EDUCATION WITH A CHRISTIAN PURPOSE

Vol. XIX—No. 9

Friday, March 18, 1960

Mrs. Jean Olson To Assume Position As House Director Of Williams Hall This Fall

Mrs. Jean Olson, former Assistant Registrar, will be arriving on Olivet's campus March 28. She will assume position as House Director of Williams Hall beginning the coming fall term.

Mrs. Jean Olson of Harvey, Illinois, will assume responsibilities as House Director of Williams Hall, beginning with the fall semester of 1960.

Mrs. Olson is now assistant registrar at Thornton Junior College as well as an active layman in the Harvey Church of the Nazarene.

Previous to moving to Harvey in 1957, she lived on Olivet's campus and served in the capacity of assistant registrar and in other varied activities. In returning to Olivet as House Director she will live in and have complete charge of the dormitory. Students will act as receptionists and as counselors to be of assistance to her. Mrs. Reeves, head resident women's counsellor, will have new quarters in Nesbitt Hall, only maintaining special office hours in Williams Hall to take care of routine procedures.

Three receptions are planned to welcome Mrs. Olson as she returns to Olivet's campus on March 28. The first will be held Tuesday, March 29, and will be especially for the staff members of the residence hall. The second will be held from 9 till 10:30 p.m. on Wednesday, March 30, for all women living in Williams Hall; and the third will be an afternoon tea-reception on Thursday, March 31. During this time friends and new acquaintances, with whom she will be closely related in her new work, are invited to go to Williams Hall to welcome her.

OLIVET ALUMNUS, CLAYTON BAILEY TO SERVE AS THE EVANGELIST FOR SCHOOL'S ANNUAL SPRING REVIVAL

English Guild, Music Educators S.E.A. Hold Banquets

Mr. Curtis Brady, newly appointed Chairman of the Division of Fine Arts, will be the speaker for the combined spring banquet of the Music Educators Club and the Student Education Association, according to an announcement from Spence Jake-way, President of the Music Educators Club.

The banquet this year is to be held Friday, April 1, and will be at the Kankakee Hotel.

By popular demand, the members of the English Guild will return for their annual spring banquet at the Kungsholm Swedish restaurant in Chicago. A report from Lowell Thomas, vice-president of the English Guild says that the banquet will be held Saturday, April 2.

Following the smorgasbord dinner, the English Guild members see the presentation of the puppet miniature opera.

Choose Former Students To Fill Superintendency

(Nazarene Information Service)

Both of the new district superintendents in the division of the present Western Ohio district had their formal schooling at Olivet Nazarene College.

The new district leaders, who were appointed by the Board of General Superintendents in Kansas City, Mo., in early March, are:

The Rev. M. E. Clay, pastor of the First Nazarene church in Hutchinson, Kans., and the Rev. Carl B. Clendenen, pastor of the First Nazarene church in Springfield, Ohio.

Mr. Clay will head the new Southwestern Ohio district comprising 74 churches with 7,224 members in a 12-county area. Mr. Clendenen will administer the Northwestern Ohio district comprising 57 churches with 4,461 members in a 22-county area.

Dr. W. E. Albea, who has been the Western Ohio district superintendent since its organization in 1943, will retire formally on March 31. He and his wife will be honored at a program in Dayton on March 18 marking their golden wedding anniversary.

Mr. Clay is one of five brothers active in the Nazarene ministry. He spent 22 of his 25 years in the pastorate on the Western Ohio district, starting at Felicity, Ohio, in 1935. He also pastored at Xenia, Middletown and Lima First before going to Hutchinson three years ago.

Rev. and Mrs. Clay have three children, Marilyn, 16, Harold, 14, and Everett, 11. Mr. Clay's father, Mr. O. M. Clay, is a lay member of

HAVE A HAPPY SPRING VACATION
GLIMMERGLASS STAFF

Rev. Clayton Bailey, Olivet alumnus, will be returning to his Alma Mater April 3 to conduct the annual spring revival, continuing this year through April 10. Rev. Bailey will be bringing messages daily to the student body during the extended chapel hour, and will be preaching each evening at 7:30 in College Church during the evangelistic service.

Rev. Bailey is originally from Fort Dodge, Iowa. He served in the United States Coast Guard for three and a half years during World War II. Following this in the fall of 1946 he enrolled at Olivet, graduating in the spring of 1950.

While at O.N.C. he was president of the Freshman Class, and held the office of Prayer Band President for his remaining three years. He was active in the athletic program, a member of "O" Club, and elected his senior year to "Who's Who Among Students in American Colleges and Universities." He received his A.B. in philosophy.

Upon completion of his work at Olivet in 1950 he went on to the Nazarene Theological Seminary and graduated from there in 1953. During his years in seminary and for five years after graduation he preached in evangelistic endeavors.

Recently he has taken the pastorate at the Oakland Church of the Nazarene in Cedar Rapids, Iowa. He is married to the former Charlotte Hazzard, also an Olivet graduate. At the present time, Rev. Bailey holds the office of evangelistic chairman of the Iowa District N.Y.P.S.

Rev. Clayton Bailey, Olivet graduate and now pastoring in Cedar Rapids, Iowa, will be returning to our campus to conduct the annual spring revival.

Special music for the spring revival services will be under the direction of Prof. Irving Kranich, an Olivet alumnus, of the school's music department.

O.N.C. Seniors Bolland and Spotloe To Present Voice Recitals Tuesday, April 12

Alice Lee Bolland

Olivet's Music Department will be presenting a joint Senior Recital Tuesday, April 12, at 8 p.m., in Burke Recital Hall, featuring Miss Alice Lee Bolland and Mr. Donald Spotloe.

Mr. and Mrs. Merle Bolland of New Brighton, Pennsylvania, are the parents of Alice Lee, a music education major with an applied major in voice. Miss Bolland has studied with Mr. Daniel Liddell and Mr. Donald Volz at Olivet.

