On her Royal Throne sits the 1957 "Tip-Off" Queen, Marilyn Bowers (center) with her escort, Frank Bowers to her left. Members of the court and escorts are: (left to right) Chuck James, Joyce Mangum, Lothar Green, Joyce Wilde, June Woods, Phil Petrie, Jeanette Hanson, and Burley Smith.

Queen and Court Receive Many Gifts

"Tip-Off" Queen Marilyn Bowers and her court members—Jeanette Hanson, Joyce Mangum, Joyce Wilde, and June Woods—were showered with many gifts this year from campus organizations. Several gift certificates were presented to the girls. The freshman, sophomore and senior classes joined together to give the queen a \$10.00 gift certificate and her attendants a \$7.50 certificate from Samuels.

Lecours' gift certificate came from the combined Olivet Symphony, Concert Band, Orpheus and Apollo choirs, worth \$12 for Queen Marilyn and \$6 for each attendant. From WRA and MDA was presented a \$10 gift certificate for each girl from the Fair Store. A certificate of \$5 for each girl was given by the Public Relations, Home Economics, Commerce, and Science Clubs combined from Lecours'. The junior class presented a \$10 gift certificate from Samuels to the Queen and a \$7.50 certificate for each member.

President and Mrs. Harold Reed presented the queen with a white Bible and a purple orchid portraying her beauty.

Cash was given from Student Prayer Band in the amounts of \$5 to the queen and \$2 to each member of her court.

The Indian, Spartan, and Trojan societies and "O" Club gave all the girls Chanel No. 5 perfume. A jewelry box for "her majesty" and billfolds for her attendants came from the English Guild. The Glimmerglass presented each girl with an oil painting of herself.

After the "Tip-Off" game each girl and her escort dined at the Kankakee Hotel compliments of the hotel.

Five Frosh Receive Music Scholarships

Every year the Fine Arts Department offers music scholarships to freshmen receiving superior rating at district or state music contests.

Those receiving \$100 scholarships this year are Norman Smith of Winamac, Indiana, baritone horn; Harold Gortner of Caruthersville, Missouri, trombone; Ted Griffin of Clearwater, Florida, trombone; Shirley Collier of Westerville, Ohio, soprano. These students are majoring in music. George Baker, tenor, pre-med. major of Toronto, Ohio, was also awarded a scholarship.

Club To Discuss

"Phsedo" Dec. 5

The Platonian Philosophical Society is currently engaged in reading and discussing the dialogues of Plato. The society has purchased several copies of the paperback edition, *The Dialogues of Plato*. Individual copies are available to the members for personal use. The regularly scheduled meeting of the group is Tuesday, December 3, when the members will discuss the "Phaedo."

lyn Shrum, co-chairmen, as well as Sharon Mace, Larry Jimenez, Keith Owens, and Art Davis. Martha Kallweit is chairman of the publicity committee. Her helpers are Wayne Kronz, George Baker and Shirley DeLambert. Sarah Petrie, Boyd Fees, and Marilyn Conrad are working together on the decorations.

Tickets will be sold for thirty-five cents each soon after Thanksgiving vacation. Plan to attend this event.

"Frost Frolics" To Be Held December 14

Zan Hawkins, chairman of the social committee, has announced that Jack and Jill Frost will act as hosts and hostess at Olivet's Christmas party, "Frost Frolics," which will be held Saturday, December 14, at 8 p. m. in Parish Hall of the Methodist Church located on Court Street in downtown Kankakee.

Many of the program plans are being kept secret; however it has been discovered that some unknown talent will be featured in the evening's entertainment, in the form of a previously unknown singing star who is a popular fellow on Olivet's campus. The Olivetians will sing as they frolic in the snow; traditional American Christmas scenes will be portrayed in the various stage productions, and a satire skit on Santa Claus will be presented.

This year the Christmas party will be semi-formal—formals for girls and dress suits for fellows. Tuxedos are encouraged and welcomed but are not required.

Joy Wilde and Shirley Collier are the refreshment committee. The entertainment committee includes Wayne Speakman and Caro-

There were six Olivet students who made 4.00 point or A average among the thirty-eight from the college named to the Dean's List at mid-semester, according to an announcement made by Dr. Willis E. Snowbarger, Dean of Olivet Nazarene College.

