AURORA GOES TO PRESS MARCH 3

Will Be Distributed Middle of May

Olivet's annual, the Aurora, will be taken by the officers and staff members to the Interstate Printers and Publishers Co. in Danville, Ill., on Mon., March 3, to be printed and made up.

The editor, Sally Davis and her staff commenced working on the Aurora in Oct. of '57, and have spent five months of hard work to complete the book proper. While the new Aurora is on the press, staff members will still be busy preparing the circulation list for students, faculty, advertisers, and others. They will also be sending out invoices to the advertisers.

Those who have participated in the production of the book are Sally Davis, editor; Chuck Nichols, business manager; Mac Delbridge, assistant editor; Gene Davidson, assistant business manager; division editors — Billy Stephens and Myrna York, classes; Shirley Watkins, faculty and staff; Ina Niccum, campus life; Leola Hay, clubs and organizations; Keith Powell, sports; Marilyn Conrad, religious life; Sue Conrad, photography editor; Becky Holstein, literary editor; Hank Reeves and Jerry Snowden, sports literary editors; Delores Armstrong and Ora Lee Schaff, typists; Roger McMurrin and Don Brasselton, business staff; Prof. D. J. Strickler, advisor and photographer; and Mrs. C. E. Demaray, literary advisor.

The printers claim that Aurora should be completed for proof reading around the middle of April. The Aurora should arrive on campus and be distributed the middle of May.

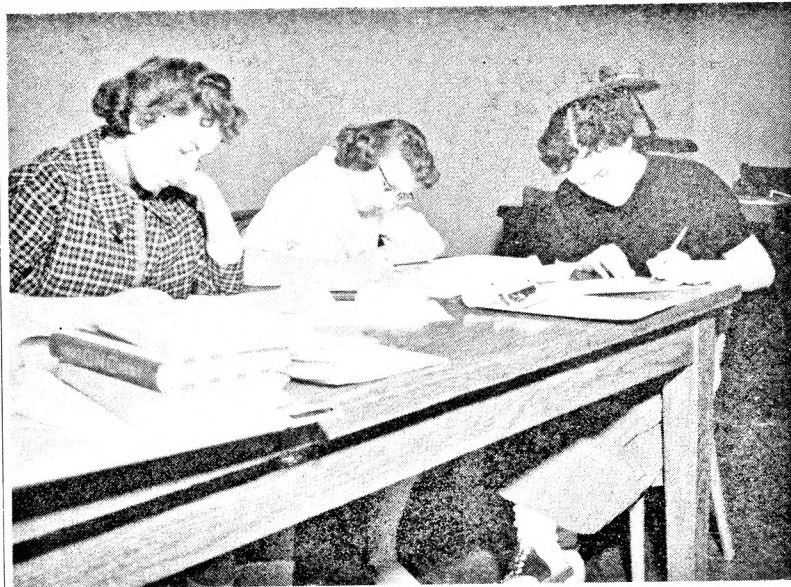

Coming Events

- Feb. 28, Fri. — Orchestra Winter Concert, 8:00 p.m., Burke Recital Hall.
- March 1, Sat. — Ministerial Fellowship Banquet, 7:00 p.m., Howard Johnson's.
- March 1, Sat. — Playoff — Class Tournament, girls — 7:15 p.m., boys — 8:00 p.m., Birchard Field House.
- March 7, Fri. — Lyceum.
- March 8, Sat. — Band Concert and Banquet. Concert, 8:00 p.m., Burke Recital Hall.
- March 14, Fri. — Mid-Semester.
- March 14, Fri. — Student Recital, 8:00 p.m., Burke Recital Hall.

Band Presents Annual Concert Friday, March 7

The Olivet Nazarene College Concert Band, under the direction of Professor Harlow J. Hopkins, will present its annual concert Friday, March 7, at 8:00 p.m. in the Burke Recital Hall.

The thirty-three member band will present a variety of selections including "First Suite in Eb" by Holst; "Amparito Roca" by Texidor; "March of the Steel Men" by Belsterling; "Stars and Stripes Around the World" (with apologies to John Phillip Sousa); "March of the Ill-Assorted" (Continued on Page 2)

Pictured above, diligently working to meet their March 3 deadline, are Sally Davis, editor for The Aurora; Ina Niccum, campus life editor; and Becky Holstein, literary editor.

Medical Schools Accept Frank Bowers, Jerry Rogers

Two of Olivet's seniors will be enrolling this September in medical school. They are Frank Bowers, from Cincinnati, Ohio, and Jerry Rogers, from Fulton, Illinois. Each has been accepted in a class A medical school and will begin his studies this fall term.

After graduating this spring, Frank will begin working on his medical degree at Ohio State University's college of Medicine, located in Columbus, Ohio. He had made application at Ohio State University in September of 1957 and also at the University of Cincinnati in November of that year. During his stay at home during the Christmas holidays, Frank was interviewed at the Ohio State University. Out of 580 who applied for admittance at Ohio State, 150 were received, and out of the 1500 who applied at the University of Cincinnati, 90 were received. Frank was a member in each case and accepted at both schools.

Frank entered Olivet in 1954. He has majored in Chemistry and minored in Zoology. While in school he has been active in many clubs and has held several offices. He has been, at different times, president, vice-president and treasurer of his class; he is a member of the Spartan Society and held the vice-president's position for one year; he has been the president of the Honor Society for two years; when living on campus he had been a member of the MDA and was president for one year; he has been a member of the Student Council for three years and ran for president in the 1957 election. Frank had the Junior and Senior Assistantships in Chemistry and was the recipient of the Greene Scholarship.