During her four years at Olivet Lee has been very active in club work, society work, and in part time church work, including: English Guild, Indian Society Secretary-treasurer, cheerleader, Glimmerglass staff, Music Educator's Club secretary, Orpheus Choir, ladies' trio, member of 1959-60 Queen's Court, and Who's Who in American Colleges and Universities. Her plans for the future include marriage on June 11, to Mr. Tom Thompson, teaching at the elementary level, giving private lessons, and part time Christian service in the field of music.

Miss Bolland's recital selections are: *Se tu m'ami, se sospiri*, Pergolesi; *Meine Ruh'ist hin*, Graber-Hoffman; *Still wie die Nacht*, Bohm; *Chanson de Florian*, Godard; *O Rest in the Lord*, from "Elijah", Mendelssohn.

Donald Spotloe

Mr. Donald Spotloe is the son of Mr. and Mrs. Perry Spotloe of Proctorville, Ohio. He is a music education major and has an applied major in voice. While at Olivet he has studied with Mr. Daniel Liddell for three years, and Mr. Irving Kranich for one year.

Mr. Spotloe served two years in the U.S. Army between his junior and senior years at college. During this time he was in the Special Services, all-army entertainment division, and sang in a barbershop quartet which won the recognition of being European Champions. He also played in the band and on a baseball team. Don's college activities have included: baseball, football, basketball, track, tennis, band, Orpheus Choir, and Music Educator's Club. He plans to teach music for one year at the secondary level before entering Ohio State University graduate school to study administration.

Miss Sheri Francis will accompany Mr. Spotloe as he sings the following selections at his recital: *The Miller*, Petrie; *Invictus*, Huhn; *Shoes*, Manning; *Silent Worship*, Handel, *My Dear One's Mouth Is Like a Rose*, Brahms; *Calvary*, Rodney; *Let Not Your Heart Be Troubled*, Speaks; *Ach' So Fromm*, Flotow; *Caro Mio Ben*, Giordani.

"THE PRODIGAL SON" TO BE GIVEN BY O.N.C. SPEECH CLUB

The Prodigal Son is to be the spring production of the Speech Club announced Prof. David Beeman, sponsor of the club. The play will be presented in Burke Recital Hall and two performances will be given on Thursday evening, April 21 and Friday evening, April 22.

The dramatization is a parallel to the Biblical parable of the prodigal son. The prodigal son, David, is enticed to go away to Rome. There he meets a scheming woman, Odaia, who leads him astray. Like the Bible prodigal, David learns all his lessons the hard way.

Playing the part of David will be Walt Ballard, and acting the part of Odaia will be Charlotte Butler. The role of Simeon, David's elder brother, will be portrayed by George Baker, with Sonnie Silvers playing Ruth.

Although rehearsals are already underway, there are still some minor parts left to be cast. Tryouts are being held for these, and these will be announced at a later date.

ORPHEUS CHOIR TO SING APRIL 2-3 IN DETROIT SERVICES

Orpheus Choir, under the direction of Naomi R. Larsen, Acting Chairman of the Division of Fine Arts, will be taking a weekend trip to Detroit, Michigan on April 2. The choir will be singing special music for the 40th anniversary celebration of the Detroit First Church of the Nazarene. They will be presenting a few numbers in the morning worship service, and will present a forty-minute concert that evening in the church.

On Saturday evening, April 2, the choir will be singing in the Ford Auditorium, Detroit, for the H.Y.C. program.

Among the numbers that the choir will be singing that weekend are *Psalm 150*, Lewandowski; *Prayer*, Mascagni, *God is the Light of the World*, Morgan; *Psalm 96*, McRae; *Jacob's Ladder*, Cain; *Roll Chariot*, Cain; *The Old Time Religion*, arr. by Dr. Walter Larsen; *When the Roll is Called Up Yonder*, a male chorus arrangement by Naomi Larsen; *Submission*, Hulin; *He Lifted Me*, Shores; and *Amazing Grace*, Shores.

COMING EVENTS

- April 1 Fri. — S.E.A. Banquet.
- April 2 Sat. — Civic Music (Ruth Slencyznka, Pianist)
- April 2 Sat. — English Guild Banquet.
- April 3-10 Sun.-Sun. — Spring Revival (Rev. Clayton Bailey).
- April 9 Sat. — Ministerial Fellowship Breakfast (7:30 a.m. Mural Room).
- April 12 Tues. — Senior Recital 8:00 p.m. (Lee Bolland, Don Spotloe).
- April 15 Fri. — Band and Orchestra Banquet.

LETTER TO THE EDITOR . . .

Dear Editor

In a recent issue of your paper you carried a story telling of the assistance being rendered to The National Foundation by the Olivet College Speech Club.

I am sure your readers will be interested in knowing that this assistance has not been rendered without due recognition. I am enclosing a letter, from Mr. John Sprinker, Chairman, Kankakee County, New March of Dimes Fund Drive, which better tells the extent of The National Foundation's appreciation.

Yours truly

John G. Sparkes, Pres.
 Olivet College Speech Club

Dear John:

It is about time I get around to expressing my heartfelt gratitude to you and the Olivet Speech Club for your work in behalf of the New March of Dimes Fund Drive. You and your speakers did an outstanding job and without a doubt helped con-

tribute to whatever success we had in the campaign.

The few times I was present when your speakers gave a presentation; I found it excellent. I have heard nothing but extremely favorable comment on your speakers and the program they presented. In fact, we are giving some consideration to the idea of making the Speaker's Bureau a year round activity, with your approval of course. We feel that the message the National Foundation has to offer is vital and that there is no better way to put it before the public than through a project such as the Speaker's Bureau.

Again thanks for your personal efforts and those of your Speech Club and everyone from the College who helped.

Sincerely,

John Sprinker
 County Chairman

"The House of Millingham Presents"

by Chuck Millhuff and Paul Cunningham

I believe that I have found one of the main areas where young people fall down and lose their Christian experience.

Here is a typical example: Mary Barry comes to the revival service and is wonderfully saved. She feels a great release and knows her sins are forgiven. As she walks to the back of the church, sort of a dead feeling creeps over her. The next morning she wakes up to the tune of the same old alarm clock, her feet hit the same old cold floor, and Mary feels just like the same old Mary. As she proceeds through the day, she finds herself accepting the thought that what happened in church last night is already a thing of the past. She makes a few feeble tries, but the end result is defeat. She knows that some day she will stick — but how? She has tried so many times.

