❖ INTRODUCTION ❖

The 2005 release of *Foundations in Wisconsin* marks the 24th edition of the print directory and the 5th year of the online version (www.wifoundations.org). The directory is designed as a research tool for grantseekers interested in locating information on private, corporate, and community foundations registered in Wisconsin. Each entry in this new edition has been updated or reviewed to provide the most current information available. Most of the data was extracted from IRS 990-PF tax returns filed by the foundations. However, additional information was obtained from surveys, annual reports, and foundation Web sites.

The 2005 edition documents the significant economic rebound and growth of Wisconsin foundations. The number of active grant making foundations has risen to an all-time high of 1213. As compared to last year's numbers, total grants increased by 10% and total assets by 2%, the highest the totals have ever been. The following table illustrates the financial pattern over the past 10 editions.

Directory Edition	Active Foundations	Total Grants Paid	Total Assets
1996	909	\$160,462,349	\$2,239,817,977
1997	950	\$182,967,421	\$2,708,661,013
1998	1002	\$214,924,544	\$3,220,532,662
1999	1048	\$270,535,600	\$3,902,154,919
2000	1065	\$298,408,284	\$4,533,619,026
2001	1100	\$361,133,037	\$5,005,239,842
2002	1151	\$389,009,152	\$5,018,788,836
2003	1160	\$386,684,708	\$4,700,316,614
2004	1184	\$387,572,449	\$4,772,292,891
2005	1213	\$395,089,700	\$5,254,012,485

The ten counties listed below account for 88% of the total giving by Wisconsin foundations. Once again, Milwaukee County tops the list with 29% of the total number of foundations and 47% of the total grant making.

The fifty largest granting foundations in the state (4% of the total number of foundations) account for \$260,629,140 in total giving or 66% of total grants paid reported in this edition. For the list of the top 50, please see page vi.

Foundations in Wisconsin is produced by the staff of the Funding Information Center, located in Marquette University's John P. Raynor, S.J., Library. The Center's mission is to serve the research needs of grantseekers from around the state. We welcomed over 600 visitors and received over 500 phone calls this past year. Among other resources, the Center's collection includes both the print and online versions of the directory, which are available for public use. For more information about the Center, please turn to page vii or visit online at www.Marquette.edu/library/fic.

Production of this directory could not have been accomplished without the contributions of many talented people. Seasoned graduate assistants Rebecca Cesarz, Val Murrenus, Megan Muthupandiyam, Vance Thomas, and Lisa Zongolowicz all worked diligently to locate, compile, enter, and proofread 990-PF tax data in a most timely manner. Connie Johnson of the Wisconsin Department of Justice provided access to new tax filings, as did many foundation managers who responded to our surveys. Keven Riggle and Dan Abler helped with the much needed upgrade of our database. I am grateful to my co-workers in Research and Outreach Services for their constant encouragement throughout the project. Finally, I would like to thank our Dean of Libraries, Dr. Nicholas Burckel, for his 10 years of support of the Funding Information Center and of this publication in particular. It has truly been appreciated.

Included in the collection are most publications of the Foundation Center, as well as a wide selection of books, directories, periodicals, annual reports, and Internal Revenue Service returns (990-PF's) for all private foundations in Wisconsin. Copies of the Common Application Form (a service of the Donors Forum of Wisconsin) are also available in both print and electronic formats (diskette required). Photocopiers and printers are available for a fee. All other services are available free-of-charge.

❖ **NEW FOUNDATIONS** ❖

The following list is a reprint of the names of 83 foundations that are being listed in *Foundations in Wisconsin* for the first time, either because they are newly formed, moved to Wisconsin, or had a change in tax status. As with all foundations in this book, the established date, if we were able to confirm it, is the fiscal year that the first IRS 990-PF tax return was filed. The 20 active foundations that have profiles in the main section of the book are designated with an “A.” The rest are from the unprofiled section.

❖ AREAS OF INTEREST CATEGORIES ❖

The following categories are used to designate foundation interests, that is, the types of programs supported by a particular foundation during the year for which information is included in this directory. The numbers which correspond to these categories are listed under the term "Interests" in each foundation profile in the main section of this directory. The names of the foundations which have supported these interests are listed on the pages which follow. A foundation must have made grants of \$1,000 or more to be included in an interest category.

No attempt is made to show which interest is preferred by a foundation. To determine this preference, view the foundation's complete grants list found on the IRS 990 tax forms available at Marquette University Raynor Library or via web sources such as GuideStar (www.guidestar.org).