The six studentes earning all A's were Margaret O'Brien, post-grad; Margaret Beiner, senior; Maurice Howe, junior; Jeriel Beard, sophomore; Esther Judy, freshman; & Bertram Rogers, unclassified.

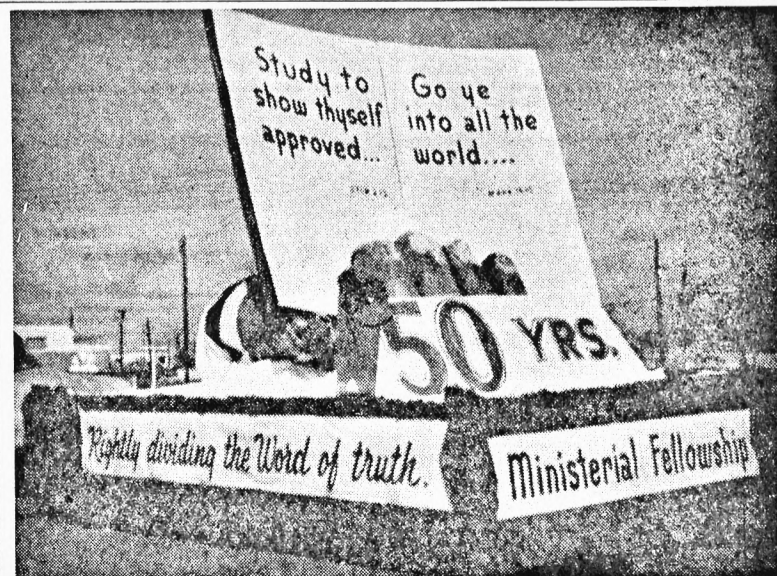

Those students receiving 3.35 and up are as follows:

freshmen—Willard Geselle, Mary Hunsley, Marilyn LeVee, Phyllis Lukehart, Eleanor McClary, James Robbins, Michael R. Roseman; sophomores—Dorothy Acord, Russell Benson, Olive G. Heartley, Larry Hendricker, Robert Judd, Donald Lytle, R. Paul Meyer, John Minnich, Edna Roach, Faye Seiffert, Patricia Thornton, Marilyn Trimble, Floyd VanWeelden; juniors—Evelyn Gray, Miriam Hall, Ruth Helms, Lois Suman, Arthur Whittington; seniors—Frank Bowers, Dorothy Estelle, George House, Bill Isaacs, Phyllis Johnson, Burley Smith; unclassified—Walter Shepard.

Group Takes Trip

The members of the Public Affairs Club recently enjoyed a field trip to Chicago where they toured the Chicago Historical Society and the International Library.

Many realistic replicas and authentic collections were displayed at the Chicago Historical Society, including the dioramas depicting Chicago's development from 1795 to 1893, original Lincoln letters and twenty dioramas of important events in his life, Lincoln Hall with its priceless mementos, a rare Washington collection, several period rooms which showed the living conditions of the past, and a library with an outstanding collection of books, manuscripts, and maps relating to the history of Illinois and the Old Northwest.

Winner of one of the three prizes awarded by the Student Council for the "Tip-Off" Parade was the Ministerial Fellowship float (shown above). The float won \$15.00 for the best presentation of the theme, "Fifty Years Progress."

COLLEGE NEEDS COMMUNITY'S HELP

Kankakee Daily Journal

The statisticians can put it down on paper in a fairly simple form. The population of the United States is growing by leaps and bounds. There are 3,200,000 students in college now. In 1965 the figure is expected to be 5,200,000 or 60 percent higher.

There are more than 1,000 students enrolled at Olivet Nazarene College now. It is expected that this enrollment will increase by 50 percent by 1967.

In order to provide this community with adequate liberal arts college facilities Olivet has launched the first phase of a fund campaign to raise \$3,000,000 within the next 10 years. Initially the aim is to raise \$300,000 in Kankakeeland.

To provide for this expanding enrollment, Olivet's goal is to build a new women's residence hall, a men's residence hall, science building, chapel-fine arts building and a student union building.

Steady growth has marked the history of Olivet since 1940 when there was an enrollment of 394 students. Today, with enrollment 274 percent higher than 17 years ago, Olivet is fully accredited by the North Central Association of Colleges and Secondary Schools and by other accrediting agencies.

It is estimated that the college, the faculty and the students spend approximately \$2,000,000 here each year. It provides an institution of higher learning for 200 Kankakeeland residents and a labor pool of 500 students available for full-time and part-time jobs.