He stated that if a student will really apply himself to his studies, Olivet's scholastic standing is very adequate for graduate work.

After completing his pre-medical work this spring, Jerry Rogers will enter the University of Chicago, in Chicago, Illinois. Jerry had made application at the University of Chicago in September of 1957 and at the same time applied at the University of Illinois. In November, '57 he was interviewed by both schools. He re-

Frank Bowers and Jerry Rogers

ceived his acceptance notices in December. At the University of Chicago there were 1700 applicants and 72 acceptances; at the University of Illinois 633 applied and 166 were chosen. Jerry's application was accepted by both schools.

Jerry entered Olivet in September of 1955. He has majored in Chemistry and minored in Mathematics. He has also been active in the clubs while attending Olivet. He has belonged to the Platonian Philosophical Society for two years and held office as Secretary for one year; he has been in the Science Club for two years and has held the position of Chaplain for one year; he has belonged to the Honor Society and the Band both for two years, and the Brass Choir for one year. Jerry was the recipient of the Faculty Club Scholarship.

TRUSTEES VOTE RAISE TUITION, ROOM RENT

The Board of Trustees of Olivet Nazarene College, at its Feb. 12 meeting, voted a \$15.00 increase in tuition and a \$10.00 increase in room rent of the college per semester. The increase, effective Sept. 1958, will raise the tuition per semester to \$190.00 and room rent per semester to \$80.00-\$100.00.

Below is a list of colleges of comparable size to Olivet and the tuition of each, as stated by Dr. C. S. McClain, registrar.

Augustana	\$ 240
Aurora (Quarter)	165
Carthage	285
Greeneville (16 hrs., \$13/hr.)	208
Ill. Wesleyan	245
Lake Forest (Non-resident)	700
(Package for residents)	1400
Millikin	250
Monmouth	300
No. Central	205
Wheaton (16 hrs., \$20/hr.)	320

The money received from the increase in tuition is to be used to raise the salaries of the faculty members. Each full-time teacher, regardless of seniority, is to receive a flat raise of \$300.00 per year.

The median salary at Olivet is \$3900.00 per year. The Bourbonnais and the Kankakee School Systems recently adopted new salary schedules under which a beginning teacher with a B.S. degree will draw a minimum salary of \$4225.00 per year. The college teacher is assumed to have a Master's Degree while the above salary is for those having only a Bachelor's degree.

In 1955-56, in a nation-wide research, it was reported that the median salary for faculty members of colleges of all types was \$4400.00.

President Harold W. Reed is also proposing an increase of \$10,000.00 in the total giving from the churches for current operations. Out of this money, \$7000.00 will be used for improvement of the swimming pool. These improvements are necessary to bring the swimming pool up to state specifications. The remaining \$3000 would be used to construct four illuminated tennis courts.

Tryouts were held, and the cast was chosen by judges from Olivet and the Kankakee area. Leading characters include Marcellus, portrayed by Darel Grothaus; Demetrius, his devoted slave, is played by Fred Lee; Shirley Collier depicts the part of Lucia, the vivacious young sister of Marcellus; and Diana, played by Pat Thornton, is the attractive fiancée of Marcellus. Other members of the cast are Don Lytle, Sharon Mace, John Sykes, Roger Oberdier, Wayne Speakman, Marilyn Cassells, Geraldine Foster, Harold Keech, JoAnn Coil, Carolyn Birchard, Tom Thompson, Helen Galloway, Bob Ramig, Vangi Burtch, James Kidd, and Gene Cline.

Ewell Speaks At Ministerial Banquet Saturday, March 1, Howard Johnson's

Dr. Cecil D. Ewell, pastor of the First Church of the Nazarene in Chicago, will be guest speaker for the annual Ministerial Fellowship Banquet being held at 7:00 p.m., Saturday, March 1, at the Howard Johnson Restaurant in Kankakee.

Neil Strait, president of this organization, has extended an invitation to all. He is, however, especially urging ministerial students to attend.

The speaker, Dr. Ewell, assumed the responsibilities of his present pastorate January 1, 1958. Prior to this, Dr. Ewell served for 5½ years as pastor of the Nazarene First Church in Nashville, Tennessee. Other positions include pastorates in Bresee Pasadena for 5 years, and other Southern California churches for 8 years.

Among his many other accomplishments, Dr. Ewell now holds a commission as commander in the United States Navy. For six years he served in active duty during World War II and the Korean conflict. He has also spent 15 years in reserve time.

Dr. Ewell's topic for the occasion will be on "Young Ministers."

Dr. Ewell

When Are We Happiest?

An Editorial by Tonya Beals

Just exactly what does it take to make a person happy? George Bernard Shaw once had this to say regarding happiness, "This is the true joy or happiness in life, the being used for a purpose recognized by yourself as a mighty one."

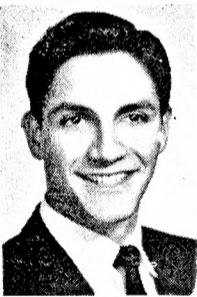

What happiness is, I will agree, differs to some extent with each individual; but I am convinced of this much, no one who lives only for himself can be truly happy. The joy of living comes from something within us, something that is bigger and better, that forces us always to march forward with a purpose in mind. Our ideals, ambitions, friends - these are the things that offer us the purpose recognized by ourselves as a mighty one.

