Our Lady Comforter of the Afflicted

*Immaculate Virgin Mary, Mother of God,
And our most compassionate Mother,
In all humility and with all confidence,
We present ourselves in your sight,
And implore your maternal patronage.
You have been proclaimed by Holy Church
The comforter of the afflicted;
And to you constant recourse is had,
By the sorrowful in all their afflictions,
By the sick in their maladies,
By the dying in their agony,
By the poor in strained circumstances,
By those who stand in all manner of need
In both public and private calamities.
From you they will receive
Consolation and strength.
Turn upon us wretched sinners
Your merciful eyes, O dearest Mother,
And graciously accept our humble and confident prayers.
Aid us in all our spiritual and temporal necessities.
Accept our dedication to the care of the afflicted.
Guide our ministration and God given skills
So that we may see in the patient
The image of your divine Son.*

Amen