Benefits include the fact that 122 teachers now employed in Kankakee County public schools were Olivet-trained and 20 persons from the college are now serving in church related posts in this area.

In recent years there has been considerable progress in Kankakeeland's acceptance and appreciation of the contributions that Olivet college makes to community life. Kankakeeland can now demonstrate in a material way that it wants to help in the expansion of the college by giving full support to the current financial campaign.

What's New In Religion

RELIGIOUS NEWS PRESIDENT HAILS BIBLE READING OBSERVANCE

The 1957 World-Wide Bible Reading observance from Thanksgiving to Christmas was hailed by President Eisenhower as holding "a mighty promise" for mankind. The President said, "As the Bible message is made available in 1,000 tongues, reaching into the most distant corners of the earth, we are given strength to continue our work toward that greatest objective of all; peace on earth, good will to men." Universal Bible Sunday, December 8, will climax the program. Devoting one Sunday a year to this purpose has been a tradition in this country since 1904.

MISSION CELEBRATES 80th ANNIVERSARY

Approximately 2,500 persons helped Pacific Garden Mission, Chicago celebrate its 80th anniversary at a rally in the Conrad Hilton Hotel on October 13. The mission, two blocks away from the Michigan Ave. hotel, in a Skid Row district of the "Windy City," is the nation's second oldest. Prior to the rally message by Vance Havner, Supt. Harry G. Saulnier announced that in the mission's 80 years over 8,000 persons have made professions of faith in Christ. Also 122,959 meals were served to Skid Row victims.

SOCIETY OF BROTHERS FORMS NEW COMMUNITY

Considerable attention has been attracted since June by a new religious community established in the swank Gorley's Lake Hotel at Oak Lake in the Pittsburgh area. The society of Brothers, consisting of more than 100 people who split from a Hutterite settlement in North Dakota over the wearing of beards and prescribed dress, bought the hotel and adapted it for family apartments, a grade school and the manufacture of wooden educational toys. It uses "one purse and one table" and permits variety in "plain clothing." The original society is traced to Eberhard Arnold in Germany shortly after World War I.

OBSERVANCE OF SUNDAY TOP ISSUE

Proper observance of Sunday is fact becoming "one of our nation's top issues," according to the general secretary of the Lord's Day Alliance of the United States. Melvin M. Forney says that "many law making bodies are encouraging the adoption of Sunday Closing Laws." He adds that "if the present trend continues it will not be long before every state will have a Sunday Closing Law."

STUDENTS MINISTERING IN UNITED STATES NATIONAL PARKS

Approximately 120 seminary and college students, representing 18 Protestant denominations, conducted religious services in the United States National Parks this past summer. Each Sunday among the giant trees or alongside some Mountain lake, the young men conducted non-denominational worship service for the benefit of tourists. On weekdays they drove trucks, bellhopped, or did chores for the hotels and park concessions to help support themselves.

Suzanne Degnan, the Peterson brothers, the Grimes girls, Judith Mae Anderson and Ed Gein. Each of these names is symbolic of man's inhumanity to man. But more than that; recurrent horror! There seems no end to the savagery, the viciousness that runs rampant in men's minds. Scarcely can you pick up the newspaper without reading of a shooting, a bludgeoning or some like atrocity. We are all aware of these things yes, but are we aware of the powerful weapon we as Christians possess to combat this omnipresent corruption in the society of man? That weapon, prayer!

"The effectual fervent prayer of a righteous man availeth much." Used properly and to its fullest, prayer would move mountains. But there are few among us, this writer included, that use prayer to its maximum power. Does this prayer sound familiar? "Lord bless me, my wife and my children. Lord help me to see my way clear to get that new Oldsmobile! Amen." How often are our prayers centered on our own desires and—needs?

What causes crimes of such gruesome caliber as those referred to above? Is it environment, wrong psychological upbringing, mental disease? Whatever the cause, whatever the reason, the solution lies within the reach of every true follower of Christ. Will you with me now make a pledge to become more active in your prayer life? No, the world will not become a paradise overnight; but through fervent prayer and tenacious faith in the omnipotence of Christ, miracles can be wrought.

NOVEMBER

by Dorothy Brown Thompson
This is brown month, skeletal, bleak, austere;
The season is running down like an unwound clock,
Slowing and gathering strength for the winter's shock,
Stripped bare to honest essentials to finish the year.
November is all stern conscience, and feels it should
Tell you unlovely truths for your own best good.