We will always find in life that the interesting people are the ones whose interest is in others. John Masson Brown, a noted critic of our day, says, "No person is as uninteresting as the one with no interest in others." These people who live only for themselves are usually the ones who find it quite easy to see the faults of others. Seldom do they look for or talk about the good points in their neighbor's character, but rather find it easier to criticize their fellow classmates.

Are there such people at Olivet? Are these people truly happy? How can they be when the meaning of true joy and happiness is to be found in our positive attitude toward our friends and associates.

A teacher of mine once said that you can find in life and in other person's personality just what you wish to find. Why don't we here at Olivet try just a little harder to have a positive attitude by looking only for the better qualities in people.

Remember only true happiness comes when we give ourselves wholeheartedly for our ideals, ambitions, and FRIENDS!!

by Ted Rypczynski

Upholds Use of Schools By Churches After Hours

Attorney General William E. Powers ruled at Providence, R. I., that the use of public schools by churches outside school hours is not a violation of the separation of Church and State. "Such a use does not convert the schoolhouse into a building for worship within the meaning of the constitution", he said.

Baptist Churches Campaign Against Indecent Periodicals

Southern Baptist Churches are being called on to take an active part in a campaign to rid American newsstands of a "veritable avalanche" of indecency and obscenity which has cascaded upon them. This call came as a result of a conference (sponsored by the Southern Baptist Christian Life Commission) on obscene literature. Expression of shock and dismay came as reports on the type of articles, cartoons and pictures carried by some of the new so-called "men's magazines." This type of magazine

has attained a circulation running into millions of copies a month within the past year.

Baptist Seminary To House Billy Graham Papers

Evangelist Billy Graham has offered his personal letters, papers, and sermons to the Southern Baptist Theological Seminary, Louisville, Kentucky. Dr. Duke K. McCall, president, said the papers would be kept in a Billy Graham room in a new library to be built soon. This would enable young ministers and future evangelists to study the Graham revivals of this era. The papers include Mr. Graham's correspondence with the heads of many nations.

Shoppers Tithe

Once a year customers in Nashville, Tenn., can benefit their churches through their shopping. A leading department store will donate ten per cent of sales to the church designated by the buyer. The store president, reviewing recent requests for donations from local congregations, "saw a chance in which we could help all churches through individual members of the congregation."

by Lyle Krumrie

The Political Pot Boils

While the Nation's Capitol was digging out from under snowdrifts and preparing to brace for the cold weather ahead, there was no sign that politics had cooled off any. Indeed the rumblings of the coming 1958 congressional campaign could already be heard.

Overnight the big campaign issue changed from lag to sag. Yes, the politicians were sensing that the people were less worried about defense and more concerned about the weak spots in our economy.

Ever since Sputnik zoomed over our heads last October, defense or the lack of it seemed uppermost in everyone's mind. The experts were guessing that defense would be the number one issue of the 1958 congressional election campaign. With the launching of our Explorer however, the defense worry seemed somewhat alleviated.

The people now turned their attention to the economic problems that were facing the nation. Recession, depression, or simply adjustment, whatever it was, the populace was concerned about it. The rising unemployment was the factor that worried them most.

Naturally, the politicians lost no time in catching on to this. Democrats in Congress immediately announced sponsorship for various measures to ease the unemployment situation. Meanwhile they charged the administration with lethargy in failing to do likewise. Administration officials and economists on the other hand felt that the situation was as yet not critical enough to warrant a so-called crash program. They felt that such a program at the present might only tend to complicate matters.

Nevertheless Republican politicians were worried and finally prevailed on the president to take some immediate action. He then announced a \$3 billion post office building project to be spaced over the next five years.

This shows how responsive politicians are to the rumblings of discontent especially during an election year. They become very liberal, especially with the taxpayers money. In some cases handouts are needed, but there is danger that this election year could become a general giveaway without the basic problems really being solved.

Chapel Programs

March 3 - Dr. George Franklin will speak on foreign missions, emphasizing the Olivet Missionary Band project of raising \$1500.00 for a chapel in Korea.
March 16 - Dr. C. E. Demaray will discuss "Archaeology and the Bible."
March 17-21 - Spring Revival. Rev. Ross Emerick will be the evangelist.

Jews, 1.5 million as having some religion, and 3.2 million as having none. This Census Bureau estimate released this week applies to the civilian population as of March 1957, and is based on a nation wide sampling of 35,000 households.

From the Pastor's Study . . .

It Can Happen to You!

by Forrest W. Nash

Peter went from the Upper Room. The day of Pentecost had come. He had been filled with the Holy Spirit. He came forth, faced the populace of Jerusalem and "lifted up his voice." What a contrast to a few weeks previously when this "big fisherman" stood around the fire warming his hands and denying his Lord during the unjust trial. Prior to Pentecost, Jerusalem to Peter represented defeat. After Pentecost it represented victory. For he preached boldly to the same crowd who had crucified the Savior and the same crowd to which he had voiced his denial.

You who have tried and failed on

this campus I trust the light is breaking through. The same light that broke in upon this apostle enabling him to make a comeback at the identical point where he had been a miserable failure. Olivet, the place where you failed yesterday, can be Olivet, the same place where you conquer today. It can begin happening right now while you are reading this.

There is an "Upper Room" awaiting you. There is the divine power trying now to prevail within you. Even the power of the Holy Spirit.

Dr. DeLong has a sermon entitled, "Mastering our Midnights" - How about it, friend?