HERE IS THE ANSWER!

II Peter 1:5-7: "And besides thus giving all diligence, add to your faith".

This scripture is written to the Christian. It is not addressed to the stumblebum or that person of low estate. Young Christian, this is written to you. The key words are ADD TO. In other words, when you become saved, there are some things that you must do of your own volition and self will. These words ADD TO spell out hard work and a consistent effort. Let us look at those things that we are to add to.

1. "Add to your faith virtue"

You must day by day concentrate on and work at the job of Christian virtue. You will not be made all-virtuous at the first experience.

2. "Add to virtue knowledge"

The BIBLE may seem very uninteresting to you, the time of prayer may not ring any bells, but we are to add knowledge.

3. "And to knowledge temperance"

Christians are temperate. Christian temperance "in all things" may not make sense to you at the moment, but you must add to. God will lead if you will let Him.

4. "And to temperance patience"

Don't get over-anxious for that forty-year experience. We are told to wait before the Lord. We must have the determination to be patient.

5. "And to patience godliness"

We must try to be like Christ. We will not all of a sudden be God-like. We must work at the job. Your prayer should be "I have one deep supreme desire, that I might be like Jesus". The Christian young man or woman looks and acts like a Christian. One of the best authorities on this distinction is the worldly who knows nothing about salvation. Ask him what a Christian looks and acts like. I can assure you it won't be some souped up wonder.

6. "And to godliness brotherly kindness"

If the first day after you have been saved someone gives you a dig, you will need to "add to" and fast. This is one of the areas where God will help us to add to. Young people we must "add to" our experience this feeling of consideration for others. No one is a clod or an odd ball to the Christian. There is no place in the Christian's heart for unkind criticism or degrading.

7. "And to brotherly kindness charity"

We must love every man. This is the greatest of the seven. Real Christian love shows through in every part of the BIBLE. You must have love in your heart for everyone regardless of what their standard is. God is Love.

These things about which we have been talking are inherited automatically at the altar. They represent a lot of hard work and day by day perseverance. My prayer is that God will help the young people of our day to pay the price of real victory. I have found Christ very real in my own life and all of the efforts have turned if accompanied by a stamped, been returned ten fold. If you, young person, want to know what it means

Thoughts On Religion

by Dale Galloway

God's very being is holy. He hates sin and iniquity. He is full of love, peace, joy, mercy, and is long-suffering. Man was made in God's image. In the fellowship which man enjoyed in perfect harmony with his Maker we find the most perfect fellowship that has ever existed. In this fellowship man was after the image of God, being holy, complete, and pure in nature. God would never have broken this union, for God said, "This is good."

Adam, created with free choice, did not know anything about good and bad. In other words he was unaware of sin. But the Creator had commanded the creature not to partake of the tree of knowledge of good and bad. But the creature, being tempted by an external force in the form of a serpent, exerted himself above the will of the Creator and disobeyed God. Thus, the very essence of sin is not moral choice, but is always disobedience to God.

Man's biggest curse was not the outward curse of being put out of the Garden nor was it the consequence that was to follow, of sorrow, thistles, sweat, death, but the worst thing that happened was when man separated himself from communion and fellowship with the Holy God. Thus man lost the image of God. He lost this holy being or state of his original existence. Thus men are born into the world with this depravity of nature which is nothing more than the loss of holy being which only comes from fellowship with God. Wiley says in Vol. II, page 119, "This depravity must not, however, be regarded as a physical entity or any other form of essential existence added to man's nature. It is rather as its name implies, a deprivation of loss." This loss belongs to the totality of the man.

In Thess. 3:10, Paul prays "might perfect that which is lacking in you." What is this lack in man? The image of a Holy God. Man apart from God is unholy.

Former Students . . .

(Continued from Page 1)

the Western Ohio district advisory board.

Mr. Clendenen also is from a distinguished Nazarene family. His father, the Rev. C. B. Clendenen, has preached holiness in the Nazarene church since 1928. He is now pastor of the Newark First Nazarene church.

Carl Clendenen was an assistant to his father at Troy, Ohio, after graduating from Olivet. He then took a home mission church in Milwaukee, Wis., and later served the Nazarene church in Wapakoneta, Ohio, for seven years. He was called to Springfield First church about three years ago.

Rev. and Mrs. Clendenen have three daughters, Marsha, 12, Brenda, 9, and Cintra, 6.

Mr. Clendenen's brother, Tommy, also is an ordained Nazarene elder and is minister of education in the First Covenant Church of Minneapolis, Minn.

to really live, give yourself unreservedly to Christ. If you will work at Christianity as hard as you do at being popular or dressing nicely or any number of things, you can have a fine experience. Give your all and with God's help, ADD TO!

From The Pastor's Study . . .

Bible Study Is Our Business

by Rev. Forrest W. Nash

"Ye do err not knowing the scriptures, nor the power of God." Jesus spoke these words to a group of religious experts. There are three groups of folk in our day who do not know the scriptures. First, those who do not read them at all; second, those who read the scriptures making them to mean what they want them to mean; third, those who read opinions about the scriptures more than the scriptures themselves. It is a travesty

and a tragedy that all these can be found within the church. All can do better in real energetic study of God's Word and all can bring honest and obedient hearts to the scriptures they study. "All scripture is breathed upon by God and is profitable." "If any man will do His will, he shall know of the doctrine." Effort plus obedience means faith and understanding.

SPECULATION?

by Don James

Olivet Nazarene College is a wonderful school. And to most of us it means a great deal. The opportunity of being able to receive a college education in a school where religion is emphasized, rather than torn down, is in these days almost unbelievable. For this we are so thankful.

From Olivet's small beginning until now it has grown remarkably. It seems as though just when Olivet has needed help most, the Omnipotent has provided. And through this kind of support Olivet has moved from its fire-consumed campus at Olivet, Illinois, to here (Kankakee). Now Olivet is a college of about 1000 students and we ask ourselves this question, "What will Olivet be like in another ten or fifteen years?"