LET AMERICANS PRAY

by REV. FORREST NASH

LET AMERICANS PRAY
In prayer they knelt,
Those true in heart,
To thank their God
Who did impart
Life's needs to men.
Not much had they
Compared to we
Who in our waste
Refuse to see
Some hungry land.
O Light, to us
Shine through our greed,
That God and gold
Might be set free
From selfish hands.

LETTER TO EDITOR

This is to announce the reorganization of Olivet's visitation program, known as the "Evangels." This organization is dedicated to the purpose of comforting the "shut-ins" of four nursing homes in the vicinity and Manteno State Hospital, by taking them the message of salvation in word and in song every Sunday between 1:15 and 2:30 p. m.

All students interested in this visitation program meet each Sunday afternoon in front of the Burke Administration building where they choose to go to one of the four convalescent homes: Geeding, Sunset, Bethel, or Deerwood. Many students choose to visit Manteno State Hospital. However, many feel the work at Manteno is in vain and to no avail, but by giving to these people the word of God; by impressing upon their minds the fact that there is one Jesus Christ upon whom they can lean and in whom then can trust; and by revealing to them that there are those who love them and who are

concerned about them we are accomplishing a great deal.

Transportation is provided to the various places where a typical Sunday service consists of an invocation by the group leader, the singing of hymns, a special song, the scripture lesson, prayer, and individual evangelism.

The five leaders in charge of these services are Mel Sorensen, Fred Lee, Martin Arni, Phil Miller, and Ron Miller. Marilyn Kremer, Shirley Sanderson, Charlene Jarvis and Faye Seiffert are the music directors.

The regular "Evangels" are receiving many blessings, but while they are doing their best to make this program successful, they need the help of every Olivetian to make it a really fine organization. Remember our motto, "Only one life twill soon be past, only what's done for Christ will last," and be sure to come out and help us next Sunday.

Your President Speaks

by JIM BEDSWORTH

I would like to thank everyone who had a part in, and helped in the Tip-Off Parade. The adverse weather conditions made it extremely difficult for those working on floats. I appreciate the efforts of everyone having a part, and I am sure that the alumni realize the tremendous amount of work that went into making the parade a success.

Tip-Off is over, the Alumni have gone home, and the Golden Anniversary Celebration is over. It looked as if we could all slow down and go to school for a change. No sooner had I thought these thoughts when Mr. J. Harlan Milby approached me for aid in a two weeks' activity solicitation for funds. I hesitated only momentarily before giving an affirmative answer.

I began to think how Mr. Milby is giving his time for this project when he doesn't have the time himself. He could easily be finding more than enough to do in Springfield, Illinois, where his bus-

ness is located. As it has worked out, he has almost forgotten that he has a business in Springfield, and has been here at Olivet just about full time. He has been doing an excellent job of organizing this three million dollar drive, and it is well under way. The five new buildings are soon going to be realized, and are not something that has just been talked about.

In thinking over these things, and my own deep concern for the future of Olivet, how could I refuse to do my part. I had to say that it is time to roll up my sleeves and give it all I have. I have found that some of the others I have asked to help have the same feeling. They realize that they must also get in and do their part.

I'm sure that we all appreciate the work that Mr. Milby is so excellently doing. If you do, I hope you will do as others have done when asked to help, and really get in there and pitch. Also drop by Mr. Milby's office in the near future and commend him personally.

THINK ABOUT THIS

"Character is what a man is in the dark."
"One way to break a bad habit is to drop it."
"The motive power on the train or ship is not in the whistle or bell."
Faith is a grasping of Almighty

power;
The hand of man laid on the arm of God;
The grand and blessed hour in which the things impossible to me
Become the possible, O Lord, through Thee.

Music Dept. Presents Handel's Messiah December 6 and 8

The 22nd annual presentation of Handel's Messiah by a 200 voice mass choir will be held in the College Church of the Nazarene. The oratorio will be presented in three performances, one at 8 p.m. on Dec. 6, and two on Dec. 8, at 3 p. m. and 8 p. m.

Soloists for the Friday evening performance will be Linda Luttrell, student at Olivet, soprano; Martha Reed, student at Olivet, contralto; John Schreffler, from the Kankakee area, tenor; and Donald Henrickson, who is doing graduate work at the University of Illinois, bass.