Your President Speaks

Without a doubt the sub-zero weather we have been having doesn't give us much incentive to do anything. You are doing well if you can drag yourself out of bed on these bleak mornings for 7:30 class. It is during this period of extreme winter that college life requires an unusual amount of motivation.

It is a good thing to have an occasion like Valentine's day to help perk us up during this period. I know that you all enjoyed the Valentine Party under the direction of Zan Hawkins. The Social Committee under Zan's direction has really done a great job with the all school parties this year.

The name social committee is a rather deceiving one. Some might think it infers that all this group does is get together and have parties on their own. The committee would rather be better named the "work committee." There are some on this committee that deserve special recognition for their dependability and outstanding work. Zan has done an outstanding job as chairman. Wayne Speakman, Carolyn Shrum, and Sarah Petrie have certainly more than fulfilled the above

qualifications. Wayne Kronz, although not officially a member of the social committee was asked to help in several instances and worked as if he was getting paid for the job. You just don't find many of that kind any more.

As soon as spring comes, things will pick up in many respects. When that time comes we will all forget all of the cold dreary weather. The annual banquets will be taking place. The student elections will be here. We will have at least four lyceum programs between now and the time school is out.

The student council is already working on plans for the student project which is intended to take in more students than ever before. Plans are being made to take in the play, "The Robe" as part of the source of funds for this year's project. In my next article I will be telling you more about the project as plans will be more definite at that time. Any suggestions as to the project and methods of raising money will be appreciated. (Methods of raising money will be the most appreciated as we always seem to be able to find a place to spend it!!)

Band Presents . . .

(Continued from Page 1)

"Guards" by Lang; "Meditation" from "Thais" by Massenet; "Drumsticks" by Fillmore; "Lassus Trombone" by Edwards.

This is the first year that the band has been under Professor Hopkins' direction since his return from the service.

Following the concert, members of the band and Prof. Hopkins will be honored at a banquet to be held at Mickelberry's restaurant in Park Forest. Following the turkey dinner, letters will be awarded to those members who qualify.

?

SNOOP SCOOP

It's here again, it's here again, the ole S.S. is here again. In spite of the letters threatening my life I will still carry the torch for the ole, everybody's favorite, the S.S. One other word before we partake of the delectable morsels of information. If, and I repeat, IF your offerings do not exceed those of last month, this column, yes, this beloved column, will have to go, so why not??

If you like horse back riding I would suggest that you contact Normie White. Ole Normie used to ride for Tex Ritter and he can let you ride on one of his many fine mares. Several of our good readers have asked us about the scandal involving our esteemed President of Students. Yes, Jimmie was the roller skating champ of Kansas City. Jimmie broke two toe nails and hasn't rolled since. Harold G., you stop using Normie's horses for hamburgers. The latest romance on campus is none other than Shirley Collier and Henry Goodale. Nice going, Hank. Carolyn Shrummm says to really be a really be, be a really really be. There will be a special meeting of all the members of the Melvin Crudely Club in a few days. Boyd Fees has just been appointed Assistant Traffic Manager. Boyd says, and I quote, "I've always looked forward to the day when I could be of service." Rex Eaton has asked for this extra help because he's so busy hearing everybody gripe about those little red cards that the poor guy can't get a moment's rest.

Dick Reiss says to keep strong and healthy, do two sit-ups a day and eat stale Spudnuts. (This is a paid ad.) There is a little girl on campus whose name is Jeanne Eckley --- Hi, Jeanne. Marilyn Hawk, one of our new songbirds, says, "eat lots of birdseed." Oh, I love birdseed, don't you? Birdseed, birdseed, and more birdseed. George Garvin is a clod, just ask him. George gave me two socks yesterday and both of them had five holes in them. Denice Sherrill is now going with Righty because Lefty was getting punchie. Naughty, naughty, shouldn't box. Well, Swell. Let's sign off by saying it's a great big wonderful world we live in because the Snoop Scoop is back and everybody is happy, thrilled, and Pyrzynskerisym. Our special prize this week, I might add, goes to Dorcas Louise Suman. She picked more daisies than anybody

Missionary Band Launches Fund Raising Campaign

Last October, it was announced by Joe Bennington, president of the Missionary Band, that the project adopted for the '57-'58 school year would be a chapel to be built in Sa Um, Korea. Sa Um is a small village located south of Seoul. Our missionaries serving in this area are Rev. Donald Owens, Rev. Cornett, and several Christian natives. Today these people are worshipping outdoors because there is no place for services until this chapel is completed. The only way of raising this money is by the giving of the faculty and student body. Each Monday morning in chapel an offering is taken for this purpose. The offerings have been very good this year, but they could be better. Today we have \$900.00, but it is felt that this has been given by a small number of the student body. If every student would participate in the offerings each week our goal would be met without any difficulty. We still need \$600.00 to reach our goal and for that reason Monday, March 3, has been the day designated for "March for Missions."

The chapel program for this day will be under the direction of the members of the Missionary Band. Speaking for the occasion will be Dr. George Franklin, returned missionary, now pastor of the Church of the Nazarene in Bradley, Illinois. This year we should have more interest than ever in the project since we have a native of Korea on our teaching staff and two Korean students.

Offering pledges will be taken in the Administration Building and the Universe on Friday, February 28.

else did, so there. And now, "I'll be seeing you in old familiar places." Georgi Malenkov (Morton was exiled, poor Mortie)

Music Memos

By Marilyn Cassells

Prof. Kenneth Bade, chairman of the organ department and conductor of Apollo choir, has written music to two children's songs. The songs, one for an Easter program and the other for a Promotion Day program, have been accepted by the Lillenas Publishing Company.

