perry of Olivet has commented that Dr. Chapman had a good supply of sermonettes prepared for the future at the time of his passing.

Dr. Chapman's name and influence will not turn color and pass away as the paper leaves of a periodical or as a "tale that is told." His life is one of those that will just continue to be passed on and relived in new lives. The *Herald of Holiness* commented at Dr. Chapman's passing that "His voice now is silent, but his influence will continue on."

The passing of Dr. Chapman left the *Preacher's Magazine* without an editor. Some questioned its continuance. Dr. Shelby Corlett, then managing editor wrote in the next issue: "We have on hand enough editorials from the pen of Dr. Chapman for one or two more issues. Then the managing editor will accept the full editorial responsibility." The *Preacher's Magazine* is alive today through "being dead, Dr. Chapman still speaks." May we become more aware that what we do and live will not pass with the body—if it is done completely in God!

Dean Announces Change In Honors

In April last year the faculty of Olivet Nazarene College met and voted in favor of the following decision concerning transfer students:

"In case a student has taken part of his college work at another institution or institutions, his grade point average will be calculated on the basis of the total work taken toward the degrees; and on the basis of work done at Olivet Nazarene College. Whichever average is lower will be used as the basis for honors. In any case, the last 60 hours of work must be taken at Olivet if one is to qualify for honors."

The purpose of this decision is to insure that the transfer student does not gain an average over the student who has taken all of his work here, in competition of honors. Previously, only work taken at Olivet was counted in figuring grade averages, giving the transfer student a necessary advantage.

At the same faculty meeting the following changes were made in the required averages for graduation honors:

- cum laude 3.3
- magna cum laude 3.6
- summa cum laude 3.85 (no change.)

The above changes were made after a study of 15 colleges similar to Olivet revealed that too great a percentage of ONC graduates receive honors. The change will not go into effect until 1959; it will not affect the 1958 graduating class.

Nov. 21 Marks First In Concert Series

The first in a series of four concerts sponsored by the Civic Music Association of Kankakee will be presented Thursday, November 21, at 8:00 p.m. Robert Mueller, pianist, will be the featured soloist in the Kankakee High School auditorium. Only season-ticket holders will be admitted at the concerts.

From The Pastor's Study

by Rev. Forrest Nash

TO SERVE THE PRESENT AGE

The old grads of yesterday find their paths converging back to O. N. C. and Tip-Off. And with this celebration which brings back fond memories there inevitably comes to mind the question, "Are the days at Olivet what they used to be? Are spiritual priorities held sacred as they were in the yesterdays?" Time has a way of minimizing the problems and perils of the past and glorifying only the high and holy of those former times. And even though it is good that this is the case, the results are unrealistic. For there is no power in sentimental reverence alone.

Eternal virtue and spiritual values are realized in any generation when that generation dares to pioneer its pathway to the Living Spring. Every generation must

have its own encounter with God in Christ; every generation in the Church of the Nazarene must know its own experience of "fullness" and "power." If we would really praise the spirituality of the past, let us be realistic and honest enough to tarry before the same throne of grace as did those who possessed that spirituality.

Some of the most noble words of a past life have been uttered at funerals. And we in our day can praise the good of the past and bury it at the same time. Determination and direction must go with praise.

Tomorrow will look on us as we look back on them.

So let us with the God-fearing of every generation "tarry" until we have the power which comes from on high.

Your President Speaks

by JIM BEDSWORTH

It looks as if Tip-Off is here and promises to be an exciting and outstanding occasion of the year. I am anticipating a bigger and better parade than ever before. This will be the fifth year of the Tip-Off Parade, and each year it has grown in quantity as well as in quality. The parade is something that Kankakeeland evidently looks forward to judging by the turnout each year to watch. By the parade Olivet shows the "old college spirit" to the town.

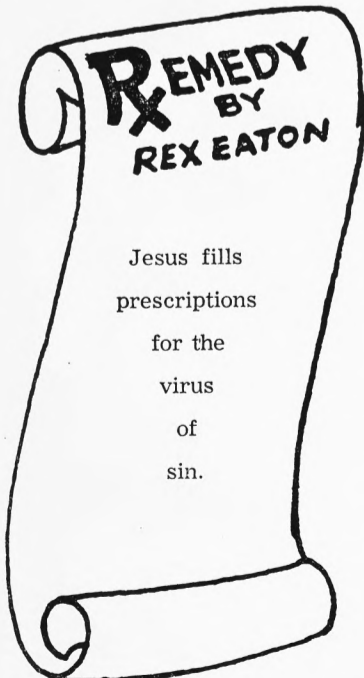

Tip-Off Parades are much more than what is seen in the floats. What we see going down the street as a float might give us an idea of the amount of hard work that went into it, but work is not the only factor. Only the people who do the actual work on these floats see the real story.

Behind the scenes we see individ-

uals of many talents and gifts—organizing, working with others, planning and foresight, not minding hard work, and being able to overcome unforeseen difficulties. The ideal float chairman will embody all of these characteristics, and maybe some others. Tip-Off floats give many individuals opportunity to show these abilities.

The discouraging part about Tip-Off floats is that a few usually do the biggest part of the work; the encouraging thing is that some receive invaluable experience that could not be received any other place.

