FOREWORD

This is a "trial run" directory of our missionaries. We know that it is far from accurate or complete—it may be difficult to ever have one entirely up-to-date. Our workers in foreign fields are constantly on the move.

Some of the names listed are those of native preachers, supported, we suppose, by churches in the United States or Canada. We are aware that there are many others of these, especially in Italy, Poland, Mexico and the Philippines whom we have not listed. It may be well to carry these in future issues. We are also listing a few of the former missionaries as their addresses are always in demand. Later we plan to list all of these—those living and dead—as far back as we have any record.

You will note that we are not listing the address of churches as such but we may carry a few later in the larger cities of the world. Such is only important to the tourist, whereas, ours is a service of love for the spreading of the gospel. Additional information as to churches, those in military, etc., may be obtained from James McGill, Box 181, Henderson, Tenn., Otis Gatewood, 1725 Lincoln, Abilene, Tex., Barney Morehead, World Vision, 1033 Belvidere Dr., Nashville, Tenn.

Printing of this directory has grown out of the constant demand upon us by churches, Bible classes, workshops, lectureships and so on, for such a list. It will serve as a basis for further stimulation for world evangelism and making it possible for any person interested in mission work to have a ready means of contact, which we know to be very, very important.

Please send us such additions, corrections, etc., as you find necessary. We would also like to have the address of the sponsoring church if any. As quickly as we hear from each of you listed herein, we will print a revised directory and then a new one at least every year thereafter.