Several new members have been added to the personnel of Apollo choir. They include: Wanda Grooms; Gwen Johnson; Linda Leininger; Wanda McDowell; Arlene Stiegman; Mary Wilhoite; Randall Culver; Larry Kennedy.

The Altone trio appeared on television in Milwaukee, Wisconsin, February 23, representing Milwaukee First Church. March 5 they will travel to Berne, Indiana.

March 1 the Treble Tones will sing at the annual Michigan District Young People's Banquet in Lansing. Sunday, March 2, they will be singing in Lansing First Church and in First Church of Elkhart, Indiana.

The Organ Guild members enjoyed the film, "Construction of a Pipe Organ", shown by a Wick's organ representative. Organists from the Kankakee area were invited.

The Division of Fine Arts will present the second student recital of this year March 14 in Burke Recital Hall at 8:00 p.m.

CHURCH of the NAZARENE

Know Your Generals

DR. G. B. WILLIAMSON

by Rex Eaton

When the District Superintendents elected Dr. G. B. Williamson to fill the vacancy left by the homegoing of General Superintendent R. T. Williams, the Herald of Holiness announced that "Dr. Williamson possesses character ability and qualifications which make him unusually fitted for this office." Not only previous to that description but since then his life has proven this to be well deserved.

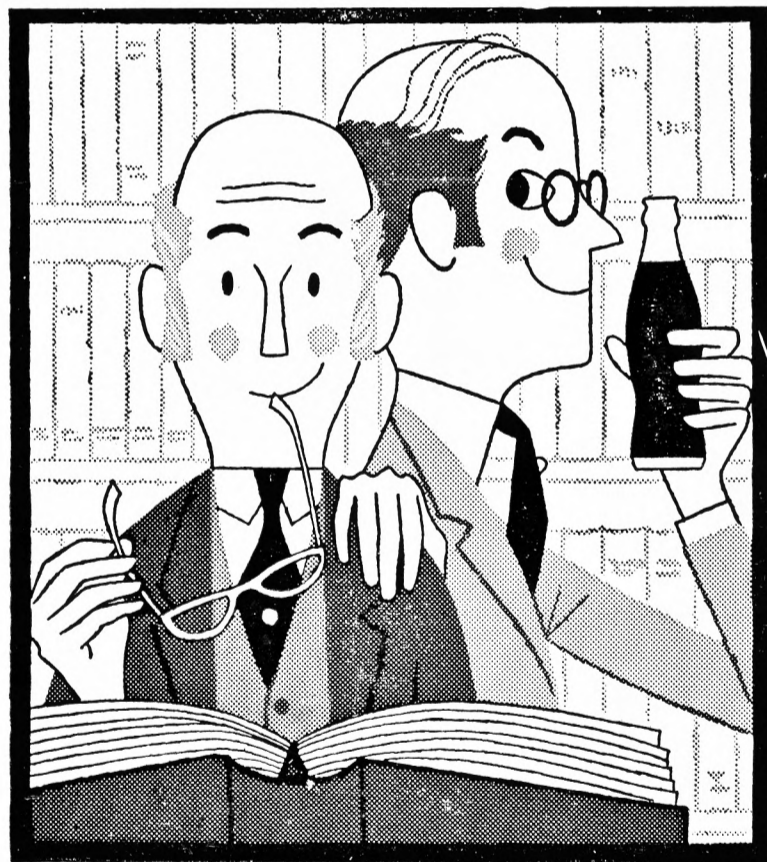

Dr. Williamson was born at New Florence, Missouri, in 1898 and became a member of our church in 1919. He was born and reared in a home where holiness was known and lived. He graduated from a holiness college in Oskaloosa, Iowa, and took graduate work in McCormick Theological Seminary and Northern Baptist Seminary in Chicago.

The Herald has also very aptly declared that "He is one of the outstanding preachers of our church and of the holiness movement." He has pastored for sixteen years at Farmington, Iowa, Chicago Austin Church, Cleveland First Church and Kansas City, Missouri First Church.

He was elected General President of the N. Y. P. S. from 1932 to 1940 and proved his ability as a leader and presiding officer during those years and in presiding over two General N. Y. P. S. Conventions. He served successfully as president of Eastern Nazarene College of Wollaston, Massachusetts, from 1936 to 1945.

Dr. Williamson has served the Church of the Nazarene in its highest office as a General Superintendent since April, 1946. He was re-elected in 1948, 1952, and 1956.

He is a gifted writer, the author of "Overseers of the Flock," "The Labor of Love," "Roy T. Williams, Servant of God," and "Preaching Scriptural Holiness."

Mr. Funk & Mr. Wagnalls

"In re this matter of Good Taste," said Mr. Funk to his secretary, "take a definition." "Taste: sensations . . . excited . . . by the . . . action of the gustatory nerves . . ."

"And add this," put in Mr. Wagnalls. "Taste: the faculty of . . . appreciating the beautiful . . ."

"That," said Mr. Funk, "wraps it up. Mr. Wagnalls, will you join me in a Coca-Cola?"

"So good in taste . . ."

"And . . . in such good taste!"

SIGN OF GOOD TASTE

BRADLEY ILLINOIS

SPORT VIEWS

By H. H. Reeves

Here it is time again for me to pen a line or two for all of my faithful readers. Well the time for another class tournament has rolled around and from what I have gathered, everyone thinks more of it than they did the regular season play. Sounds wonderful to hear so many people enthused about an athletic event. Imagine what we could do with a new team to play every Friday!