There have been many hours of planning and work going into the success of this Tip-Off. I personally would like to thank everyone that had a part in the plans for this Homecoming.

Faculty and Student Council Elect 14 Seniors To 1958 "Who's Who"

Chosen For Contributions

Fourteen members of the 1957-58 senior class of Olivet Nazarene College have recently been elected to appear in "Who's Who Among Students in American Colleges and Universities." These seniors were chosen as the students who have made the most outstanding contributions, while maintaining a high scholastic average at Olivet.

Who's Who members were elected jointly by a faculty committee and upperclassmen of the Student Council.

Those elected are:

Charles Beatty: Chuck was a member of the Honor Society for two years and the Commerce Club for three years of which he was vice-president for one year. He is the Student Body treasurer this year.

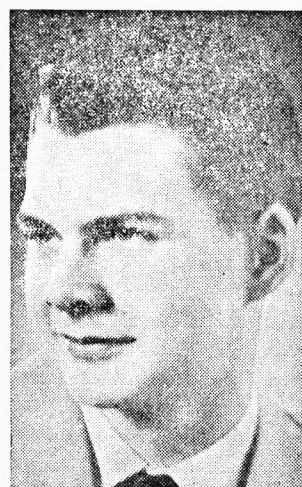

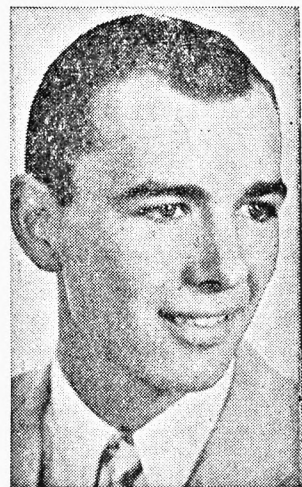

James Bedsworth: Jim is this year's president of the Associated Student Body and has served as a Student Council Representative for one year, MDA representative for one year, and treasurer of Student Prayer Band for one year. He was a member of the Commerce Club for four years, Psychology Club one year, and has served on the Glimmerglass staff this year. He was also a class president.

Frank Bowers: Frank has been a member of the Student Council for three years, the Science Club for three years, the Honor Society for two and one-half years—president one year, and was vice president of the Spartan Society. He has served as class president for one year, class vice-president for one year, and has received the junior and senior assistantships in chemistry and the \$500 Greene Scholarship. Frank is a pre-medical major.

Marilyn Bowers: Marilyn has been a member of student Council for one year, the Organ Guild for two years—treasurer for one year, the Science Club for one year, the Orpheus Choir for two years, and a trio for two years. She was president of WRA last year and an attendant in the 1956 "Tip-Off" Queen's Court.

Deloris Bryan: Deloris is a member of the Honor Society and a member of the Platonian Philosophical Society.

Donald Duff: Don was a member of the Commerce Club for four years—president one year, member of the MDA for three years, and was chairman of the Mock Political Rally in 1956. He was treasurer of the Science Club one year, college representative for the Aurora, and served on the Glimmerglass staff as advertising man-

Monday, October 28, a group of students met after chapel to reorganize the Music Educators Club. Prof. Harlow Hopkins, the sponsor, presided in the election of officers.

The president for this year is Ray Morrison. Ron Angles is vice-president. Zan Hawkins was selected secretary-treasurer, and Eileen Williams was elected program chairman.

The community choirs of the Kankakee area have begun rehearsing with Orpheus and Apollo choirs for the annual presentation of Handel's "Messiah." Three performances will be given—Friday evening, December 6 and Sunday afternoon and evening, December 8.

November 14, Olivet's music department is furnishing music for the Rotary Banquet in Kankakee. Those participating will be Prof. Daniel Liddell and the Treble Tone Trio.

The chapel service Friday, November 1, was presented by Olivet Symphony under the direction of Prof. Harlow Hopkins. Some selections were: Greig's "Peer Gynt Suite"; Wagner's "March of the

Updike Begins Lecture Series November 15

On Monday, November 11, Dr. Paul Updike will begin a five day lecture series in the field of religious practices here at Olivet. These lectures will be presented at 10:30 and 1:30 daily in the Kelly Prayer Chapel. In addition to the series, Dr. Updike will be speaking in chapel several days.

Dr. Updike holds many prominent positions at the present time in the Church of the Nazarene: District Superintendent of the Northeast Indiana District, Chairman of the Board of Trustees of Olivet Nazarene College, Chairman of the General Board of the Church of the Nazarene.

North Winchester College was the site of Dr. Updike's undergraduate studies and the University of Chicago the site of his post-graduate work.

This lecture series, sponsored by the Division of Religion and Philosophy, presented especially for ministerial students, but the public is welcome to attend.

A Foreign Student's Task

(ACP)—Besides study, what must you do if you are a foreign student in an American university? The ROCKY MOUNTAIN COLLEGIAN at Colorado State university reviewed the foreign student's red tape responsibilities.

*Gain admittance to a college—and the foreign student's applications are much more detailed than the ones local students are given. Source of income is given great consideration.

*Once accepted by a school, the student must go to the American embassy in his country to apply for a visa. Again, requirements are strict, and the visa generally states "student status."

*Pay for transportation here. (Sometimes a government or organization takes care of this.)