First, we must realize that the future of Olivet is in the hands of its governing body of trustees and that their plans are for a "better Olivet". The school's growth will be planned to what is believed to be in its best interest.

But, why don't we future Alumni of Olivet take a little dream into the future? Let's see what we can dream up.

Perhaps when our children come to school here, Olivet will be twice or three times as large as it is now. And to house these students perhaps there will be several new ultra-modern dormitories for men and for women. And maybe through our new science building we might be one of the science centers of this area.

Not only will we possibly have a school of nursing, but we might also have a laboratory for experimental psychology.

Yes, it is quite possible that Olivet might even become a university. But more than a university, Olivet might be recognized as a spiritual school where growth has not caused the school to secularize to the extent that it has lost its spirituality.

No, we aren't planning Olivet's future; we are only slipping into the possible and wondering what lies ahead for our Alma Mater. But, some of us can't help but wonder if some day we might drive up in front of our dear school and see a sign that says,

"Olivet University"
 "Education with a Christian Purpose"

CALLING YOU...

A call from the Public Relations Office comes to each Olivetian going home for the annual Spring Vacation to be an Olivet recruiter.

This is the time of the year that junior and senior high-school students are beginning to think about college. The Public Relations Office feels that this would be a good time for Olivetians to motivate high school students in their church or local high school to think of making Olivet College their college choice.

Entrance application blanks and other materials for this purpose are now available in the Public Relations Office for all who will take advantage of this opportunity.

More and more members of the high school junior class are being urged to submit their entrance applications. Such action will help to indicate the size of the on-coming Freshman Class. This will aid the college in making preparation in the areas of housing, curriculum and faculty. Also, this will insure ample time for planning to take in high school the right preparatory courses if they have not already had them as a part of their academic program.

RICH SITUATION

(ACP)—University dormitory rent is going up on the University of Arizona campus next year.

The ARIZONA WILDCAT stated: "It's getting to the point where a student has to make his fortune before he can go to school."

TO THE POINT

(ACP)—Jawaharlal Nehru, India's prime minister, has given a new definition of a "fool," according to the ASIAN STUDENT, publication of the Asia Foundation as a service to Asian students in the U. S.

While addressing workers in Allahabad, Nehru is quoted as saying that a person who takes advantage of the experience of others is a wise man. A person who takes advantage of his own experience is a "less wise man."

But, said the prime minister, a person who takes advantage of neither is a fool.

This is an opportunity for YOU—will you be an Olivet recruiter?

Music News

by Lee Bolland

The choral conducting class instructed by Mrs. Naomi Larsen was presented in chapel yesterday to perform what they have learned this semester as well as to gain experience in conducting before an audience. Each member conducted the choir made up of his fellowmembers along with a little added personnel. Members who conducted were Roberta Cosner, Boyd Fees, Ted Griffin, Geneene Morrisson, Jack Procter, Faith Reynolds, and Gladys True.

The Music Educators' Club is going to Chicago on April 14th to hear and see the Chicago Symphony conducted by Fritz Reiner at Orchestra Hall. This orchestra is considered one of the top three symphonies and in order to obtain tickets for you we will have to know ahead of time. The price of the tickets and further information will be announced later so keep your eyes and ears open.

The Band and Orchestra are also attending the concert of April 14th as a part of their banquet. Since so many of us are going, Olivet will be quite well represented and we wouldn't want you to feel left out. Even if you are not in the Band, Orchestra, or Music Educators' Club we would like to have you join us.

On April 2nd the Orpheus choir will journey by bus to Detroit, Michigan, where they will give a concert in the Ford Auditorium. This will be for a Youth For Christ rally and the special speaker will be Mr. John Noble who also spoke in Kankakee not so long ago.

The choir will spend the night in Detroit and sing three or four selections in First Church of the Nazarene on Sunday morning to help them celebrate their 40th anniversary. A half-hour concert will be given on Sunday evening after which the group will return to school.

The last Civic Music concert of this season in Kankakee will be given in the high school auditorium on Saturday night, April 2nd. Featured at the piano will be Ruth Slenczynska, who is quite a well-known pianist and will present an interesting program.

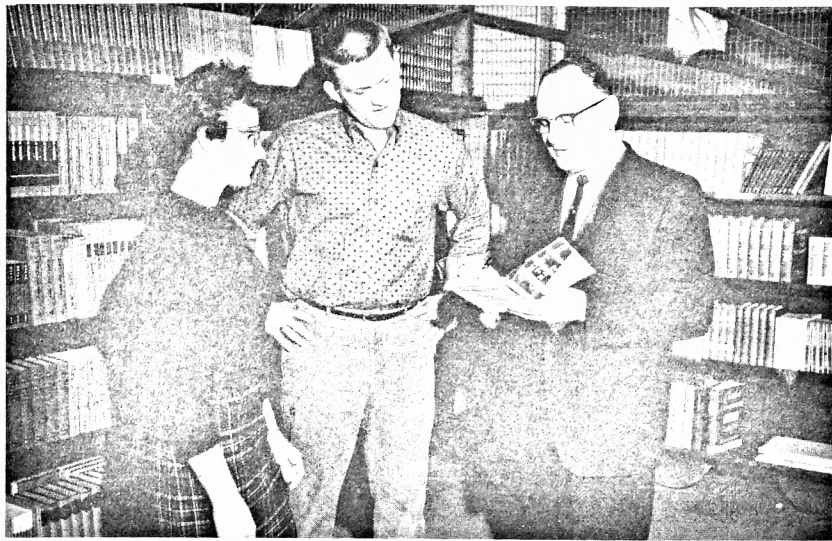

DANGEROUS STIGMA

(ACP) — A University of Texas audience heard Dr. Hyman Judah Schachtel, Houston rabbi, assert that the stigma sometimes accompanying an "A" average is weakening America, reports the DAILY TEXAN.

"There is a crying need for a rebirth of the ideal of being a learned person," Dr. Schachtel said.

