## Dr. Craven E. Williams Named President of GWC

Dr. Craven Edward Williams is the new president of Gardner-Webb College.

Dr. Williams was named ninth president of the College, July 30, 1976, by the Board of Trustees. At the time of his appointment, he was serving as vice president of Davidson College.

His professional interests include the development and advancement of independent, church-related education; the liberal arts emphasizing a field of concentration, interdisciplinary relationships, and international perspective; and faculty development programs.

While attending Wake Forest, Dr. Williams was chosen for "Who's Who Among Students in American Colleges and Universities." He held membership in Omicron Delta Kappa and was president of Kappa Alpha Order. He played varsity football and was named to the Atlantic Coast

### Conference Honor Roll.

He was born January 27, 1940, at Monroe, N.C., and is the son of Mr. and Mrs. J. Howard Williams of Monroe. His wife is the former Miss Mary Elizabeth Parker of Marshall, N.C. She holds a B.A. Degree from the University of N.C. at Greensboro. She has been a teacher in the North Carolina Public Schools.

Dr. and Mrs. Williams are the parents of two children, a son, Joseph Howard born in 1968 and a daughter, Lee Ifunley, born in 1968.

Although having been on campus only one month, Dr. Williams has earned the respect and support of the students, faculty, staff, alumni and others with whom he has been in contact. It appears that Gardner-Webb College has found a real winner in Dr. Craven Edward Williams.

## Those Were The Days

In the Spring of 1977 the class of 1952 will celebrate its 25th anniversary. A committee is already at work making plans for a reunion during the May 14-15 weekend. Members of the class should mark their personal calendars now to be back on campus to greet old friends and classmates.

Very few classes have remained as close or contributed to the college in as many ways as has the class of 1952. Pictured here are their class officers. The first member of that outstanding class to notify the Alumni Office of the names of these officers will receive two free tickets to the Homecoming football game on October 16, 1976.

## GWC Alumni Office To Publish Alumni Directory

The first comprehensive biographical reference volume of all Gardner-Webb College alumni will be available soon. The Directory will list alumni alphabetically, geographically and by class year. It will include full name, major, class year, occupation, business and home address, business and home telephone number.

In the coming months, all alumni will receive questionnaires for completing and returning to the Alumni Directory publisher. Before going to press, the publisher has agreed to contact by telephone all alumni to confirm the accuracy of the information.

The Directory will be available in both a soft cover and a deluxe hard bound edition. Its concise, yet complete, sketches will tell you where

your classmates are and what they are doing. The Directory will make it convenient for you to reach your classmates by mail or phone. The geographical index will tell you which Gardner-Webb alumni live in your own town. When you are in a new area you'll be able to see which classmates live there. Recalling the names of forgotten classmates will be made easy by simply thumbing through the class year index.

Copies of the new Directory may be ordered by Gardner-Webb alumni ONLY. Orders will be taken by the University Press, 200 Park Avenue, Falls Church, Virginia 22046, during the telephone verification process.

All alumni are urged to return the Alumni Questionnaire Form as soon as it arrives. This will avoid our having to mail a second request.

## Alumnus James "Frog" Sullivan '51 Author Of New Book

These alumni and friends of Gardner-Webb who were associated with the college in the early 50's will surely remember James "Frog" Sullivan as a star football player. From the GWC campus "Frog" went on to receive his B.A. degree from the University of Tennessee. Later he earned a M.S. in Special Education and Educational Psychology at Central State University in Oklahoma.

Recently "Frog" authored a book, *The Frog Who Never Became a Prince*, which tells two stories. One is an exciting race against time and one of the most devastating hurricanes ever to hit the Texas Gulf Coast. Frog is trying to get home to his wife, Carolyn, through the storm at night. The other story is his life relived during that wild ride toward home. The book is available in most Christian book stores.

JAMES "FROG" SULLIVAN '51

Frog and his family make their home in Portland, Texas (a suburb of Corpus Christi), where his wife Carolyn teaches and their son Scott is a student at Gregory-Portland High School. Their daughter, Cathy, attends Sam Houston State College in Huntsville, Texas.

In January, 1974, he went to work for the H. E. Butt Foundation which operates Laity Lodge, Laity Lodge Youth Camps, Layman's Leadership Institutes, and Beachhead.