*Go through customs at the border. Get an entry permit (if visa and passport are in order).

*Get money exchanged.

*After registering at school, see that a report so stating is sent to the nearest immigration office.

*Report address to nearest post office. Do so every month—even

if your address has not changed.

Float Line-Up

The following list is the line-up for the Tip-Off Parade.

All floats are to take their place on the track around the football field by 12:30 P. M. Saturday.

Judging will take place at 12:40 P. M. The parade will start at 1:30 P. M. sharp.

OLIVET PLANS EUROPEAN TOUR Looking for Leaders

by DONNA LARRANCE

Prof. Carl Bangs announces the planning of a 60-day "Olivet European Study Tour." The tour is to begin June 3, 1957 with departure from New York and will end August 2, 1957 with arrival back in New York.

The trip is intended primarily as an introduction to Europe and will include standard items of interest such as historical sites and museums. Emphasis will also be placed on contemporary Europe, and instruction and activities are being provided which will help the tour members to understand present-day problems and achievements in industry, government, scholarship, religion, and the arts. An effort is being made to arrange for housing in private homes and for worship with Nazarene congregations in England, Scotland, and Italy.

Six hours of upper-division credit is being offered by the college for participation in the tour. Full participation will involve preparatory study in the area of credit and a written report at the conclusion of the trip.

The present itinerary includes the following countries: England, Scotland, the Netherlands, Germany, Switzerland, Austria, Italy, and France.

Although a final figure is dependent on revisions of the itinerary and the fluctuating European prices, it is expected that the total tour expense, from New York to New York, will be under \$900.00.

This price will include:

1. Minimum rate ocean passage.
2. All traveling in Europe by motor coach, and second class rail and boat.
3. Twin-bedded rooms with hot and cold water in carefully selected hotels, simple, but clean and pleasant, with table d'hote breakfast and dinner.
4. Picnic - style luncheons daily, except on the few "free days."
5. Tips, taxes, and handling of one suitcase on land, tickets to certain scheduled concerts, and admissions to certain museums, and historical sites.

6. Tuition
- The price does not include:
1. Transportation from your home to New York and return.
 2. Tips on board ship.
 3. Personal expenses.
 4. Meals on free days.
 5. Admission fees not on scheduled itinerary.

Accommodations will be inexpensive but adequate. Sea passage is via Dutch "student ship," which

means clean but minimum accommodations (from three to ten berths per stateroom) and good meals; fine quality chartered motor coaches in Britain and on the continent; second class rail accommodations for one day's run; clean but inexpensive hotel accommodations; simple but adequate meals, except on certain "free days."

Final plans are subject to the approval by the Board of Olivet Nazarene College.

Students interested in joining the tour should refer all questions to Prof. Carl Bangs, Olivet College.

Cupid's Corner

During the past summer many June ONC graduates and students took the fatal step of matrimony. Wedding bells rang for the following couples:

Charles Kidd and LaVonna West, Ron Thill and Harriet Orr, Sam Mayhugh and Arlene Middleton, Ray Reglin and Anita Birchard, Dale Galloway and Helen Carwile, Randy Culver and Janice Hay, Ron Stevens and Jeanene Morris, Tom Craig and Norma Morse, John Reeves and Jane Dyke, Roger Mitchell and Della Anthony, Vern Fischer and Rosella Scott, Roland Jakbitz and Edna McWherter, Frank Bowers and Marilyn Keeler, Bob Collins and Frances Richards.

Bob Sharkey and Dortha Davis, John Rose and Joy Kanipe, Bill Deland and Esther Halladay, Bill Bradley and Naomi Stevens.

Frosh Receive Scholarships

Every year Olivet gives \$400 scholarships to incoming freshmen who place in the upper 10% of their graduating class and who are members of the Nazarene church. Credit on tuition in the amount of \$100 is awarded for the first year and the scholarship will be continued in the same amount each succeeding year to a maximum of four years, providing the student maintains a grade average of 3.00.

The following freshmen were awarded \$400 scholarships this year: Charles S. Williams, West Milton, Ohio; Dorothy L. Diehl, Des Moines, Iowa; Dorothy J. Fike, Middletown, Ohio; James W. Robbins, Bedford, Indiana; Phyllis Marie Lukeheart, Des Moines, Ia; Marilyn J. LeVee, Beaverton, Michigan; Patricia Dickey, Broseley, Missouri; Lincoln Dorsey, West Alexandria, Ohio; Clifton Godfrey, Hamilton, Ia.; Mary Lee Hunsley, Britt, Iowa; Leola Jean Hay, Auburn, Indiana; Violet Smith, Auburn, Indiana; Clyda Henson, Hammersville, Ohio; Judith Anne Ellis, Indianapolis, Ind.; Ester Judy, Cissna Park, Illinois; David Bowman, Indianapolis, Ind.; Emma Fetters, Winchester, Ohio; R. Michael Roseman, Eureka, Illinois; Donna J. Weber, Roseville, Michigan; David Lunsford, Bradley, Illinois; Norman Smith, Winamac, Indiana; Marilyn Baker, Tecumseh, Michigan; Lowell Thomas, Livonia, Michigan; Sharon Stallions, Pontiac, Michigan; and Phyllis Andrews.