On Sunday afternoon the soloists will be Beth Hatcher, student at Olivet, soprano; Margaret Albert, alumnus, of Olivet, contralto; Daniel Liddell, professor in the music department of Olivet Nazarene College, tenor; and Bruce Foote, bass, who has performed in preceding performances of the Messiah at Olivet.

The Sunday evening soloists will be Ruth Chung, instructor in voice at Olivet Nazarene College, soprano; Margaret Albert, contralto; Charles Hasselbring, music instructor at Olivet Nazarene College, tenor; and Bruce Foote, bass. Professor Kenneth Bade will be playing the organ for the three performances accompanied by a chamber orchestra.

Mrs. Naomi Larsen, acting chairman of the Fine Arts Division, will direct the choir composed of the Orpheus, Apollo and Kankakee area community choirs. Mrs. Larsen is the wife of the late Dr. Walter B. Larsen, who had organized the Messiah performances 21 years ago and had conducted them each year.

There is no admission fee but admission to the performances is by ticket only. This is necessary to distribute the crowds over the three performances. Tickets may be obtained at the Goodwin Music Hall.

Indian Girls Lose Basketball Opener

Intramural basketball began with a big bang for the Trojan and Indian girls Friday evening, November 15. Playing the first game of the season, the Trojans defeated the Indians 38-49 in a hard-fought game.

Firing hard, the Trojan forwards led the first half of the game by nine points while their guards held their defensive very well at the other end of the floor.

Then the Indians began their third quarter with a determined gain. Martha Stitzle began her exposition of shots and brought the score closer together with only a few points lag.

Knowing that the last quarter would decide the victor, both teams played desperately for every possible point. But soon the Trojan girls pulled up their score which made them winner of the first game of the year.

The leading scorer of the Indians was Martha Stitzle who scored 20 points of which eight were in free throws.

Trojan Nine Claim '57 Baseball Honors

With a won-lost record of five and one the Trojan men won the 1957 baseball title which had eluded them since 1950. Their loss was a 10-4 defeat to the Indians who finished in a tie for second with the Spartans with identical 2-4 records.

The success of the Trojans may well be contributed to their coach, Jim Hogan, to a fine pitching department, and good defensive play.

In the pitching department, Mac Delbridge was the top pitcher with a 4-0 record. Mac had very good control and was rarely found in difficult situations during the season. He was assisted in this department by Keith Sheffer who picked up the other win.

In the hitting department, the Indians and Trojans each placed five players in the top ten with six of them batting .400 or better. They were Scott Gardner .600, Lefty Matson and Gene Davidson .538, Mac Delbridge .437, Ed. Roarick .416, and Jim Smith with an even .400.

Most residents of Williams Hall who are awakened by the screeching sounds of stray cats (speak of the hairy quadrupeds) do not realize the import of these high frequency sound waves. Through my highly complex I Beam receptor these waves are transmitted into messages of note. For example:

The traffic regulations on campus are really being enforced. Did you know that President Reed recently received a parking ticket? He paid the fine, too, kids.

Hypnotism is the newest fad in Chapman Hall. Jerry Ferree was doing some hilarious things under a spell. Where did you say those flying saucers were, Jerry?

It's wonderful when the students go to Sunday school, but it's more so when they get there on time. There are a few junior girls who just can't seem to break the late habit.

Bob McCannon recently had a dream in which he died in the dining hall, but he still saw himself as later coming back to Olivet as a prof. Somebody psychoanalyze this one!

B. O. is still a major offense in modern society. I learned that somebody in Chapman is headed

"O" Club Girls Defeat All-School Basketball Team 45-24

The "O" Club girls defeated the girls all school basketball team by a margin of 21 in a 45-24 decision. "O" Club star, Marilyn Trimble, was the high point girl for the game with a total of 16 points. For the All-School team it was Noni Shearer, with 10 points. The All-School team, coached by Spence Hedrick, put on a great exhibition but the "O" Club's experience seemed to be too much for them.

"O" Girls Beat Alumni

They did it! Yes, the "O" Club won the annual Tip-Off game on November 9 between the "O" Club women and the Alumni women, 43-40.

It was a thrilling game as the Alumni jumped off to an early lead and the "O" Club came back strong to win it.

The first quarter was very slow as neither team did much scoring. The scoreboard read Alumni 9, "O" Club 6.

