DIRECTORY OF AMERICAN CITIZENS WORKING FOR THE CHURCH OF CHRIST IN FOREIGN AREAS

Compiled Spring, 1959

This is a listing of non-military American citizens (both individuals and families) now working in areas outside of the continental United States who are sponsored and encouraged by Churches of Christ in the U. S., their mailing addresses, year of entry, and sponsoring congregations. This listing gives the names of 175 families or individuals.

We have included Alaska and Hawaii as foreign mission points, even though they are now states. Foreign nationals are not included, except when one or the other in a couple is an American citizen. Then they are both included. Workers who have announced they are going to foreign fields this year, are not included in this listing.