(ACP) Needed: intelligent leaders in today's college world. So think the editors of the UNIVERSITY DAILY KANSAN. In this recent editorial they define leadership this way:

Not enough could ever be said about the value of intelligent leadership in our collegiate world today.

There are two meanings of "lead." One has the connotation guidance and direction; the other means, in the words of Webster, "a metallic element heavy, pliable and inelastic."

At this time of year many organizations are thinking about choosing men and women who will offer them guidance and direction during the coming year. In selecting these leaders they must be careful to choose persons who will fulfill the first rather than the second definition of the word.

One danger a leader must guard against is the desire to be heavy handed in his leadership, to prod and push rather than to persuade.

A certain amount of telling rather than asking is always necessary, but the leader, especially if he is leading for the first time, must guard against expressing his own insecurity by forcing others to instantly conform to his own ideas.

A greater danger than "heaviness" on the part of the campus leaders is that of pliability. All too often leaders are little more than putty in the hands of professors, administrative officials or other advisers.

In order to earn the title of leader, a student needs to be more than a figurehead. The man or woman who stands up for what he believes even when "the guy on top" disagrees with him often wins the respect of his colleagues, his adversary and more important, himself.

Along the same line, a leader must not be too easily swayed by people within his own group. He must walk the narrow line between spinelessness and dogmatism. He must be firm in his own convictions and still be able to accept the opinions of others.

One final danger of the leader-like leader is inelasticity. Like heavy-handedness this often is a symptom of lack of faith in oneself. Only the leader who is firm in his own beliefs and who has self-respect can afford to be flexible in his leadership.

However, flexibility and pliability should not be confused. The great difference between elastic and putty is that elastic can be stretched and it will snap back into shape. Once pushed around, putty loses all semblance of its original shape.

"O" CLUB WOMEN OUT TO SCORE A VICTORY

WOMEN'S "O" CLUB vs ALUMNI
The time has arrived! . . . TIP OFF at O. N. C.! How exciting! Talk has been of dates, new clothes, the queen, the floats, and the parade, but now there seems to be much excitement and talk about the annual girl's basketball game between the Alumni and the "O" Club team.

The alumni have quite a line-up this year and will comprise a threatening team. They are coming back to score a victory this Golden Anniversary Year.

However, the "O" Club girls are out to win too, so everyone can be assured of seeing a thrilling game.

The line-up for the "O" Club team is as follows:

Nancy Hendricks, senior, Bloomington, Indiana, secondary education; Anna Taylor, senior, Scott, Ohio; elementary education; Ruth Wyse, junior, Greenfield, Indiana; elementary education; Violet Neehouse, sophomore, Chicago, Illinois; elementary education; Sarah Petrie, sophomore, Columbus, Ohio; elementary education; Dorothy Acord, sophomore, St. Louis, Mo.; business administration; Alberta Fell, sophomore, Madison, Wisconsin; secondary education; Frances Drake, sophomore, Midland, Mich.; business administration; Joy Pavy, sophomore, Vevay, Indiana; secondary education; Roberta Hunter, sophomore, Brazil, Indiana; secondary education; Lila Owens, sophomore, Clinton, Illinois; secondary education; Martha Stitzel, freshman, Brazil, Indiana; secondary education.

These victory minded "O" Club women are from left to right: Alberta Fell, Ruth Wyse, Violet Neehouse, Martha Stitzel, Frances Drake, Marilyn Trimble, and Joy Pavy.

Last Friday evening another outstanding Lyceum Program was presented, featuring the University of Illinois gymnastic team, pictured above. The ten man team is coached by Charles Pond, head gymnastic Coach at the University. The Illini gymnastics have won seven consecutive big ten championships and three national titles in the past eight years. All members of the team are quoted as being "capable of scoring in the National Collegiate meet".

Alumni Girls Return For Game

Twelve former Olivetians have returned to meet the "O" Club women tomorrow in the annual girl's "Tip-Off" contest.

They are as follows:

Lora Hiatt — Class of 1953, is originally from Bluford, Illinois, and is now teaching biology in her home town.

Rosella Scott Fischer — Class of 1957, originally from Muncie, Indiana, is now teaching in Aurora, Illinois. While at Olivet, Rosella played for the Trojan society.

Margaret Hogan — made "O" Club while here from 1952-53. She is currently residing in Kankakee.

Jackie Spenser Watson — Class of

1954, a former Spartan, is now teaching in Fort Wayne, Indiana. She was originally from Burlington, Iowa.

Marilyn Starr — Class of 1954, also a former Spartan, is now teaching physical education in Detroit, Michigan.

Norma Morse Craig — Class of 1957, another former Spartan, originally came from Midland, Michigan. She now resides in Bradley, Illinois, and works in the business office of Olivet Nazarene College.

Lois Johnson Smith — a native of

Illinois, attended O. N. C. in 1949-1950. She is the wife of the pastor of the Nazarene Church in Elgin, Illinois.

Sports Review

by H. H. REEVES

WELCOME ALUMNI! Ready for tomorrow's big game? Rumor has it the "O" Club is determined to stretch their winning streak to twelve straight. Best of luck!

Don't neglect this afternoon's athletic curriculum. A fired-up Indian squad has challenged a combined Trojan-Spartan team to a pow-wow on the gridiron to add to the schedule of Tip-Off events. We are trying something new this game by filling the usually vacant tackle positions and playing eleven-man football. Sounds interesting and maybe like the beginning of a bigger and better athletic program. I'll pick the Indians to lose by two touchdowns.

