## SPELLING LIST

FOR INTERSCHOLASTIC LEAGUE

SPELLING CONTEST : 1955-56 SCHOOL YEAR

BUREAU OF PUBLIC SCHOOL SERVICE

DIVISION OF EXTENSION : THE UNIVERSITY OF TEXAS

PUBLISHED BY THE UNIVERSITY TWICE A MONTH. ENTERED AS SECOND-  
CLASS MATTER ON MARCH 12, 1913, AT THE POST OFFICE AT  
AUSTIN, TEXAS, UNDER THE ACT OF AUGUST 24, 1912

## Foreword

THIS BULLETIN contains three lists, each of which is designated as a source of words for the League spelling and plain writing contests in the respective divisions. The words are carefully selected and are supplementary to the State Adopted Texts, Grades Five to Eight, inclusive. Few of the words appearing in the lists will be found in any one of the adopted spelling texts, or in the League Lists of 1954-55.

Pupils are required to spell only the words in Roman type; words and phrases in italics are explanatory and chiefly for the purpose of helping the pronounced distinguish between words having the same or similar sound.

Corrections of misprints or other errors in the word lists appear in the Official Notice Column of the *Leaguer*. Teachers who report errors to the State Office do the League a real service.

The present adopted spelling texts contain excellent suggestions for teaching spelling, and these plans and devices may well be used in teaching pupils to spell the words in these lists.

This is not only a spelling, but a "plain writing" contest. More papers are rejected by the State Grading Committee on account of illegible writing than on account of incorrect spelling. Many grading committees do not seem to realize the importance which is attached by the State Committee to "plain writing." A special circular entitled "Writing Errors," which contains many illustrations of malformed or illegible letters, is sent free of charge on request of any teacher using this list.

  
Director