However, the pace picked up in the second quarter and both teams started to move. The halftime score was Alumni 20, "O" Club 15.

After halftime, a rest, and a pep talk, the "O" Club girls started to click. Scoring twice as many points in this period as their opponents, they led by three, 31-28.

The last quarter was the most exciting as both teams tried hard to win. However, as the final buzzer sounded, the "O" Club team

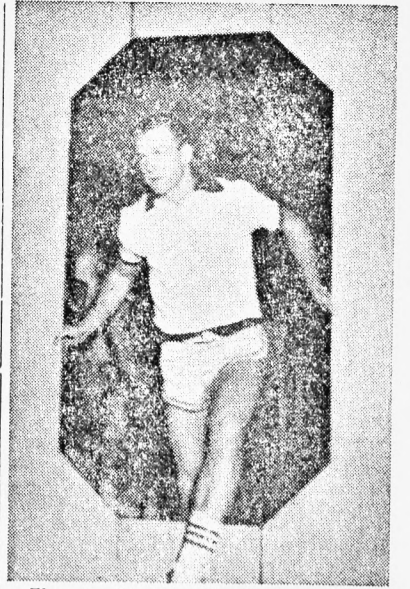

left the floor victorious. This was the happy moment for which this team had put in many hard practices.

Leading scorers for the Alumni were Lois Smith and Shirley Crabtree with 15 and 8 points respectively.

Top "O" Club scorers were Marilyn Trimble with 21 points and Martha Stitzle with 14.

Those who took part in the game are as follows:

All-Stars Trip "O" Club for A 38-37 Win

The "O" Club-All-Star Game, which is a warm-up game for "Tip-Off," saw the All-Stars ease by the "O" Clubbers to a 38-37 victory. This was the first time in years that the lettermen have been defeated by a fifty percent frosh team. This also was the lowest scoring men's game that has been played in Birchard Field House for quite a few seasons.

In a game that was marked by unperfected offense, the "O" Club opened the scoring with Lytle's free throw and the first quarter ended after only 15 points more were added to the score board, 9-7. The second quarter found both teams unable to get many shots away and the All-Stars out-scored the "O" Club 10-9 to bring the point totals at half-time to 18-17 in favor of the lettermen.

The "O" Club started the second half employing fast breaks, hoping to run over the All-School defense and led the third quarter by 7 points. In the final period an all-out effort sparked by Hedrick put the All-School squad out in front 38-37 which remained the final score.

Eleven Man Football Is Success

On a day suited only for duck hunting, a fighting Indian eleven downed a determined Spartan-Trojan combine by a score of 12-0. This battle, a feature regular in the Tip-Off Homecoming weekend, was unique for it highlighted both squads using eleven men for the first time, with the rugged Indian line spelling the difference.

After a see-saw first quarter with both teams unable to score, the Indians finally made a tally when Gus Sublette hit Spence Hedrick with a quick pass and then scored unmolested.

The huge Indian line checked a Spartan drive and the Big Red took over on their 40 yard line. Ralph Hill broke loose on a quick opener and sprinted 60 yards for the final T. D.

The second half found both teams playing on even terms and the Indian second quartet scoring burst stood, as a fourth quarter threat by the Spartans was stopped deep in Red territory.

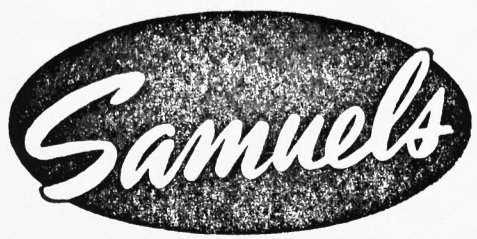

Such key men as Wilson, Decker, and Converse were the spark of the Spartan offense, but they were not enough as the Indian line composed of Withrow, Goudreau, and Reglin broke up play after play. The Indians were also aided with nice running by Hill, Nees, and Sublette and were able to come out on top by a final score of 12-0.

Basketball talk is in the air again! Yes, O.N.C.'s intramural basketball season has started.

The Indians and Trojans started the season off in fine fashion (as far as I am concerned) on November 15 as the Trojans won a "thriller" 49-38.

The competition this year is terrific and it will be quite interesting to see who comes out on top when the season ends next February.