Congratulations, Spartans, on winning the '57 football trophy.

Respects are also in order for the Indians who put up quite a battle to the end. Today's game will climax what I think has been a successful season with the pigskin for all societies. My votes go to Chuck Wilson and Tom Thompson. See you next season.

Now our attention will be focused on basketball which was officially opened with the "O" Club, All-School game. At a glance or two, the societies look evenly matched, so I'm looking forward to a good season. Back your favorite five and let's make the '57-'58 season the best Olivet has had.

Alumni Excel In Many Ways

What kind of graduates does Olivet Nazarene College produce? In what fields do they turn their labors? Paul L. Schwada, executive secretary of the Olivet Alumni Association, has come up with a list of several of the college's most outstanding alumni who have distinguished themselves in many fields.

The college has turned out some of the foremost leaders of the Church of the Nazarene including Hugh C. Benner, who is one of the five general superintendents of the church, and S. T. Ludwig, who is general secretary of the Church of the Nazarene.

Olivet has also brought forth many leaders in the areas of music, education and business. Among them are the following:

Harold W. Stoke, 1916, dean of the graduate school, New York University, New York, N. Y.

Hiram J. McLendon, 1941, assistant professor of philosophy, Harvard University, Cambridge Mass.

Howard Conrad, 1927, executive vice president, Southeastern Michigan Gas. Co.

Donald Starr, 1944, head of science division, Malone College, Canton, Ohio.

Donald Durick, 1953, executive secretary, American Industrial Bankers Association, Washington, D. C.

Frederick Chalfant, 1940, zone sales manager, Ford Motor Co., Livonia, Michigan.

Samuel Ray Burkholder, 1916, organist, Moody Memorial Church, Chicago.

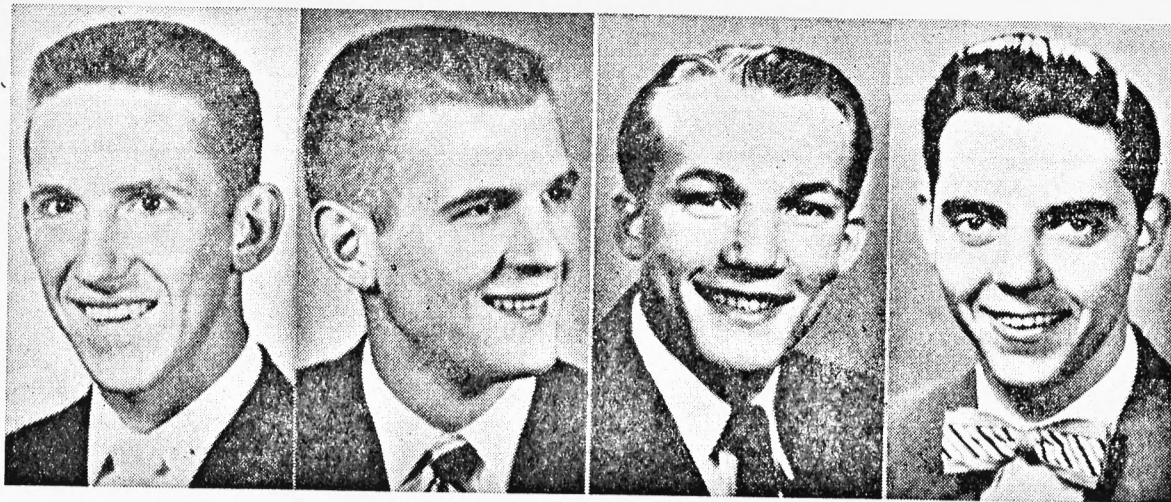

John Howard Sloan Jr., 1925 marketing analyst, Chrysler Corporation.

Ray Moore, 1941, director of Showers of Blessing radio choir, Kansas City, Mo.

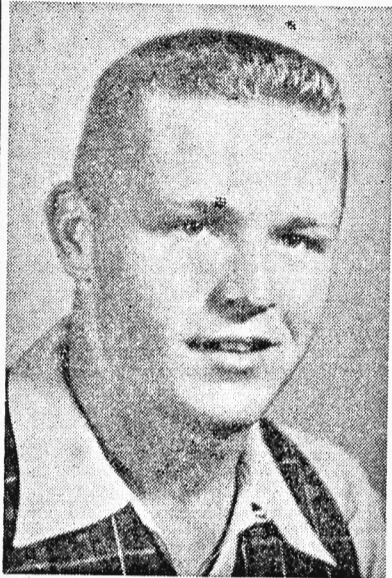

Willard Taylor, 1942, president, Canadian Nazarene College, Red Deer, Alberta, Canada.

Robert M. Faulkner, 1915, superintendent of schools, Honolulu, T. H.

Jack W. Moore, 1935, dean Kendall College, Evanston.

Ready to challenge the "O" Club in the 1957 Tip-Off Game are members of the Alumni—Top Row (left to right) John Hanson, Vern Fischer, Ed. Mattax, Lee McMurrin; Bottom Row—Clem Parr, Tom Wood.