# Bulldogs Are Described As "Older And Wiser"

Head Football Coach Oval Jaynes best describes the 1976 Bulldogs as "a year older and a year wiser," yet tempers his optimism by pointing out, "We will still be very young, possibly starting as many as 16 sophomores."

Granted, the Bulldogs will be young but experienced as they begin their second season under Jaynes' command. Fifty-two players return from last year's roster including 38 lettermen. The breakdown of lettermen shows 22 sophomores, 11 juniors and only 5 seniors.

"We're still a couple of years away from getting the number of upper-classmen we need in the program," he states.

Still, Gardner-Webb has a solid nucleus returning and Jaynes admits, "With a few good bounces of the ball, we could be a contender for the SAC-8 crown."

Gardner-Webb's most obvious strength is in the offensive backfield which returns intact. Sophomore Dennis Stilley who quarterbacked the 'Dogs final five games last year, should be the starting signal-caller. However, he will get plenty of competition from transfer Glenn Robertson and freshmen Greg Bass and Matt Bellard.

The explosive veer offense features four talented running backs, all lettermen and all starters at one time or another in '75. The school's all-time leading rusher Frank Taylor, returns for his senior year. Joining him are juniors Po Rogers, who was named to the All SAC-8 team last year, and

Dedicated and hard-working football staff (left to right) Coach Oval Jaynes, Assistants Ken Sanford, Jim Gudger, and John Taylor.

Johnny Walker, the 'Dogs' most valuable running back in '75. Rounding out the backfield is sophomore Obbie Todd, who averaged 8.5 yards per carry.

Wide receivers Elvin Webber, G.T. Johnson, Marc Walker and Mark Morningstar and tight end John Smith insure an experienced passing attack.

The offensive line promises to be much improved with lettermen two-deep at the interior positions.

At the tackles, Jaynes can choose from all-conference candidate Mark Cleesen, Jeff Carter, and Ken Ehardt. Mike Dover, Jody Douglas, Bob Barnes and Jim Purlough will man the guard posts while sophomores Richard Mack and Gary Berryhill battle for the nod at center.

Defensively the entire front five returns with All-conference end Monte Walker, who led the team in tackles last year, heading the list of returnees. In the middle, the Bulldogs pack a lot of muscle with 225-pound nose guard Ronald Dunlap and tackles Phil Wright (240), Jack Yates (235), Frankie Smith (215), and Brad Stalvey (230). Three lettermen, Jeff

Keens, Robert Pettyjohn and Roy Kirby, are stacked up at right end opposite Walker.

Graduation weakened the linebacker slots, but Jaynes expects solid play from senior Bob Johnson, sophomore Mike Briggs and junior John Hargrove, a newcomer from Ferrum Junior College.

There are a lot of unanswered questions in the secondary, where eight candidates are battling for starting berths. The leading contenders at cornerback are Joe Russell, Don Montgomery, Donnie Andrews and Mike Barin. Juniors Bill Salyers and Jeff Johnson finished spring practice as the No. 1 players at strong safety and free safety, but both are being pushed by converted tight end Marvin Oliver and Alvin Lee, a transfer from Western Carolina.

The kicking game will be much improved with the addition of a pair of transfers, Mike Cox from East Carolina, and Ted Monica from the University of Miami. Mike Briggs, who averaged 35.5 yards per kick last year, will again handle the punting chores.

## Memorials To Honor Former GWC Professors

Memorials have been established by Gardner-Webb College in memory of two faculty members who passed away during 1976.

The Dr. J. Thurman Lewis Chair of Biblical Studies and Semitic Languages and the Hubert C. Dixon Mathematics Loan Fund honor professors who were held in esteem by the college community.

An anonymous donor has made a pledge to match the first \$1,000.00 received from alumni for these two programs. Contributions to either memorial may be sent to the college development office.

Professor of biblical language and religion, Dr. Lewis joined the Gardner-

HUBERT C. DIXON

Webb staff in 1964. He served as academic dean from 1966-69 before returning to the classroom. His teaching specialties were Hebrew, Greek and the Old Testament.

Dr. Lewis was co-founder of the Christian Service Foundation, an organization providing financial aid to students seeking full-time Christian vocations.

Dixon was an administrator and professor at Gardner-Webb for 41 years. At the time of his death, he was chairman of the Department of Mathematics and Physics and professor of mathematics.

During his career, Dixon also held positions as dean, registrar and vice president of the college.
