ARTEXTE

Artexte est un organisme sans but lucratif qui, depuis sa création en octobre 1980, pour mandat de réunir et de diffuser l'information concernant tous les aspects des arts visuels contemporains. Le double objectif de l'organisme est de procéder à la collecte d'informations sur l'art contemporain québécois, canadien et international et d'en assurer la circulation à l'intérieur comme à l'extérieur du Canada. Depuis 1986, Artexte a acquis le statut d'organisme de soutien national aux arts visuels.

Ces activités se partagent en quatre secteurs. Le CENTRE DE DOCUMENTATION est un lieu idéal pour la recherche en art contemporain, particulièrement sur l'art canadien depuis 1965. Une base de données informatisée assure l'accès aux collections qui comprennent principalement des catalogues d'exposition, des périodiques et des dossiers sur des artistes, les institutions, des événements et des thèmes. Les ÉDITIONS ARTEXTES se consacrent à la publication d'ouvrages sur l'art contemporain: livres de référence, livres théoriques, catalogues d'exposition et livres d'artistes. Grâce au Catalogue des catalogues et par le biais du SERVICE DE DISTRIBUTION, les institutions et le public de l'extérieur de Montréal peuvent se procurer presque tous les catalogues d'art contemporain publiés depuis 1970 au Canada. La LIBRAIRIE offre un vaste choix de publications en art actuel: catalogues d'exposition, livres théoriques, publications indépendantes et revues.

Vous pouvez devenir AMI(E) d'Artexte et profiter d'une réduction de 10% sur vos achats de livres et de catalogues d'exposition, de prix spéciaux sur les publications des Éditions ARTEXTES, de l'accès à la base de données du centre de documentation, en plus d'être inscrit sur la liste d'envoi.

ARTEXTE

Founded in October 1980, ARTEXTE is a non-profit organization, dedicated to the collection and distribution of information on all aspects of contemporary visual arts. The twofold objective of the organization is to collect information on contemporary Québec, Canadian and international art and to ensure its dissemination both in Canada and abroad. In 1986 Artexte acquired the status of national service organization for the visual arts.

Artexte encompasses four areas of activity. The DOCUMENTATION CENTRE is an ideal place for indepth research on contemporary art, particularly Canadian art since 1965. A computerized database provides easy access to the collections which include exhibition catalogues, magazines, dossiers on artists, institutions, events, and thematic subjects. The ARTEXTES EDITIONS are dedicated to the publication of contemporary art reference books, theory books, exhibition catalogues and artists's books. Through the Catalogue of Catalogues, the DISTRIBUTION SERVICE allows institutions and out-of-town clients the possibility of acquiring virtually all contemporary exhibition catalogues published in Canada since 1970. And the BOOKSTORE carries a wide variety of contemporary art publications including exhibition catalogues, theory books, independent publications and over 100 magazines and journals.

We invite you to become a FRIEND of Artexte. Benefits include a 10% discount on purchases, special prices on all ARTEXTES publications, access to the computerized database of the documentation centre and all our mailings.