Carl S. McClain, 1923, registrar, and director of admissions, Olivet Nazarene College.

J. William Lee, 1940, professor Oberlin Graduate School of Theology, Oberlin, Ohio.

T. W. Willingham, 1915, former president of Olivet Nazarene College and director of Nazarene Radio League, Kansas City, Mo.

Elmer Kaufman, 1916, retired former education sales director, Fuller Brush Co.

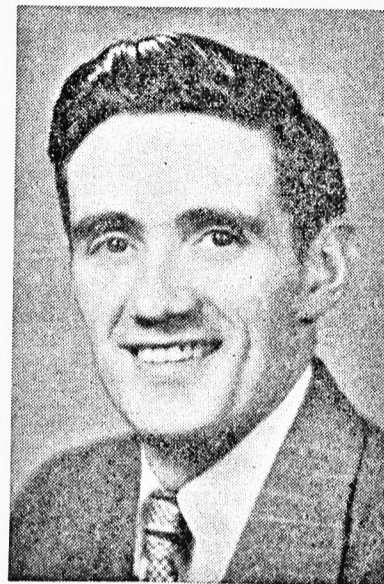

H. Preston James, 1939, dean of faculty, William Woods College, Fulton, Mo.

Charles L. Henderson Jr., 1949, west coast field representative A. O. Smith Corporation.

Paul Wells, 1949, business manager, Eastern Nazarene College, Wollaston, Mass.

Harold D'Arcy, 1929, professor of chemistry, Ferris Institute, Grand Rapids, Michigan.

Linford A. Marquart, 1928, professor of history, National College of Education, Evanston, Ill.

Tip-Off is finally here and with it come the alumni that make the occasion what it is. Tomorrow night highlights the annual "O" Club-Alumni basketball game. The visiting athletes will be seeking their first victory since 1945. The game will feature not only immediate-area graduates, but will include men from a radius of four hundred miles.

On hand will be MERRILL HUGHES, class of '54, and JOHN STRAHL, '45-'48, both currently Physical Education directors. Also such names as JIM MITCHELL, class of '56 and three-year letterman with the "O" Club. LEE MCMURRIN, class of '52 and four-time electee to Olivet all-star basketball teams, CLEM PARR, '51-'52 and high-point man in Greenville College's intercollegiate program, will appear on your program.

"WENDY" PARSONS, '56, and CHUCK McCULLOUGH, '54, both former Indians, should add both speed and height to the alumni

"O" Club Men Seek For Twelfth Win

A strong white-clad "O" Club team will take the floor against the Alumni tomorrow night at 8:15 at Kankakee High School gymnasium. Nine of last year's lettermen will return with this year's Olivet all-star team. Added to last season's roster is Don Lytle, Wayne Hopwell, and Gene Davidson. Lytle and Hopwell both finished last year with better than 16 point average.

Members of last year's "O" Club team appearing with this season's alumni are John Hanson and Vernon Fischer. Coach Bill McKay says that the boys are shaping up and should turn out a peak performance for Tip-Off. A scrimmage this week with the Moose of Kankakee (average heights 6' 1") has proved helpful. The lineup is as follows:

NAME	HT.	CLASS
Jerry Petrie	6' 1"	Jr.
Don Lytle	6' 2"	So.
Tom Craig	5' 11"	So.
Jim Smith	5' 8"	Sr.

Jim Hogan	5' 11"	Jr.
Ray Reglin	6' 0"	Sr.

quintet. JOHN HANSON and "VERN" FISCHER, graduates of the past June class will represent the Spartan and Trojan Societies respectively.

CHARLES TAYLOR, a former Spartan guard and member of the class of '54, has travelled from Toledo, Ohio to support the graduate squad.

The class of '50 will be represented by VIRGIL APPLGATE, a present pastor in Defiance, Ohio, past member of the Trojan society, and three-year letterman while at Olivet. ROBERT MEDCALF and TOM WOOD, both local alumni, and EDSEL MATTAX, who is back for the third consecutive year, should add the final touches to this year's team. The squad will be directed by VIRGIL NUTT, '48, a local Kankakee high school coach.

Big Homecoming Football Game This Afternoon

by Rick Withrow

The old philosophical axiom, "There is nothing new under the sun," will receive a full scale workout today as the all-Star football game is being played.

"Sum and substance" of the whole affair is that the Indians with the help of Ray Reglin, Wayne Speakman and Rick Withrow, non-participants during the regular season, have challenged a combined Trojan-Spartan squad in the all-Star classic, replacing the Red-Blue contest of last year.

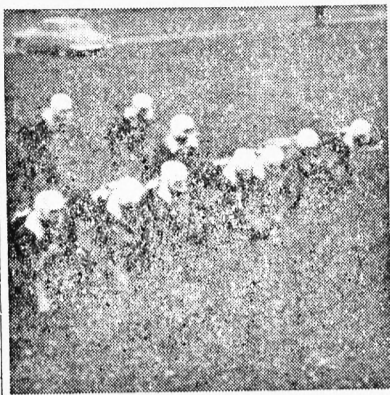

This is a rather ironic situation since the Indian team held the second slot during the regular season while the Spartans and the Trojans were in the first and third places respectively. The Indians feel that by bolstering the center of their defensive line they will be able to squelch the "Spar-Tro" offensive attack.