I happened to be around Birchard gym a couple of afternoons ago and watched the Seniors scrimmage the Juniors. Later that same night the Sophomores played the Kankakee Moose a practice game. My pick goes to the second year men. (My class standing has nothing to do with it.) The sophomores seem to have the height and "go-go" that it will take to be the class champion. I'll be looking for all of you to attend all of the games of the tourney.

With that I'll get back to the books - after all that is part of college too! Best of luck. See you next issue.

Final Game Of Season See Blues Win 1st Place

In the final game of this basketball season the Trojans defeated the Spartan five 81-64. This victory gave the Trojan five an 8-2 season record which captured first place. The Spartans finished in second place with a record of 4 wins and 6 loses.

The final score indicates a one-sided game, but actually for three quarters it was a nip and tuck battle. The Trojans led by one point, 18-17 at the end of the first quarter. They increased their lead to four and led 36-32 at the half. In the third period the lead changed hands several times. At the end of the third period the Trojans led 55-53.

The fourth quarter was a fatal one for the Spartans as the Blues outscored them 26-11 for the margin of victory. Tom Craig scored 11 points in this period.

Craig with 23, Hendrick 19, and Jeter with 18 were high for the winners. Jerry Petrie added 12 points to his team's winning effort.

Paul Dishong, led all scorers for the evening as the fiery Spartan guard hit for 27. Smith was next with 16.

SPARTANS	F.G.	F.T.	T.P.
Stiles	1	2	4
Snowden	5	0	10
Smith	6	4	16
Woods	2	1	5
Knotts	1	0	2

Lytle, Powell Lead Defeat Trojans 65-55

Sparked by a balanced scoring attack and control of the boards, the Indians defeated the Trojans 65-55. The game started slowly as after three minutes of play the Trojans held a 5-3 lead. Then the Indians came to life as Powell hit two long shots in a row, a tip by Lytle, and a layup by Hendricks, before Petrie hit from the corner for the Trojans. The quarter ended with the Indians ahead 17-11.

During the second quarter the Indians "cooled" and the Trojans found the range. Hendrick and Hogan led the assault as the Trojans rushed into a 31-27 lead at halftime. In this quarter the Blue outscored the Red 20 to 7.

The third quarter was another turn-about as the Trojans "cooled" and the Indians snipped away at the Trojan lead. About midway in the quarter the Indians went ahead and led 47-45 as the period closed.

Starting the fourth quarter the Indians hit four quick points. This increased their lead to six points and from here on out they were never in any danger, winning handily by 10 points 65-55.

Don Lytle with 19, Powell 16, and Hendricks with 15 carried the brunt of the Indian attack. It was Powell, however, with the long two handed set shot that broke the Trojan luck.

Jerry Petrie with 16 was high for the losers followed by Hendricks with 13, Craig 12, and Hogan 11.

INDIANS	F.G.	F.T.	T.P.
Lytle	9	1	19
Powell	8	0	16
Hendricks	7	1	15

Spartans Win "B" Game Coached By Snowden

In a thrilling "B" ball game, the Spartans, coached by Jerry Snowden, won their third straight by downing the Indians 54-52. The determined Green held the Red and White to eight points in the first quarter and went on to score 20 of their own. Tom Thompson continued his scoring streak by dumping in 12 points in the first half.

The second half saw a fighting Indian offense come to life and jump into the lead only to have it taken from them at the close of the third quarter. The period ended 28-38. The fourth quarter see-sawed back and forth with the Indians coming no closer than six points until the final two minutes when Rick Withrow scored three quick hooks to come within two points of the lead. A well manipulated stall kept the winning tallies in the hands of the Spartans. The game ended 54-52. Ingles and Withrow were high for the Indians with 15 and 13 respectively. Thompson and Reeves did the honors for the green with 17 and 14 in that order.

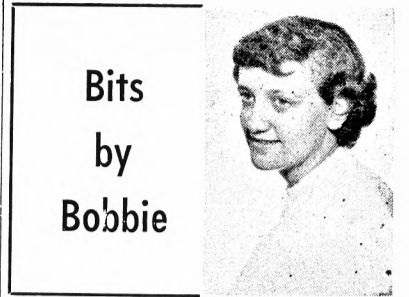

SPARTANS	F.G.	F.T.	T.P.

Indians On Warpath Scalp Spartan Five

The Indians went on the warpath and scalped the Spartans 84-73 and then their following game scalped the Trojans. The Indians this year have been the "hard luck" team losing 2 games in football by one point and four games in basketball by three points.

The Indians were sparked by their new offense with Lytle and Hedrick

Bits by Bobbie

The women's class tourney is under-way!!! Some very exciting games have been played thus far and I urge everyone to get out to watch the championship game. It is Saturday, February 29 at 7:15 p.m. Be on hand for this exciting contest and let's have some good ole' class spirit!!

The society basketball games are over this year. The final standings in the women's division are as follows:

Team	Pts.	Opps.	Pts. W	L
Trojans	354	217	7	1
Indians	327	316	4	4
Spartans	207	353	1	7

(Incidentally, Friday, December 13, 1957 spelled bad luck for the Trojans when they lost their only game of the season to the Indians 45-41.)

The Trojans had a very good year and repeated as champions. Experience paid off and was the main factor in their success. The Trojan forwards had a balanced scoring attack and the guards came up with another year of superb and championship play.

