

FROM THE EDITORS

Dear Students, Residents, Faculty, and Friends of the Forum,

We are delighted to present you with the 20th annual edition of *The Medicine Forum*. Here in the birthplace of our nation, we like to think of *The Medicine Forum* as being of the housestaff, by the housestaff and for the housestaff. Undeniably, this publication would not be possible without the countless hours dedicated by our residents, students, fellows and faculty.

As always, thank you for reading *The Medicine Forum*. We hope you will continue to support us in the years to come.

Sincerely,

The Editors