A word of explanation should be given to the students who have watched the Indians and Spartans "battle it out" in three games this year. (Each of the three games were decided by 1 point with the Spartans winning the first while the Indians took the last 1 point triumph.)

There was little or no interest in the "Tip-Off" football game last year.

Alumni, if you have never gone to one of these games, make it a point to do so, for you will find that the interest, excitement and enjoyment you will have made it worth your time and effort.

Spartans Rip Past Trojans 33 To 6

Action shot of Spartan, Trojan encounter.

The regularly scheduled football season came to a halt last week as the Spartans held the Trojans to six points while scoring 33 of their own, thereby winning the championship for the first time in several years.

Paul Dishong sparked the Spartan attack with three markers, which would have been more than enough for a victory in itself. This was enough to give the high-scoring honors by "racking up" 42 points.

Scoring the remainder of the points for the "green and white" were Bob Deckhard, with one touchdown and one extra point, Jim Irwin with a six pointer and Gene Collier who moved back from his regular line position and kicked two extra points.

The only tally for the Trojans was made on a pass play that went for 55 yards with Tuvell catching the ball on the Spartan 40 yard line and racing the rest of the way down the sidelines for the score.

Society Final Football Standings

Indians Nip Spartans In Big Season Upset

The Indians handed the Spartans their first football loss of the season, taking a 13-12 victory by stopping the Spartans on the 1 foot line with only seconds to go.

The victory gave the Indians a mathematical chance to win the league championship. League standings at the end of this game were Spartans 4-1, Indians 4-2, Trojans 0-5.

Ron Nees scored both touch-

downs for the Indians and Gus Sublette kicked the important extra point. Rob Deckard counted on a 35 yard run and Paul Dishong tallied on a 40 yard scamper for the Spartan scores.

Scoring by quarters:

Indians	0	7	0	6	13
Spartans	6	0	6	0	12

Touchdowns: Indians: Nees (2).
Spartans: Deckhard, Dishong.

The softball season has finally come to a close with the Trojans coming out on top. The opposition this year, other than the opposing team, came in several varieties such as Asian flu, rain and cold weather. But after battling this tough opposition we have finished the schedule.

The Trojans did a repeat of last year in winning the softball championship. Second place went to the Indians, and third place went to the Spartans. Much credit is given to each team for displaying a lot of spirit and good sportsmanship.

Women's Softball Final Standings:

Basketball Season Opens Next Friday

One week from tonight the intramural basketball season officially gets under way with a clash between the Indians and Trojans. With the amount of material found among the Freshmen class and transfer students, this year's games should prove very interesting. Next Friday's game will bring together at least four ballplayers that last year maintained no less than a 10 point average, and two that had a 17 point average. Last year's season ended as follows:

TEAM	W	L	Pts.	Opps.
Trojans	6	4	702	665

A UNITED EUROPE

A silent revolution has been taking place in Europe.

Anyone who has studied European history knows what a mixed-up bloody affair it has been. Not since the days of the Roman Empire has anyone held effective control over western Europe for any period of time. Europe has traditionally been an area of small nations.

Today, however, Europe seems headed for a change that only visionaries would dare to have predicted a few years ago. Yes, western Europe is slowly but surely becoming united. It began with the coal and steel pool formed between Germany, France, Italy and the three Benelux countries five years ago. As a result, their industries and commerce are booming and other nations are now becoming interested. The lowering of tariff barriers and future pooling of atomic power will draw them together even more. Thus, slowly but surely, step by step, Europe could unite first economically, and then politically.

Of course, many still say that it can't be done because Europeans just can't get along. They point to the cultural and linguistic as some of the many reasons for disunity. True the differences in Europe are very pronounced and historically embedded, but the dangers of our modern age could change that.

United, they can present a much greater front against Russia. Also, the cheap interchange of goods will greatly stimulate their economy. Then too, they could stand by themselves without relying so much on the United States.

Thus it appears that Europe has little to lose but much to gain by becoming united.

Viewing Integration

(ACP)—Integration, a page one subject across America these days, gets lots of space in the college press.

Dave Palmetter expresses one view in the Syracuse DAILY ORANGE:

"We fully realize that integration must be gradual. The Southern Negro, for the most part, has a very low standard of living and if the schools are all at once predominately Negro, catastrophic results could occur.

"But those who scream about this should realize that the low standard of living, the results of which they abhor, is a direct result of lack of education and implied inferiority written into the law.

"Sacrifices are going to have to be made. What of the intelligent Negro who is denied the opportunity to develop to the fullest extent his capabilities?

"Gov. Orval Faubus' stupid action is no answer. Gov. Frank Clement of Tennessee last year hit the nail on the head.

"He fully agreed, a year ago, with Faubus' contention that it is the sworn duty of the governor of a state to maintain the peace—but he went one step further. . .

"Clement used the National Guard to maintain peace and enforce the law. Troops were available to see that integration went

off smoothly, not to prevent it. . ."

Editors of Southern Illinois university's EGYPTIAN urged their school's athletic administration to cancel the contract to compete with Arkansas State after a post-football game fight last month.

The fight was "undoubtedly precipitated in part by Arkansas' feeling on integration matters," the paper said. "The clash apparently stemmed from the slugging of star SIU lineman Willie Brown, a Negro, at the game's end."