The Indians, for the second straight year, ended in second place. This team was much improved over last years team although their 4-4 record doesn't indicate the fact. This will be a good team to watch out for next year.

The Spartans again ended in last place. However, this team is much better than previous teams. They had much spirit and really fought for victory in every game. This is another team which will be interesting to watch next year.

playing a double pivot. Each counted in with 26 tallies. Hedrick garnered 20 tallies the first half and Lytle took up the slack and countered with 17 the second half.

Paul Dishong, the Spartan's flashy guard was not to be denied for individual honors, as he scored 30 points on his "twist-around lay up."

The Indians scored 22 points each of the first two quarters and 20 each of the last.

Sports Question Of The Week

by Rick Withrow

WHAT HAS BEEN YOUR OPINION OF THE OFFICIATING AT OUR BASKETBALL GAMES?

Wayne Kronz, freshman — "I feel that on the whole there could be much improvement. I can honestly say that I have seen only 1 or 2 well called ball games all season. I also feel that hastiness on the part of some of the officials has been the cause for many bad calls.

Allowing for partiality, I believe that many of the students could have done just as admirable a job as has been done by these supposedly professionals."

Merwyn Matson, junior — "The officiating has been under par in my opinion but I also feel that much of the cause for this can be laid to the continual complaining of the players. If a player would realize that, "Who me ref?" never did change a decision we would have a better brand of officiating at our ball games."

Martha Stitzle, freshman — "I do not think the calling has been very good, but the complaining does not do any good either. It only serves to show poor sportsmanship.

I believe as far as the girls games are concerned that regular refs should be hired just as it is done for the boys "A" team ball games."

Jim Brian, junior — "As far as the whole year is concerned, I feel that the calling has been fairly good although at times inconsistent. This is due partly to the types of games that have been played, which at times hasn't been too good.

Men's Final Standings "A"

Team	W	L	Pts.	Opps.	Pts.
TROJANS	8	2	657	550	
SPARTANS	4	6	558	645	
INDIANS	3	7	579	600	

High Scorers "A"

Spencer Hedrick (I)	16.4
Don Lytle (I)	16.1
Paul Dishong (S)	15.2
Tom Craig (T)	15.0
Jerrie Petrie (T)	13.8
Jerry Snowden (S)	12.2
Burley Smith (S)	12.1

I don't think I could pick out one particularly poor quality, I have noticed. Although in the officiating, the ability to consistently call a good ball game has been found in only the minority of the officials we have seen this year."

Larry Cox, sophomore — "I don't think that the officiating here at Olivet has been as good as we were accustomed to in high school. I think this is due, to a great extent, to the attitude of the referees. Olivet's basketball floor has become just another place to pick up \$15.00 with very little effort and no chance to establish or damage one's reputation outside the campus proper.

Certainly something should be done to make the officials realize that we deserve as much effort in our inter-mural ball games as the local high schools do in their interscholastic program."

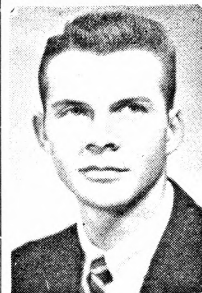

In summary we find the general consensus of opinion is that there is widespread feelings of disappointment and that something constructive should be done to alleviate such a disturbing situation.

SPORTRAITS

by Bob Robinette

In the fall of 1936, October 5 to be exact, Rev. and Mrs. Russell Smith

were gifted with baby boy who they named Burley Gene. All of this took place in Fort Recovery, Ohio where he attended the first five years of grade school. From here, Burley came to the Olivet Academy where he rounded out his grade school education.

You might say that Burley has had a well balanced education because upon grade school graduation he again moved and this time started high school in Rochelle, Illinois. After completing three years here he moved to Wauseon, Ohio where he graduated.

While in high school Burley lettered in basketball and also played three years of tennis, one year of which his team participated in the state double finals.

In 1954 Burley entered Olivet as a freshman and has been active ever since. He has participated in softball, basketball, and tennis.

Burley has lettered in basketball two years and last year played on the Spartan team which shared the co-championship.

Not only has he been in the limelight of sports but he also has been a member of 'O' Club, this year serving as secretary-treasurer, the honor society, and the F.T.A.

In November of this year Burley was elected to Who's Who in American Colleges and Universities, one of the most outstanding achievements a college senior can be honored with.

Upon graduation Burley plans to marry Jeannette Hanson and then continue his education on the graduate level.

Open Letter To Sports Editor

Dear Editor:

Many contradictory views have been aired as to the merit of officiating, as far as keeping basketball games from becoming inclined in the ways of football.

We as a school have seen both good and bad basketball to say nothing of little good and more bad officiating.

After having called basketball games for over three years, I have come to an inescapable realization, that basketball games (in most cases) can either be kept as such by the official or it can be allowed to go amiss and look more like a tug-of-war.

Somehow over the years the officials have been told to kick out of a ball game anyone who speaks up against a decision, good or bad. If the one who made this request would but check the rule book he would find that the handling of such misdemeanors is a three stage operation.

1. The official shall warn the violator.

2. The official shall call a technical foul if the infraction occurs a second time.

3. The official shall remove from the floor he who violates for a third time. (Special cases considered.)

Some have grown to believe that we as Christians are to smile and never feel a bit bad if we are wrongly accused of a foul or infraction. I feel that there is a difference between carnality and complaining and that we as either leaders, officials, or players are not to decide which is being displayed.