He cited the seriousness of students abroad. In contrast, he noted, American students lack the sense of

STUDENT BODY AND FACULTY HOLD DAY OF APPRECIATION FOR PRESIDENT, DR. REED

Pictured above with Dr. Reed, signing a copy of his recently published book, *Committed to Christ*, is Shirley de Lambert and Tom Thompson. The book was released on Tuesday, March 15, at which time Dr. Reed personally autographed each copy purchased by the student body and faculty.

Dr. Harold Reed's new book, "Committed to Christ," went on sale in the Olivet Student Lounge at 9:30 a.m. on Tuesday, March 15. Dr. Reed was present at the Lounge during activity period for an autographing session.

Larry Cox, president of the student body, interrupted this autographing session, as a surprise to Dr. Reed, to declare this day, "Dr. Reed Appreciation Day" and to start a ceremony of appreciation. A twenty-foot banner was suspended above the table where Dr. Reed autographed books. The banner contained a picture of Dr. Reed with the words, "Dr. Reed: we appreciate you." Lapel tags of black and gold, reading "We appreciate Dr. Reed," were distributed among those present at the ceremony. Larry then spoke for the student body and Dean Snowbarger spoke for the faculty, expressing their appreciation to Dr. Reed for his outstanding leadership and service to Olivet. A corsage was presented to Mrs. Reed and a boutonniere to Dr. Reed. The Apollo Choir, under the direction of Prof. Don Murray, sang an arrangement of one of Dr. Reed's favorite

hymns, "Amazing Grace." Messages of appreciation were sent by Dr. Paul Updike, chairman of the board of trustees, and General Superintendent G. B. Williamson, who is the sponsor of Olivet. The ceremony was concluded by the singing of the Alma Mater, led by Prof. Murray.

During the autograph session and the appreciation ceremony, five-hundred cups of coffee and six-hundred donuts were served to those present. A cake, measuring twelve by eighteen inches, in the form of a book, and in gold and purple as is Dr. Reed's book, with the title and design of the same book, was presented on behalf of Harold Gillespie, proprietor of the Student Lounge. The Olivet Speech Department provided flowers for the coffee table, while the basket of flowers for Dr. Reed's table was supplied by Mrs. C. T. Corbett, Head of the Olivet book store.

(We of the Glimmerglass Staff wish to express our deepest appreciation to you, Dr. Reed, for your devotion to the school and all of its functions. It is our wish that God may richly bless you in every way. —Staff and Sponsors)

Everyone believes in the golden rule: give unto others the advice you can't use yourself.

dedication found in Russia and other European nations.

According to him, students should realize that they are "on the battlefield" for the free world every time they sit down to their books.

"I don't lock my car when I have books in it," he said. "We are, unfortunately, such a non-reading nation, I know that they will not be stolen."

BAILEY TO SPEAK AT FELLOWSHIP BREAKFAST HERE

Saturday, April 9, at 7:30 a.m., the Ministerial Fellowship is sponsoring a breakfast for their members in the Mural Room of Miller Dining Hall.

Featured as speaker at this time will be Rev. Clayton Bailey, Cedar Rapids, Iowa, who will be on Olivet's campus for the annual spring revival.

Tickets for the function will be available in the College Bookstore, or may be obtained from any of the officers of the club, according to Dr. Ralph Perry, sponsor of the Ministerial Fellowship. The price of the tickets will be \$.85 for those without a meal pass, and \$.45 for those students with a meal pass.

The Apollo Choir Presents Selections In Orchestra Hall

The Apollo Choir, under the direction of Prof. Donald R. Murray, Division of Fine Arts, presented special music at Orchestra Hall in Chicago, Illinois, on Sunday evening, March 13. They presented fifteen minutes of sacred music before the regularly televised church service of the Chicago Sunday Evening Club.

The forty-six member ensemble presented the selections: *The Creation*, by Richter; *None Other Lamb*, by Roff; *Eternal Life*, by Dungan-Donath; and *He Giveth More Grace* arranged by Donald Murray, with the special clarinet accompaniment played by Prof. Harlow E. Hopkins.

As guest minister for that particular service was the Rev. Raymond I. Lindquist, of the First Presbyterian Church of Hollywood, California.

This has been the second appearance of a vocal ensemble from Olivet to present the special music at Orchestra Hall for the Chicago Sunday Evening Club. In December of

Hubert Humphrey, one of the many hopefuls peering out from behind the ears of the Democratic donkey, has proposed legislation which reeks of controversy and opposition from stem to stern. It involves the question of supremacy regarding the United Nations and its World Court.

In 1946 when the United States was faced with the question of sanctioning the World Court's jurisdiction, it inserted a clause known as the Connelly amendment which stipulated that the U. S. could have

(Continued on Page 6)

1958 the Orpheus Choir, under Mrs. Naomi Larsen, Acting Chairman of the Division of Fine Arts, presented a similar sacred concert.

TO WHOM IT MAY CONCERN...

Dear Editor,

The American College Poetry Society is pleased to announce that its third semester anthology of outstanding college poetry is now being compiled for publication this summer. We would be very grateful if you would alert interested students on your campus to this opportunity to have their work published.

Contributions must be the original work of the student (who shall retain literary rights to the material), submitted to the undersigned, care of the Society, with the entrant's name, address, and school on each page. Poems, which may deal with any subject, may not exceed 48 lines, nor may any individual submit more than five poems. Entries which are not

accepted for publication will be self-addressed envelope, but they cannot be otherwise acknowledged, nor can the Society compensate students for poetry which is published. All entries must be postmarked not later than midnight, March 30, 1960, to be considered, and the decisions of the Society judges are final.

Send your entry to American College Poetry Society, Box 24463, Los Angeles 24, California.

We are very grateful for your kind cooperation without which the first two anthologies could not have succeeded as they did.

Yours truly,
Alan C. Fox
Executive Secretary

SENIOR GIRLS WIN CLASS TOURNEY FOR 4TH STRAIGHT YEAR

by Evelyn Bowen

This year's girls' class tournament in basketball was an exciting climax for the seniors. These girls trounced their opposition to gain the championship for the fourth straight year.