Arkansas students are saddened by what the Little Rock events will do to their state. (They're not forgetting the hurt that has come to America either.)

HENDERSON ORACLE, Henderson State Teachers college, Ark., discussed the state - guided development of new industry for Arkansas and an improved educational system, then lamented the Little Rock story.

And . . . "completely discounting the damage to our relations with regard to the international scene it has hurt our state for a long time to come.

"The mud that now oozes off the state capital will present pestilence enough to keep any major industry from even facetiously considering bringing their employees to our "Land of Opportunity."

"Tip-Off" Commission**

Prof. Paul Schwada

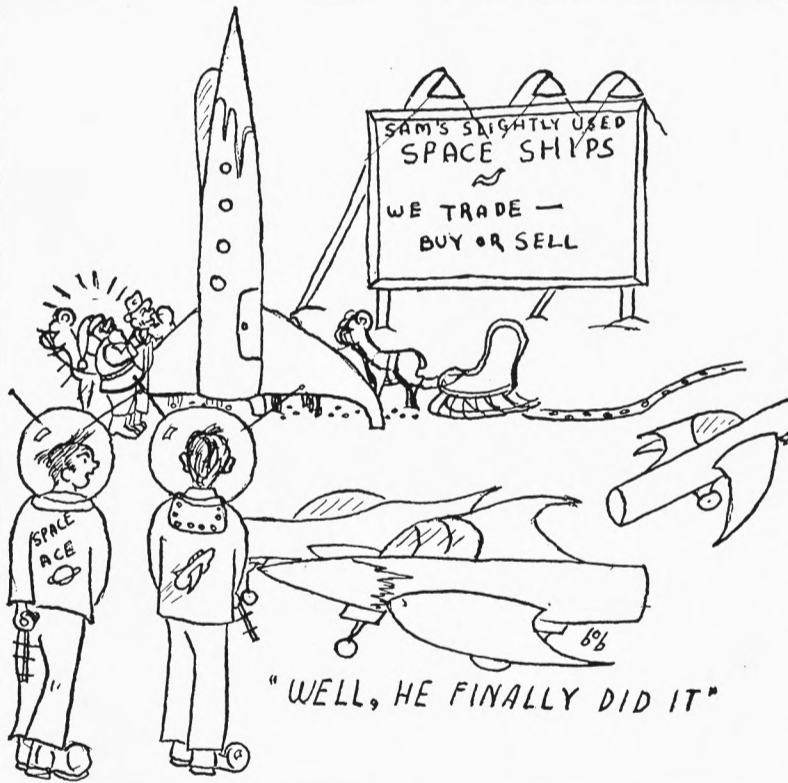

At a Catholic college in Alabama (St. Bernard college) student editors said: "We, as Catholics, should use all the influence at our command to bring about harmony and justice to a troubled homeland, for we should not be so shortsighted as not to perceive that open defiance to a national law on a large scale could only result in chaos and anarchy, which would be wonderful weapons in the hands of our arch foes, the Communists. "Finally, we have the words of Christ Himself, telling us that whatever is done to the least of our brethren, is also done to Him."

Specific planning of the Golden Anniversary Home Coming "Tip-Off" activities was the task of the 15-member "Tip-Off" Commission this year. The committee, appointed by President Harold Reed, had as its chairman, Prof. Paul L. Schwada, executive secretary of the Olivet Alumni Association.

Members of the commission were: Mrs. Fred Chalfant, president of the Alumni Association; Dr. John Cotner, Dean of Students; Dr. Ralph Perry, chairman of ticket sales; Dr. Clarence Grothaus and Dr. R. Wayne Gardner chairmen of the expediting committee; Prof. R. L. Lunsford and Joyce Mangum, editor of the Glimmerglass, chairmen of the program booklet; Frank Bowers, senior student representative; Jim Diehl, junior student representative; Robert North, business manager of the Glimmerglass, chairman of the "Tip-Off" Queen activities; Dave Knotts, Men's "O" Club president; Nancy Hendricks, Women's "O" Club president; Mrs. Naomi Larsen, in charge of the Friday night Home Coming Concert; and Jim Bedsworth, ASB president, representing the Student Council.

Responsibilities and duties of the "Tip-Off" commission were:

1. To plan the program for the "Tip-Off" Home Coming event.
2. To make a budget for the event.
3. To authorize and supervise all sales.
4. To keep a full account of all receipts and expenditures involved in the Home Coming Event, and require a full financial report from concessionaries, if any.
5. To co-ordinate the work of all individuals and groups participating in the event and assume responsibility for each of the program.
6. To determine in cooperation with the President of the College the project to which the profits of the Home Coming event are to be given.

Dorm Gourmets

(ACP)—A pop corn popper may be the only cooking equipment a dormitory coed may have at hand, but if she follows the lead of young women who attend Texas State College for Women, she can be quite a cook.

Boiling water for coffee or tea in the popper is elementary, says the DAILY LASSO. Texas coeds make oyster stew, pudding, chili and chow mein in theirs for midnight snacks, and use the popper to warm rolls, boil eggs and make cereal at breakfast-time.

Stick to the popper for making pop corn, too, they advise. One coed tried to use her electric coffee pot to make pop corn—with sad results.