I have fond recollections of last year when a player could discuss with an official the merit of a poorly called play without the fear of being "booted" from the game.

Complaining, when kept in proper perspective, is as Christian as it is human. For if each of us does not speak up for ourselves I'm sure we would soon come to the realization that no one ever would.

I believe that the caliber of the officials and their known temperament should be checked before we hire them at the fee they receive.

There have been many times that an official's temperament has ruled a decision as far as an individual is concerned. There was a case in the last ball game when an official kicked a player out of the game without first the warning or the technical foul. In actuality he asked the player to leave the floor, then he called the technical. (I might add in direct opposition to the rulebook.)

Why don't we as a school allow personalities to be used as much on the basketball floor as it is expected to be used off of that same floor and try ourselves to clear up this situation.

Sincerely,
Rick Withrow

It seems improbable that we, or any nation or group of nations, will attain peace until each man, in his own mind and heart, treats all men as his brothers. — Eddie Cantor

Spartan Girls Whip Indians In Big Upset

On Friday, February 7, 1958, the seemingly impossible happened !!! The Spartan girls beat the Indians 44-30.

The Spartans started to click right after the buzzer in the first quarter and kept up the fine play throughout the entire game.

However, the Indians—in their typical fashion—tried hard to pull out a victory and couldn't be counted out until the final buzzer.

The Spartans led throughout the entire contest. Quarterly scores were 11-5, 27-19, 38-24, and 44-30.

High scorers for the game were Sue Conrad and Pat Dickey for the Spartans with 25 and 16 points respectively. Karen Wright and Pat Daniels came through with 10 and 8 points respectively for the Indians.

Those who played in the game were:

Spartans	Indians
Conrad 25	Wright 10
Dickey 16	Daniels 8
Stivison 3	Shearer 7
Noonan 0	Drake 4
Leitch 0	Pavy 1
Starr 0	Collier 0
Morgan 0	Baker 0
Birchard 0	Stonefish 0

Green "B" Victorious In Clash With Blues

In the final "B" game of the season, the Spartans won out over the Trojans 47 to 45. The game was tied at the half 20-20, but in the third period the Spartans pulled ahead 37-29. During the fourth quarter the Trojans showed signs of life but could not quite pull the game out of the fire.

High point man for the game was Bill Marsh of the Spartans with 12 points followed by Chuck Millhuff of the Trojans with 11. The win placed the Spartans second and the Trojans third in the final standing; the Indians having already won first place.

Spartans	F.G.	F.T.	Pts.
Reeves	3	2	8
Harshman	2	0	4
Judd	3	1	7
Scherer	1	0	2
Downs	4	0	8

Hunter, Petrie Lead Trojans To Victory

The "wrap-up" game for the 1957-1958 girl's basketball season saw the Trojans and Spartans meeting for the fourth time on Saturday, February 15. The Trojans won this one 53-14.

The Spartan pre-game enthusiasm seemed to dwindle as the game progressed into the first quarter. The Trojans were out to win and were not to be stopped.

The highlight of the game was the accurate shooting of Roberta Hunter who pumped through 29 points to pace the victorious Trojans.

The Trojans led all the way. Quarterly scores were 11-2, 32-7, 39-12, and 53-14.

Top scorers for the Spartans were Sue Conrad and Leola Hay with 5 points apiece.

Participants in the game were:

Trojans	Spartans
Hunter 29	Conrad 5
Petrie 11	Hay 5
Trimble 8	Dickey 4
Fell 5	Shirkey 0
Cosner 0	Birchard 0
Miller 0	Leitch 0
Acord 0	Morgan 0
Wyse 0	Owens 0
	Starr 0
	Rexroth 0

CLUB NOTES

by Donna Larrance

The members of the Organ Guild are looking forward to an informal luncheon at the Yesteryear early in April, which will take the place of their April meeting. The guild has planned many activities for this semester. They will be sponsoring a music workshop here this spring as a celebration of Wesley's hymns. Professor Liddell will be lecturing on "Music in the Evangelistic Service", and Professor Bade and some of the organ students will demonstrate several types of organs as they should be used in different church services. Various types of music and music literature, both choral and instrumental will be displayed in booths. Also, the members plan to attend organ recitals at Rockefeller Chapel located on the University of Chicago's campus. On March 16, 1958, the University of Chicago choir and the chapel organist will present "St. John's Passion" by J. S. Bach.

It seems that many Olivet students think that they must be able to play the organ in order to be a member of the Organ Guild. However, Ron Angles, President of the organization says, "It is not necessary to be able to play the organ to belong to the guild; only to have an interest in organ music."

The Science Club, under the direction of its President, Keith Johnson, is sponsoring interesting activities this year. They recently took a field trip to Cook County Hospital near Chicago where they observed an actual major operation from the amphitheater in the operating room.

On March 15, the Platonian Philosophical Society met to discuss "Gothic Art and Scholasticism". The topic will carry over to other meetings. Frank Bowers, a member of this club, explained that these meetings are informal discussions of what the artist is trying to explain through the medium of painting. In other words, what is the significance of a picture and what do the symbols represent.

This weekend Marie Redman and Evelyn Gray, Olivet's home economics majors who live in the home management house, are helping Miss Eureka Brown, director of the department, by acting as hostesses to the home management residents from Carthage College, Carthage, Illinois, and their director, Miss Charlotte Rose. Miss Rose is an alumnus of Olivet Nazarene College. Last weekend these same Olivet students accompanied Miss Brown to Carthage College where they were the guests in the home management house there.