Dropping only one game to the freshmen, 26-17, they won the rest, scoring 38 to 22 against the frosh in the final game. Roberta Hunter was top scorer for the whole tournament with 63 points, followed by Marilyn Trimble who had 55 points. Lavonda Mace was the other forward. Dorothy Acord, Joy Pavy, Delores Cavins and Donna Ewing were the guards.

The juniors were the first to drop out by losing their first two games. Faith Reynolds and Dorothy Diehl led the forwards; Marilyn Baker, Joyce Cole, Pat Tyler, and Virginia Morford led the guards. They lost 20-16 to the sophomores and 33-14 to the seniors.

The sophomores were next, beating the juniors but losing 23-22 to the freshmen and 32-29 to the seniors. Top forwards were Evelyn Bowen and Charity Rodifer; guards, Elouise Miller, Linda Beatty, Alice Snyder, and Lil Edgerly.

The freshmen were runners-up in the tournament, beating the sophs and the seniors, and then losing the final game to the seniors. Carole Rohm, Sharon Crabtree, and Peggy Oliver were leading scorers; Carol Main, Betty Tucker, and Donna Weed, guards.

The top five scorers for the tournament were:

Roberta Hunter	63
Marilyn Trimble	55
Evelyn Bowen	29
Carole Rohm	29
Charity Rodifer	22

CLOSE SCORES AND EXCITING GAMES FEATURED IN 1960 CLASS TOURNEY

Class tournament time was here again and what would be a better way to open competition than with the old men of the tourney, the seniors, battling the exuberant and vivacious freshmen. It once again proved the old proverb that youth and speed would win. The seniors took a 46-29 drubbing from the freshmen. The game was under control of the freshmen from the very beginning. The quarter stops read, 11-5, 18-12, and 33-23, with the freshmen on the long end of the score. Neither team played their best and the shooting percentage for both teams was very poor. Roger Love was the high scorer for the freshmen with 12 points and he was the only freshman to score in double figures. However the outstanding effort of the game was turned in by Spence Hedrick who scored 15 of his team's 29 points and rebounded well the entire game.

The second game of an opening double-header featured the sophomores against the juniors. This proved to be a much more exciting game. The juniors posted a 9-6 lead at the end of the first quarter and a 20-19 lead at the halftime intermission. John Haugh was the big reason as he blitzed the nets for 11 points in that first half. However, the sophomores, possessing several of the college's best shooters, began to hit and moved ahead 39-30 at the three-quarter stop.

The final quarter saw both teams trading baskets as the sophomores went on to win 50-43. Owens with 16 points, Hutchinson with 14, and Riddle with 13 were the high scorers for the sophomores. Haugh topped both teams with 19 and Keith Powell added 12 for the juniors.

The following day, the winners played the first game and it proved to be one of the tournament's most exciting games. The freshmen found a standout in Jerry Smith who scored 12 points in the first half to lead his team to a 30-28 halftime lead. Both teams continued to trade baskets as the second half got under way, and by the time the third quarter ended, the score read 39-38 with the freshmen still on top. Both teams scored 11 points in a frantic and exciting fourth quarter. Jerry Smith was the man most responsible for the sophomores' defeat as he hit 11 field goals for a 22 point afternoon. Roger Love added 10 to round out the freshmen scorers in double figures. Howard Owens again led the sophomores as he pumped in 16

points. He was followed by Figge and Hutchinson with 13 and 11, respectively.

The game between the seniors and the juniors, each bearing 0-1 records was also a close contest in which the seniors won a 1-point decision 48-47. The seniors, led by Gus Sublette's shooting took a 14-6 first quarter lead and a 22-17 halftime margin. The second half, the juniors, led by the driving lay-ups of Larry Hendricker, played a much better half. However the juniors seemed to lack the necessary outside shooting as Hendricker with 16, Haugh with 12, and Powell with 13 accounted for 41 of the team's 47 points. Whereas the seniors received balanced scoring from all positions. Gus Sublette led with 13 points and he was followed by Don Lytle with 10 points. Spence Hedrick, while pulling down a number of rebounds, also scored 8 points.

The freshmen, already assured of a berth in the finals, could now sit back and see who their opponent would be. The game between the seniors and sophomores would determine this. The rubber game started off with both teams pretty evenly matched. They were tied at the first quarter stop 9-9, and only two points separated them at halftime when the sophomores posted a 24-22 lead. At the start of the second half, the sophomores began to take advantage of the zone defense they were up against. Led by Howard Owens, they began popping in long jump shots and quickly ran up a 10-point lead. Owens accounted for 6 points in the third quarter as he led the blue-and-gold sophomores to a 40-31 third quarter lead and then he hit for 10 more in the final frame as the class of 1962 went on to win 55-50. The seniors made a very hard effort to win but couldn't quite match the shooting of the sophomores. Owens was the only sophomore to hit in double figures as he accounted for 21 points. Three seniors scored in double figures. They were Spence Hedrick, 16 points, Tom Craig, 15 points, and Don Lytle, 12 points.

The final game in which the freshmen defeated the sophomores in a 67-66 thriller is reported in another story. The final class tournament standings and scoring leaders are:

Team	Won	Lost
Freshmen	3	0
Sophomores	2	2
Seniors	1	2
Juniors	0	2

Sport Spex

by Bill Marsh

There has been a team of basketball players on our campus who in a certain way have not received proper recognition. I am speaking of the members of the "O" Club team. The purpose of a college having a team like the "Tigers" is to represent the college in basketball games against other colleges. The Tigers are denied this privilege and hence the "O" Club team has played only untrained church teams. In so doing these athletes, who have been selected as the best in our college, are denied such competition and to travel and represent our college. At times, they even receive inferior comparisons to society players whom they have been chosen ahead of by Coach Ward. The bench strength of the Tigers would seem to suffer most since they don't play as much in these games as they would in society competition. If these players were participating in society competition there is little doubt that they would be a member of the starting team. The one purpose of these past few sentences is to say that these players have considered it a greater honor to be classed as a member of the Tigers than to be a starting society player. The starting players on the Tigers also feel that it is of greater honor to play on the "O" Club team even if they do play weak outside teams. If they have this feeling, shouldn't we also give them the same recognition?

