End User License Agreement (EULA)
Eurace@Unibi Model

THIS AGREEMENT is made for the use of the Eurace@Unibi Model, in consideration of the mutual promises, terms and conditions contained herein.

Preamble

This User Agreement establishes the terms under which a given software Package may be copied, modified, distributed, and/or redistributed. The intent is that the Owner maintains some artistic control over the development of that Package while still keeping the Package available to the scientific community.

Definitions

"Owner" means the individual(s): Herbert Dawid, Simon Gemkow, Philipp Harting, Sander van der Hoog, Michael Neugart, with as representative Herbert Dawid.

"Contributor" means any party that has contributed code or other material to the Package, in accordance with the Owner's procedures.

"Package" means the collection of files distributed by the Owner, and derivatives of that collection and/or of those files. A given Package may consist of either the Standard Version, or a Modified Version.

"Distribute" means providing a copy of the Package or making it accessible to anyone else, or in the case of a company or organization, to others outside of your company or organization.

"Standard Version" refers to the Package if it has not been modified, or has been modified only in ways explicitly requested by the Owner.

"Modified Version" means the Package, if it has been changed, and such changes were not explicitly requested by the Owner.

"Agreement" means this User Agreement as Distributed with the Standard Version of the Package.
.
"Source form" means the source code, documentation source, and configuration files for the Package.

"Compiled form" means the compiled byte code, object code, binary, or any other form resulting from mechanical transformation or translation of the Source form.

In order to use the Eurace@Unibi Model, You agree to and comply with the following terms and conditions:

Permission for Use and Modification Without Distribution

(1) You are permitted to use the Standard Version and create and use Modified Versions for any purpose without restriction, provided that you do not Distribute the Modified Version.

Permissions for Redistribution of the Standard Version

(2) You may **not** Distribute verbatim copies of the Source form of the Standard Version of this Package in any medium.

(3) You may apply any bug fixes, portability changes, and other modifications made available from the Owner. The resulting Package will still be considered the Standard Version, and as such will be subject to the Agreement.

Distribution of (Modified Versions of) the Package as Source or Compiled form

(4) You may Distribute the Package as Source or in Compiled form **only with prior written permission from the Owner.**

(5) You may Distribute your Modified Version as Source **only with prior written permission from the Owner**. Any Distribution of the Modified Version must clearly document how it differs from the Standard Version, including, but not limited to, documenting any non-standard features, executables, or modules. In addition, the Modified Version must bear a name that is different from the name of the Standard Version.

Publications

(6) Any publication that contains results derived from the Standard Version or Modified Version must contain the following (or similar) acknowledgement:

„This work uses (a modified version of) the Eurace@Unibi model, developed by Herbert Dawid, Simon Gemkow, Philipp Harting, Sander van der Hoog and Michael Neugart, as an extension of the research within the EU 6th Framework Project Eurace."

(7) You must notify the Owner about any publication that contains results derived from the Standard Version or Modified Version.

(8) Disclaimer of Warranty: THE PACKAGE IS PROVIDED BY THE OWNER AND CONTRIBUTORS "AS IS' AND WITHOUT ANY EXPRESS OR IMPLIED WARRANTIES. THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT ARE DISCLAIMED TO THE EXTENT PERMITTED BY YOUR LOCAL LAW. UNLESS REQUIRED BY LAW, NO OWNER OR CONTRIBUTOR WILL BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING IN ANY WAY OUT OF THE USE OF THE PACKAGE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.
