Acknowledgements

The John Wesley Powell Research Conference Committee would like to acknowledge the contributions of several individuals.

This conference could not have been a success without the contributions of Amy Jo Caulkins, Associate Provost's Office, in organizing many aspects of the conference and assembling and printing the program booklet.

The invaluable assistance provided by Bob Kelch and his staff at Sodexo Campus Services in setting up breakfast, luncheon and other refreshments is gratefully acknowledged.

The assistance of Information Technology Services, Trey Short and Ray Martinez, in setting up computer equipment in all rooms along with Michael Gorman and Kate Browne for registration and website consultation is greatly appreciated.

The photography and videography coverage by Jason Reblando.

The Undergraduate Research Advisory Committee:

Stephanie Davis-Kahl and Tyler Schwend (chairs), Emily Kelahan, William Munro, Carolyn Nadeau, Gabe Spalding and Lynda Duke (ex officio)

Annual Intellectual Theme

All participants that feel their work fits with the theme will be designated with the logo below.

Changing Climates

As we assess our natural and social environments in 2018, we are finding ourselves in the midst of any number of “changing climates”—all with significant implications for humanity and the world around us. At the same time that we investigate the changing climates around us, we also can—and must—engage in the active project of changing climates.