It is only right that we do this. They have spent more practice hours on the floor than perhaps all societies put together. This has shown in their games for they have a 9-2 record and have 5 times topped the century mark. With such a record the team must have a talented roster, so let's look at the individual players.

Starting with the Tigers high scorer and one of its hardest playing members is *Howard Owens*. Possessing a 21 pt. per game average, Howard's chief scoring weapon has been a long jump shot which he shoots from just about anywhere. He has also been the lead man on the fast break this year and a number of his points have been scored by simply beating everyone else down the floor.

The Captain of the Tigers this year and their high scorer last year is *Monty Lobb*. Monty primarily shoots a jump shot but hits with the same accuracy on drive-ins, hooks, sets, and one-handed push shots. Averaging 19 points a game, Monty is also one of the teams finest rebounders.

The other Tiger averaging in double figures is *Harry Fulton*. Harry sports about a 15 point average and is a real competitor. Stand-

Tigers Rout Detroit 116-44 In Final Contest Of Season

by Holland Lewis

The Tigers in their first road game of the year and their last game of the season, wrapped things up victoriously, as they routed Detroit, 116-44. This game, as has often been true, saw the Tigers hit the century mark and also saw supreme strength that was hardly even necessary as they left the hapless Detroit team far behind.

A good crowd was on hand to look on as Monty Lobb and Howard Owens ripped the nets with 31 points each. Others in double figures were Fulton with 14, and Hutchinson with 11.

The Detroit team had two boys in double figures, Boyce with 11 and Phillips with 10. Their starting five in addition to Boyce, included Ling, Ketner, Quanstrom, and Weston. All the Tigers played well with Lobb and Fulton deserving special attention for outstanding defensive efforts, along with Hutchinson and Mitchell who played one of their better games of the season. I'm certain that I speak for other students as well as I express our appreciation to Coach Ward and these boys, for the efforts they put forth to give us some good entertainment this season.

SPORTTRAITS

Our sporttrait selection for this issue is none other than Spence Hedrick. He is formerly from Cleveland, Ohio, but now makes his home in Bourbonnais. He is one of our fine married students. Last August he married the former Miss Naomi Shearrer.

During his high school days in one of Cleveland's suburbs, he lettered 2 times in football, 2 times in track, 1 time in baseball, and 3 times in basketball. His senior year he was also co-captain of the basketball team.

Upon graduation from high school, he was offered sports scholarships to the following colleges: Kent State, Miami University, Bowling Green, and Baldwin-Wallace.

Before coming to us here at Olivet, he attended Washington-Jefferson College in Cleveland. He was elected captain of the football team during his freshman year.

Since coming to Olivet, Spence has lettered 3 times in football, 3 times in basketball, participated in softball, volleyball, and track. He is a faithful member of the Indian Society and also former President of the Indians.

At present he is the vice-president of the "O" Club.

His greatest thrill in sports came while he was still in high school. During a basketball game, he scored 43 points to break the school and county scoring record. By doing this he also helped his team break the scoring record of the school and county with 110 points.

Upon graduation, Spence plans to teach and coach, as well as to work on his Master's Degree. Best wishes from all of us to you, Spence, as you leave us and go out into the world to serve God in the field of teaching. May your life always be a testimony and blessing to all with whom you come in contact.

CLASS OF 1963 BECOMES SECOND FRESHMEN TEAM TO WIN TOURNEY

by Holland Lewis

The freshmen have been crowned class tourney champs this year as they came from behind to defeat the defending champion sophomore team 67-66 in the finale of this year's tournament.

The freshmen turned victorious as Larry Winchester, in a reserve role, tossed in 3 of 4 free throws with only seconds remaining. The sophomores had taken the lead early in the game when Howard Owens dropped in a free throw to put them ahead 25-24, a lead which they held till the last point of the game. Baskets by Fulton, Ballard, and Love were also important contributions in the freshmen's successful bid to pull this game out. The sophs had their last opportunity when they got the ball and called time out with 5 seconds remaining to be played, but their hopes faltered as the one remaining shot by Owens bounced off the rim. Another reserve for the freshmen, Chuck Ballard, seemingly turned the tide, as he shot a tremendous percentage while leading the frosh to a victory with 24 points on 11 field goals and 2 free throws. The only other freshman in double figures was Roger Love, who scored 13 and did a good job on the boards. Bob Mitchell, who fouled out late in the game, along with Harry Fulton and Jerry Smith also helped the victors' cause.

In a losing cause the sophomores' Howard Owens took scoring honors with 28 points to lead the sophomores

offensively. Added help came from the defending champs as Jim Hutchinson tossed in 15 points on 5 field goals and 5 free throws. The scoring for the sophs was rounded out by Elmo Wilson and Preston Figge with 10 each and Ted Turner with 2 points. Figge, Wilson, and Hutchinson are due credit in many other ways besides scoring for their efforts in this ball game.

This game proved to be a thrilling and exciting wrapup to this year's basketball season and we may look forward to some good basketball next year as a fourth society is added and we return to a full scale society system.

"Strictly Non-Personal"

by Phil Miller

Fellows, the old saying "The girls are taking over" is quite true. Girls, imagine this world of ours without men!—a maleless planet where women run all the machines, construct and maintain buildings, manufacture, sell and transport goods, till the soil and work the mines, police cities and rob banks (Chicago), fight the wars and make peace,—a soprano sphere where every job from president to postwoman, from doctor to ditch diggers, is held by females.

Fellow male classmates, you had better start thinking about it because the fickle female Mother Nature has pronounced you obsolete! According to all indications, she has just about decided to dispense with men as a useless appendage to the human race and leave Mother Earth—another female, by the way—inhabited solely by members of the so-called weaker sex.

Fantastic? Just take a peek at these statistics:

"For the first time in history, women outnumber men in our general population. According to latest data of the U.S. Census Bureau, there are 4,322,000 more females of marriageable age in these United States than men.

"The 9,505,000 widowed or divorced females in this country outnumber males in a similar sad state three to one.

