ABSTRACT

Linda Kusuma Astuti, 2016. Making Promotion Media in English about Taman Satwa Taru Jurug, English Diploma Program, Faculty of Cultural Sciences, Sebelas Maret University.

The objectives of this internship report are to describe the internship activities that I did during the internship at Taman Satwa Taru Jurug Surakarta from 15 February 2016 to 15 March 2016; to identify the problems during the internship, and to find out how to solve the problems. My main activity was making promotion media, booklet and leaflet in English. In making promotion media, the main difficulty were translating difficult words (sentences) from Indonesian into English; and operating Corel Draw X6 software. To solve the first problem, I used online dictionary and did soe consultation with the lecturer. To solve the second problem, I asked a friend who can operate the software. There were also some other difficulties, but my team and I could handle it well. I also helped the officer to welcome tourists who came in Taman Satwa Taru Jurug Surakarta and gave directions or instructions in buying the tickets at the counter, or answered their questions about Taman Satwa Taru Jurug Surakarta.