I urge each one to get out and back his own society women's team this year. No one seems to be too "hepped-up" or excited about the women's games but they are very important factors in determining which society is to win the All-School Trophy. This was proven last year as the Trojan women came through to help their society win the Trophy for the first time in years.

The girls who play on the various teams work hard and practice long hours in preparation for the games. Let's show them our appreciation by getting out and rooting for them at every game. They deserve it.

Credit also is due the coaches of the girl's team. Praise goes to coaches Jim Roach, Spartan, Scott Gardner, Indian, and Everett Combs, Trojan. They do a splendid job.

In closing, I would like to say thank you to the Pep Band for playing at the games. It adds a lot of color to the evening's activity and puts everyone in good spirits.

"O" Club Downs Alumni

Olivets Tom Craig scoring two points during first half of play in the Alumni game, November 9 at Kankakee High School.

Before approximately 2900 spectators, the largest "Tip-Off" attendance in the history of the event, the "O" Club led by Jerry Petrie, out-classed the Alumni 74-63.

Petrie sparked the "Clubbers" with 25 points and played a sparkling game under the boards. Other scorers for the "Clubbers" were Hopewell with 13 and Craig with 11.

Clem Parr was the "big gun" for the Alumni team, pushing thru 9 from the field while adding 2 more from the line for a total of 20 points. Other double-figure shooters for the Oldsters were McCullough with 14 and Applegate with 12.

Two high points in the game were the sensational half court switches by Applegate to end the first and second halves.

The "O" Club pilot, William McKay, used 10 men during the contest, while the Alumni used 13.

Both teams had identical foul shooting percentages as the "O" Club made 18 fouls in 36 attempts

and the Alumni made 13 for 26.

Reds Bow 50-47

A hustling Trojan five "close-shaved" the Indians 57-54 in Olivet's first basketball game of the 1957 season. Three late last shots by Petrie held off a come-from-behind attempt by the Indians. The Indians outscored the Trojans from the field 24-23, but the difference was at the "gratis-toss." The Indians fouled 10 times and the Trojans capitalized on 11 points.

The game was tied at the first quarter 12 all. The Trojans pulled ahead in the second quarter when Craig came to life and scored 8 points. The Blue led at the half 30-24. A rejuvenated Indian team led by Don Lytle's 8 tallies closed the gap on the Trojans with the third quarter ending 44-42. The lead see-sawed back and forth in the final quarter until Petrie came off the bench with his bad ankle and sunk 3 long set shots which kept the Trojans out in front for good.

Smith paced the winners with 21 points while Craig gathered 14. Garvin and Lytle led the Indians with 14 tallies each.

The Trojan girls beat the Indian maidens 44-38 in the curtain raiser.

Trojan Five Wins

Paul Dishong made a series of fast break lay-ups for the Spartans at the start of the game and the Indians never recovered, though the game was close all the way. Dishong gathered 22 points in all for the winners. Hopewell had 18 points

"Sport Views"

Congratulations "O" club on your Alumni victories, Indians on your big football win during Tip-Off, this year's baseball, football All-Star teams, and Ohio State.

Since last issue "Tip-Off" has come and gone and we find ourselves in the middle of the basketball season. If the first few games are an indication, this year's contest should be "nip and tuck." Had the Indians scored one field goal and two free throws more in the first two games, they would have been victorious and not second best. See you around the field house!

The "Tip-Off" football idea worked swell. Not even the terrible weather was able to keep the spectators away. Compliments are also in order for the basketball game which followed. The boy's looked good. In fact it took four stitches to keep Petrie from scoring thirty points. Too bad we have to put away the OLIVET uniforms already for another year.

for the Spartans. The inability of the Indians to hit from out was evident again and Hopewell made the underneath game tough. The Indians scoring was well divided again. Lytle had 14 points, Hedrick and Garvin followed with 11 and 10 points respectively.

Comments on Current Events

A few weeks ago the Soviet press announced that Marshal Zhukov had been released from his position as Minister of Defense. Appointed in his place was a much less prominent figure, Marshal Malinofsky, hero of Stalingrad.

For a time there was much discussion as to whether Zhukov had been promoted or demoted. It soon became apparent, however, that he was being demoted. Although it shocked many, to those who have studied Khrushchev's policies, it came as no surprise.

Khrushchev's rise to power in the past five years has been phenomenal. After Stalin's death in March, 1953, a triumvirate of Malenkov, Molotov, and Beria ruled the Soviet Union. Khrushchev was then in fourth place. However he soon got control of the Communist Party Central Committee and began to rise in power.