"Women live longer than men. The life expectancy of females in our population today is 6.4 years more than that of males.

"The annual death rate of males is much higher than that of females. About 900,000 men die of various causes every year, only 650,000 women."

The situation is much worse in other countries. No wonder every unattached female in this country and others—from bobby soxer to Grandma—seem to have a bad case of jitters.

Man has brought this on himself with his inventions to make living easier for women until he has almost been pushed out of the picture.

However, fellows, relax, since it will take them sometime to get rid of all of us. We all know the girls like to have us around so they will try to prolong our lives as long as possible. Isn't that correct?

Sport Spex . . .

(Continued from Page 5)

ing just 5' 11" tall, he can rebound with men 3 and 4 inches taller.

There have been several different players fill each of the two other positions during the season and all have played hard. *Preston Figge* has been a consistent player for Prof. Ward. *Preston*, as *Harry Fulton*, can rebound excellently for his height. He also is a good shot and a good team man.

Larry Hendricker is one of the hardest working players on the team, and has always played basketball that way. A real sportsman, *Larry* also has excellent spring that makes him a rugged rebounder.

A Freshman, *Jerry Smith* has made many marvel at his quickness and lightning-fast reflexes. Often he has got his shot off or completed his pass before the defensive man realized what had happened.

Bob Mitchell is a Freshman who also has fast reflexes but uses them in a different manner. *Bob* is probably the team's best dribbler and ball-handler. His speed is also a valuable asset on the fast break.

A sophomore, *Jim Hutchinson* is a guard who shoots a long jump shot and is most accurate from around the circle. *Jim*, along with being a good shot, is also a fast and shifty player.

Don Lytle is a senior and during the past years has established himself as one of the college's better performers. A strong rebounder, *Don* likes best to shoot a jump shot or a drive-in from the base line.

John Haugh, as *Don Lytle*, is a new member of the Tigers. Following the termination of the Intramural League, in which he was selected an All-Star, he was asked to join the team.

Standing 6 feet 8 inches tall, *Wayne Hopewell* is the "big" man on the Tigers team. *Wayne*, though no fast man, has always more than compensated with his strong rebounding and tip-ins. In Intramural competition, he was always a top scorer.

Cecil White is a Freshman at Olivet and though not a starter has proved his ability when called upon. In one 12 minute period, he scored 16 points one night in a reserve role.

Spence Hedrick, due to his college schedule, only played the first half of the season. However, *Spence* has so proven himself at Olivet that it would be unfair to mention his help to the team. He is one of the College's best men under the basket, at either shooting or rebounding, and frequently is part of a fast break that he started.

We express our thanks to *Coach Ward* for his work and the excellent job he has done. While even he has been disappointed at some of the teams we have played, he has always done his best to give Olivet a good sports program. The performance of the Tigers is in itself a commendable record to his coaching.

It's the job of the U. S. Mint to make it first and yours to make it last.

TRAFFIC TENSIONS — are less irritating when your vision is entirely comfortable.

What In The World . . .

(Continued from Page 3)

the right to determine when a dispute with another nation would come under the Court's jurisdiction. Fourteen years later two separate resolutions, one originating in the senate under the parentage of liberalistic, "One Worldism" *Humphrey*, the other in the house backed by *Harris McDowell* (D-Del.), are proposed advocating the repeal of this freedom-preserving clause.

Elaboration on the fallacies concerning this internationalistic tendency would mean getting involved in issues that would take many more columns in many more Glimmerglases to even come close to settling. However, who can refute the dangers of such a trend when Communist Russia exists as such a foe to man and Christianity everywhere? "One Worldism" is fine. But it can only exist when the motives of nations are in theory and practice the same.

At the present time both resolutions have been momentarily stymied in the hands of their respective congressional committees. But within not too many months expect political controversy in the halls of Congress to mount high as those proposals come again to the forefront.

The interesting bit of news a couple of weeks ago that the Senate had broken filibustering records standing since 1954 and 1915 was of a special significance in that the subject involved was one that will probably live on as long as the United States is providentially allowed to stand. By the time of this reading a settlement will probably have been reached but I can be safe in saying that it will only be "piece-meal".

The issue has been briefly this. The White House has asked for a civil rights bill calling for the formation of federal statutes that would assure government aid in the desegregation of schools, make it a federal crime for anyone to interfere with such desegregation, establish a commission guaranteeing no discrimination in the hiring of workers for federal projects, and call for the organization of government schools for the children of federal employees in areas where segregation is still

prevalent. These and others in addition to a plank insuring voting rights.

Southern Democrats? They say no! Democratic leadership (Texas presidential possibility *Lyndon Johnson* at the battlefield) and republicans in general say yes, with factions of Republicans and southern Democrats alike willing to settle on a bill insuring only voting rights. The result was the instigation of a "talkathon" by the radical South with all factions of Congress using pressure on the sidelines to attempt incorporation of their particular issues, amendments, and compromises.

The result? Settlement with the surety of, at the most, just one of these steps taken, with many more steps still ahead, and an issue infinitely drawn out.

I'd like to close this week's column with quotations from HUMAN EVENTS which in turn has quoted two individuals concerning their respective views on Castro: *Jack Paar*, "water-closet" comedian, and columnist *George Sokolsky*. Draw your own conclusions.

Jack Paar: "... This man Castro

is beloved by these people and here is a history of four or five hundred years of poor little people with their kids living in dirt and now this man promises them something else . . .

"I know, for I have been in his home and have met his son and know personally that here is a kind, gentle, and loving man who has first and only the interest of Cuban people in his heart, and all the nasty things the papers have been saying about him are just not true. I do not understand how they can say these awful things and mislead the public when they are just not true . . ."

George Sokolsky: "The visit of *Mikoyan* to Cuba ought to open the eyes of the American people to the ugliness of the Castro regime. It is a Communist regime. *Fidel Castro* is a tool of a Communist revolution. He is building a Latin American Communist state 90 miles from Miami. The danger is great and while we face this situation the President and the State Department utter sweet nothings. The failure to meet Castro head-on is one of the most disgraceful situations in American history."