As Khrushchev gradually got control the other leaders were eliminated. First it was Beria, the Chief of the Secret Police, who was purged in the summer of 1953 and later executed. In February, 1955, Malenkov was forced to resign as premier of the Soviet Union. Khrush-

REVERSED DECISIONS

hchev had the support of Zhukov and the Red Army in purging Molotov, Malenkov, and Kagonovich during June of this year.

There were then two important forces left in Russia, The Central Committee headed by Khrushchev and the Red Army under control of Zhukov. Obviously one or the other would have to give in. So before the Red Army became too powerful, Khrushchev relieved it of its strong leader. Therefore today Khrushchev is in the saddle as the new Dictator of Russia. All opposition as yet is not dead; however it is safe to assume that he will stay on top.

As to the effect of Khrushchev's assumption of power, there is some difference of opinion. The general consensus is that he will continue to stress heavy industry and armaments over consumer goods. Thus the average Russian's standards of living will improve little. However in their ability to wage war, they will constantly make advances.

Most observers do not believe that Khrushchev would deliberately start a war at present, but they fear that he might precipitate one through one of the hasty blundering moves for which he is famous.

Thus the world and western diplomats will have to wait in apprehension and try to be calm least they provoke the unpredictable man who now rules in the Kremlin.

Know Your Generals

Dr. H. V. Miller

Young person, have you ever viewed a master painting of our forefathers engaged in activity? Did you ever have the feeling that somehow you missed out on something? That is the way one is made to feel as he looks through our past church periodicals.

One seems to feel the heartbeat of our church pulse as he reads the caption over Dr. Howard V. Miller's picture spelling out the words "Another Leader Called Home"! This death on December 28, 1948, at about 4:30 p. m., brought one of the greatest shocks the Church of the Nazarene ever had. Other outstanding leaders had passed just previously, but physical conditions prepared the way in those cases. Dr. Miller died unexpectedly of coronary thrombosis.

In the years between his birth in 1894 and his death, which occurred within a half mile of the place he was born, he became, as Dr. D. I. Vanderpool has termed "a preacher of unusual ability, having a clear vision of the great program of Christ, a heart that burned with a passion for a lost world, together with wonderful ability to couch his rugged message in beautiful English."

He was a Nazarene throughout. In less than two years after he joined our church, he was elected to the district superintendency of the New England district. While he was working hard for the young and growing denomination in revival meetings, organizing churches, and alleviating church problems, his baby girl lived with her grandparents while his wife was a virtual invalid. Nevertheless, his ministry was valiant and radiant. His companion's health was eventually restored through prayer.

"Dr. Howard V. Miller," wrote Dr. S. S. White, "was attractive and commanding in appearance. Like Saul, he stood head and shoulders above his fellows." Dr. Hardy Powers commented that "When God sanctified Howard V. Miller, He raised a standard in his heart and mind."

Dr. Miller served his church by filling leading executive positions for almost twenty years.

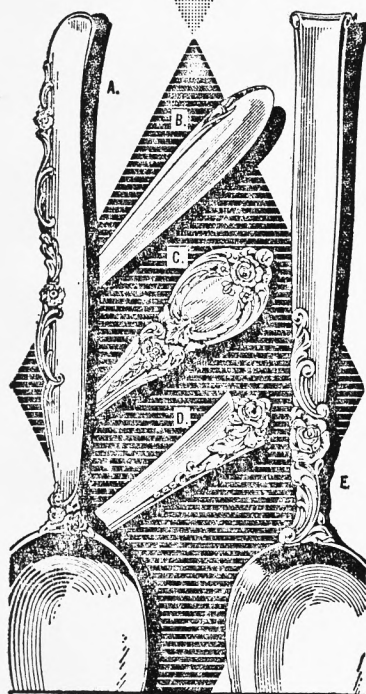

Many of us in the Church of the Nazarene now never met Dr. Miller, but he had a part in the spiritual masonry of our church's foundation which is our heritage today. Shall we ever be found lowering the banner? No!, let us "press on toward the mark" where we shall meet our leaders who fell in battle.

Dr. Samuel Young in writing about Dr. Miller used the very appropriate words from Bunyan's pen, "So, he passed over, and all the trumpets sounded for him on the other side."
